Rehearing Asked For 63 Mt. Mountain Violators

A Petition for Rehearing, urging the Supreme Court of the United States to reconsider its order refusing to allow an appeal in the case of Minola Tamesa, Heart Mountain evacuee, convicted for a violation of the draft law, was filed last week with the Supreme Court by Attorney A. L. Wirin. Tamesa and 62 other Heart Mountain evacuees were convicted for having refused to report for physical examination in compliance with an order of his local draft board. The evacuees took the position that since they were virtually prisoners of war by reason of their detention in concentration camps they were not free persons within the provisions of the draft law, and hence were not subject to a draft board order to serve in the armed forces. The three year sentence imposed upon the 63 Nisei was upheld by the Tenth Circuit Court of Appeals said Open Forum, June 30.

On May 28, the Supreme Court of the United States denied a "Petition for a Writ of Certiorari" without opinion. The Petition for Rehearing seeks to have that order denying the appeal set aside. This latest Petition is directed at criticism of a former decision by the Supreme Court, in which the court ruled that the courts cannot review an order of a local draft board unless the person receiving the order complies with it and goes into the Army. This case is known as "Falbo

PVTS. IHARA, UYECHI, SGTS. TANAKA, FUKUTOME, RECEIVE BRONZE STAR MEDALS

WITH THE FIFTH ARMY, ITALY--Four soldiers, whose parents reside in this center, were reported by the War Department as having been decorated for heroism in action. They are: Pfc. Kioto Ihara, 222-5 D; Pfc. Yoshio Uyechi, 54-7-C; S/Sgt. George A. Tanaka, 35-2 A, and S/Sgt. Ben Fukutome 308-4-C.

All received their decorations from Maj. Gen. Edward M. Almond, commander of the Fifth Army's 92nd "Buffalo" Division at Noni Italy, ceremonies. A hundred and twenty-three awards were given to members of the 442nd assault team at the ceremony.

Pfc. Kioto Ihara, whose mother lives at 222-5 D, was one of those decorated. (For further details, read

v United States." In urging that decision be overruled, the Petition for Rehearing says:

Falbo v. United States should now be overruled and reversed as a judicial obstacle to the courts' power to review orders of selective service agencies made in excess of their jurisdiction.

If the wisdom and legality of a rule of law laid down by this Court is to be tested in the crucible of experience, Falbo v. United States should now be overruled. Experience has demonstrated that the Falbo case has been used long enough as a judicial device for perpetuating hardships and in justices against sincere religious and political objections to war and to compulsory impressment into the Army.

Unit II page.)

Pfc. Yoshio Uyechi, former resident of Imperial Valley, Calif., recently was awarded his second Bronze Star for heroism in action with the 442nd Japanese American Combat Team. His mother, Mrs. Kana Uyechi, lives at 54-7-B.

The citation reads in part:

"When the two forward platoons of his company were pinned down and his reserve platoon was ordered to outflank an enemy flanking movement, Pfc. Uyechi, automatic rifleman, exposed himself to enemy fire and crawled 75 yards to a position where he could fire his weapon most effectively. Exposing himself and taking careful aim, he silenced a machinegun and killed two snipers near it, thus enabling the reserve platoon to outflank the enemy and neutralize the enemy roadblock."

S/Sgt. George I. Tanaka, whose parents live in the Colorado River Relocation Center, Poston, Ariz., recently was awarded the Bronze Star for meritorious service in combat.

Tanaka, who entered the army prior to Pearl Harbor, was cited for action during fighting of northeastern France.

The fighting in the heavily wooded and mountainous terrain was done in cold, dismal weather. Realizing the men would appreciate hot coffee and sandwiches after eating cold "C" and "K" rations in their damp foxholes, (continued on Relocation page)

DR. YUASA, VISITING
HERE, SPEAKS TO GROUPS;
ADVOCATES RELOCATION

Hachiro Yuasa, Ph. D., D. Sc., left Wednesday for Gila, after a stay here of one week, during which he addressed several evacuee groups, speaking at least at two on the topic of resettlement.

He addressed the Christian young people of Unit I Saturday and Sunday nights. Sunday morning he addressed the Unit III Christian adults. Monday night, he spoke on resettlement to a general meeting in Unit I, and Tuesday night he talked in Unit II on resettlement, at a general meeting. He also addressed Community Council and block managers meetings during his visit, and did personal counseling.

"To my way of thinking, the sooner the people get out of the center, the better it will be for their own good," stated Dr. Yuasa, whose trip is being sponsored by the Congregational Christian Churches of North America as their contribution in the program of resettlement.

His reasons for advocating early relocation were: First, this is no place to bring up Nisei. Second, although the job situation is still good, the longer the evacuees wait the more difficult it will be. Third, the housing problem is difficult enough even now and will not improve by waiting. Fourth, the services offered by WRA and other agencies in helping resettlement, will not last forever, people can make use of them only so long as they last. Fifth, traveling and other services are becoming more and more difficult to obtain; as a matter of fact, traveling will be impossible in December -

Dr. Yuasa spent his college years in America. He received his A. B. at Kansas State College, and his Ph. D. at the University of Illinois. He studied at Cornell, and was a research guest of the University of Chicago. He has also studied at the University of Berlin. He was a professor of entomology in the Imperial University, Kyoto, and president of the Doshisha University, Kyoto, Japan. He came back to the United States in 1939.

While in Poston, Dr. Yuasa stayed in Unit I. This is his second visit. Last fall, he came on a preaching mission, with mostly speaking engagements; this time, he has been making personal contacts.

S/SGT. TANAKA REWARDED
FOR HIS SELFLESSNESS
(cont. from front page)

Not caring to expose his men to danger, he would order them to take cover while he, alone, went from hole to hole to serve the troops. So closely did the shells fall, he once was knocked to the ground by the concussion and continued with his duty even after the concussion of another shell knocked the steel helmet off his head.

He also voluntarily helped the medics to evacuate the wounded. He frequently exposed himself to artillery barrages in order to assist. His devotion to his men was an important factor in keeping up the morale of the troops, the citation pointed out.

In addition to the Bronze Star, Tanaka also wears the Good Conduct Medal, Combat Infantryman Badge, American Defense Ribbon and four battle stars on the European Theater Ribbon.

UNIT I BLOCK MANAGERS
SUPERVISOR REPORTS
ON BAY REGION AND L.A.

That the reception by the people in the Bay Region and Los Angeles, of the Japanese and Nisei, was wonderful and much better than before the war, Richard Nishimoto, Unit I block managers' supervisor, in his report on June 14 to the relocation advisory board.

There are lots of good jobs available, particularly high-class domestic jobs, said Mr. Nishimoto, who stayed in Berkeley and saw the entire Bay Region and Los Angeles. Mr. Nishimoto made a personal investigation and reported that the best types of domestic jobs are being obtained through the WRA rather than through the USES or Inter-Racial Committee. He stated that when he first arrived he was worried about some kind of trouble but was very much surprised to find that everything was perfect. After three weeks time he had no consciousness of being of Japanese ancestry. He found that strangers were friendly; it is true, he said, that there are still groups working against the Japanese, but that friendly groups promoting civil rights are stronger. He reported that the housing situation in San Francisco is practically impossible and that, although it is a little better in the East Bay Region for single individuals, that complete housing units are practically impossible to find. Los Angeles, too, he found better than before the war, although the housing situation in Los Angeles seemed to be better than that in the Bay Region. Mr. Nishimoto was away five weeks.

4 POSTON SOLDIERS IN EUROPE RECEIVE BRONZE STAR
(continued from front page)

Tanaka, on several occasions delivered hot meals while the enemy was shelling the area.

His parents, Mr. and Mrs. Shinzo Tanaka, former residents of Los Angeles, now live at 35-2-A, Colorado River Relocation Center, Poston.

S/Sgt. Ben Fukutome, whose parents live at 308-4-C, has been awarded the Bronze Star for heroic achievement in action with the 442nd Japanese American Combat Team.

He volunteered for the army from Poston in May, 1943, and has been with the 442nd in France and Italy.

The citation read in part:

"After evacuating patients all day, Sergeant Fukutome voluntarily led his men on an emergency call over 800 yards of mountainous and wooded terrain through an enemy minefield to a wounded man."

The action took place during the time the 442nd was effecting the rescue of the "Lost Battalion" of the 141st Infantry in the densely wooded and mountainous

EL CENTRO RELOCATION
OFFICER VISITS PROJECT

Major R. P. Hartney of the El Centro, Calif. Relocation Office visited the project this week.

He gave a talk at Mess 53 last Monday, attended by about 300.

Major Hartney spent the next few days holding private interviews at Block 54 with those interested in resettling in the Imperial Valley area.

Housing situation continues to be poor, he said, but sentiment and job offers are more encouraging than heretofore.

Domaniale du Champ forests in France.

The citation further read: "While returning to the aid station, the group was caught in an artillery barrage. Though his men wanted to take cover, Sergeant Fukutome reminded them of the critical condition of the patient and by his courage and leadership inspired them to continue with the evacuation. Sergeant Fukutome's conduct under fire is exemplary and a credit to the armed forces of the United States."

In addition to the Bronze Star and Purple Heart, Fukutome wears the Combat Infantryman Badge, Good Conduct Medal and the European Theater Ribbon with four battle stars.

He and his parents formerly lived in Berkeley, Calif.

BRONZE STAR FOR BRAVERY
IN ITALY CEREMONIES**

The 214 Buddhist Church chimed with wedding bells as Akira Kadonaga took Misako Muragishi as his bride last Saturday evening with Rev. B. Fujimura conducting the rites. The bride's trousseau consisted of a white satin and net gown with a fingertip veil and a bouquet of orchids. Maid-of-honor Matsuye Muragishi, sister of the bride, was adorned in a blue formal and carried a bouquet of roses. Yuwao Kadonaga, the groom's brother, acted as best-man. The wedding march was played by Yoshiye Yamane.

Reception followed at the 226 dining hall for friends and relatives.

Misako is the daughter of Mr. and Mrs. Sutejiro Muragishi, and Akira is the son of Mr. and Mrs. Masa Kadonaga. The newlyweds are both formerly of San Pedro, Calif., and currently of 226.

Mr. and Mrs. Yasu Ashimoto and Mr. and Mrs. Yutaro Kawashiri were baishakunins for this couple.

Adding one more in the second and three more runs in the fourth inning, Tri-Stars coasted in as pitcher Chick Abe allowed a run in the first and fourth innings.

Jack Yugura clouted the only homer of the game and lead the team with two hits while teammates Yamane, Abe and Kondo also collected two hits a piece for the winners. Yagi and Ikegami with two safeties each starred for the losers.

RELOCATION OFFICE LOSES MISS CORRIGAN

Miss Agnes B. Corrigan who had been Relocation Advisor of Camp 3 since Jan. 1945 left for her former home in St. Paul, Minn. on June 15. For a week before she left many parties were given for her as she was greatly admired and loved by all those with whom she came in contact. Her many friends in Camp I arranged several luncheons, dinners and parties in her honor but some very special affairs were given in her own Camp III.

On Wednesday, the 13th, her staff planned a surprise party and kept their secrets well as Miss Corrigan was delightfully surprised when she entered the Mojave Room where between 25 and 30 boys and girls and their advisors were waiting. Fortune telling was chosen as the theme--- it being the thirteenth evening of the month and Madame Roma being a guest.

Miss Lou Butler and Miss Bertha Starkey, two ladies known for their able judgment consented to act as judges in deciding the best fortune. The prize went to Miss Corrigan who immediately named the fuzzy little figure "Pibcha". Delicious refreshments were served by the secretarial staff and at 11:30 "good nights" were reluctantly said.

On Friday morning again the Mojave Room was the scene for an occasion of presenting a "gift" to Miss Corrigan--accompanied by the reading of a poem composed by Miss Gonzales for the occasion. Miss Corrigan was almost overcome, with pleasure at the respect and genuine affection shown her and sorrow at parting from "her girls".
