FISHING; SWIMMING HOLE IS POPULAR  
A. FUJIKI LANDS 18 INCH BASS

Over 100 "kids" of Unit 2 daily haunt the "ole swimming hole" three-eighth of a mile north of the camp and have found it to be as good a fishin' hole as it is a place to cool off.

The pool, which is open from 9 a.m. to 5 p.m., is supervised by life guard Jimmy Sakamoto, assisted by Fred Oda, Miyoshi Matsuda and Chioji Taguni with Min Yoshida and Kiyoshi Miyamoto as swimming instructors.

To attest to the slough's excellence also as a fishing ground are the experiences of many patient rod wielders.

One lad in particular, Akita Fujiki, 214-1C, boasts a record black bass catch measuring 18 inches. That, men, is a mark to beat!
