NO. 18

POSTON HIGH SCHOOL PRELIMINARY REGISTRATION TAKEN

First registration for high school students, (9, 10, 11, 12 grades) will begin immediately, Dr. Miles E. Cary, Director of Education informed the Press yesterday. Official forms are now available at all Blk. Manager's office, and students must return their application by Friday noon, August 14th. In filling out the form, Dr. Cary advises the enrollees to keep definitely in mind, "the occupation most interesting to them." Practical courses will follow in this new institution in Poston.

The required subjects are English, Social Studies, Physical Education and part-time work. It is suggested that each student enroll in two elective courses in the following fields: Agriculture, Arts and Crafts, Commercial Studies, Homemaking, Languages, (Spanish, Latin, etc.) Mathematics, (Algebra, Plane Geometry, etc.) and Shop, (Wood-work).

The registration of students will determine the number of teachers required for the Poston High School.

LAW AND ORDER COMMITTEE MEETS TONIGHT

Law and Order Committee of the Temporary Community Council will submit another draft at the meeting tonight, August 12 at Mess 21, the preliminary code having been read at the last session.

Several copies will be distributed in Poston 1, 2, and 3. The purpose of the Code is to define the most important unsocial acts which might be committed by citizens, to provide for their prevention, and the punishment for said offenders. The committee is also drawing up Fire and Traffic regulations, and recommendations in connection with the Police Dept. A Court System may soon be set up in the work with the police force.

The Law Order Committee is composed of nine members. In the Council group are Chairman Seichi Nomura, Shigeo Imamura and George Fujii. Others are K. Shigekawa, Chief of Police, Poston 1, and attorneys Elmer Yamamoto, K. Tanura, Theodore K. Haas, Saturo Kido and John Maeno.

POSTON TO MANUFACTURE CAMOUFLAGE NETS

A new project under the current war-time defense program for the manufacture of camouflage nets under the direction of army engineers, will begin in the very near future, according to the Factory Dept.

Construction of buildings for its manufacture is expected to begin in a very short time on the present factory site located near the southeast section of our town by the army engineers. It is believed that it will require approximately a month for the completion of building construction. The new industry is expected to employ approximately 900 people.

A similar project which has been in operation in the Manzanar Relocation Center for the past three months, has been heard to be operating very satisfactorily. A proposal for a similar project is also now under way at the Gila Relocation Center according to a reliable source.

FIRE DEPT. TAKES BARRACK AND GROUND INSPECTIONS

The Fire Dept., through Fire Chief Tom Nishimoto, today issued a statement in regards to a "rigid inspection" of all barracks and grounds in Poston.

Qualified inspectors assigned to the job, will make their rounds to all blocks checking the electrical appliances in each residence and the surrounding conditions of each barrack.

The greatest fire hazards here are due to combustible rubbish in and around the barracks. The area near the hydrant must be kept clear of rubbish to facilitate access for the fire trucks.

The dept. requests that all members be on the alert for any fire accidents which may occur, day or night.

VALLEY "SCALPS" THE INDIANS

Two-hit pitching by T. Imamura gave the Valley nine a close 4 to 3 margin of victory over the Indians, Aug. 10 on Fld. 30.

Five full innings went by before the Indians could score, or "even rated" a hit off Imamura. In the sixth inning, a double by Kawano brought in K. Hori, who got on base on an error, and Shibata, who got a fielder's choice. In the last half of the sixth for the Valley, H. Morita singled and came home off H. Tsuji's double. Then an error on H. Nakazono's single brought in the winning run for the Valley men. K. Setsuda got a disputed four-bagger in the seventh with none on to get the second hit off Imamura.

Batteries: Valley--T. Imamura and T. Miyata. Indians---K. Ueda and K. Setsuda.

GOLDEN BEAR "B" BLASTED BY P-38

The maneuvering P-38's outshot the Golden Bear "B"s to the tune of 8-5 in the B League game, played on Fld. 43, Aug. 10.

The P-38 took the lead in the 1st inning when Yamamoto singled and was knocked in by Tatsukawa who smacked a three bagger. They scored in every inning except in the second and fifth stanza to clinch the game. The G.B.'s were held to a "one hit, no run" 'til the fifth. In the sixth frame, a rally which fizzled later, brought in Matsumoto of the Bears on Aramaki's hit. F. Nagano of the same company singled in Aramaki, and "ran home" on the error from third. The Golden Bears made two more in the last inning, but fell short of a tie, still 8 to 5.

Batteries: P-38--Ito and H. Meishi; G.B.--S. Kawai and Morioka

FLUID DRIVE DEFEATS MIYOKOS 6-1

The Fluid Drives came back from their previous loss to defeat the Miyokos by 6-1. The Miyokos made their lone tally in the last inning when Miyoshi got a hit and later scored on a long fly. The Fluid Drives went hitless until the 8th, when they bunched three hits to score two of their six runs.

Batteries: Fluid Drive--Chuman and Torimaru, Miyokos--Tamura and Miyako.

"GUYS FORGOT TO SHOW UP"

The Vultures won last night on a forfeited from the Block 11 team. The latter forgot to come.

ARABETTES VICTORIOUS

The hard-hitting Arabettes, Blk. 42 girls, defeated the Debutantes from Delano, by the score of 13-3, in a game played on Fld. 38, Monday, August 10. The Arabettes displayed their feminine-power in the fourth inning with six runs in the fifth with five runs.

FIRE! FIRE!

"Fire! Fire!" was the cry from Blk. 30 at 11:05 Monday nite, July 10. A watchman on the nearby fire tower shouted back, "here?" "Here!" yelled someone near the boiler room of the laundry. Within thirty seconds the new fire wagon was on the spot of the reported conflagration and within two minutes the "situation" was well in hand.

The "situation" turned out to be escaping from the safety valve of the boiler, whose faulty thermostat was causing the water to keep on heating and burning up the motor.

"The Fire truck was really unnecessary," admitted Asst. Fire Chief Ken Yamaguchi, "But the trouble might have developed into something much more serious, and it shows what we could do and how fast we could, do it when there is a real fire."

Brief Beats-----

Farewells were exchanged between Capt. Peter Grote and Military Police Co. 1 and citizens of Poston as this unit of military police left by train on an assignment elsewhere. Those men had been in charge of escorting evacuees from Parker to Poston for the past three months, during which time their relation between their camp and the evacuee city were at all times harmonious, according to Morris E. James, Press Official. . . . John Collier, Commissioner of Indian Affairs, and Laura Thompson ended their visit here Sunday morning to return to the East. . . . Project Director Wade Lead is leaving today (Tuesday) for a short trip to San Francisco. . . . Press Bulletin is putting up Poston 3's news bureau and receiving staff applicants now. News will be printed from there within this week. . . . Regional Fire Marshall, William E. Koffman, was here for inspection of local Fire Dept. and will leave today

It was announced that Itsugi Nakai had donated his cooler for the kitchen for the duration. Two additional coolers have been purchased by the block residents.

George T. Yokoyama donated his services for the installation of the coolers.

DIV. OF OPERATIONS IS A BUSY UNIT
ONLY ONE OF ITS KIND IN POSTON

One of the proud achievements of Unit Two is its far-reaching Division of Operations. Even at the present time, it is the only set-up of its kind in Poston.

An integral unit of our daily lives, the division acts as a clearing house for the maintenance and construction departments and coordinates the work, especially in regard to its many employees, of the two branches.

While its immediate authority lies more or less in the hands of Camp Director James D. Crawford, the actual supervision is vested in Sid Shiratsuki and Bob Kitaji, respective heads of the Maintenance and Construction Departments.

The organization is concerned with such important factors as

ANNIVERSARY SOCIAL GREAT SUCCESS

Approximately 100 people enjoyed the anniversary social given by the personnel kitchen crew at Mess Hall 210 Saturday night.

POSTON TWO TO COMBAT DUST
STREETS TO GET WATER REGULARLY

Poston Two streets will henceforth be watered regularly to assist in combatting the dust nuisance according to James D. Crawford, director of Poston Two.

When you get into a tight place and everything goes against you till it seems you could not hold on a minute longer, never give up then, for that is just the place and time that the tide will turn.

plumbing; dust, control, truck dispatch, sanitation detail, carpentry, adobe, electricity, refrigeration, utility (sewage, power lines and water), tool stock, boiler and stove, labor control.

Despite the fact that the Division has only 5 trucks and a very limited supply of essential tools and materials, Shiratsuki states that "their work is progressing smoothly and in view of the present supply situation, we believe that we have done well".
