RELOCATION MUST INCREASE TO CLOSE CENTER ON TIME

The weekly rate of relocation must be sharply increased--four-fold--in order to vacate the center completely by Oct. 15, revealed Joseph Buckley, statistician, yesterday.

Since Jan. 2, 1945, local center has averaged 70 indefinite leaves a week. With more than 4,120 evacuees still residing in Amache, this average must be hiked up to 317 a week between now and the second week of October, if the camp is to be closed on the prescribed date, according to Buckley's figures.

Other interesting facts and figures disclosed by the release are:

Although 7,567 (October, 1942) was the largest population figure for this center, more than 10,316 persons were processed through Amache. This latter figure includes transfers from other centers and camps.

Originally, 4,492 eva-

SET RETURN OF 205 NISEI GI'S IN ITALY

WITH THE FIFTH ARMY, Italy--Two-hundred and five enlisted men of the Fifth Army's 442nd Combat Team, following a farewell ceremony and parade in their honor in the regimental area, left recently for a redeployment depot in Italy. They are to be transshipped to the States for disposition under the War Department readjustment of personnel program.

3 SPECIAL CARS SLATED FOR CALIFORNIA POINTS

Due to increased number of West Coast returnees, two coaches—one to Los Angeles and the other to

Sixty-four evacuee passengers boarded the special coach, which left Granada depot Tuesday night, 10:25 o'clock, for California points.

Northern California points—and a Pullman car for all California points have been scheduled to leave on Wednesday, July 25, disclosed Mario Vecchio, assistant

relocation program officer, yesterday.

Limited number of seats available on the coaches will be issued on "first come, first served" basis, stated Vecchio.

Inasmuch as Pullman reservations are almost impossible to obtain now, California returnees, especially those with children, are advised to take advantage of the Pullman special. Coaches also offer added traveling comfort and conveniences, said Vecchio.

WHIMS OF FATE

WHIMS OF FATE is peculiar, and truth sometimes is truly stranger than fiction. Take for instance the case of T/4 Seiyu Higashi, US Army, who met his father for the first time in eight years--of all places, in Okinawa. Higashi landed on the island with the 10th Army as interpreter for the 24th Division G-2. But he saw plenty of the country and ran the gamut of army camps before he went overseas.

Soon after his birth in Los Angeles, the Higashis returned to Okinawa, where Seiyu was reared in a little town of Nago. Then he trekked back to Los Angeles, where he finished high school, and a few months after Pearl Harbor enlisted in the Army.

He trained at Ft. Sam Houston, Texas, attached to a medical unit, and in December, 1943, went to Ft. Snelling. From there he went to Alabama to take his basic in November, 1944, and then returned to Snelling for assignment in April, 1945. He was especially fitted for the Okinawa assignment as his childhood had taught him the Okinawa dialect, which is said to be not standard Japanese.

It must have been a joyous event for Higashi to meet his father in far-off Nago after all these years. The rigors of war is not without its lighter vein--a touch of humanness.

"ORIGINALITY" given the names of relocatees and returnees in a number of news reports released by the relocation offices must be giving the staff members of center newspapers certain amount of headache tracking down their correct spelling. It certainly has here. In some instances the first names are omitted, thereby adding to the wo.

Realizing the apparent difficulty in spelling and pronouncing Japanese names, we must expect and accept a limited number of errors.

TO THE EDITOR

TO THE FRESNO BEE:

Editor--Sir: Will we not agree that if those of Japanese ancestry in this country had been as numerous as those of German we would not have had the courage to mistreat them as we have abused and mistreated the Japanese, because they were Japanese?

We are not creating a newer and better world while preaching the four freedoms and practicing the four freedoms for Caucasians, only.

Dillon Myor said a mouthful when he intimated that those who thought they were too good and pure to associate with any but the white race had something to learn. We, in this world, are not

forced to marry any member of any race, or marry at all

The old argument of the raco hator and baitor is that we are afraid of intermarriage. There has been intermarriage in this old world from the dawn of the beginning of written history and before, and it is not going to stop suddenly unless the raco wishes to commit suicide suddenly. Let those who worship their own raco refuso to intermarry (it is their privilege) but this world will go on its way just the same.

The writer has associated and worked with all races, colors and creeds during his residence of nearly a half century in this valley and has found admirable qualities in all races, with no exceptions. This letter is unsolicited and is written by a 100 percent Caucasian.

Fresno NATIVE SON.

Editor--Sir: The following is a part of a letter from a cousin of mine with the First Armored Division, now in Italy. He landed in Africa and Anzio in Italy and I thought it interesting and enlightening and well worth passing on.

Incidentally, you might tell these California people to leave the parents of the Japanese American soldiers alone. That makes us boys over here really mad. We fought alongside the 100th Battalion Japanese Infantry from Anzio on up, and believe me, they are tops in both fighting and buddies. Some of the American people have less brains than the Japanese we are fighting against.

TO INTERVIEW DEPOT WORKERS

François Donahue, Greeley, Colo., relocation officer, Mr. Rogers and Richard Ono, formerly of Amache, will arrive on the project next Wednesday to interview families interested in jobs offered by the Sioux Ordnance Depot, Sidney, Nebr., according to Mario Vecchio, assistant relocation program officer.

They will remain in the center for two days.

SAYS REPORT IS INCORRECT

Frank Morimoto has informed the PIONEER that the information released by John N. Spencer, local chief of agriculture, now on detail work at the San Francisco WRA office, that "he (Morimoto) can secure housing for 20 Granada families" at or near Cressey, Calif., was incorrect and misleading.

According to Morimoto, he just suggested to Spencer that there was an old lumber mill not far from Cressey, which might be available for housing. He said there was no mention made by him that he would be able to obtain the mill for housing purposes.

AIDS CAPTURE

—continued from page 1— surrounded a house and captured 18 fully armed Jerries recently.

It all started when 2nd Lieut. Susumu Ito, Rohwer, Ark., and Sgt. Fred Y. Oshima, Rivers, Ariz., looking for a place to wash the battery howitzers, suddenly spotted three German soldiers. They promptly seized them without firing a single shot and brought them back to camp.

Two scouting parties were organized after dinner to reconnoiter for any more enemy personnel around the area. The members of C battery, 522nd Japanese American field artillery battalion, with the Seventh Army in Germany, bagged 23 enemy prisoners during the day.

TO USE CENTER HOSPITAL FOR EMERGENCY CASES ONLY

Center hospital will no longer remain a general hospital; it will be used for emergency cases only, announced Dr. W.T. Carstaphen, chief medical officer, last Thursday.

Other drastic changes were revealed as follows:

The obstetrical ward will definitely close on Sept. 1.

There will be no staff doctors on duty after Sept. 1.

With only one pharmacist on duty, prescriptions will be filled only during the general clinic hours—1:30 to 4:30 p.m., Monday through Friday, and 9 to 11:45 a.m. on Saturday.

INDEFINITES FOR JUNO NEW RECORD

Breaking all previous records by a wide margin, 737 Amacheans were issued indefinite leaves during Juno, according to Mario Vecchio, assistant relocation program officer.

JULY 4 CARNIVAL GROSSES \$1,355; NET PROFIT \$523

The recent Fourth of July Carnival sponsored by the Amache Recreation association in and around the high school auditorium grossed \$1,355.71, netting \$523.32 after deducting all expenses, announced Yasutoshi Yoshi-zawa, carnival committee chairman, last Thursday.

The giant bingo game in the auditorium took in the most money, \$529.91, while the soft drinks-ice cream-sandwich stand came in second with \$335.52, and the inari-zushi booth grossed \$203.30.

Materials and prizes expenditures were listed as \$763.32 and the general expenses amounted to \$69.07.

Detailed co-treasurers' report made by K. Ikuta, co-treasurer, at the meeting Monday night of representatives of participating organizations at the 8F CA office was approved by the group. The report was audited by N. Yamane and S. Fukuhara.

Profit distribution method suggested by the carnival committee was accepted with few minor changes.

The pharmacy comes under the general orders of filling prescriptions only for emergency cases.

The X-ray department and the laboratory will also operate under the emergency measure.

CANNING FIRM WILL EMPLOY 44 FAMILIES

The Bear River Canning company of Utah wants to employ four families at its cannery at Brigham City and 10 families at Ogden for cannery work.

A furnished one-room apartment will be rented to families for 25 cents a week a person. This work will last until December, at which time they may seek other employment, and remain in the apartments if desired.

Wages are 70 cents an hour for men and 55 cents for women.

NEW PROJECT ATTORNEY IS FORMER MAJOR

Lawrence J. Hannan arrived on the project Wednesday to succeed John S. Moaney, acting project attorney, as the new project attorney. Moaney is leaving today for a position at the San Francisco WRA office.

Until recently, Hannan was called major, having been the Headquarters Commandant of IRTC at Camp Blanding, Fla. The Hannans are residing on the project.

本社が或る事情の爲め一時日本語欄の發行が停止された恰も小时前に於ての開鎖が発表されセシスターへ五百の同胞を迎えるの多さを事業が面前にある時とてその樹に當つた同人は歓迎席も出せず所民へ情報を與へ得なかつた事は読者の熟知せらるゝ

セローム組の來着は昨年六月廿一日であつたから一年を過ぎた、同年七月十五日の再刊號に書いたのであつたが、自分はサンコウの一巻、それには左の如く書いてある。

全セントラル開鎖日程發表に際し 本局長マイヤー氏の聲明

諸君周知の如く我がWRAは本來奉仕的機關である。而して其の主要眼目は即ち転住所居住民をして戦前に於けると同様生活様式に帰順せしめ極力之を援助するにあり。

遇太三歳を回顧すれば既に四万五千名に亘るとすれども、所民の外住を援助し、其間再転住を続り想見し得べき幾多の難關に遭遇して來た。遂に再転住援助を求めるが如き、各家庭はWRA職員の能力と真摯に對し歎然と挑む所があり、また各家庭の事情も一として同様なるものは無かつた。

に該方針に即應する。

並行的出所者を出す運動が行はれなくてはならない。

斯う運動は個人若くは家族の外住問題の相談、一転住者に對する旅行上の準備、三、動産の運輸、四、転住地に於ける住宅の斡旋、五、其の他、外住に関する一切の援助等々に關し断えざる事務的サービスの保証上缺く可からざる重要事であり、而かもう一歩進んで、各家庭はWRAが之の運動に拘らず、樹て実現するに至る迄再開鎖日程に於ける個別的運送に於ける事務の完遂を期する爲に立つてゐる。

△ローアード、十一月十五日若くは同日以前、△ボストン、マンザイ、十一月一日若くは同日以前、△ハート・ヒラ、十一月十五日若くは同日以前、△グラナダ、十月十五日或は同日以前、△トパズ、ミネドカ以前。

斯ふした諸般の逼迫又所民が抱く問題は解決し得ない等と説得に之を努めらる者があるとすれば、其者は重なる切磋を敵へてする者と言ひ得べく、同時にWRAの再転住援助の好記錄を無視するのみならず事務的には助言を與へんとする個人の厚生に反対的結果を齎す者である。WRAは個人的基本に於て各家庭若くは個人で既に出所した者にも又依然として残り留してゐる者に對しても努めて充分な援助を與へる様慎重なる考慮を拂ひ来つた。更に運輸機関の不足殊に本秋運隊の輸送と云ふ緊急事態に因り一層激化すると思はれども、之に付いても充分考慮を

人種偏見撲滅に公私期成会奮起會太平洋岸委員會主義公私期成協会を開き、加州内に於ける人種偏見の撲滅を期する爲組合を組織する請願手續を採る可く議決した。此の組合は州内各地に其の支部を置き以て此の反民主的偏見と闘はんとする團体也尚此の大会は接觸大学副總長タイラー博士が議長となり開催された。之に付きタ博士は次如く語つた。

『本組合の結成は超スピードで行はねばならぬ、と云ふお口は語にも本WRAの開拓も爲し得まつと云ふ言葉は無い筈である。』
