

LABOR DAY DECLARED HOLIDAY

MOST OFFICES CLOSED MONDAY

This Monday, Sept. 3--Labor Day--has been declared a legal holiday and no leave will be charged for absences on that day.

All center offices will be closed from Saturday noon until Tuesday morning, with the following exceptions: the project director's office, relocation and leave, and evacuee property offices. These offices will remain open all day Monday for the convenience of center residents.

The internal security office will not issue shopping passes for Monday, as all stores in the neighboring towns will be closed.

The Employees Supply Club and the staff mess will be open as usual Monday.

EXCLUSION GROUP LEADERS ARE CHARGED WITH FRAUD

The founders of the Japanese Exclusion League, Arthur J. Ritchie, former Seattle, Wash., newspaperman, and A. E. McCroskey, one-time oil promoter, are now facing charges of fraud as a war veteran seeks to recover \$1,250, which he asserts he invested in a fictitious enterprise known as the Alonzo Victor Lewis associates to create war memorials in parks and public squares throughout the nation. This teletype message was received by James G. Lindley, project director, last week.

INDUCTION DATE CHANGED

Due to postponement, the Amache selectees who were scheduled to report for induction this Monday, Sept. 3, will report on Wednesday, Sept. 5, instead, according to information received here from the Prowers County Selective Service board.

The board said last Tuesday it had been notified by the State Headquarters, Denver, that all inductions on holidays have been cancelled.

V-J DAY WILL BE WORK DAY

President Harry S. Truman has announced that V-J Day will be proclaimed on the date of Japan's signing of the surrender terms.

The President plans to make a short radio address on V-J Day, and has asked that it be a day of work and not a holiday.

posed of Japanese veterans which were revoked soon after the attack on Pearl Harbor were restored last week by the executive committee of the California American Legion.

John R. Quinn, Los Angeles assessor who made the motion on which the action was taken, said the original revocation was made for security reasons but should be rescinded "now that the emergency is past."

Unpaid dues of the members of the posts also will be forgiven, the committee decided.

P. A. Horton, Hollywood, a district commander, opposed the restoration of the charters, saying it would be "hasty" to act before "peace actually has been restored."

In answer to questions, Ed. W. Bolt, Petaluma, California departmental commander, declared that applications for membership of Japanese American veterans as individuals or groups would be handled in the same manner as applications from other honorably discharged veterans.

NEW PROCEDURE ON WRA GRANTS

According to a new procedure, evacuees must execute forms showing shipping instructions for property here and property stored on the West Coast before they can receive their relocation assistance grants, stated Herbert J. Vatcher, evacuee property officer, yesterday.

Even those who have no property must sign a form stating that fact before asking for his grant, added Vatcher. These forms may be obtained at the evacuee property office in the North A. building.

sociation was formed to sell busts of the late President Roosevelt and General MacArthur, the latter being distributed to those paying a membership fee in the Japanese Exclusion League.

All returning war veterans are being warned to investigate closely before investing their money in any "get-rich-quick" schemes.

\$1000 REWARD ACLU HAS NO CLAIMANT YET

LOS ANGELES--It is now over a month since the two California branches of the American Civil Liberties Union offered a reward of \$1000 for information leading to the arrest, conviction and incarceration in a state penal institution of anyone attacking returnees to California. As yet, the Southern California ACLU revealed last week that "no one has...come forward to claim the reward."

"Perhaps our offer has deterred hoodlums and those backing them from pulling any more of the rough stuff," asserted the ACLU.

The union also reported that "jobs are fairly plentiful but housing is an exceedingly difficult matter."

P/NISEI POTPOURRI

by ROY YOSHIDA

HALL, ACLU

ALTHOUGH THE AMERICAN CIVIL LIBERTIES UNION has been an ever-alert guardian of our civil rights ever since evacuation, very few evacuees really appreciate, let alone understand, what this organization has done in our behalf.

The ACLU specializes in BILL OF RIGHTS, particularly in cases where such is being denied an individual --regardless of what ancestry that individual may be. The union is not so much interested in the individual's antecedent as it is in seeing to it that his "certain inalienable rights" are not infringed unjustly.

Because ACLU accepts all kinds of cases concerning civil liberties from all kinds of "clients," it places itself open to all types of critical analysis. It constantly trends on legal grounds that even angels, and certainly few if any other organizations or individuals would dare venture.

It wasn't so long ago, it still is in some places, that any semblance of favoritism shown the people of Japanese ancestry was considered an extremely unpopular practice along the West Coast. But the ACLU always looking for a chance to test its metal has come to the defense of the evacuees whenever and wherever their rights were being withheld, or even questioned. It is unbelievably amazing just how much the union has done for the Japanese Americans during the last three years.

It reached the height of its sincerity when it took interest in the case of Heart Mountain (Wyo.) relocation center selectees who refused to report for their pre-induction. The ACLU took pains to see that the boys were given a fair trial and full measure of their rights.

The organization recently went to bat for fifteen-year youths at Tule Lake segregation center who are appealing jail

JACD ISSUES

STATEMENT ON SURRENDER

Following is a reprint of an article taken from the NEWS LETTER, a publication issued by the Japanese American Committee for Democracy, New York, on the statement of its (JACD) position on the military surrender of Japan. This reprint is in accordance with a request from Project Director James G. Lindley.

The reprint follows:

IN A VIGOROUS STATEMENT OF ITS POSITION ON THE MILITARY SURRENDER OF JAPAN, THE JAPANESE AMERICAN COMMITTEE FOR DEMOCRACY WELCOMED THE FINAL VICTORY AS HAVING ESTABLISHED "THE PRECONDITIONS FOR A PEACEFUL AND SECURE WORLD," BUT CALLED FOR VIGILANCE AGAINST THE MAINTENANCE IN JAPAN OF THE OLD ORDER WHICH CAUSED THE WAR.

THE STATEMENT WARNED THAT THERE ARE OFFICIALS IN OUR GOVERNMENT WHO ADVOCATE THE RETENTION OF THE IMPERIALIST JAPANESE POLITICAL AND ECONOMIC STRUCTURE RESPONSIBLE FOR PEARL HARBOR. IT THEN ASKED THE PEOPLE OF AMERICA TO ENSURE THE ESTABLISHMENT OF A DEMOCRATIC JAPANESE GOVERNMENT "BY SEEING THAT THE POTSDAM DECLARATION IS CARRIED THROUGH TO ITS LOGICAL CONCLUSION."

THE STATEMENT FOLLOWS IN FULL:

"THE SURRENDER OF THE FASCIST MILITARIST GOVERNMENT OF JAPAN IS JOYOUS NEWS FOR ALL FREEDOM-LOVING PEOPLE. THE LAST LINK OF THE AXIS AND THE FASCIST STRONGHOLD IN ASIA HAS BEEN DEFEATED MILITARILY. THE PRECONDITION FOR A PEACEFUL AND SECURE WORLD HAS BEEN ESTABLISHED.

"THIS IS A TIME OF REJOICING; HOWEVER, WE MUST NOT FORGET WHAT OUR MEN HAVE BEEN FIGHTING FOR, NAMELY, THAT THE PEOPLE OF ALL NATIONS MAY LIVE IN A MORE DEMOCRATIC AND PROSPEROUS WORLD.

"ALL THE TERMS OF THE POTSDAM DECLARATION MUST BE COMPLETELY FULFILLED. MOST IMPORTANT ARE THE PROVISIONS DEALING WITH THE PUNISHMENT AND REMOVAL FROM OFFICE OF ALL THOSE WHO ARE RESPONSIBLE FOR THIS WAR, AND REMOVAL OF ALL OBSTACLES TO THE REVIVAL AND STRENGTHENING OF DEMOCRATIC TENDENCIES AMONG THE JAPANESE PEOPLE. ONLY BY ACCOMPLISHING THESE TASKS CAN WE HAVE A FREE, PEOPLE'S JAPAN WHICH IS ESSENTIAL FOR THE FUTURE PEACE OF THE WORLD.

"IN THE LIGHT OF OUR AMG'S PAST ACTIVITIES IN THE OCCUPIED TERRITORIES IN EUROPE WE BELIEVE THAT UTMOST VIGILANCE MUST BE EXERCISED BY THE PEOPLE OF AMERICA TO SEE THAT THE PEOPLE'S MOVEMENT IN JAPAN IS ENCOURAGED AND NOT SUPPRESSED.

"UNDER THESE CONDITIONS AND ONLY UNDER THESE CONDITIONS CAN THERE BE ESTABLISHED IN ACCORDANCE WITH THE FREELY EXPRESSED WILL OF THE JAPANESE PEOPLE A PEACEFULLY INCLINED AND RESPONSIBLE GOVERNMENT."

"IT IS ALSO UNDER THESE CONDITIONS THAT THE QUESTION OF THE STATUS OF THE EMPEROR CAN BE DETERMINED BY THE PEOPLE OF JAPAN. AT THE PRESENT TIME, HOWEVER, THERE ARE OFFICIALS IN OUR GOVERNMENT WHO ARE TRYING TO INFLUENCE AND WEAKEN OUR POLICY BY ADVOCATING THE RETENTION OF THE STATUS QUO AS WELL AS THE EMPEROR WHICH WOULD MEAN THE MAINTENANCE OF THE SAME CONDITIONS WHICH GAVE RISE TO THE WAR. "E EMPHATICALLY STATE THAT THE OLD POLITICAL AND ECONOMIC STRUCTURE OF JAPAN MUST BE CHANGED AND AID BE GIVEN TO SET UP A DEMOCRATIC GOVERNMENT."

"THEREFORE, ON THIS DAY OF REJOICING, THE JAPANESE AMERICAN COMMITTEE FOR DEMOCRACY URGES THE PEOPLE OF AMERICA TO BE MORE VIGILANT TO ENSURE THE ESTABLISHMENT OF A PEACEFULLY INCLINED, PEOPLE'S GOVERNMENT IN JAPAN BY SEEING THAT THE POTSDAM DECLARATION IS CARRIED THROUGH TO ITS LOGICAL CONCLUSION."

sentences imposed by the camp officials for violation of project regulations. And in San Francisco, the ACLU is fighting for the rights of cleared Japanese aliens who are being denied real estate licenses by the state. It has appealed to Governor Warren on the matter.

These are just few of the cases in which the two branches of the civil liberties union in California have participated in behalf

of the evacuees. It would take a good sized book to properly list all the cases that were and are being handled by the ACLU. It is heart-warming to know that such an influential, worthy organization has done so much for us with so little return--all in the interest of justice.

It is not the size of the man in a fight which counts so much as the size of the fight in the man.

THREATEN STRIKE ON NISEI HIRING

SAN FRANCISCO—Threatened walkout of 100 employees at the local municipal railway bus shop was averted last Monday when Takeo Miyama, nisei machinist, failed to report for work.

The AFL union men claimed Miyama had been hired in preference to a discharged Seabee.

Mayor Roger Lapham told Miyama to ignore the protests and report for work at the shop.

COURT TAKES JAPANESE LANDS

SAN DIEGO--Lands valued at \$10,000 were dispossessed from Japanese owners last week under a ruling by Superior Judge Joe H. Shell, who cited the state's alien land law as his authority.

The judge claimed that K. Oyama, Japanese-born resident, was guilty of fraud when he purchased the land in the name of his American-born son, Fred Y. Oyama, 17.

RUMORS STILL SPREADING

Some malicious rumor-spreading individuals continue to spread false reports from time to time to effect that a special coach for a given day has been cancelled, stated Walter J. Knodel, relocation program officer, Thursday.

Persons having reservations will be notified in person by a member of the relocation office staff, if a cancellation is officially made. Do not listen to rumors to this effect, advised Knodel.
