STOCKTON - Fifteen discharged veterans of the South Pacific War, now students at College of the Pacific, today denounced what they termed the "hate campaign" against Japanese-Americans and their graves.

EXAMINE REALTY PERMIT APPLICANTS Sacramento, Cal.—Officials of the state department of real estate disclosed July 16 that a series of hearings would begin today on applications of renewal of real estate brokers' licenses by H. K. Osada, Sacramento; T. S. Saito, San Francisco; and William K. Saito, Los Angeles.

DISTRICT ATTORNEY DISAGREES WITH JUDGE ON ALIEN LEASE TRANSACTIONS

Fresno—James M. Thuesen, district attorney, said he has ready for filing in Fresno County Superior Court several new suits seeking forfeiture of alien Japanese held agricultural lands.

Some of the new cases involve large holdings, he disclosed, and three are awaiting court hearings.

On The Other Hand—

By Roy M. Takano

SUSPICION? It is a regrettable fact that suspicion has been cast toward the Japanese American resettlers in Chicago.

Chicago has a large Oriental population. Public Relations Chief Varley Young of the aeronautical plant in Cincinnati, which had the engineer in employment declared Arthur Sikora, the engineer, had in his possession confidential and valuable production data.

There was not, in Young's charge at the time of his statement delivered from his office in Cincinnati regarding the affair which occurred in Chicago, substantiation of any of the suspicious regarding the affair.

Check On Cause Of Plane Engineer's Death

Cincinnati, O.—Night Aeronautical corporation official said they suspected "murder at the hands of an airplane engineer" in the crash Tuesday of Arthur Joseph Sikora, 39, chief plant engineer in the plant Palmer House establishment there.

Sikora's body plummeted from the window of his twentieth floor room onto the roof of a six-story office at 160 m. twenty minutes after two trusted friends had left him, Young said.
