HOW TO MAIL TO PRISONERS

San Francisco—No limit prevails in the number of letters that may be sent to Americans held prisoners by Japan but no packages are accepted because of transportation problems, local Red Cross chapter announced this week.

If the name of a prison camp is unknown, mail should be addressed in care of Horyo Jibokyo, via New York City, New York. If the camp is known but the internee is known to be interned in Japan proper, mail should be addressed in care of Ketsu, via New York City, New York.

Kaltenborn "Owes" Debt to Citizens

Chicago—The following story appeared in the editorial column of the Capital Times, Madison, Wisconsin: "Atty. Benjamin H. Bull of Madison has just received a letter from H. V. Kaltenborn, nationally known radio commentator, enclosing Mr. Kaltenborn's check for \$100 to help provide a scholarship for a young American of Japanese descent at Wayland academy, Beaver Dam, Wisconsin.

On The Other Hand

The watchwords of the Japanese-Americans today is not that they confront enormous readjustments in their relocation; or that here and there, even if called friendly communities, they are discriminated at times by discriminations; or that the race baiters keep up a steady barrage of attacks against them.

CONGRESSMEN DECLARE JAPANESE HATCHING INDEMNITY SUIT PLAN

Washington, D.C.—Representatives John M. Costello and Leroy Johnson commented Saturday that the Japanese in America are "hatchling" a scheme to demand huge indemnity from the U.S. government for the West Coast evacuation, and also attacking via court the constitutionality of the evacuation.

(They apparently have reference to injunction suits filed in the Los Angeles Superior Court by Shizuko Shimazumi of Poston, Ariz.; Masaru Baba, Reno, Nev.; and Dr. George Oshikubo, Topaz, Utah. Their suits name Lt. Gen. Charles H. Bonesteel, commander of the Western Defense Command.)

Costello, who has been defeated in the election, was not so sure that the courts would sustain martial law, because the decision of the courts in Hawaii came upheld the contest of arrests made under military rule.

Sergeant's Talk In Magazine

An address made before the Commonwealth Club in San Francisco by Sgt. Ben Kuroki, U. S. Army Air Forces, was printed in the summer issue of the Common Ground magazine, entitled "Fighting Together".

He related experiences on his missions bombing Rommel's shipping lines over Bizerte, Tunis, Sfax, Sousse and Tripoli in Africa; the first American raid on Rome; of his 214th mission in the great raid on the Ploesti oil fields, and of his request for and permission to go on five extra missions from England over Germany.

"It was December 7, two years to the day after Pearl Harbor, when our ship reached New York, when I thought I was a pretty young sergeant, but when I saw the Statue of Liberty and the sunlight catching those tall buildings, I damn near cried."

and contact with the community under guidance of the WRA.
