**CAMP FOLKS READY FOR RELOCATION**  
Times correspondent, Tom Cato, interviewing executives here at the WRA camp which closes Dec. 1, declared that the best of the inmates, as well as the staff, while they are preparing to leave, remain doubtful about outside reception.  
Among those he interviewed were Frank Abo, father of Maj. John Abo at Ft. Snelling, Minn., and three other sons. He felt sure that they would be accepted on the outside; but difficult, he said, for him to keep making changes.  
"People at first may be mildly disapproving," Kyoto, Nippon, editor of the *Manzanar Free Press* commented, "but they'll get over it." She intends to return to her home in West Los Angeles.

**"TOKYO ROSIE" TAKEN INTO CUSTODY BY YANK M. P.'S**  
Yokohama—The Eighth Army on Sept. 5 took into custody Ya Tokoro, the U. S.-born Tokyo Rosie. She was detained at the Bund Hotel following a press conference with Allied correspondents.

**TEACH THEM TO DISOBEY**  
Gertrude Stein, the prismatic thinker and writer, is known among lay readers chiefly for her odd sentences and structures.  
It was she, however, who said something the other day that struck at the core of the crushed ex-Exiles countries. She said, "We must teach the Germans (the Japanese and the Italians) disobedience."  
Obedient Germans, Japanese and Italians always will find dictators and always follow them "no matter how fantastic their historical and social conduct may be." The phrase is from Royce Rizer's column in the *San Francisco Chronicle*.  
To counter this tendency, Americans can lead them in the art of individualistic and pragmatic thinking that has made our country what it is—self revealed through our native accomplishments, our pride and our problems. (P-7-45)

**"Gentlemen, He'll Have To Answer To Me!"**  
Phoenix, Ariz.—"Gentlemen," said Lt. Col. George Rich, the U. S. Marine Corps at a banquet here recently, in discussing the courage and loyalty of those serving with Marines in the South Pacific, "if this boy hasn't got the right to back home and be honored and respected as a good American, if anyone says that he can't, he'll have to answer to me."  
OVER THE TOP  
New York City—Way over the top in fact, this year, the Japanese American Division of the Nationalities Groups Section, War Finance Committee, talked a net \$200 in the purchase of war bonds, the highest record achieved since its participation in the War Bond drive.  
This total is \$72,500 over the assigned quota of \$71,500, according to Mr. Lloyd East Raymond, executive chairman. Previously, in the Sixth War Bond Drive, the J. A. Division recorded \$113,400, and in the Fifth, \$117,225.  
Portuguese last year, which gives her Portuguese as well as U. S. citizenship. The Army must determine whether she still is an American citizen. It was indicated.

**HEAP PRAISES ON MAYOR OF BAY CITY**  
Editor, *San Francisco Chronicle*—The cause of democracy was furthered when Mayor Lapham and other leaders of our community upheld the right of an American citizen to earn his living by his own toil in his own country. The decision of the mahabats to vote with their fellow American will serve as an example to all of us who might intentionally or unintentionally seek to deny any loyal American the right (and responsibility) to earn his living. San Francisco. A. Rabinowitz.

**Missionaries Prepare To Go Back To Japan**  
New York City—Protestant and Catholic missionary organizations announced today that the remainder of foreign missionary activities in Japan will depend on the extent to which Allied occupation authorities permit travel there, and upon the desire of the Japanese themselves.  
It is held that medical and hospital care for service-injured or aggravated injuries and diseases is assured which Allied occupation authorities Recommended by many reputable
