PHILADELPHANS HOLD BUSINESS OPPORTUNITY FORUM

WARREN DENIES APPROVAL OF PLAN

DECLARE DOCUMENT IS UNENFORCEABLE

Vanover, B. C.—Reparation forms, signed by persons of Japanese race, relinquishing their Canadian citizenship, and indicating a desire to go to Japan is not an enforceable document, and it may be revoked or proper notice in writing, this is the opinion contained in the reply of Garfield King, well-known Vancouver barrister, to an inquiry on the matter from an official of the Consulate Council on Japanese Canadians.

EISENHOWER CITES RACIAL ANTIAGONISM AS MAIN CAUSE

New York—Mutual racial and national antagonism were cited by General Eisenhower as among the conditions which lead communities to vote a speech acknowledging last week the Freedom House award. The speech was broadcast from his headquarters in Germany.

HIT RESTRICTIONS AND SEGREGATIONS

San Francisco—Taking cognizance of instances of terrorist acts against returnees, the San Francisco Chronicle sponsored a forum on the subject of "Preserving the Democratic Way of Life" last week reported that "local governments and community agencies have a vital responsibility for strengthening our democratic unity and preventing racial tensions which, if allowed to grow unchecked, may result in violence and even in race riots. Already we have seen numerous acts of terrorism against law-abiding citizens of Japanese ancestry."

Returnee Center Plan Opposed by VFW Group

Long Beach, Calif.—Letters of protest are being received by Governor Warren and WRA over the report that the Authority proposes to establish demoralization centers for Japanese returnees at Long Beach. The VFW group has been consistently opposed to the return of Japanese to this section and has advocated deportation of all Japs.

Will Try Charge

New York City—Charges filed by five well-known Broadway performers against Frank Fay, star of "Harvey," "The Band Wagon" and "The Barkers," were accepted yesterday afternoon by the Actors Equity association, which will, the union's governing board, and will be tried on Oct. 16.

Await Further Orders

Seattle—Back from the Pacific area where he served last in Okinawa, Staff Sergeant Sam Rokutan was here last week to report at Ft. Lawton for further orders. Formerly of Alameda, Calif., his family has settled in St. Paul, Minn. The 27-year-old man was serving as a member of the interpreters' team of the 32nd Infantry Regiment of the Seventh Division. Rokutan said Japanese prisoners found nothing unusual in meeting him and other members of the interpreters' team at Ft. Lawton, he enlisted at Poston, Ariz.

ON THE OTHER HAND

By Roy M. Takano  
COMMUNITY LEADERSHIP  
Community leadership in the establishment of local spirit and attitude is equally important. It has been demonstrated in the structural form characteristic of the civic forum sponsored by the San Francisco Chronicle.

They're Irate Over Plan

Burlington, Cal.—Irate residents of the bank joined the Board of Community at a meeting last week in protesting the proposed use of vacated Army barracks at Fort Ord (aka Park) as a Nisei relocation center.

Prisoners Pour In For Work In Cotton Fields

Los Angeles—A stream of prisoners of war, some from the Japanese 32nd Infantry, are being sent to the San Joaquin Valley to work in the cotton fields. The first group of 1,100 men arrived in the Valley last week.
