Objections

In a talk before the Denver Unity Council, Monday, July 17, at St. John's Cathedral Parish House, Representative Arthur A. Brooks, Jr., now a candidate for State Senator, pointed out his objections to Amendment No. 3...

Brooks announced the formation of the Colorado Committee for Fair Play composed of Rev. Clark Garmy, Ruth Schacht, Vera Riglo, Prudence Bostwick, Arthur A. Brooks, Jr., Harold Saka, Robert Caldwell and others who are seeking to disseminate correct information and repercussions of Amendment No. 3.

This committee has met several times and is formulating plans for statewide activity. This newly organized group is not to be confused with the American Fair Practice Association announced as formed this spring.

"U. S. IS PROUD OF YOU!"

"Your record in battle has been marked by one continuous achievement after another," Clark told the troops. "You are always thinking of your country before yourselves. You have never complained through your long periods in the line. You have written a brilliant chapter in the history of the fighting men of America.
