SERVICE CONDUCTED AT CECINA

San Francisco—Relatives of 120 Japanese-American soldiers killed in Italy were advised yesterday of a memorial service held for the men in a field at Cecina, Italy, a town they captured from the Germans.

TWO FOES USING SIMILAR TACTICS

The services, according to WRA, were conducted by Lieutenant Hiro Higuchi, chaplain for the 442d Central Postal Directory, to which the men belonged. The nisei were in the first patrol to reach Southern Pisa and penetrate behind the German lines.

Called To Army; Now Ask For Voting Right

Washington—The 1952 recently arrived refugees from Europe now sheltered at Fort Ontario, Oswego, N. Y., today thanked President Roosevelt and the American people for granting them sanctuary in this country for the duration of the war.

SOLDIER AT FRONT MISSES MA'S COOKING

Hunt, Idaho—The following is the letter received by Mr. and Mrs. Takasaburo Fujino here from their son, Pete, from Italy:

On The Other Hand

A G.I. Joe Nisei's behavior under fire on a battle front and the department of an evacuee Junior Miss in one of Chicago's elite restaurants are incidents of two worlds, and yet, they are of the similar origin.

Dear Mom: Last night I received your letter which was written in Japanese and since I've forgotten some of the characters I had a very hard time reading it. Guess going to that Japanese Language School didn't do me much good. Thanks a lot, Ma, and like you said I'm writing again even if I've written to you just a few days ago.

Please don't worry about me because I'll be all right and besides I'm in the rear taking a little rest now. We don't know how long it's going to be but we all think it'll be at least two weeks away. Sure miss your cooking, Ma. I'd give anything to be able to sit down and enjoy some meal you have prepared. Guess I'll just have to pat and lick the Jerrys first before I go home.

Well, give my best regards to all of the family and take good care of yourself, Ma. So long. Your loving son, Pete.

ANOTHER AIR GUNNER

Amache, Colo., Set. John Matsumoto, Sebastopol, Calif., a veteran air gunner with the 442d Central Postal Directory, A.A.F. in Italy, has completed three combat missions, including some hot target work against Cassino and the Anzio beachhead.

Corporal Tojos Have Score To Settle

Washington—Corporal Rufus Tojos, formerly of Hollywood, Calif., and Corporal Tadashi Tojo of Hawaii, are fighting the Germans on the Fifth Army front, says a War Department report to the OWI.

Difficulties Fought In Arranging Exchange

Up to last April, 1943, 4,003 Americans have been brought back from the Far East; 2,500 Japanese from this country have been evacuated, according to a recent report from a research consultant in Washington, D. C.

Grateful to FDR

Washington—The 1952 recently arrived refugees from Europe now sheltered at Fort Ontario, Oswego, N. Y., today thanked President Roosevelt and the American people for granting them sanctuary in this country for the duration of the war.

Discuss Quasi-Martial Law In The Islands

Existence of quasi-martial order in Hawaii, and in its opinion, unjustifiable today, was discussed in a recent issue of the Nisei editorial. Martial order exists, the paper said, despite the fact that Lt. Gen. Richardson recently relinquished the title of military governor of the islands.
