LEAGUE REQUESTS PERMISSION TO RE-OPEN OFFICE IN SAN FRANCISCO

National JACL headquarters at Salt Lake City announced that it has filed its application for permission to reopen its office in San Francisco, California, where it was functioning prior to the evacuation of all persons of Japanese parentage from the Pacific Coast.

BIRTHS REPORTED

Mr. and Mrs. Henry K. Imada, 1155 30th St., boy, Mr. and Mrs. George S. Ono, 2654 Champa St. girl.

On The Other Hand

By Roy M. Takano

In New York City Mrs. Roosevelt comments that mass war-time movement of populations probably will result in better balanced American communities where no one group is concentrated.

In Toronto, Canada, The Fellowship of Reconciliation suggested to Prime Minister Mackenzie that dispersal of the Canadian Japanese — relocation, must not be confused with forced "evils."

Here the fellowship refers to the need for distinguishing, for instance, those evacuees to whom being forced to stay away from British Columbia on the West Coast would be a form of genuine "exile," while others can just as readily resettle in the Midwest and the East as to return to the coast. That idea would be applicable to the situation among us here. Further definition of this idea may be called for when the gates to the Coast is reopened to us.

Refused Burial

Chicago.—A prominent Chinese, Tom Y. Chen, who was a member of committee which sold more than \$4,000,000 in war bonds in Chinatown here, died Sunday, and was refused burial in Rosehill cemetery because, his officials said, the 20-year-old rules forbade burial to the Caucasoid race only. Before his death he had asked that he be buried beside his wife who died 21 years ago before the rules were changed.
