Room for Difference Of View, Says Ickes

Rocky, Ark.—"I think it must be recognized that there is room for an honest difference of opinion as to the extent of precautionary measures which a nation must take in time of war to provide adequate internal security," Secretary of Interior Harold L. Ickes wrote to Chairman Frank Nishikawa of Town Hall in reply to the latter's letter of inquiry regarding the U. S. policy toward Japanese-Americans.

As the war has progressed, unquestionably the situation which made responsible military officials decide that evacuation was a matter of military necessity has been altered; there still is a question in the minds of some as to whether the situation has changed sufficiently to warrant a return to conditions as they existed before the war.

SENATOR OPPOSES DEPARTMENT BILL

Washington, D. C.—Senator Downey of California has expressed concern over provision of the Interior Department's Central Valley soldier settlement bill, allowing sale of land to Orientals.

On The Other Hand

When folks at Berkeley, N.H., recently asked Harold Ickes "to what the government's policy is to be toward the Japanese-Americans," that was not, strictly speaking, a 264 question to the WRA officials. Evacuee leaders of other centers have asked the same question and what all of them really mean is, what will be the U. S. government's post-war policy, its attitude toward the alien Japs.

No inquiry need be pressed upon Ickes regarding his attitude for the government's policy toward issues for the duration, things probably will go along much as do those of the war, unless circumstances, or prospects of ascending vista of opportunities — the oldsters' advancing years being what they are.

Senator Downey of California has expressed concern over certain phrases in the bill providing for Interior Department's post-war Central Valley soldiers' settlement bill. Reports say that the bill may allow settlement of "any alien" in the valley under this plan, including Oriental aliens, despite California's alien land law.

Soprano Will Appear At Benefit Recital

Miss Ruby Yoshino, lyric soprano, will give her service to the Central Valley Soldier Settlement Bill, giving a recital on June 18, 8:15 p.m. Proceeds from this benefit will be used to beautify the altar of the church. Tickets are now on sale for fifty cents.

Sad Eyes Impress

San Fernando, Cal.—"All Japs are not the same," wrote Ben Browning, front page columnist for the San Fernando Valley Sun on May 5.

Rotarians Hear Nisei Soldier

Hattiesburg, Miss.—"We are going to try to help preserve the independence for which Americans fought," declared Staff Sergeant Lloyd T. Kawahara last week in an address before the Rotary Club. He was a chemistry teacher in Hawaii before the war.

Trucks Will Be Made Available

Assistance in getting farm trucks ready to move the 1944 harvest will be given by the Office of Defense Transportation, it was announced today by ODT District Manager Walter R. Pavela, at Denver.

Sad Eyes Impress

San Fernando, Cal.—"All Japs are not the same," wrote Ben Browning, front page columnist for the San Fernando Valley Sun on May 5.

"A young man in the uniform of the United States Army walked into our office one day last week," Browning wrote. "This was a sober and serious soldier I should have recognized him at once, but I didn't. Emergency leave had been granted, he explained, to permit him to take care of some personal business in his home town."

CHICAGO TAKING MORE RESETTLERS

Chicago—Three various sources here learned of an unfounded rumor being spread thru many relocation centers that Chicago has reached saturation point in resettlement. It was disclosed yesterday by Vernon R. Kennedy, supervisor in charge of the WRA office here.

\$500 Check Received

A check for \$500 was received at the local office of National JACL's Fort Lupton chapter through Treasurer Tom T. Nakamura. This was voted upon by members at the last meeting when Joe Masaka was the local office spokesman, explaining the League's work in this state was based on an annual minimum budget of \$500.

Concentration Must Be Avoided

Vancouver, B. C.—Measures to prevent concentration of the Japanese in the Pacific coast must be taken now and not left until after the war. Dr. Norman Black declared in a panel discussion here recently.

TEXAS AND SOUTH CAROLINA

Texas and South Carolina a while ago, and now Mississippi and Georgia. The Democrats of the latter two states, confronting the coming Presidential election, passed resolutions at their recent conventions instructing their electors to oppose anti-poll tax and racial equality plans in the election platform.

The Georgia group holds that the Supreme Court's opinion opening Texas Democratic primary to Negroes was an "affirmative" decision, and that the state is party made, not set up by statute. The court's opinion technically permits Negroes to vote in the primaries.

Republicans in the Senate sponsored the anti-poll tax amendment to be written into the Constitution, with fair prospect of a nod from the Judiciary Committee. But it is thought in some quarters of the man's capital that the opposition of Negro groups, headed by Walter White, weakens the amendment's chances.
