CHICAGO WILL FORM CHAPTER

Chicago. — Despite a rainstorm, approximately 60 nisei were present at the Chicago room of the YMCA College Building on the evening of September 27 to welcome Saburo Kido, National JACL President, to Chicago. The Chairman of the meeting was William Mimsani, formerly of Oakland, Cal.

"Nothing Like Good Old U.S.A." — Sigh

Camp Shelby, Miss. — "I'm learning Italian but I guess it's a hopeless struggle," are the words of Pvt. George Otsuka, of the Regimental Headquarters, 442d Infantry Regiment, but says "The Italian Yino (wine) is their joy juice, but I miss our "five water." It's liquor even though it provides a person who elephants around the Vatican City, when it goes down his digestive system.

WELFARE AGENCY WILL DISCUSS RESETTLEMENT

WRA Relocation Officer James S. Curtis and Clarence Jackson of the local Bureau of Public Welfare will discuss the Japanese in Colorado at the Colorado Conference of Social Welfare to be held at Shirley-Savoy Hotel, Wednesday through Friday.

Musicians Perform For Men At Front

With the Fifth Army, Italy. — Twenty-nine versatile musicians, members of the band of the 442d regimental combat team of Japanese-Americans, are dispensing music to suit all tastes among Fifth Army soldiers in Italy. "The Hawaiian music was our own idea," says the leader, Master Sergeant Jun Yamamoto of Boise, Idaho. "All of us had been raised on it and we easily put together a complete repertoire. We didn't know how it would go over, but the GIs liked it and we're playing more of it every engagement."

Field Correspondent Tells Florence Entry

(Editor's note.—In the following eyewitness account, Private First Class Rice Tomita, Field Correspondent of the 100th Infantry Battalion, describes the entry of units of the 34th "Red Bull" Division and attached elements into the city of Ljubljana, Italy.)

With the Fifth Army, Italy.—By a round about way from the north, a group of photo snappers and myself entered Ljubljana. An incoming cloud of dust filled the air as we deep bonned over the dusty, sun-baked roads. Many German soldiers and trucks were seen heading in the opposite direction and the sound of machine guns and anti-aircraft fire was heard in the distance.

On The Other Hand

By Roy M. Takano

New York, Detroit, San Francisco, Los Angeles, Chicago and Philadelphia are some of the major American cities undergoing a gestation of racial problems, emphasized now by war time congestions.

Into all but two of these West Coast cities have gone the evacuee resettlers. They are witnessing the further stewing of the American melting pot.

"Minority groups must be encouraged to rid themselves of their 'minority psychology' and think of themselves in the light of a common 'psychology.' Euse. Sec. St. C. Farman of the Los Angeles Council for American Unity told the San Francisco Inter-Racial Council at its initial session recently.
