WORDING OF LEASES DETERRENT TO EVACUEES' EARLY RETURN, MAYBE

San Francisco—The wording of leases, many of them of informal nature, by which evacuated Japanese-Americans turned over their West Coast farms and businesses when they were regarded today as a deterrent to the evacuees' early resettlement on some of their own properties.

Under an Army order, which has Supreme Court backing, the mass evacuation of persons of Japanese ancestry from Washington, Oregon and California ends on Jan. 2, but in a great number of cases there is no word of knowing when Japanese American owners can reclaim their holdings.

WHAT G. J.'S THINK ABOUT Post-war jobs. Nine out of ten American servicemen are worried about whether there will be jobs for them when they return home, according to an announcement from the organization which bears the name, Nation Trends and Guidance Evaluation Studies.

Product Of Ignorance Los Angeles—"In the search for racial justice, all major claims of Christianity merge," said Dr. Walter Mueller, professor of Christian Theology at University of Southern California in an address before the conference on "World Order."

Man Assaulted; Assaulter Tries To Die

Poston, Ariz.—Tirosho Shima, 37, suffered lacerations of the scalp and contusions about the face and neck last Wednesday night after he was assaulted with a hatchet, according to James Lefthorn, internal security chief.

BET WAGE ACCORD REACHED HERE

With two of the six best sugar refining companies in the Rocky Mountain region having reached complete agreement with the union representing their factory employees in a dispute over wages, and the other four companies announcing they are close to an agreement, the regional panel of the war labor board recessed hearing in the case Friday morning until 10 a. m. Saturday.

Entertainment Group Looks To Next Year

Perhaps the only nisei entertainment organization on two-city basis is the Kalfornians, which operate in Chicago and Denver. This organization was formed in Los Angeles in 1937. At present, it offers periodic dances in the two cities, with Joe Komaki and Tom Okabe in charge of affairs in the Wink City and Denver, respectively.

JUDGES Pondered BASIC ISSUES IN 2 TEST CASES

The revealing tenor of the Supreme Court justices' opinions rendered last week on the constitutionality of wartime regulations under which nisei were evacuated, then housed in WRA camps, is one of reluctance, but implemented by a feeling of necessity.

ONE JUMP AHEAD

The army announcement, Sunday, that Japanese evacuees from Pacific coast areas would be permitted to return to their former homes was only one jump ahead of the United States supreme court's unanimous decision Monday that Japanese American citizens whose loyalty has been established should be liberated from relocation camps.

Man Assaulted; Assaulter Tries To Die

In 1940 the number of West Coast farms operated by Nisei and alien was 6,118 of which 1,197 were fully owned by the Japanese and 378 were partly owned by them.
