

Legion Post Refuses To Rent Hall To Anti-Nisei Promoters

WEISER, Idaho. — Efforts of the "Japanese Exclusion League" to make a foothold here so far appeared "glumly" recently.

The league, whose national organizers, A. E. McCroskey and Art Noble of Seattle, are attempting to expand it into a nationwide organization, have been attempting to hold a meeting in Weiser to inaugurate a program of hatred against Americans and resident aliens of Japanese ancestry.

On May 12 it was announced that use of the American Legion hall for an organization meeting of the "Japanese Exclusion League" was denied by Leslie Pierce, commander of the Russell Smith post of the American Legion.

Pierce said he refused "two representatives of the league"

the use of the hall and suggested they talk with the post adjutant, Charles Martin.

Martin told the representatives the hall was "not available."

"The Japanese Exclusion League," whose program is supported by the Oregon Property Owners Protective League (O.P.O.P.L.) of Gresham, Ore., has held meetings in Oregon and in the State of Washington advocating a constitutional amendment strip Japanese Americans of their citizenship and deport them from this country.

A previous effort by a representative of the league to lease the Weiser baseball park and grounds for a meeting against the Japanese Americans also failed when they were told by the owner of the park that the grounds were "not available."

Navy to Employ Some Nisei Vets

HONOLULU. — Returning American war veterans of Japanese ancestry will be given opportunity for employment in the 14th Naval District, here.

The veterans will be the first Americans of Japanese extraction hired at vital naval installations at Pearl Harbor since the start of the war.

"Returning veterans can expect and will receive fair and impartial treatment by the Navy in accordance with the Civil Rights of Rights, which guarantee equality regardless of racial extraction, creed or color," Bagley said.

"These men have proved their loyalty as far as it is humanly possible to do so. They will be given the same opportunities of employment as any other American citizen."

The financial support required to hold the exhibit together was readily given by the following organizations: New York Church Committee for Japanese Exclusion; American Baptist Home Missions Society; JACL; Committee for Resettlement of Japanese Americans of the Federal Council of Churches of Christ in America; Resettlement Council of Japanese American Organizations in New York City; Arrangements for the exhibit were made with the assistance of the WRA office in Newark.

West Coast Terror

(Ed. Note: The Washington Post featured in its May 17 issue of Letters to the Editor, the following.)

As a Californian, I wish to commend you for your editorial of May 7, "West Coast Terror," which dealt with the attacks upon Americans of Japanese descent.

(The Colorado Times carried the article in its May 15 issue.)

You are absolutely correct in saying that this persecution is entirely on racial grounds. There have been absolutely no subversive actions on the part of these people, as all disloyal Japanese have been interned. The interesting and alarming thing about these attacks is that they did not occur in the mythic immediately following Pearl Harbor, when feelings ran high and we were all rather vague. And the Japanese Americans were not evacuated from their homes on the West Coast until April and May of 1942—two and a half months after Pearl Harbor—and no sabotage occurred despite planted rumors.

The people who are perpetrating these attacks are—of course, a minority—obviously hoodlums of the type who would also be posing as roscops, were they to unite behind a fuchner. But the danger lies in the fact that fairly large groups of "respectable" citizens, largely farmers and small-business men, are giving tacit support to these attacks. Many of these latter people were able to take over Japanese farms and small businesses when the owners were evacuated, and now they hope to keep them. The California farmer traditionally dislikes "murderers," especially Orientals (though always eager to hire them—as cheaply as possible).

I am deeply ashamed of the "Orientalists" based on fear of their economic competition, at their standard of living is frequently lower. However, the generation of Nisei with whom I went to high school and college are as Americanized as anyone could be, and as loyal to the United States.

These incidents may seem minor—most of the press does not mention them—but have we all forgotten that German Nazism started with incidents, too?

Army Urged To Help Nisei

NEW YORK. — The American Council on Race Relations, meeting in New York, voted to ask Army and Federal agencies to help Nisei who are being interned in the WRA in the resettlement of Americans of Japanese ancestry on the West Coast.

Ernest Gallara of the Pan American Union, a member of the Council's Board declared that the evacuees were moved from the West Coast by the Army with a "government promise of protection of their return." "If this promise is not fulfilled," he said, "it is set that seriously affects the rights of every minority."

Two Nisei in Big Ten Meet At Chicago

CHICAGO. — Two Americans of Japanese descent are expected to star in the broad jump, when the 46th annual Western Conference track and field championships are staged at the University of Illinois today.

Aihara, a product of New Trier High School, already has jumped 23 feet 2 inches this season. The Gopher has a leap of 22 feet.

St. Louis Nisei Sponsor Dance

ST. LOUIS, Mo. — Some 300 persons attended a dance given by Nisei leaders in the YWCA ballroom in St. Louis, Mo., May 12, where former residents of Hohwer, Tanforan, Heart Mountain, Saran, Hinia, Foston and Tule Lake entertained with a Hawaiian floor show. The songs and dances had an authentic flavor because four of the entertainers formerly came from Hawaii. But they did not confine their talents to Hawaiian airs. When Joe Fujioka, piano player, formerly of Hilo, Hawaii, and Tule Lake, played "The St. Louis Blues," he brought down the house.

A small colored elite encircled a lighted candle on each table around the dance floor. Guests were then the opposite to purchase a lie, made by Nisei girls in St. Louis and profits to the St. Louis Nisei Coordinating Council total \$50.

Alice Yamooka, WRA secretary formerly of Fresno, Calif., and Foston, donned a colorful red and yellow hula skirt over her red and white evening dress to perform two graceful hula dances. A third hula to the tune of "Hawaiian Melody" won such applause that Alice consented to an encore.

Florence Abe, formerly of Sacramento, Calif., and Tule Lake, sang to the music of Joe Fujioka. Then Eddie Koyama, formerly of Los Angeles and Hohwer, sang two songs in his own inimitable way. The Hawaiian String Quartette consisted of Eddie Koyama, Ed Akimire, formerly of Hilo, Hawaii, and Tanforan; Sidney Kashiwara, formerly of Honolulu and Heart Mountain; and James Kono, formerly of Hilo, Hawaii.

Records furnished orchestra music for those who wished to dance. Those who did not dance, movies on Hawaii were shown and games were in progress.

About midnight the master of ceremonies, Ryo Munchi, formerly of Tacoma, Washington and Santa Anita, announced "As all good things must come to an end, so must this enjoyable evening."
