

Dear Joe 6/16/43

This time I am anxious to wait to hear from you. How are you? Did you start work or not? we are all okay, very warm today, but weeks ago we had snow on the mountain. Tawm is very busy, he is studying all the time. Other day Mrs Boulton send typewriter to Masako, so she is typing nearly every day.

Hi Joe! just dropping a line! I got my 37 picture sent up & boy what a laugh, now though I was a success, I'm going to have a test so I'll write again in spare time. How about a letter.
