

Dear Joe

I recieved your letter yesterday and today every one <sup>was</sup> very happy to hear from you. I am also glad that you are working, it seems you haven't any interest to your job, however, Joe, it is not your life job, only for vacation. In California most college students were working in fruit stands you know, so I think your job is okay. please be careful when you work on machine. we are okay.

I had to go in front of the class & give a report & I did my knees shake and even though I did shake I got an "a" & I am I happy. Had a math test but don't know how its going to turn out. Mom + Masako

you write real often more than anyone else
