

Hi Joe & Town August 22, 1944
How are you? Ahey, I hope, as for
us we are the same,
thanks a lot for the graduation pictures.
Gosh, did we laugh at them. Joe, mom
had to laugh at your face because you
really did look funny. I laughed alot
at Massey because he had his cap on
backwards. Gosh, two old phogish
looking professors, ha, ha, ha, ha!
Too, you sure got white all of a sudden.
could it really be true or is it the picture.
Joe, were glad to know that you got held of
in jail & were hoping you ~~there~~ will be
careful so that no accident will happen.
I went swimming once again but I
don't think I will be going any more.
I went with Julia Horimoto on the police
car. She's the girl life guard so she
gets a ride to the swimming lake. I met
yes Kitagawa out there & she brought
some grub & it sure tasted delicious.
I got something from swimming so I don't
think I'll go too much. In fact I only
went there two times. I saw momo out
there & she can swim good. She was out
there with Tomoyo Furusato. She could
swim because where she went, it was
required to have swimming.
Niji came back from Uhh & he got a
little whiter, he is going ~~out~~ there when
school starts again.
The movies we last saw were "Phantom
Ladies" and "Leader Comrade."
Well, I hope to be hearing from you
very soon. So long now.
mar
P.S. Excuse the writing, ~~but~~ I can't write
good with the pen upside down.
