

Hi There! 9/3/44
Everything okay? Still all okay.
Yesterday I went on a picnic
with Amy & her mother's kitchen
crew. Man, I really did eat!
We ate lunch at 1:30 & I really
did enjoy it! We had 3
rigiri, Asakemone, tofu, eggs,
carrots, beans, & cake. For
supper we had 3 cokes, water
melon, cantaloupe, 3 sandwiches,
punch, candy, cookies, cheap etc,
& even beer for older men.
I never ate so much. I wish
I could have that stuff right
now.
I went to the show again
last night & saw the same
thing. After the show I was
fixing my hair to get ready
for church! Just then I
heard Masako-san - Masako saw
I let mom answer it was none.
She left because I was going to
bed. All three of us were
praying last night. Mom was
kneeling on the ^{bed} + pop was
powering his head on the chair.
I was laying down & praying
so I hope all of you will
have good luck on the 4th.

Well this is about all, so long now.
