Hi you guys!

It sure was astounding to hear from you, Tor. I thought you kicked the bucket for sure with heart failure after those turn downs from 2 colleges. Well, were glad your able to go to school & your both better after your cold kept you in bed for some time.

See, I'm sorry about the Japanese book but I don't think I'll be able to send it too soon because jewels are coming again & this week we'll all busy w/ some thing so I hope it will be okay to send it to Davey some time.

Tonight we had a special dinner made by morn, Ichiansan, Tanaka Jan Yuge-san and Mrs. Kaji - Bob's sister - and boy it was delicious. We had things such as ebi, mage-gohan, Chay-shu, tomatoes, honey dew, cake, egg fuyuan & some other stuff which were delicious. The people we ate with were Reverend, Ichiday, Rev. Bovenkerk, Rev. Abe, Dr. Yusa, & Rev. Charles Severns. The other ones were the Tanaka's, Ichians, Mr & Mrs Yuge, Mrs Kaji (Bob Hayashi's sister whose a friend of Mr. Severns) and finally Mrs. Kaji, it was some thing new. Bosh, it felt funny to use good manners again & eat with grace while Mr. Bovenkerk just kept on talking Japanese.

See, I hope we go back to the coast soon. Only one thing was or should I say in stopping the going back home to the coast stuff which is the housing conditions. You can't kick them out and the only thing you can do is to evict the people which leads into a lot of trouble. See what a problem. Well, I'm sure running out of

to get with you when there's more time & still soon
