Hi Joe!

Just I really am a happy girl today. We got our history tests back and I got a "B" and a "B+".

In gym we got our tests back and I got 92. "A-" when we get graded for baseball I got a "B."

See I really am a happy girl. God certainly has treated me nice with ^{me +} my school work.

I have been studying hard pretty much so I won't have to go home with any bum grades. When I show mom my papers, she always says amazing. She can't believe how much I have actually improved.

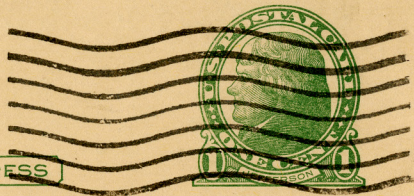

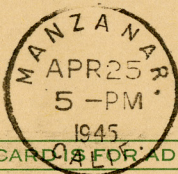

Well got to study now. Only 25 more days of school.

So Long
