

Dear Joe and Tawren

I am sorry I didnt have time to write to you for such a long time. I thank you very much for your letters very often. I was very much interested in your letters. The weather should be very cold in Chicago, specially for Tawren.

Joe, I think it is too hard to take 19 units, keeping your job. if the moneys so short, shall I send some³ or if Tawren has a job he would like to help you. so you better quit your job right now.

Joe, please take care of Tawren. He says "I am taking good care of my self and there is no shinpai" But it is very hard for the first time. I trust that you are will be a good example for Tawren.

Please dont forget the determination that you made when you left Manzanar to go to Chicago

One Sunday morning Mr Suzuki talked in church. He said, "There are two things that ruin the human being life. One is money, and another is women."

When you get paid a big salary that you never got before, there will be some temptation to shake your resolution you have made. Please you watch out for this.

I had talked to Tawren about girls. There are very few girls have good personality and good family. be careful

of those two main things.

The man of intelligence say, "The serious problem of the United State is not to win war. It is have^{to} control the young people."

Joe I am glad that you could get a scholarship again. Please you sure be a good & good exemplary student to the student council. When you had the first scholarship, I had heard a rumor, but God know all about it. As you know.

I think you boys understand what I told you today.

Mrs. Takemura send three letters and a \$50 check to us. She says that she had a good time with you and other young company. She says if we would like to relocate to Chicago, they could find job for us.

I dont know if Manzanar will be evacuated, if so it is best way to live whole family together.

Towru could you get a new job or not? I sent you your package with your graduation pictures. I kept one or 7 next time I will send you heavy underwear, sweater and Thomas picture.

Joe, if your white shirts collers are worn out, I would like to change the collers (white only) so send back.

What kind underwear are wearing now? Joe, how do you like Towrus new flannel short? If you like that kind, I will make some for you too.
