Dear Brothers,

Since I had a little time to let my food digest, I thought I'd drop you a line.

You must of had a good time having dinner at the Takemura's place. What do you think of their cooking?

This morning, I didn't waste a bit of time. I got up and ate french toast and egg and apple. Fixed my bed with fresh clean sheets and put the dirty ones away in the bag. After that I ironed till 10:00 and then washed all of the pajamas, towels, underclothes, shirts, and socks. That took me till 11:30 and after I hung some them up it was a little time before lunch so then I read your letter. Thanks for 2 letters and I sure we also would like to hear from you. After all, I ~~try~~ write to you and I never get too discouraged when you don't write so don't get too discouraged if the others don't write. What did you think of the last letter with the story of Atter in it?

This afternoon I have plenty of things to do and this will keep me busy till 5:00. Naturally its that crazy home work. I've been thinking lately about my future subjects and I think I'll take Latin II in the 11th. Also Geometry I and Chem. Then in the 12th grade I probably would take the Commercial Electives.

I would have a 11th grade program like this.

	<u>11th</u>	<u>10th</u>	<u>12th</u>
5	English	English	5
5	Social Studies	Soc. Stud.	5
5	Latin II	Latin I	Soc. prob. 5
5	Geometry I	Algebra I	Exp. I 8
5	Chem.	Phys. Ed. 5	Short hand I 5
5	Phys. Ed.		Typing I 5
			Phys. Ed. 5

Do you think that would be okay?
I guess you miss understood me Joe.
We were talking about Momma's picture
and not Mamma's so I guess it's Cleare
to you now. You probably got the
pictures today & think that they're funny. (as I do)
Tonight there's going to be a show that's just
too good to miss. It will be with Donald O'Connor.
If star spangled rhythms gets to your
place, you ought to see it. It's really funny.

Mama's been encouraging me to go to the
black social but I think that it's going
to be a flop like always. They are going
to have it this coming Saturday. I mean,
I'd like to be on the refreshment committee
like at your party. That's a lot of fun.

Yesterday pop sent the letterman sweater
to you & also the barbers equipment. If
the clipper doesn't cut! when it gets to the point
send it back for pop to sharpen. Okay?

When you get the letter man sweater you
will be pretty lucky for it was Mega
son that gave us the yarn. I'd like
you to take a picture with it on so that
we can see how it fits. We had a hard
time putting on the letter but finally got it
on. I wanted to get a days wear out of
it but the thing was too big & looked funny.

Say, you said your sending some picture
but they aren't even in sight. Are
you really going to send some?
Dagone I'll get that sports section to
you if it's the last thing I do so hold
your horses. Okay
