Dear Mr. Merrill,

Thank you so much for helping us with our property pick-up problem. I certainly appreciate it most sincerely.

At the time of our departure from Kunt, my daughter went to see you but you weren't in. We are very sorry to have missed you.

Yesterday our express came and we were very glad. Although the freight hasn't arrived yet, it probably will soon.

Thank you again for all your kindness in aiding us.

Most sincerely,  
K. Teuboi
