NISEI VETERAN'S  
*Testimonial*  
BANQUET

CIVIC AUDITORIUM  
FRIDAY, DECEMBER 13TH, 1946  
3RD & MERCER, SEATTLE

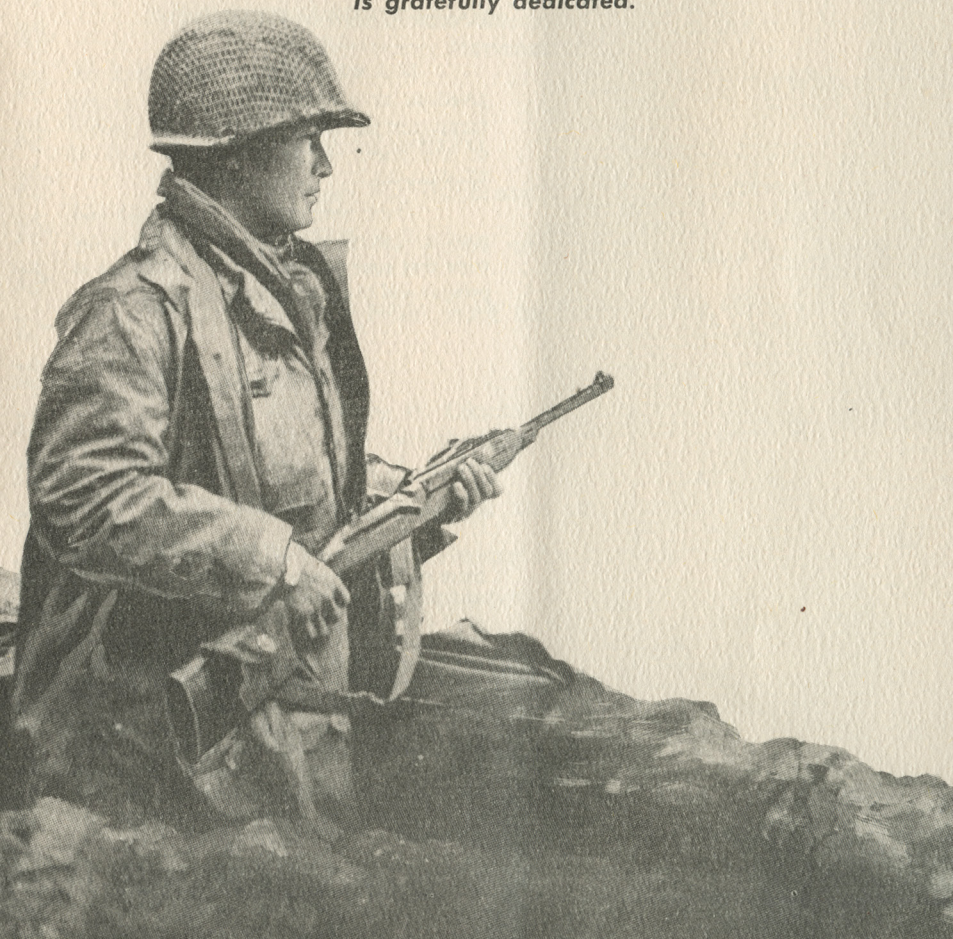

SPONSORED BY SEATTLE PROGRESSIVE CITIZENS LEAGUE  
(SEATTLE CHAPTER OF THE JAPANESE AMERICAN CITIZENS LEAGUE)

You are always thinking of your country before yourselves. You have never complained through your long periods in the line. You have written a brilliant chapter in the history of the fighting men of America. You are always ready to close with the enemy, and you have always defeated him. The 34th Division is proud of you, the Fifth Army is proud of you, and the whole United States is proud of you.

—Lieut.-Gen. Mark Clark in a message to his Japanese American soldiers.

# *Dedication*

To all American soldiers of Japanese ancestry,  
living and dead,  
Who by their heroic services to our country,  
By their sacrifices and achievements  
On all the global battlefronts  
Of World War II,  
Assured and insured our future here  
In the United States of America  
As citizens worthy of the American heritage  
And the privileges and immunities thereof,  
This Nisei veterans testimonial banquet  
Is gratefully dedicated.

#### **MAJOR GENERAL PAUL WILKINS KENDALL**

*MAJOR GENERAL PAUL WILKINS KENDALL* is presently in command of the Second Infantry Division and post of Fort Lewis. A World War II veteran, General Kendall led the famous 88th Infantry Division in the Italian campaign. During World War I, he served in the 27th Infantry with the American Expeditionary Forces in Siberia and won the Distinguished Service Cross for extraordinary heroism in action at Posolskya, Siberia.

A graduate of the United States Military Academy, West Point, N. Y., General Kendall was born on July 17, 1898, at Baldwin, Kansas.

#### **GOVERNOR MON C. WALLGREN**

It is with pleasure that I send my greetings to you and your guests on the occasion of the testimonial banquet in honor of the Nisei veterans from the state of Washington.

These veterans have the respect and good will of all of our citizens and it is my hope that your organization will continue to prosper and to grow in numbers.

#### **MAYOR WILLIAM F. DEVIN**

. . . To the many Nisei veterans from the State of Washington . . . and to the mothers and relatives of those American soldiers who gave their lives, may I extend a word of sincere appreciation for the loyalty, courage and patriotism which was exhibited by these men. You have amply proved your love for this great nation for which you fought. . .

It is my earnest wish and hope that the principles of freedom for which you have fought, against our enemies of despotism, bigotry and prejudice will more and more become a part of the everyday lives of our citizens. . .
