My Dear Jakeo -

I got your letter several days ago but I have been sick with a swell case of flu for about two weeks. Within a few days I will get your boxes off. You asked to have them sent ~~Express Collect~~. Unless they are very valuable and ~~irreplaceable~~ it will save a lot of money if they go by freight. As soon as you get a place we will ship the furniture. It is not expensive to ship chairs as they go by weight not size.

Doris and the girls got nice bed room sets of furniture. We put in insulation board on the walls of the bedrooms and then papered these rooms.

It won't be long now until the
gladiolus are ready to plant.

It maybe three or four days before
I can get hold of the F. S. A. man.

For your information - Panida made
as much or more money as any
Filipino grower in this whole territory.
My guess would be 12 or \$14,000.00 above
expenses. He ~~seemed to be~~ chasing ~~it~~
all year. Unless he 'blew' it he
could have [#]paid easily. As soon
As I find out just what is what
I will let you know.

Yours sincerely
O. R. Roe
