Dear Sir:

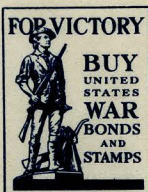

We have contacted the Union Pacific Agent at Wilder, Idaho and have submitted to him a Government Bill Of lading for your express and freight shipment. The freight shipment includes 16 items of your property and are listed according to the letter mailed you from the Wilder Freight Agent.

We have also been advised by the freight agent that you have some storage charges due on your express shipment and it will be necessary for you to send the money for these charges before he will ship the property. When you have done this our Government Bill of Lading will take care of the rest.

Very truly yours,

ERNEST J. PALMER,
RELOCATION OFFICER.
