Dear Kuni:

It is a matter of deep regret that I learn that you are leaving Lowell, due to an evacuation order. You have been most valuable to me as a member of the Block L Society, and more particularly, as a Big Brother of our selected group members of this organization. I am deeply appreciative of your loyalty to Lowell High School, and to me.

I can truthfully say that I have never had any closer cooperation and a finer service from any Lowell boy during my ten years as dean there than I have had from you. I hope that you will be able to adjust yourself to your new surroundings, and when this conflict is over, it will be my pleasure to recommend you for a Lowell High School diploma, subject to meeting the usual requirements for graduation.

Please feel free to call upon me at any time if I may help you, and I am sure that the 132 members of the Lowell Block L (athletic) Society feel as I do in this matter. With best wishes, I remain,

Sincerely yours,
