PROGRAM HIGHLIGHTS TODAY'S EVENTS

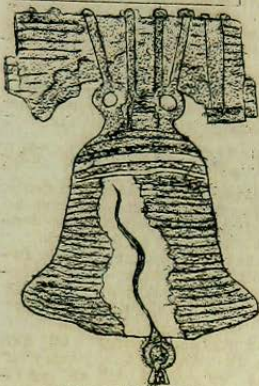

CLOTHING ALLOTMENT AVAILABLE

Available on request to every Center resident is the monthly clothing allotment, which is accumulative from the time of the resident's entrance into the Center and is based on a set scale.

For example any person who does not apply for six months and feels he is in need of clothing will receive wearing apparel to the limit of his six months accumulation. Thus, persons will not lose their monthly allotment no matter when they apply for clothing.

The Welfare Department will give first consideration to persons actually in need of clothing and asks those people not to hesitate in applying.

LIBERTY'S SYMBOL

I shall not die without a hope that light and liberty are on a steady advance. Even should the cloud of barbarism and despotism again obscure the science and liberties of Europe, this country remains to preserve and restore light and liberty to them. In short, the flames kindled on the 4th of July, 1776, have spread over too much of the globe to be extinguished by the feeble engines of despotism; on the contrary, they will consume those and all who work them.

---Thomas Jefferson

DANCE, BALL GAME, ALSO SCHEDULED

The July 4th performance at 8 o'clock this evening in the Center Bowl will be the feature event of Independence Day.

The curfew will be extended an hour tonight so that various other activities can continue without interruption.

The program will be opened with the Call to the Colors by the Center Boy Scouts, and the audience will then participate by pledging allegiance to the national flag.

DUNN WILL SPEAK

Following this, Rev. Hideo Hashimoto will give the invocation. E. A. Dunn, assistant Center manager, will speak and will be introduced by the master of ceremonies for the night, Fred Koyama. Dr. T. T. Yatabe will also address the audience.

The Education Division's Music Department will present songs, and Rinko Shimasaki will read the Japanese-American creed, which was written by Miko Masaoaka, executive secretary of the national JACL.

The elementary grade department and the Mess and Lodging Division will both sponsor several presentations, and the public will be able to witness for the

Editorials

ON THIS DAY, JULY 4, 1942

One hundred and sixty-six years ago, our forefathers, conceived in the nations of liberty, justice and equality, foresaw the necessity of making the future of the United States, a government of the people, by the people and for the people.

Although this country had a precarious beginning, these conceptions became deeply-rooted in the minds of the people. Our statesmen, who have guided and directed this nation, have constantly borne in mind that a government without the consent of the governed will never be tolerated by the people of the commonwealth.

This year, the Fourth of July has a great significance for all of us because this country is fighting against the forces which are attempting to destroy the very foundation on which this commonwealth was founded.

Our soldiers are dispersed throughout the world so that we may continue to live under our existing system of government and society. They are the ones who are carrying the torch of liberty--they are the ones who are preserving the proud heritage for which this country stands.

Let us on this 166th anniversary of the Independence Day rededicate our lives to the principles on which the United States was created and exert our utmost energy to do our part in preserving these ideals.

FARMING, NATION'S BACKBONE

A branch has been instituted in the Works Division known as the Farm Production Project for the purpose of affording the opportunity for rural boys to continue their endeavors in the field of agriculture.

This farm group is optimistic in regard to the future of the Nisei in agriculture. It has been undisputed that farming is the nation's backbone, and it is our thought that there is much to be contributed to the nation's wealth by us.

After we leave this Center for one or more of the resettlement areas, farming is going to be a matter of primary concern. To acquaint our youths with the practices of such a cooperative movement before our arrival at these relocation centers, we have instituted special agricultural classes in the Farm Production Project, whose facilities are now rapidly being enlarged to handle any number of not only young men but others who are interested in any phase of the agricultural program. Those of us who are in the Farm Projects feel that too much emphasis cannot be placed in the types of theoretical, vocational and research training that are being afforded, and we encourage everyone to avail themselves of these opportunities.

Centers Elsewhere

MERCED--The Fourth of July highlight will be the 100 yard dash scheduled for the "200" Club. All participants are 200 lbs. or over.

TULARE--At the Independence Day dance each girl will be given a balloon to be tied to her ankle. Her partner must keep from puncturing it.

SANTA ANITA--Feminine enthusiasts of the art of self defense are out to organize a women's judo class.

MANZANAR--Long walks, picnics and outings will be possible for local residents as soon as markers defining the boundaries of the camp are staked. Six thousand acres will be open to the Japanese which means an area of approximately 10 square miles.

PIEDALE--"All of us have known the importance of group co-operation in our activities prior to our arrival here. Co-operation is doubly important now that we are living together in a closely-knit communal pattern. Everyone of us is interdependent with one another; a few unthinking, unco-operative individuals can cause great inconveniences to the rest of the Center residents."---LOGGER

GUM GRIPE

I'd like to get a few things off my chest!

Being a dishwasher is in itself not an easy job. Matters are made worse when chewing gum is placed on plates, and, believe me, trying to get gum off plates is no laughing matter.

More trouble and confusion is caused by such inconsiderate, lazy, asinine acts.

You'd be angry, too, if you had to struggle for a long time trying to undo something some unthinking person did.

So how about disposing of your gum properly before entering the mess hall? You can consider it your good deed for the day, because we fellows who clean up will really appreciate your helping us out this way.

EDITORIAL OFFICE

Press Room-----Section 1
Tele., Service Div.
Fresno Assembly Center

HI NEIGHBOR! I'M NEWS! WANT TO LOOK ME OVER?

Flash! I'm news! Jotted down roughly at my origin as a reporter, I am rounded out and typed by him in the GRAPEVINE room. He then hands me to the copy editor for the preliminary checkup for errors and on to the city editor who changes me here and there, and puts me neatly into column. Well, back I go to that man again, the city editor, who writes heads, then bundles together with other news, I am sent out to the Service Division Head, Walter E. Pollock, and a government press representative for a review. They look us over, give the death sentence to one or two of my fellow news, and send the rest of us back to our sanctum, the GRAPEVINE office. HERE the associate editor gives us another checkover for errors. Then we are handed separately to three people: the editor takes the editorials, city editor, the front page news, and his assistant, the rest of the news to be laid out. WEARY but willing, we are next typed onto blue stencil paper, thence to the artist to have our heads stenciled and on to a final checkover by the associate editor again. AH! now we are nearing the end of our journey as the technicians stick us onto the mimeograph machine, ink us, and then whirl us dizzily round and round as we are imprinted on hundreds of sheets of paper. THESE sheets are neatly stacked in three piles, assembled, stapled and counted. Then comes the final step as the circulation manager takes us over and we bid adieu to the Press Room as we are whisked along by messengers to carry our messages to the people of the Center.

Here I am, hello everybody!

BETWEEN THE BARRACKS WITH RICHARD ITANAGA

TODAY IS THE DAY OF DAYS FOR ALL OF US AMERICANS. Father time has marked 166 years in his book since the quill was passed from signor to signor of the parchment which declared our nation's freedom. Let us remember that today and everyday, we have a part, however small, towards making sure that there will be Independence Days for countless years to come.

FROM THE SIDELINES... Now that the baseball season is safely under way here, huge masses of humanity will again be employed in the oldest of jobs in sportsdom. They have been called "Monday morning quarterbacks," and "crack-or box coaches," but I dub the Center experts "the crap chair managers." This unworthy one bows from his broad basket to these high lileans of the great national pastime who see all, hear all, say everything and know!

EVERYTHING seems to be the same as usual---the chattering infield, the yelling crowd and the resounding smack as hickory gives horseshide a brief, lusty kiss. Yes, everything fits the diamond pattern, except for the heretofore inevitable dog running on to the field and pestering the players.

APING THE APES.... After watching the different facial expressions and antics of the fans at various events, I doubt the truth of a certain comedian's favorite saying, "monkeys are the craziest people."

SAVE RUBBER OR BUST.... Since a number of manufacturers stopped the production of girdles and corsets, many business men can no longer live off the fat of the land---I'm not stretching it either; it's the bare facts, figures don't lie.

AN APPLE FOR THE TEACHER... Prof. Itanaga will lend a helping hand to the students struggling in the history classes, by answering this special holiday question, "Where was the Declaration of Independence signed? Dear pupils, it was signed at the bottom."

"GRAPEVINE" DRESSES UP

How do you like it?
Did you notice the new streamlined front dress of the GRAPEVINE?

The members of the staff, in keeping with their progressive policy, decided to make the change in the masthead design after receiving criticisms that the old style looked ana-tourish and messy.

We like our new "GRAPEVINE"; we think it looks a lot better and proudly present it on our special eight page Holiday edition. What do you think? Is it all right with you?

BLOOD DONORS WANTED

Sixteen voluntary blood donors have already been given preliminary physical examinations, Seichi Mikami, head of the Social Welfare office, announced.

More voluntary blood donors are wanted and are asked to sign up in the Women's Annex C.

"WHITE ZONE" GROWERS GIVE FRUIT

The leaders of the Fresno County JACL chapters in Military Area No. 2 presented to Fresno Assembly Center residents Tuesday two hundred boxes of fruits and vegetables.

Plums, peaches, figs, cucumbers and tomatoes were donated by several Japanese ranchers of the Fresno region and were delivered to the Center by Howard Hatayama, Fred Hirasawa and Ken Tashiro. Fruits and vegetables were distributed to the mess halls where every resident was given a treat.

Hatayama stated that if the time permits, there will be more similar treats for the Center people but since the "white zone" districts are now facing a possible evacuation order, it will be difficult to make any promise.

COME AND SEE THE GRAPEVINERS IN ACTION TUESDAY!

OUR UNSUNG HEROES

BY JOHN HIROHATA

(Note: This is the 2nd of a series of articles on the different groups of workers who help keep the Center functioning smoothly. The first, on the postal service workers appeared in last Wednesday's Grapevine.)

Let us pay tribute to the people who try to provide us daily with a course of satisfying and appetizing meals. Menus which come to the chefs from the Mess and Lodging Division are carefully studied by the chef and his assistants before actual preparation of each meal is undertaken.

To satisfy the appetites of more than five thousand residents is a gigantic undertaking in itself. Toiling daily by the hot stove and realizing the fact that we are able to indulge in gratifying meals three times a day, the chefs and his assistants throughout the Center must be highly commended for their huge task.

Working side by side, the vegetable boys, the meat cutters, dish and pan washers, the firemen and many other members of the mess staff deserve our gratitude. To print the names of every worker in the kitchen is a complicating thing, so we salute you all in one group.

Let us appreciate the kind and courteous services being rendered by the waitresses who do everything from waiting, serving, seating, tending to sugar, coffee, water, and tea supplies, and carrying plates, bowls and fruits for the kiddies to the table. To render services for three shifts per each mealtime, systematically and unerringly, by these girls whose aim is to serve you with absolute courtesy is heartily praised not only by the people with children alone but also by every Center resident.

One resolution I have made, and try always to keep, is this: "to rise above little things."

IT'S JUST RUMORS, GIRLS, YOU WON'T BE OLD MAIDS

If the rumored Center ratio of girls to boys has caused some girls to look hopeless to an "old maid" future, they should perk up and take hope.

A survey of 2061 Center boys and girls from 1 to 21 years of age show the proportionate ratio varying very slightly in all but the 17 year old age group. In this age group the ratio is 50 boys to 106 girls, which doesn't mean much as 17 year females are usually sought after by older boys.

Most youths from 1 to 20 years of ages will be found in Section K as well as the most chances for the

girls being future spinners. In K the girls of all ages, except the 13 year old group, outnumber the boys to a high percentage. But the girls shouldn't worry because in Section A, besides a plentiful supply of old bachelors, you will find the 19 year old boys outnumbering the girls 7 to 1.

Since everyone enlarges his acquaintances here in the Center, disproportionate ratios in the various sections should iron themselves out.

So the girls should sleep easily, and bait their hooks as there are plenty of fish in the Center pond.

NOTICES

Mess Hall E will sponsor a dance Monday, July 6th at Recreation Hall 3 from 7:00 to 9:30 p.m.

DR CHAPMAN WILL SPEND DAY HERE

Dr. Gordon K. Chapman, secretary-treasurer of the Western Area Protestant Church Commission for War Time Japanese Service, will spend the day with the non-denominational Christian group at this Center tomorrow.

He will speak at a business conference to which all pastors and leaders and all those who are interested are asked to attend says Rev. Hideo Hashimoto.

Dr. Chapman will also speak in Japanese at the Japanese worship service which will be held in Recreation Hall 2 beginning at 7:30 p.m. Rev. K. Inori will be the general chairman. His topic will be "Fear Not, Only Believe".

The day will be climaxed with an English worship service in Recreation Hall 2 from 8:30 at which time Dr. Chapman will speak on "Building for God".

Dr. Chapman is the field representative for Japanese missionary work on the Pacific Coast for the Board of National Missions of the Presbyterian Church in the United States. He was doing missionary work in Japan for a number of years and since his forced return, he has been working with the Japanese on the coast.

CHURCH NEWS

The Christian Sunday school time has been changed from 10 to 11 a.m. to 8:30 - 9:30 a.m.

The primary and beginner's department will meet in Recreation Hall 3 for children who live in sections H to K, and the children who live in sections A to F will meet in the Women's Shower Annex D.

Junior and intermediates will meet in Recreation Hall 2.

Seniors and young people will meet in Recreation Hall 3.

Adult Bible class will meet in Recreation Hall 1.

SCHOOL CLASS TIMES CHANGED

Beginning Monday, the education department announces a revised class schedule including a change in rooms and additions of new courses. Following are the changes in classrooms:

- English:
7th grade in B women's annex.
8th grade in B women's annex.
10th grade in E men's annex.
11th grade in E men's annex.
9:20 arithmetic:
7th grade E men's annex, S. Okamura, teacher.
8th grade D women's annex, H. Dakuzaka, teacher.
10:20 algebra in B women's annex, Y. Minakami, teacher.
9:20 nursing in B women's annex, Miss Meyers, teacher.

Anyone wishing to enroll in the new classes may report Tuesday at the assigned room and register with the instructor.

The needlecraft and art classes on Tuesday, Thursday and Saturday are now open to adults as well as to the regular school age group. Anyone interested in learning how to dance or to learn the newest steps is asked to sign up Monday, June 6 or Wednesday, June 8 at Recreation Hall 3.

Class times are as follows: Monday, Wednesday, Friday, 8:20 and 10:20, beginners; Tuesday, Thursday, 8:20 and 10:20, advance.

The needlecraft classes are held under fig trees and the art classes meet in the women's shower annex in E.

July 24 was selected as the tentative date for open house by the education department at a recent faculty meeting.

With Yuriko Minakami as chairman, a planning committee composed of Kazuo Sekiya, Henry Sugimoto, Mrs. M. Tsukamoto, Yasuko Fufita and Mrs. Tom Arase was chosen.

TOY LOAN LIBRARY IS PROPOSED

A toy loan library, where toys will be loaned to children, will be instituted in the Center in the near future according to W. E. Pollock, head of the Service Division.

Toys will be loaned out for one week. They will also be exchanged, and anyone who has toys that are not being used are asked to bring them to the library where they will be repaired, indexed and made ready for use.

The articles will be issued from Recreation Hall annexes 2 and 3 with Robert Kimura in charge.

Children over six years may take out the toys, but those under six must be signed for by the parents before they will be able to take any out.

BASIC ENGLISH CLASS STARTS

Second generation children are asked to inform their parents of the registration for Basic English classes for the first generation from 6:30 to 8 at their respective mess halls tomorrow morning.

They will be asked their name, address, the time they would like to have the classes.

ALIENS PROHIBITED FROM HOLDING ELECTIVE OFFICE

Recent instructions issued by the Western Defense Command and Fourth Army Command prohibits aliens from holding any elective or appointed office in connection with the self government plan of Center operation.

Arrangements will be made at the next meeting of the Center Advisory Council, which takes place on Monday July 6, to bring the Fresno Assembly Center Advisory Council in line with the above instructions.

LET'S GO TO THE PROGRAM

LET'S GO DANCING

GRAPEVINERS INVITE OFFICIALS

Preceded by a supper at Big Garden Tract, the GRAPEVINE staff held their first get-together with the Center administrators and their wives and members of the advisory board at an exclusive press party last Wednesday evening. City Editor, Richard Itanaga served as toastmaster while Walter D. Pollock of the Service Division responded for the guests. Winning ovations for their entertainment numbers were Fred Harada, Mari Asakawa and guest artist, Dudley Yatabe. The guests present included: Messrs. E. A. Dunham, J. P. McVey, D. H. VanDyke, H. Maul, H. E. Dunick, T. T. Yatabe, K. H. Taira; D. T. Stewart; W. E. Pollock and Tosato Kawai.

DANCE, BALL GAME, ALSO SCHEDULED

(Cont. from pg. 1, Col. 3)
first time in the Center, the Drums and Bugle Corps of Troop 16, Boy Scouts of America.

A tumbling exhibition on parallel bars will be the evening's contribution by the Recreation Department.

For the finale number, the Girl Center Scouts will sing patriotic songs. The retreat and taps will be sounded by the Boy Scouts.

This program is unique in that the entire Center will take part, all the Divisions being represented either in the direct performance or behind the scenes.

Tom Shimazaki, chairman of arrangements, is asking all those attending to tonight's Independence Day program to remain seated until the end of the program.

A dance, under the sponsorship of the Works Division, will take place on Butler Avenue from 9 to 10:45 p. m. Everyone is invited, and music will be supplied by a Victrola.

Events which have already taken place are the sumo tournament held Thursday and Friday and the GRAPEVINE picnic and social on Wednesday.

Several parties will be held by individual groups after tonight's patriotic show.

The sure way to miss success is to miss the opportunity.

KEEP THE CENTER CLEAN!

DIPHTHERIA IMMUNIZATION TO BE GIVEN TUESDAY

Children from the ages of five months to six years living in sections F to I will be given diphtheria immunization Tuesday from 2:00 to 4:00 p. m.

Diphtheria tests will be given to children who are six to thirteen years old at the same time at Hospital 2.

CLASS MEETS

The first aid class, headed by Grace Meyers, United States public health nurse, will meet in the Women's Shower Annex, B. Classes will be held every Tuesday, Thursday and Saturday from 9:20 to 10:15 a. m.

MECHANICS "KEEP EM ROLLING"

"Hey! mechanic, my truck brakes aren't working" or such exclamations as "take the knocks out of this engine before it knocks me out", are daily handed out to the mechanics in the Center garage located in the western section of the warehouse grounds. Twenty trucks that use over 70 gallons of gas per day are gassed and oiled every morning in addition to doing all necessary repair jobs.

Directing the work of this division is W. A. Horner with H. Tashima acting as the chief mechanic. Other full fledged mechanics are J. Habara, T. Nakamura, F. Tashima, T. Shimazaki, H. Nakata, and T. Uyohara. The helpers are J. Taniguchi, T. Taniguchi and T. Iwasa.

BUDDHISTS TO USE SONG AS THEME

The theme of tomorrow's Buddhist Sunday services will be taken from the following song: "The texture of the life to be weaved in colours all our own; and in the Realm of Destiny we reap in as we have sown."

The Sunday School will take place from 10 to 11 a. m. in Recreation Hall 1 with Rev. Kono speaking and Ayako Noguchi as the chairman; in Recreation Hall 2 with Rev. Kai talking and Gladys Yoshikawa as the chairman; and in Recreation Hall 3 with Rev. Hirohata speaking and Toshi Mishimura as the chairman. Sundo Kono and Hideo Ito will relate stories in Recreation 2 and 3 respectively. Classes will also be held in each of the Recreation Halls.

The Buddhist service in Japanese for the first generation will be held from 8 to 9:30 p. m. in Recreation Halls 1 and 3 and Reverends Kono, Kai and Hirohata in charge, respectively.

The executive secretary taking care of all Buddhist affairs will be located in the C Women's shower Annex.

BOY SCOUTS MEET TUESDAY

The 11th District Committee meeting of the Boy Scouts will be held on Tuesday from 7 to 8 p. m. in the E Men's Shower Annex.

SPORTS

For the last few years, it has been widely acknowledged that Central California baseball among itself has slumped to a degree in quality and interest as compared to other sections of the state. This has been attributed to the lack of opportunity to really play the nation's game by the great majority of the younger lads. In the high schools' track has long been the sport which drew the athletes, leaving the good old American sport in the back-ground.

Now that the A and B leagues have been organized and a C league is in the planning stage, young men can take an active part in the grand old game. Baseball is not just another sport to the average American. It is a source of great enjoyment to millions of Yankees, whether actual players or merely kibitzers. A baseball leader in any community in the country is always respected as an American because it is one sport that grows with this country.

With the opportunity for the young athletes to play the game, perhaps baseball will again occupy the center of interest of the nation. Wherever they go it will be a common ground on which to meet all Americans.

In the games up to date, the contests have been decided mostly through errors, slugging and loose playing in general. Though the car-takers and the workers have put in a lot of effort, the diamond is covered with loose top soil but players aver that it is plenty fast. The pitching leaves much to be wished for but the hitting has been good.

"LEFTY" SASAKI CHUCKS FIRST SHUT OUT GAME FOR BOWLES

"Lefty" Sasaki pitched the first shut-out game for the Bowles nine to win from Elk Grove 7-0 in a seven inning league baseball game at Fresno Center diamond Tuesday, June 30.

Minoru Tokumori, heavy slugger for Bowles, took the batting honors with a double and two singles and teammate, Togo Ishii got two hits out of four trips to the plate. Sasaki allowed five hits while M. Okida, Elk Grove pitcher, scattered 7 hits and was relieved by Ted Taniguchi who allowed 4 more hits to finish the game.

The batteries: Bowles—M. Sasaki and K. Namba
Elk Grove—M. Okida, T. Taniguchi and S. Matsumoto

HANFORD CUBS BLAST ELK GROVE NINE

The Hanford Cubs blasted the Elk Grove nine 12-5 in an eight inning ball game at Fresno Center diamond Wednesday.

Sam Sakaguchi, Hanford pitcher, highlighted the game with a three bagger in the 2nd inning, with two runners on. Sakaguchi had a shut out game until the Elk Grove nine started a 7th inning rally by collecting three runs. They got two more in the 8th inning on errors. Elk Grove infielders made 6 errors in the game with the weak spot being short-stop. The batteries: Cubs—Sakaguchi, H. Kishida and T. Chono. Elk Grove—H. Kanai and A. Sawada.

CIRCUIT SWAT STARTS FLORIN VICTORY RALLY

A home run blast with two men on by Saddy Yasukawa in the 7th inning started the fireworks which paved the way for a big rally and assured the victory for the Florin nine against Fresno in their first "A" league competition. When the game ended, the score stood 19 to 2 as Florin showed tremendous hitting power by garnering 19 hits off Yomoto, Sonimura and Kawano. Horbert Kurima of Florin was touched for three scratch bingles and a triple netting one run. Sekikawa took the mound in the ninth for Florin and allowed one run on two hits.

LAST CHANCE FOR WOMEN TO REGISTER FOR LEAGUE

"This is the last call for girl high school graduates to register for young women's league", says E. Ivanoto. The volleyball games will get underway immediately after enough girls are signed up.

Registration will take place at C women's shower annex until July 5. Interested persons should either contact the office or call Ivanoto, E-3-1, for further information.

M. NOGUCHI TEACHES 50 PUPILS ART OF JUDO

To learn the art of "self defense", over 50 students are taking Judo lessons from Mamoru Noguchi, instructor.

Practice sessions are held daily from 7:30 to 10:30 a. m. on Monday to Friday at the open lot next to the E. Less Hall. Young boys who are 13 years or over are eligible to sign up with the instructor.

"Enrollees must possess either Judo jackets or some sort of strong clothing," announced M. Noguchi.

Kawai, Haruko and Nagata who are "Black belt" holders are aiding in teaching the boys.

FLORIN B'S EDGE FRESNANS IN THRILLER

In a thrilling seven inning encounter in the B League competition, Florin bunched three hits to stage a three run rally in the 6th inning to gain a 5 to 4 victory over the North Fresno B's at the Center diamond Monday.

Both teams opened the tilt with loose fielding, chalking up three errors apiece which netted two runs for Florin and a run for the Fresnans.

However, the Raisin City boys managed to score a run in the second canto with a walk by Urabe and a single by Yamaguchi and Trate. In the fourth inning Florin gave up two more tallies to the losers with an error and three singles, but held them runless from there on.

Florin scored their winning run in the 6th when they staged a rally with Onishi slugging out a base hit followed by a walk issued to Isa, and Toshimura knocked Onishi home with a single.

At this moment Gus Suzuki cut loose with a solid double to score two more runs which ended the game with the score 5 to 4.

Yamanaka of North Fresno was hit by a pitched ball on the jaw but continued playing.

Iwata hurled superbly for the losers pitching no hit ball until the 6th inning. J. Tanigawa came through for Florin although he gave 9 bingles to the Fresnans.

Score by inning:	1	2	3	4	5	6	7	R.	H.	E.
Florin	2	0	0	0	3	0		5	4	5
North Fresno	1	1	0	2	0	0		4	9	5

DIAMOND DUST

(Cont'd. from pg. 7, col. 1)

Prediction of winners does not seem to be possible at this stage and from this corner, the race promises to be as wild as may be found. With tighter pitching, the league may develop into a close one. Wild and wooly seems to be the best description of the action thus far in both leagues.
