## 'GIRL DATES BOY' HOP SET

### 'LETTER OF INTRODUCTION' TOPS BILL FOR TONIGHT

A combination of stirring drama and comedy will be screened tonight at 9 o'clock at the Grandstand. The movie is titled, "Letter of Introduction", and includes such stars as Adolphe Menjou, Andren Loods, Edgar Bergen, Charlie McCarthy, George Murphy and Ann Sheridan.

The story is about a daughter of a big time actor, who attempts a comeback but fails and dies before his dreams for his daughter are realized.

Finding out her father derived honor of public recognition in futile revolt against advancing age, this girl destroys the "Letter of Introduction."

With determination and undying courage, she climbs the ladder to fame, fortune and romance. Charlie McCarthy and Mortimer Shand offer hilarious comedy relief.

A short subject and cartoon will be the added attractions. Community singing will precede the movies from 8:30 p.m.

Public opinion requested another dance initiating the "Girl Dates Boy," theme so here you are. The Mercedian Staff will again sponsor an affair where the girl takes the initiative. This dance is to be held Saturday, August 8, from 8-11 p.m. at the Administration Building.

Professor Paul "Waldo" Higaki and his high-stepping "Stardusters" will furnish the music which will be sweet and soft. Tsugine Akagi will act as Mistress of Ceremonies.

Only couples will be ad-

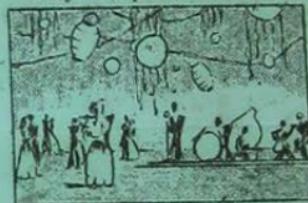

### SCOUT 'O Roma'

The second Boy Scout-O-Roma will be held Saturday from 6:30 p.m. to 8:30 p.m. at the Baseball Field. George Fujita and Koo Yoshida will be co-chairmen for the event.

Opening ceremonies will include the "Pledge of Allegiance," led by Troop 62, the Scout Oath, and a message by Mikio Fujimoto, Scout Commissioner.

Intra-troop competition will be held in the centipede rope race, knot tying, first aid, signaling, judging, compass relay, and surprise relay.

The day's activities will be closed by the great Scout Master's Benediction.

mitted so girls show that fine spirit of cooperation again and enjoy an evening all for yourself. To accommodate those undecided persons, a blind date bureau has been set up in F-2-2.

Girls, especially you hesitant ones, sign up and arrangements will be made. So far the boys are right in the spirit of it and the date list is growing longer on their side, but where are the girls? Girls, make this affair another success to assure continuance for future dances. Come one, come all...sign up and drag them.

Novelty dances are promised by the committee in charge.

Refreshments, managed by Sally Kubochi, Terry Mae Murokami, June Suzuki, Mike Fujimoto, Jimmy Tanji, Tom Sasaki and Johnny Kimura. Don't forget to bring your donations to help keep the dances and other activities going.

tress of Ceremonies.

Isako Sugiyama is chairman of the day's activities. Assisting her are Kan Domoto, Eleanor Tanita, Mary Watanabe, Mary Suzuki, Reiko Habu, Gladys Ishida, Martha Tsuchiya, Martha Takemura, the Canteen, may be bought via the script book.

Teachers who are helping are Dr. Terami, Kazuo Masuda, Sachiko Kimura, May Matsumoto, Mabel Andow, Bessie Matsuka, Helen Konno and former postmaster and head Marie Mizutani.

TRANSFER TO TULELAKE

Mr. and Mrs. Chot Ogi, nurse, left for Tulalake last week.

### CHILDREN'S Play Day

Saturday will be a big day for the children running from 6-12 years old. In the morning from 9-11 o'clock, the children will participate in various activities at the grandstand. A quiet hour will be conducted at the Administration Building from 2-3 p.m. The public is invited to both events.

Morning events will include playground games, community singing and refreshments served to the younger children. Drama and storytelling will be included in the afternoon program. Miyo Yamasaki will act as Mis-

## COLORADO MAP, PUPPETS TO BE FEATURED...

A relief map of Colorado, tentative relocation center, will be exhibited at the hobby show on August 15 and 16. This map will point out and give a clear description of Granada. Besides displaying this map, the paper craft division will exhibit a unique puppet show which was constructed by Roy Mitobe, Irwin Hirano and Calvin Ishida.

The hobby show will be open between the hours of 10 a.m. to 9 p.m. Some of the outstanding displays are the Home Garden, Chiura Obata's noted painting collection and model airplane exhibits.

All those who have exhibits for the Hobby Show are asked to please bring them to Recreation Hall #1 and #2 on Friday, August 14, from 8 a.m. to 4 p.m.

Residents are encouraged to bring needlecraft, woodcraft, drawings, model planes and any other article which they have made during their leisure time.

### Stock VISIT

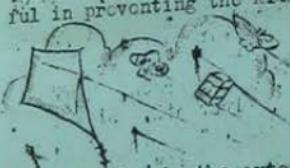

Mr. and Mrs. Charles Yamamoto, F-1-18, of Sobastopol, are proud parents of a baby girl, born on Monday, August 3, at the Merced County Hospital.

The new arrival is the fifth child and the Yamamoto's have five girls so Eddie Cantor's record has been equalled.

Mr. and Mrs. Sam Ono, C-5-18, of San Francisco, were greeted with a bouncing baby girl on Wednesday, August 5, at 4:30 p.m. at the Merced County Hospital. The baby, the third child, weighed 6 pounds 5½ ounces.

### Preliminary Kite Contest Planned

As the kites are already sailing over the Center sky, the management has approved the preliminary kite flying at the Center Square or the ball park. All kite launchers are asked to be careful in preventing the kites

from tangling in the extension wires.

On Monday morning, at the ball park, a pre-contest flying trial will be held. Telephones are installed for the benefit of the contestants. Contest rules and instructions have been distributed to each word information office.

Further details, such as ordering strings, acquiring bamboo slats, kite paper, construction aid and sign-ups will be accommodated at F-2-2, Recreation Office.

### DANCES, TROOP 62 SCORE HIT

Toru Yokoi, that versatile torpachorean artist, once again thrilled the huge crowd at the last talent night program with her tap dancing. She drew an encore and came back with a Spanish fandango—castanet and all.

The Gypsy Dance was colorfully presented with realism obtained by tambourine and costumes of authenticity. The well-rehearsed gypsies were Miyo Hieda, Ann Yamamoto, Nava Inouye, Limi Yagi, Shige Sato, Momoyo Kishimoto, Rose Matsuoka and

Iris Ito. Betsie Inaba was the able accompanist.

On the comic side was the skit put on by the Boy Scouts Troop 62, featuring Jack Ito, Katsumi Arimoto and Tom Sasaki. A cowboy-Indian pantomime was presented.

Of the usual allotment of odoris, Mrs. Higaki received much compliment with her rendition of "Nosaki kouta." There was also a repeat performance by Sumi Sasaki and Ann Sasaki, accompanied on the samisen by Mrs. Hayashi.

## Beyond Our Barracks

A local girl contestant is competing with 63 males in the model airplane contest at Santa Anita.

The most repulsive girl was conducted by a girl's club. Speedball was added to the girls' sports program.

A bust of General Douglas MacArthur was made by one Santa Anita sculptor.

The Welfare Department at Tulare Center is urging the couples to get married and use the train trip to the relocation center as the honeymoon. Not a bad idea, we'd say. Swings were constructed which both adults and children can use. The first student body dance, strictly for the junior and senior high school students

was held.

Forty lug boxes of cucumbers, 12 crates of cabbage and 20 lug boxes of eggplants are pickled twice weekly at the Fresno Center. Residents are asked to call the eradicators at the first sign of bed bugs.

Flower arrangement is being taught at Tanforan Center. The "northwest" lake was officially opened with a formal ceremony and all men over 70 were the first ones to walk over it. Telephones are installed for the benefit of the contestants. Contest rules and instructions have been distributed to each word information office.

Manzanar's paper is the first one to be printed. And just like any big daily they carry ads. It is published tri-weekly.

# RECREATION DEPARTMENT GIVES FINANCIAL REPORT

Answering the questions of what is happening to the donations and collections to the Recreation Department, the following financial report was released by Charles Yamayatsu, chairman. The total cash receipts from July 1-31, totaled \$494.46. These donations were from entertainment, \$27.14; baseball \$37.63; sumo, \$169.53; education, \$60.16. Included in the entertainment collections are movies, music appreciation, dances, go, shogi and sumo tournaments and talent shows.

July expenditures were surgery, \$1.03; library, \$27.63; entertainment, \$186.78; education \$115.42; athletic equipment, \$49.32; arts, \$56.15; music, \$45.26; sumo, \$101.91. Total amt is \$591.52.

As of July 31, the Recreation Department fund was \$97.06 in the red, but since then through collections, the fund has a balance of \$29.08 as of August 4.

The expenditures of the Education Department have been cut down considerably due to material aid furnished by the government.

## MUSIC HOUR SCHEDULED

Highlighted by a unique saxophone ensemble number, the next in the series of music appreciation hours will be presented on Thursday evening, August 13. Varied, interesting selections by the symphony orchestra, concert band, girls' glee club, mixed chorus and violin and saxophone groups will be highlights.

The careful result of weekly rehearsals, this second concert will feature a special mixed chorus number with a full orchestra accompaniment—a not-to-be-missed performance.

Watch for the complete scheduled program in Tuesday's "Mercedian."

### GEORGE NODA LIKES MERCED

George Noda, transferred here from Turlock Center, expressed high regards for this Center's activities, during Talent night intermission. He was chairman of special events while in Turlock.

### WHAT IS A KISS?

The American Magazine had a listerine toothpaste advertisement which described a kiss perfectly:

"The anatomical juxtaposition of two orbicularis muscles in a state of contraction."—Dr. Henry Gibbons.

What is a kiss? Why this, as some approve:

"The sound of a kiss is not so loud as that of a cannon, but its echo lasts a great deal longer."—O.W. Holmes.

When kissing the next time, remember these descriptions.

### CHINESE?

George Kuremoto of Ward J was going to visit Oski Taniwaki's apartment when little Hugo Taniwaki yelled, "Daddy, here comes a Japanese!"

Hearing this George asked, "What are you then?" "I'm a Chinaman!" replied little Hugo.

Wonder what Oski Taniwaki is?

### ISSEI SLANGUAGE

The Issei in Mess-Hall C have a language of their own. Here are some of them: Coffee---Ko-hee, Butter---Ba-ta, Tea---Chee, and Syrup---Sha-re-pu (maybe shut up!) Water---Bu-bu.

Perhaps it's funny but it certainly carries more "oomph!"

### SOMETHING FUNNY

A couple of ladies have lost or thrown away their

cherished treasures---two wedding rings. These rings are still unclaimed at the Center Police Department, and no reports of losses of these articles have been filed.

Perhaps this indicates two wives have discovered someone more interesting in this Center.

### 1,000 GETAS

1,000 pairs of getas were made at the woodcraft workshop. That's a lot of getas in any man's language enough for one-fifth of the Center population.

## MESS HALL CONTEST

Flying high over the H Mess Hall is the "E" Banner of efficiency which was won by the workers during the mess hall contest held during the past two weeks. The championship crew won 1372 points out of a possible 1500 to take the laurels. Second honors went to the G Hall crew while Mess Hall B was a close third.

A chicken dinner was served to the winners as a reward for their hard and efficient work.

## CHAMPIONSHIP CREW

The winning crew includes:

Chef Steward, Satoji Moriguchi; 1st Cooks, Denishi I-teda, Harry Tominaga, Geo. Seto, Harry Toda, Hitoshi O-mazaki; 2nd Cooks, Totsumi Moriguchi, Henry Tominaga, Howard Uchida, Rose Fujita, Janet Mamotsuka; Other Mess Hall Workers are: Geo. Doto, Yukio Doto, Ed Tokunaga, Misao Segara, Geo. Matsushita, Momoru Hatanaka, John Y-mada, Johnny Nakashima, Mae McMotin, Tetsue Yamamoto,

# FEM-A-LITES

by *Lily Shoji*

Conversing around the camp we have a family of DATE but no prunes, SODA but no soda, KISHI but no kiss me? ONO but no yes sir, HAI but no Mizu, NOMI but no hai, SATO but no salt, OKI but no Missourians, TANJI but no lipstick, IYO but no rope. Now you'll know who's who.

**SAD CASE**

It wasn't "Three little fishes in a little bitty pool", but a dozen tadpoles trying to jump the stream of water on the side of main street near Ward C, fourth street. The result's all wet, so I guess I'll dry up.

**WHAT MAKES A WOMAN**

Clothes may not make a girl, but they can certainly mar her. One purely feminine slant on that question is "good taste." You need not dress high-hatly or have a stock of expensive clothes.

**TEACHERS'****Social**

Active games, cards and checkers will be the diversions for the teachers' social Saturday evening at the Pre-School Nursery. Honored guests will be Mr. and Mrs. R. Mitchell and Mr. and Mrs. Higuchi. The latter is Commissioner of Service and Education.

Committee in charge is Fred Arimoto, Mr. and Mrs. K. Kasai, May Matsumoto and Kazuo Matsuda.

**TEXT BOOKS RECEIVED**

Approximately 2000 discarded textbooks were donated to the Center School by the Merced County Library. Elementary students are now using 900 of these books. The remainder is now in F-2-4 and all those interested are invited to make use of them.

**Well-Baby Clinic**

The hospital staff requests that all mothers with babies from 1-5 years old, take advantage of the well-baby clinic. Tuesday, from 8:30-10:30 a.m., mothers with babies in Ward A are scheduled to come to the clinic. Every Tuesday, thereafter at the same time, each ward is scheduled for the clinic in alphabetical and weekly order.

clothes with good taste and the right color makes the girl. Decide what costume or costumes will give you the utmost in appeal and good long wear. Whatever you do, buy with an eye to pleasure the boys as well as yourself. Men don't really know what they like in a woman's clothes. They only know when they like her in them.

**CHANGING WORLD**

This is the day of sudden dates, or blind dates on the up-and-up, so let the flash of a uniform be a signal to you to be ready for any emergency. The girls, nowadays are marrying so fast it is impossible to keep track of who is who. Romance is blossoming with diamond rings flying thick and fast. It's the emotion and urgency of war.

P.S. They say love does funny things, too.

Residents with sugar rationing books are asked to turn them in to the Center Police Department by Saturday noon. A receipt will be given and the books forwarded to the relocation center on evacuation.

# BADMINTON PLAY STARTS

Badminton fans, here's the news which you have been waiting for—courts have been laid and this sport may be played in the Administration Building three times a week.

On Mondays from 8:30 p.m. and on Tuesdays ~~every~~ Friday at any time in the evening, "bird" enthusiasts may play.

For you beginners, instructions will be given under the capable direction of Dan Hattori. If enough interest is shown, a tournament will be held later, according to Jim Miyano, supervisor.

# BARBER SHOP RULES RELEASED

Since this Center has its official barber shop, it has become contrary to regulations to render barber service to anyone outside of the immediate family.

The rules on bartering read: "Barbers are to discontinue to render services outside the barber shop. This ruling applies whether or not renumeration is accepted for such services, although barber work may be done for members of the immediate family."

**Ration Books Due**

Residents with sugar rationing books are asked to turn them in to the Center Police Department by Saturday noon. A receipt will be given and the books forwarded to the relocation center on evacuation.

**WEDDING BELLS****Ring Out**

Culminating a college performance and an engagement of three months, Miss Mae Kuwahara became the bride of Eichi Sakaguchi, Wednesday night, August 5, in the Administration Building. The opening piano prelude was played by Frances Tsuchiya. Before the wedding ceremony Janet Tsuchiya played a violin solo and Charles Kamayatsu rendered vocal selections, "I Love You Truly" and "Because".

The wedding was officiated by Reverend M. Hirata. The bride was given in marriage by her father. She wore a princess style, chiffon floor length gown, with a fingertip veil of tulle, topped with an orange blossom crown. Her bouquet was of orchids and

gardenias.

The maid of honor, Miss Miyoko Sakaguchi was frocked in a floor length gown of peach color and carried a mixed flower bouquet. Best man was Masatoshi Hashimoto.

A reception followed the ceremony, at which time the bride and groom cut the cake.

Approximately 250 invitations were sent to the couple's friends. Vocal selections were sung by Chidori Shiotani, and an accordian solo was played by Hideo Fukugawa. The processional and recessional were played by Miss Frances Tsuchiya.

The newlyweds are from Cortez and are graduates of Livingston High School and Modesto Junior College.

## SUMMIVES

by Mack Yamaguchi

THE CHANCE EVERYTHING  
Seventy years ago, we young people were wishing for more variety (your reporter included) in sports activities, but things have changed a great deal. It is almost impossible to give each organization just publicity at present.

Eight basketball games, double headers in baseball, football Leagues' schedules, not to mention football, ping pong, kite flying, Issei sports, etc., are just too much. It would help a great deal if each club would report respectable game scores to the F-2 office. Then, and then only can we cover all activities on equal terms, twice a week methinks.

**THIS IS CALLED COMPLAINT**

Hard-working George Kawacka was in to see us last Tuesday, seeking methods to keep the discontent, surmuring accusers and charge hurlers, scores of whom prevail against him after games to "ballyhoo" -- little criticism is spico, but too much is just too much.

Let's watch that, huh? Incidentally, Kawacka claims to have nothing to do with basketball. Each team has been asked to bring a score keeper and a timekeeper, along with a neutral referee (that means a fellow away from your town) to the league games to avoid (?) suspicion.

**ORCHIDS TO-----**

This week's orchids go to two gentlemen, "Sad" Sam Muto of the Livingston Red Sox and Jack "Longshoreman" MacEachern of the Merced Yanks. Patience, good humor, and sportsmanship set good examples for boys who love to play the game and are given the opportunity thru their efforts and ingenuity.

Here's lots of luck to the two managers and the two teams who have taken up the lower two American Leagues names, in the endeavor to lift up to higher standing.

**LIKE FOOTBALL**

The mention of football brings to us bone-crackling tackles, head-long plunges,

**INDIANS OVERWHELM MERCED**

The newly-formed Merced Yankees ball club of Jack Kawacka's found the going tough last Thursday, when they went up against the powerful Sebastopol Indians, first half American League Champions.

The Indians garnered 10 hits and 19 runs on hits, errors and walks while the Yanks were held to 5 safe hits by three Indian chuckers and 4 runs. Jack Otani of the Indians was the only man to get 2 hits in the ball game. Art Sugiyama of Sepol got the longest hit of the day with a triple.

**BATTERIES:** Indians: J. Otani, S. Sako, J. Kawata, and R. Murakami; Yanks: S. Tsujihara, T. Ogino, R. Kitagawa and W. Kimoto, G. Yoshida, R. Yoshida.

and booming blocks, which were missing from our first grid game. To those "sweet things" who are wondering why, I might report after looking into the situation, that it was tough football, sort of a "bare-football" game. The Santa Rosa JC Trio, Miyano, Hirooka and Masuoka looked flabbergasted and embarrassed when they forgot that it was so sometimes.

**Senators Win 10-0**

New entrant, Livingston Red Sox, held the 3rd place Turlock Senators hitless and scoreless until the fatal 6th inning, when the Senators blasted out 5 hits including a triple to score 10 runs. Sam Muto's Club fared quite well against a smooth American League team in their first game.

Turlock hurler, Tommy "Fanner" Yokoi, hurled a tight ball, keeping the Red men without a scratch hit, and no runs, kaying 11 men in 5 innings, to hang up a Center Record in fan-outs.

**BATTERIES:** Senators: T. Yokoi, J. Niizawa, and J. Takeda. Red Sox: S. Sako, S. Muto, and K. Isozaki.

**Marin Downs Yolo White Sox, 11-6**

The Marin Athletics of the American League won their initial game in the second half by defeating the Yolo White Sox 11-6 last Wednesday.

The White Sox men collected 10 hits. Third baseman, I. Matsushita got 2 out of 2, short stop G. Aoki got 2 out of 3. Marin collected 7 hits. Backstop N. Kuwatani, got a triple and a single in three tries, 4 Kato, second baseman got 2 triples out of 4 tries.

# 1ST GRID CLASSIC ATIE

The Center's first grid-iron classic between the powerful Sebastopol Eleven and the fast Yolo gridders went scoreless last Monday in a hard-fought game.

The Sepol Crimson were unable to penetrate the Blue and Gold Yolo line, cinched down by two hundred-pound "Tiny" Fukuyama, "Peanut" Hirai and "Blackie" Nagasugi. Attempts to round the ends failed when Lenky Yorio Aoki just wouldn't be blocked out of plays.

Battling for the Sepol line were K. Sudoko, F. Kaneko, G. Yoshida, C. Furukawa,

yo, M. Arishita, S. Miyano, J. Hirooka and T. Shimazu. A Sebastopol kick in the closing minutes of the first quarter, the five hundred spectators when it was downed on about the twenty. In the first play of the second quarter, halfback Tokunaga of Yolo fumbled and full-back Kawakita, Sepol end, recovered on about the five.

The Crimson Tide went to work immediately, with receiver Wada chucking a bullet to Kawakita in the end zone, only to be ruled no

points, as it was caught too far over the end zone. The final pass was intercepted by swivel-hipped Yamazumi for a touchback, and Yolo took over on the twenty. Hero kicking Tiny Fukuyama again sent a loft sky scraper; this time to Masuoka on the midfield stripes.

The game soon saw from hero but unraveled some fine football talents in Chunky "Srade" Furukawa, who proved the most dangerous man on the field with his passing and running.

### BASEBALL IN HIGH GEAR; NEW SCHEDULE

Baseball in its second month of play still draws its many ardent followers as new entries and old battle it out. Winners of this final half will have the privilege of meeting the first half victors and eventually get an opportunity for a play-off to determine the Center Champs.

National League play is now hitting mid-schedule as Saturday brings Sebastopol and Yolo together. The Giants with the disaster already will be out to win. The Phillips' with one defeat and one win will be no cinch and will probably push the Giants to the limit.

Sunday, at 12:30, the youthful Colusa nine entertains the rough-shod Braves from Walnut Grove. Colusa has an edge as the Braves have two straight defeats in a bad second-half start. At 3 p.m., the classy Livingston Dodgers will take the field to play host to the Cortez Tigers. The Dodgers will be out for their third win in as many starts and trouble from the Cortez club is not likely.

The American League's "game everyday" schedule is now in full swing as each team engages in games twice or more a week.

Monday, August 10, will bring about the third week of the heated basketball tilts as the schedule gets rolling.

On the West Court, the first game is between the Cortez "B" and the speedy sharpshooting Walnut Grove B's, recent conquerors of the highly-touted Yogores.

The second tilt is between two of the classic A division teams, the clever Walnut Grove Deltans and the high-scoring Sepol A.

On the East Court, the Yogores will be out to win over the Turlock "B" after a recent upset. The same court will find Merced and Modesto tangle in an A League affair.

The Girls' Court finds the Walnut Grove "Poops" meeting the proud Rambling Rees who barely shelledacked the strong "Scoopers." Turlock A's will exchange shots with Courtland in the second game.

**Modesto Ekeswin**  
Modesto Browns, who ended in second place the first half of the American League, barely missed trouncing at the hands of the fighting Cortez Tigers, 7-8, last Wednesday.

The Tigers banged out 11 hits to Brown's 8. First sacker, Slug Yotsuya scored 4 out of 5, and catcher George Kajioke slammed out a triple and 2 singles out of 5.

For the victors, Kanee Miyoshi, led with 3 out of 4

Saturday brings together Marin and Modesto in a preliminary match before the featured "A" contest. Modesto with only 2 losses so far is determined to keep in the win again. Marin after a slow start in the first half, is on

titled some wins, especially since Yuba has merged to bolster an already formidable lineup.

#### CORRECTION

Prenatal clinic hours are 8:30-10:30 a.m. instead of 8:30-10:30 p.m. as stated in Tuesday's issue.
