OVERWORKED, SHORTHANDED THEY CONTINUE TO SERVE

Doctors are human too, like the rest of us, though what's not wrong with us. Because they're doctors, they are doing everything humanly possible to satisfy the needs of this Center.

Restricted in their work by the lack of needed medical facilities, overworked and short-handed, these doctors have somehow managed to make our hospital one of the best-equipped and best-operated of Center hospitals—an achievement of their work and ingenuity.

To treat and diagnose 2000 cases on file is a stupendous task for any six doctors to undertake. Yet they are daily treating an average of 115 clinic and hospital patients without lowering the quality of their service.

Despite long hours of service rendered to this Center by these hard-working followers of Hippocrates, it is a human frailty not to appreciate services given free of charge. But the Center's six doctors, Wilfred Y. Hanaoka, Ben Hig, Paul K. Ito, Morton Kimura, Yoshio Sako and George Y. Takayama treat their patients with every consideration.

The doctors are ably assisted by a staff of nurses headed by Head Nurse Mrs. Tama Okumura and Registered Nurses Michi Kajii and Helen Kojo.

SPITS WIN PREP TITLE

Yas Watanabe once again takes over Fair View. -Keno

Is that little episode last week, a handful of Northern California JAU league-trotters were unintentionally left out. This post-script is here to do justice to those guys who were overlooked.

SOUTHERN BOKO FELLA

One of the big ones we overlooked is Tashie Shiozaki, all-JAU guard. Shiozaki converted for the San Francisco YMCA Greyhounds. The Greyhounds, as most of you Pomona City fans will remember, were one of those squads that picked up prize sports once in a while.

WIDE WILLIE!

Then there's Willie Ari, Chapman College scoring ace. While this boy did not share in the all-star limelight in the Southern JAU circuit, he always a scoring threat (Continued on Page 6)

With a record of 12 wins and 2 defeats, the Valley Spitfires, managed and coached by Ted Yano, captured the Prep League championship, although they were turned back 4-3 by a determined fighting Bassett Dynamite nine on diamond one in the climaxing tangle last night.

Last Friday's 4-3 triumph over the Nine Drapes in an extra-inning thriller clinched the title for the Spitfires. The Drapes garnered the runner-up spot.

Two shutout victories, 19-0 and 20-0 wins over the Eagle Eyes and Wildcats, featured the colorful Spitfires' season.

James Watanabe, youngest of the Sho Gabrian playing Watanabe brothers, through his excellent performance provided the spark along the Spits' road to the flag. "Nabe" was the "powerhouse" at the platter, holding down the clean-up spot in the batting order, and is undoubtedly one of the finest back-stoppers in the loop. Watanabe played for the Sho Gabrian nine last year in the JAU circuit.

Hitting power was supplied by Bobby Shimizu, lanky first sacker, who saw action in the recent All-Star classic. Shimizu led the Valley aggregation with the hickory, pounding the horsehide for a .372 average.

Serving on the mound were Bill Takeshi and Joe "Bank" Furutani.

ALL-STAR TRAYS FOLLOW LOOP PLAY

League play in the local major softball circuits will end this week, according to George Nishinaka and Jay Kinoshita, softball organizers.

Immediately after the completion of loop play, all-star teams picked from squads in each league will oppose their respective circuit champions.

Voting is to be by ballot and will be carried out in the same manner as done in selecting the Independence Day All-Star organization.

Nishinaka stated that after the all-star games, five top teams from each of the three leagues will go into an elimination tourney to determine the championship of Pomona Center.

TIGHT DUEL PREDICTED

With the Senior circuit season safely tucked away, the Valley Sportsman I outfit tangles with the twico-taters and once tied sinking the Sho Gabrian nine on flames one tomorrow evening. Although the tilt will have no bearing on the status of the Sportsman, a much tighter duel is expected than when the two teams met for the first time earlier this season.

Tashie Asano, speedballer, will probably be in charge of the pill tossing for the VeeEas team, while on the receiving end will be Larry Shimamura. The Sho Gabriels will probably elect Tex Watanabe to take

the box and deliver his goods to Kakichi Araki behind the platter. Asano, whose fireball has seen faster days, is expected to come back with the much renowned speed of yesterday.

Louie Iriye, Sho Gabrian shortstop, will once again provide the spark at the platter. Other players who figure in the attack are Imno "Poppy" Watanabe, left fielder; Shig Kadota, first baseman, and Takno Ido, center fielder.

Manager George Mizuki, initial sacker; Faro Yano, second baseman; Fred Iriye, shortstop; and Asano are feared men of the Valley offensive.

80 JUDOISTS JOIN CLASS

Judo classes are now filled to capacity as approximately 75 to 80 members are participating in this sport, it was disclosed by Frank Emi, judo director.

Beginner's class is scheduled from 8 to 9:30 Monday through Friday while the advanced group takes over in the evenings from 6 to 8 Monday to Thursday.

Efforts are being made to furnish "judo-gi" for those without them.

SASAI COPS MIGS CROWN

Ted Sasai distinguished marbles" in capturing the tournament sponsored by the Saturday morning at the athletic field.

Runner up was Kazuo Sakamoto while Joe Tokeshi placed third among 28 worthy contestants. Awards will be presented to the winners at Friday night's talent show. This three-hour tourney was under the management of W. Eugene Dimon, San Nishio and Hitoshi Yonemura.

60 SIGN UP FOR BOXING

Approximately 60 boys were registered yesterday on the athletic field for boxing instructions under Tom Kadota, Frederick G. Nakamura and Ted Isubel.

Each participant will be given a medical examination and will be classified according to his experience figured on weight, height and age.

Boys between the ages of 12 and 16 inclusive meet each Monday, Wednesday and Friday at 9 a.m. while the older boys report at 6:30 p.m. of the same days.

TOURNEY TO END TONIGHT

Mrs. Shizuko Yamakawa will stage an attempt to win her second women's singles tournament when she meets a trio of outstanding Pingpong artists at the round robin tourney winds up tonight at Recreation Hall 35.

Those in line to upset the efforts of Mrs. Yamakawa are Keiko Watanabe, Yonoko Tokeshi and Fumiko Hanekiyo.

DRAPETTES WIN OPENER

Behind Mary Kawamura's brilliant pitching, the Drapettes pounded out a 17-2 victory over the Lucky Strikers in the opener of the new girls' softball league last Sunday at 3 p.m.

The two other games slated were won by the Malinettes, and Who Cares via forfeit.

Beverly Kawata, former San Jose songstress, and Michi Ota, who hails from Baldwin Park, were the top scorers for the winners scoring three runs apiece.

Home runs were hit by Mansey Murakami who powdered a limit about with two aboard in the fourth, and Kawamura, pitcher, pasting the horsehide in the first of the third.

FAIR VIEW

(Continued from Page 5) in any man's league. ASANO AGAIN

They say that this boy, Toshio Asano, who tosses them burners for the Valley Sportsman is a pretty snappy basketball player too. He's got the speed plus an uncanny eye. Just for the records, Asano has pole vaulted 12 feet 6 inches as well as being a top-notch football carrier. MIYAKAWAS ETC.

From the Valley, we have some former Covina boys in Johnny Miyakawa, Dick Miyakawa, Tex Watanabe, and Iwao "Pops" Watanabe. These boys, according to my secret agent No. 13, will probably play under the same banner here if and when the local loop gets under way.

POST SCHEDULES

Girls' volleyball and softball schedules will be posted weekly in front of the Center store.

Cupin' Out Loud

Roberts-ettes or Nix-ettes soon.

REVEAL SOFTBALL RULE

Failure of girls' softball teams to appear within ten minutes after game time will result in forfeiture of the game to the opponents, Mrs. Fukiko Odanaka, director of women's activities, warned.

Captains must notify the opponents when they wish to cancel games, Mrs. Odanaka said.

A little snooping around reveals that our little Center failed to get any of the San Jose athletic crop and the giant metropolis near-by, sometimes known as Pomona, failed to produce anything in the athletic field and consequently no basketball players.

POTENT BUNCH

Among the skirts, Ellay has sent us a big handful in Irene Abe, Kaoru Emi, Suzy Emi, Emiko Higuchi, Mary Iriye, Mrs. Shirley Iriye, Mitsuko Kataoka, Mary Kawamura, Emiko Kawasawa, Kimiko Mori, Rosa Sato, Setsuko Shirao, Emiko and Fuji Watanabe, and Shizuko Yamaguchi.
