

Issue #1

W.C.C.A. CENTER, SALINAS

May 11, 1942

THE EDITOR'S CUE NOTES

This is the first issue to meet the constant demand of keeping tab on activities within this Center and also items of importance which could reach everyone in this Center.

This weekly endeavor to publish a paper is opened for suggestions, criticisms and improvement. It will welcome contribution of news, announcement of group meetings and any other worthwhile articles.

A suitable name for the paper is desired. For the best suggestion the winner will get a prize according to the announcement made by those in charge. Names should be brought in at the Information Bureau not later than Saturday, May 18 at 11 a.m.

The public wants reasonable service from every worker in this Center. Each worker should thoroughly understand his job and should be interested in his particular task and is expected the very best he could give to his work. Improved service is only possible when the individual worker completely masters his job.

Cooperation is essential toward successful operation of this Center. Mr. Rose, Camp Director-Manager, of this Center is a very busy person. Although he is willing to meet every person who desires to see him it would be impossible for him to do so because of the constant demands made on his busy schedule. In order to permit Mr. Rose to give some of his needed time to important consultation and efforts with the government, let us keep our requests at a minimum. An "all-out" cooperation will contribute toward a happier and finer Assembly Center.

W.C.C.A. CAMP DIRECTORY:

INFORMATION BUREAU

The information bureau will be glad to aid those Japanese residents who are unable to understand English well enough to handle their correspondences. Matters dealing with legal documents, letters and etc. will be clarified. The Bureau will also aid in the filling of Selective Service Questionnaire, and Selective Service occupational surveys and matters relating to social security unemployment insurance.

RECREATIONAL DEPT. ORGANIZED

Under the able direction of Mrs. E. A. Rose the recreational committee was organized and several meetings have been held since its organization. Yoneo Gota was elected to serve as Mrs. Rose's assistant and he will maintain his office at the headquarters next to the Post Office. John Urabe and Kenzo Yoshida were elected outdoor and indoor recreational directors.
