21 ELECTED FOR PANEL!

70 PERCENT REGISTERED VOTERS CAST BALLOTS; BLK. 1, BEST RECORD

Last Monday, 1918 votes (70 per cent of the registered voters) were cast by the residents to elect 21 members of the Advisory Committee panel.

Block 1 with 163 registered voters missed the 100% mark by a hairbreadth as 172 valid votes were tabulated.

Blocks 9, 7 and 5 had the poorest turnout with those failing to vote numbering over 100.

Blocks 9, 6, 8 and 4, respectively, had the greatest number of registered voters --all over 500.

The three candidates in each block who received the highest number of votes were considered elected as members of the panel, but out of those 27, six, who had the least percentage vote, in proportion to the number of registered voters in their respective blocks, were automatically eliminated.

Because of this ruling and the small turnout of the voters, Block 3 has only one panel representative. (Continued on page 2)

"ELEPHANT BOY" COMING

"Elephant Boy" will be featured this Thursday and Friday nights from 8:20 p.m. Since the first half of the movie will be shown on the first night and the last half on Friday evening, all Center-ites will come out both nights.

A cooperative film, "A Day with Dr. Kagawa," will be shown on Thursday as an additional film. The second evening's addition will be "Famous Fights" with narration by Bill Stern. "The famous claimed foul in the Dempsey-Sherkey fight.....Joe Louis' one-round knockout of King Lavinsky in Chicago, which started him on his way to fame and the championship."

"Elephant Boy" is based on "Toomal of the Elephants" by Rudyard Kipling. It tells about "the only mortal to see a giant herd of a thousand elephants dance.....starring Sabu."

6 IN SPEECH EXHIBITION

By completely doing away with judging, the Speech Committee has arranged to have an All-Center Speech Exhibition instead of a contest as originally announced. It will be held this Saturday at 8 p.m. on the grandstand, as part of the Educational Day program.

Speakers will be Miss Grayce Kaneda of the Educational Dept., who was a winner of many contests, including

second places in the JAOL National Oratorical '37, '39 meets. She is a graduate of the College of Pacific.

Jimmy Doi, also of the Ed. Dept., was the valedictorian of his senior class at Stockton High School. He was a student at C.O.P.

Barry Saiki, also of the Center faculty-ites, is a graduate of U.C.

Novice speakers are Helen Murotsuki, Ken Sage and George Matsuoka.

Kats Nagai will be chairmen.

Miss Elizabeth Humberger will make some comments to terminate the exhibition.

EDITORIAL A RETROSPECTION

Already three months have slipped into oblivion since our entrance into this Center. It has been a quarter year of new experience and useful adventure for all of us.

Those three months have also been memorable in industriousness, in inward fortitude and spirited courage displayed by the Center-ites. The result of this is self-evident in our settled community.

Behind the industriousness that converted the barracks into livable quarters, the tolerance that overlooked the small inconveniences and the disregard that ignored many deterrent factors has been the Center spirit or will to get along as best as it can.

That spirit of determination, necessary in attaining goals of life that we continually seek, has been kept alive in the Center. Upon such spirit will depend what kind of an outlook we would have. It must be a wholesome attitude, properly nourished and increased in fervor with time, and it can make our life in the relocation center as well as here, a happy one.

COOPERATIVES

For the efficient operation of a cooperative society several special committees are required. Among them are the committees on education, auditing, finance, management, complaints, and recreation.

Some of these committees may be combined; others will have several sub-committees for specialized work.

In our cooperative at relocation, the management should take special care in selecting qualified committee members. (Pamphlets on cooperatives are now obtainable at the library. If there are any questions or special information concerning cooperatives that the public might want, drop a letter to the EL JOAQUIN, and the cooperative committee will try to answer them.)

ELECTION

tive, Sy Mayeda.

Another interesting note is that in Blocks 1, 2 and 6, the two top candidates in each block tied for first place: (1) S. Funamura and N. Matsumoto with 143; (2) P. Sato and G. Hisaka with 208; and (6) H. Usui and T. Hata with 171 votes.

TROOP 30 TO EAT TOMORROW

Troop 30 Boy Scouts will have a weiner roast tomorrow evening at Block 10 Mess. Mr. Paul Sato is general chairman; others working on the arrangements are Messrs. Futamachi, Yada, Matsumoto and Bob Kishita.

A cooking test was held this a.m. for all troops.

MRS GOLEMAN HEARD SUNDAY

"Should we get married in a time of crisis such as today?" was one of the questions Mrs. Fay Goleman, noted psychiatrist and social worker, discussed at the Christian Endeavor, Sunday evening.

She stated, "If you had planned to marry before the present situation, go ahead; but if you just met during this crisis and decide that there is no future and get married, just for the sake of marrying, you'll most likely have a chance of ending in a divorce court."

She stated the key word to a successful marriage is mutual "give and take".

In closing, she emphasized the need for emotional maturity and understanding to face the problems of marriage.

SCOUTS, NOTICE!

Scouts' Board of Review will be held August 29; the Court of Honor, September 5.

HOSPITAL

"PERFECT COOPERATION"

This is the fourth of the series on the Hospital. "Perfect cooperation" are the words from Don H. Shira, Supervisor of the Hospital kitchen. The kitchen is divided into two departments, hospital staff and patients' meals, with the cooks working in two shifts.

Mrs. S. Nishimura and Mr. John Tsurunoto are the head cooks assisted by Ayako Ibareno, Mitsuye Ito and Mitsuye Nishimura and in the afternoon shift Mr. Moto Inouye is the head cook aided by Shizuko Shirasaki, Mary Yukawa, Takako Ogata and Masaye Fukumoto.

The Dietetic department is headed by Miss Yoshiko Konzo with helpers Mitzi Masuda, Kiyoko Fukumoto, Jane Shimizu and Frank Nishida for the morning and Mrs. Fumiyo Shimizu, Fumiyo Yasui, Yonako Yamada and Yoshiko Nishima for the afternoon.

Other members of the kitchen staff who deserve much credit are the dish-

RELOCATION

MAYBE, IT'S IDAHO

This is the second of the series concerning relocation areas to which S.A.C.-ites may be sent. Today, it's IF we are sent to Idaho....

Two sisters who lived for about 20 years in southern Idaho are working in the office. One of them, Mrs. Fitzgerald, secretary to Mr. A. S. Nicholson said: "It gets as hot there in summer as in California. It gets quite cold in winter, but hardly any snow in Boise (from where she hails). A lot of rain....Very mountainous country. Very near mountains in Boise."

ABSENTEE BALLOTS

All voters should send in their applications for absentee ballots by tomorrow, Aug. 20. Blanks may be obtained at the Information Booth.

Because of a change in plans, there will be no representative from the County Registration Office. Persons with absentee ballots must have their votes notarized by Ben Tsudama, Notary Public, at the Social Welfare Clothing Distributing Booth before August 25. Ballots must be marked in the presence of the notary. All ballots marked prior to presentation to the notary are invalid.

Mrs. Bancroft, clerk-stenographer, voiced opinions similar to her sister's: "It's pretty warm in summer. A little snow in winter--about December or January."

From the circular, "The War Relocation Work Corps" from the War Relocation Authority concerning Minidoka in southern Idaho: "Consists of 17,000 acres. ...Construction of housing for 10,000 evacuees is now under way."

"A constructive public works project will be the lining of the main canal now serving the region. The canal now loses nearly half of its water through seepage."

Sea Scout Meeting

All First Class Scouts 15 years and older who are interested in entering Sea Scouting at the Relocation Center are requested to meet at 10-186-C, 7 p.m. sharp this Saturday night.

(Continued from Page 3) p.m., all day Saturday and Sunday when the hall is not in use.

The grade school and nursery will put on a display at 1-13 and 1-16, between 9 a.m. and 5 p.m. Saturday.

MESS #5 IS CLEANEST

(Continued from Page 3) in and around the private parlor portals of Block #4. So, you Block 4 janitors pick up your pedal extremities and pilot your proud persons to Block #5 on Thursday evening, next, to partake of your prize. Plates will be passed promptly at 8 p.m., Pacific War Time.

Personally, we are putting plenty of pressure on the PRESS to print this.

Ed. Note: The Press hardly needed coaxing to print the article above, though the distinguished gentleman from the Mess and Lodging (Lounging?) Dept. has those precious powers of persuasion.

For his originality and refreshing journalistic style, we make L. C. Shaffer an honorable member of the Press.

EDUCATION DEPT. SPONSOR EXHIBIT FRI.-SUN.

With the Summer Session rapidly drawing to a close, the Education Department will sponsor an All-Center Educational Program this Friday, Saturday and Sunday. The spotlight will be focused mainly in the Ellex Hall where the activities of numerous departments will be coordinated into one grand exhibit.

The art exhibit under supervision of Louis Shima and Hiroki Mizushima will display works of the Center's finest artists.

Mrs. K. Yamashita, Mrs. K. Yamaguchi and Mrs. Yoshida, sewing instructors, will be in charge of the sewing class exhibit.

Another attraction will be the woodcarving display with Roy Kattori and Mas Hagi as chairmen. There will also be a flower arrangement exhibit.

The Ellex Hall will be open Friday 7:30 till 10 (Continued on page 4)

MESS CONTEST #5 EKES WIN OVER #3

By L. C. Shaffer

For the first time since inception of the sanitation contests, Mess No. 3 fails to take top honors. But that is no discredit to No. 3. Three FIRSTS and one SECOND in four tries is pretty good going in anybody's league.

No. 5, having tied with No. 3 for first place in the last contest, became so imbued with the pleasure of winning that they went "all out" in this contest and grabbed the top spot all for their own.

CUB-TIVITIES

The Cubs have been practicing songs to be presented at the Court of Honor on August 19. Troops 19 and 91 Cubs are holding the Court of Honor jointly. On that evening they plan to have an exhibit of their work as well as stunts for entertainment.

Besides this activity they have shown their work at the Art Exhibit and taken care of crowds at the last Court of Honor and Field Day.

For a reward the Cubs will be honored with a feed at Mess 10.

However, both #5 and #3 should be warned that a great big he-man outfit in the east end is definitely and tenaciously after the scalp, or scalps, of either or both, or any other mess which gets in their way. So, watch out for No. 9. They are boiling mad because of their failure to win this time. And, but for a couple of factors, they may have won.

No. 2 and No. 4 both deserve honorable mention. They did well, but, well, well wasn't well enough.

And now please permit us to present the proper plaudits pertaining to the proficient performance of the persevering and persistent purveyors of push-brooms (Continued on page 4)

CLOTHING

NEW DEPT. READY

With the arrival of the first and part of the second clothing order, a new department, the Social Welfare Clothing Distribution Booth under Ben Tsudama, has been formed as a part of the Social Welfare Division.

It was announced by Kay Kato, head of the Social Welfare Division, that only persons who HAVE RECEIVED THEIR CLOTHING NOTICES should call for their orders. All others were asked to wait for THEIR NOTICES before calling at the new booth.

The booth is open from 8:30 to 11 a.m. and from 1:30 to 4 p.m. on week days and from 8:30 to 11 a.m. on Saturdays. It will be closed on Sundays.

The latest patients confined with chicken-pox are Haruo Kamidol, Assye Yakushiji, Hideko Kishida, Seiko Ito, Dick Iwamiya, Haruko Iwamiya and Yoko Iwahashi.

The lone measles patient is Emiko Nishimoto.

Also confined at the County Hospital and improving are Frank Sakamoto, who received a neck injury last Sunday, and Masao Takahashi, who underwent an appendectomy Tuesday.

CHESS TOURNEY UTSUMI WINS

In the Beginners' Chess tournament, Babe Utsuni of the Rec. Dept. won the title last Monday night.

Chess chairman Jiro Matsui announces that this coming Monday night will begin another round robin tournament for all chess players at Mess #10.

DONATION RECEIVED

Mrs. Walter E. Rice of the Harvard Bookstore donated some children's books to the Junior Recreation. The Dept. acknowledges her kindness.

JULY PAYCHECKS DISTRIBUTED IN RECORD TIME; NEW SYSTEM

Breaking all previous records, the paychecks for the month of July 10 to August 9 sent in to S.F. on the 12th arrived on Monday, August 17, and were distributed to the Center's 1,273 workers on Tuesday.

The distribution of pay checks was facilitated by a new arrangement. Instead of the usual two lines the

Center Cashier employed four lines, the first for Mess 1,2,3,4,5 and 6 workers; the second for Mess Halls 7,8,9, yard crews and butcher shop; the third for the Service Division, Main Office, and Barber Shop; and the fourth for the Works Division, Hospital, Supply and Garage Warehouse and the Contain-

The Recreation Dept. has announced that starting last night all softball games will end at 8:10 p.m. instead of the former time of 8:20 because the days are getting shorter.

It was getting to a point where lot of ball games were being finished in the dark and a player had to practically use his super sensitive nostrils to locate the horsehide.

Anyway, this action was necessitated to assure safety to both players and spectators alike.

The game will, however, start at the same time of 6:40 p.m. sharp.

But you softballers have nothing on hand considering the new ruling enforced last week down at Santa Anita Center's Rec. Dept.

Their Board of Arbitration has issued a statement that all twilight tilts will start 15 min. earlier at 5:45 p.m. with a 15-minute locaway.

And here many players thought 6:40 was plenty early. Maybe the sun sets faster in Los Angeles or they must have dinner at 5:00 p.m.

We also noticed in the "Pacemaker" that the Santa Anita's hardball game of the season pitted the L.A. Dodgers against the San Jose Azucars.

Big-time names in the Nisei diamond world that we noticed in the line-ups were: Dodger's Tak Kobayashi, U.C.L.A. Bruins' varsity lead-off man and center-fielder, Joe Suski, formerly of UCLA and L.A. Nips, and Dick Kunishima, star of State champion San Pedro Skippers.

Familiar names on the Azucar's roster are Tom Okazaki and Mori and Frank Shinada, former Asahi aces.

Also competing in the double "A" are the San Jose Asahis, which is paced by famed Hinaga Brothers, Russell, Chickie and George, Joe Tio and George Yamaoka.

Managing the veteran Asahis is none other than Clark Taketa, while Tom Sakamoto is handling the youthful Azucar.

TERRORS SHADE DODGERS 3-2 IN THE LAST HALF OF THE NINTH. RIGHT-FIELDER JIMMIE HAYASHI STARS MIKE TAKEUCHI BEATS GEORGE KAGAWA

Thanks to rambling Jimmie Hayashi's story-book catch in the crucial seventh, the undefeated Terrors kept their slate clean by squeezing out the punchless Dodgers in the extra ninth inning 3 - 2.

Rightfielder Hayashi uncorked the fielding gem of the season when he made an impossible circus catch off George Kagawa's barrack-busting wallop which sailed thirty feet between the narrow buildings with two Dod-

gers on bases to save a possible defeat.

The youthful Terrors scored their game winning marker in the last half of the ninth when Mike Takeuchi poked out a high bouncing grounder down the third base line to send home Munch Yamashita. Yamashita reached first with a hit to short center and then was chased around to third on Ben Mikawa's prying double to the barracks.

The extra frame was necessitated as the desperate Dodgers tied up the tilt in the sixth when George Kagawa tallied on Joe Kishi's rightfield double.

ARISTOCRATS RIP POOPOUTS, 14-5 NAKAI HURLS WIN

Paced by Bill Hattori and Teddy Kanibayashi, both of whom smacked the apple for three hits, the Aristocrats found the range again as they marked up their second Major League victory by defeating the Poop-outs 14-5 on a noisy sixteen-hit attack.

Mits Nakai chucked a five-hitter to keep the game well under control and also played a prominent role on the offense by collecting a perfect two for two.

Okazaki and Shironaka with a pair shined for the Poop-outs.
