STOCKTON ASSSEMBLY CENTER

WEDNESDAY, SEPTEMBER 16, 1942

250 VOLUNTEERS INITIAL GROUP LEAVES FOR ROHWER

The entire population of the Stockton Assembly Center sent the 250 volunteer workers on their way to the relocation project at Rohwer, Arkansas.

The volunteers were scheduled to leave on 12:45 p.m. at the enclosure by the front gate but, due to the delay in the arrival of the train, the departure was delayed for an hour.

At 1:53 the first carload of about 45 workers lined up in front of the main gate -- three abreast with two M.P.'s in front and one in back -- and marched down a block along Charter Way to the waiting Santa Fe train.

At 1:59 the second carload of workers, at 2:05 the third, at 2:11 $\frac{1}{2}$ the fourth group, and at 2:20 the fifth group including families, women, babies and Jim Doi, the EL JOAQUIN's Special Representative.

Rope SHORTAGE

As the administration is unable to buy more rope, it suggests that the families needing cord for packing purposes make arrangements to have rope sent back from the advance crew.

BLOCK SCHEDULE RELEASED TODAY

According to the latest release from Center Manager A. S. Nicholson, Block 1 will be the first to leave on the regular movement to Rohwer, Arkansas. The families of the advance crew will be given the preference of leaving with Block 1. The remainder of the five hundred will be drawn from residents of Block 8.

Next will come Blocks 2, 3, 5, 6, 7 and 9. In each carload the remaining spaces will be drawn from Block 8. Block 4 is scheduled to leave last in this tentative schedule.

Anyone of any family may go with another block other than his own if application is made early enough with Chief of Personal Accounts Roland Frost.

CENTER SHOE STORE TO CLOSE FRIDAY LAST DAY

Saturday's the last day! Sols your soles! and heel your heels!

The Center Shoe Store announces that Friday will be the last day that shoes for repair will be accepted. Center-ites are cautioned that the Shoe Store will be open until noon on Saturday.

SUMMER SESSION

The Center's Grammar School and Nursery will close this Friday, announced Miss Toshiko Morita, head of the Grammar School and Miss Mary Hata, head of the Nursery.

"The teachers have enjoyed having the children here and in spite of lacking facilities I think they have done very well. I am thankful to the administration

10 WAREHOUSE WORKERS SHORT

The departure of the volunteers has left the Supply Section of the warehouse shorthanded by ten men.

As these workers are necessary in order to deliver provisions to the mess halls without undue delay, warehouse men are urgently needed.

All applicants should report to Mr. H. J. Morford at the warehouse immediately.

for providing morning snacks. They did a great deal toward keeping children happy and healthy," declared Miss Morita.

Miss Hata: "We're glad that parents have been so cooperative. The children have learned quite a bit of English, and we hope that when we get to the relocation center, the children will go back to school. We want to thank Mr. Levy for making it possible to have milk, cookies and fruits everyday."

MOVIES THURSDAY-FRIDAY

"Boy of the Streets" starring Jackie Cooper will be shown to Center-ites this Thursday and Friday night. This 1 $\frac{1}{2}$ hour of entertainment portrays a boy's fight to find himself in the great city slums.

Some time ago the "Parent's Magazine" awarded to this picture a medal for the best picture of the month. Jackie Cooper's supporting cast is: Maureen O'Connor, Marjorie Main and Kathleen Burke.

ADVANCE CREW

NEED FOR TOLERANCE

Relocation news has finally come through and already the advance crew has departed for our destined home.

The center-ites are beset with many thoughts, but let us bear in mind these words when we leave: "To be tolerant is not easy, especially when one feels deep in his heart that the forces which are antagonistic would not themselves be tolerant if they were in the seats of power. But when tolerance is easy, it really is not tolerance at all, but something patronizing and inferior parading under a false name."--Birmingham Age-Herald.

TAMALE WRITES

After leaving the gate of our 4-month home, we walked several blocks to a point north of the subway on Charter Way. It was difficult to discern the feeling among the volunteers. Within the breast of each individual there must have been a strange mingling of a hundred sensations and thoughts. Some found it difficult to keep back the tears.

There was a slight delay in entering the cars. The sun was hot. However, after entering the cars, cheer seemed to prevail immediately. The tightly closed windows shot up and dust began to fly from the seats.

The men cheerfully formed a line up the aisle and passed the baggage--heavy ones, light ones, little ones and big ones. Along the side stood Mr. Shaffer and Mr. Levy (Mr. Levy had tears in his eyes, Tamale swears) cheerfully shaking hands with the volunteers from the windows.

Immediately after the baggage was given to the volunteers, hundreds of odds and ends flew up from the boxes and suitcases.

The chairs are very comfortable, and there is a lot of room for everybody. Cheerio.....

PROGRAM 'JIVE' SATURDAY NITE

The Rec. Dept. made a definite announcement that this Saturday nite there will be a final trial "fling" from 8:00 p.m., either indoors or outdoors, depending on the weather.

If there is not enough enthusiasm and cooperation shown, there will be no "relocation hop" as is being planned.

In Memoriam
Sincerest sympathies are extended to Mr. and Mrs. Harry K. Kawasaki for the loss of their newborn baby.

MESS CREWS TREATED

To express their appreciation for the efficiency and the efforts of their respective mess hall crews, the residents of Blocks 1 and 8 took up modest collections for the purpose of giving the workers funds for mess crew parties.

FIRST MOVEMENT WENT OFF SMOOTHLY, SAYS NICHOLSON

"The movement of the advance crew went off smoothly," said Center Manager A. S. Nicholson, "but the picking up of baggage and freight can be improved." Nicholson expressed his thanks for the fine cooperation of the block monitors and the council members.

In the future to prevent the bottleneck of picking up freight and baggage, all residents who are scheduled to leave will be asked to carry their baggage and freight to the nearest gravel road or track. In this way the truck drivers will be able to load the bundles without delay. The delay in the advance crew was due primarily to persons leaving their baggage outside their door, causing inconvenience in picking them up.

Mess #1, with its \$24 treated its 300 diners on Sunday, September 15, with ice cream and chocolate sheet cakes. Chef Isamu Nakamoto and headwaitress Lil Sako were in charge.

Mess #8 under Chefs Y. Nakaya, K. Takeda and headwaitress T. Kusachi are planning to utilize their \$41.60, collected primarily to let the mess workers have a private party, in a similar manner.

VOLUNTEERS LEAVE

(Continued from page 1) tive filed out.

Bringing up the rear of the group was the hospital staff of the special pull-man car.

The volunteers are expected to take the southern Santa Fe route through the states of Arizona, New Mexico, Texas and Oklahoma.

According to the latest reliable rumors the Stockton Assembly Center will be joined at Arkansas by a portion of Santa Anita Assembly Center.

EL JOAQUIN

With the conclusion of the Major League season and the successful revival of the famous Block 5 Reds last Sunday when they met and conquered the Major League champion Terrors, how about a two-out-of-three-game series matching the Reds against the Major League All-Stars this weekend and the following Sunday if necessary.

The Center's sports enthusiasts are itching for such a classic, and it would really be a fitting climax to a successful and spectacular softball season.

Secretary "Babe" Utsumi of the Recreation Dept. has announced that the International League teams which have lost some of their players, due to the advance volunteers who left for Arkansas, may get replacements from the recently completed Major League.

The new players must come from the same block as that of the International team and they will be permitted only to replace lost players.

SPORTING WORLD:

From the St. Louis Sporting News: "A team of Hawaiian Niseis in training in Camp McCoy, Wis., was defeated by the Green Bay Wisconsin State League Bluejays, 3-2, September 2.

Averaging only five feet four inches in height, the Hawaiians did not show much power at the plate, but exhibited plenty of speed and finesse in the field. They bagged a run in the first frame and held the lead until the sixth, when the Bluejays tied the count and won out in the seventh.

Lefty Mizusawa, whose last name is pronounced as if it were Mrs. Wawa, held Green Bay to six hits in six innings and struck out fourteen."

Sensational Nobu Tanimoto, the Major League's pitching discovery of the season, closed his brilliant undefeated campaign with a blaze of glory by hurling the youthful Terrors to a decisive double victory over the Pirates, 12-3 and 19-9.

Solemn faced Tanimoto inaugurated the opener by handcuffing the slugging Pirates with a fancy four-hit job and then came back Sunday afternoon to build up a commanding 15-3 lead in the first five innings from where Mike Takeuchi took over and finished the lopsided title affair.

The Terrors' energized offensive machine celebrated a field day by rapping out twenty-five assorted

In one of the tightest and best played ball games of the season, replete with spectacular fielding performance and dramatic moments, the mighty Block 5 Reds came out of their lair to claim the Stockton Assembly Center softball championship by defeating the Major League title-holder Terrors 11-7.

Colorful Mike Takeuchi won his own battle when he lifted a lofty "Texas Leaguer" into leftfield in the first half of the 7th inning to score Keizo Okuhara and San Kamibayashi with the winning run.

Not contented with just breaking the deadlock, lanky Frank Horita slashed out a liner into dead center, driving in Takeuchi and Mas Okuhara.

It took the disorganized Reds four innings to warm up but from then on the star-studded ten turned on the pressure for a blinding triumph.

Classy Sonnie Ichiba and Teddy Kamibayashi sparked a brilliant news and Terrors outfield combination with a sensational execution of fly petting which stole the show.

REC. GASHOUSE GANG FACE WAREHOUSE TEN

The Recreation Gashouse Gang whose roster includes such glamorous diamond stars as George "PeePee" Horita, Mike Takeuchi, Will and George Kozawa, Frank Kamibayashi, Frank Aruta, and "Babe" Utsumi will battle the Warehouse ten Thursday evening on Diamond No. 3.

The Warehouse squad will be led by Mas Okuhara, Yo Moriwaiki, Sanji Teranishi and George Sakamoto.

SPITFIRES DIVIDE TWO GAMES WOLVES BLANK BRONCOS 5-0 TYHOONS AND GIANTS TRIUMPH

The Spitfires split two games over the weekend. They lambasted Giants 27-10 on a seventeen-hit attack but bowed to the young Cardinals 13-2 as Akira Kume limited the losers to three hits.

The Wolves came through with a surprise victory, when George Nakashima held the Broncos to 3 measly singles to blank them 5-0.

An unearned ten-run rally on three hits in the second frame spelled the downfall of the Dukes to the Spartans 12-2.

The Typhoons slugged their way to a 18-4 win over the Rainboms.

Twelve miscues by the Dukes paved the way to a 12-6 upset for the Giants.

The Debs, led by Marietta Hattori's 19 digits, swamped the Squirts Sunday morning, 36-17. This was the Debs' final league game.

The usual unsung heroines of the Debs, who held the Squirts' offensive pace, were Esther Ouye, Daisy Uyeda, Hide Okitta and Mits Hattori.

Sunday afternoon's game between the Dodgers and the Skylarks finished off with the Dodgers in the lead, 26-19.

Patti Okura was the high scorer of the Dodgers with 10 points to her credit, while Doris Yuki, Polly Baba, Bette Ouye and Ichi Ishimaru played a good defensive game.

Pop 'N Doc easily overthrew the Li'l Terrors in Sunday evening's tilt, 30-15.

For the winning team, Grace Hagio led with 17 points.

In a game between the Davy's and the hard fighting underdogs, the Stablemates, the Davy's won with a shellacking score of 52-27.

Akemi Terashita of the Davy's scored 15 points. The Girls' Basketball League will be completed this week.

FINAL JUDO TOURNAMENT

TERRORS SWEEP SERIES OVER PIRATES

The Pirates enjoyed a momentary lead in the first half of the third when they demonstrated a flash of their powerful hitting by scoring thrice on Tad Yanagi's single and Sanji Teranishi and Tosh Otsubo doubles. However, they lost the lead when the Terrors rallied in their half with a five-run splurge.

Lead-off man Takeuchi grabbed the series' batting honor with four doubles and a single.
