ADMINISTRATION HEADS TO GIVE 'ALL STAR' SHOW

The caucasian administrators will entertain the Centerites on August 7, it was reported by Harold Leach of the Recreation Department. As yet, the program is still in the paper stage and no advance report is forthcoming.

The week following, an "All Star" review will be presented as probably the farewell show.

BISHOP TO VISIT CENTER

Bishop C. S. Reinfelder of the Episcopal Church in the United States will visit the Center this Saturday and Sunday. Coming from Pasadena with Mrs. Reinfelder, they will visit with some personal acquaintances and others who like to see him, in the reception room Saturday afternoon at three.

Sunday morning, August 2, he will administer the Holy Communion at 6:30 o'clock in L-4. All Chris-

Full cooperation by the Corporation yard workers during the evacuation was asked by Harry Miyake, Eric Kawai, and Ken Utsunomiya, at the mass meeting held in the yard Thursday afternoon.

Because evacuation can not be fully satisfactory without the yard workers, they asked for volunteers to stay until the last day of the moving.

Miyake, chief commissioner, said to the some 195 workers, "Although other Centers have dropped the Works and Maintenance Department as soon as the evacuation notice came, we want our Works Division to stay and make ours a most successful evacuation."

Chief of the Labor Relations Board, Kawai added that the Tulare Works Division was the "most efficient of all the Centers in California."

"You have certainly contributed greatly to the morale of the Center," were the words of praise by Ken Utsunomiya, service commissioner.

LATIN CLASS

Latin course registrants will meet at L-11-4 Tuesday morning, August 4, at 8 o'clock.

NEW MEAL SYSTEM

To go into effect about today, is an improvement in the meal ticket system, stated Teis Mayeda, Commissioner of Feeding. The plan calls for a signboard to be placed near the entrance of each mess hall, with interchangeable signs noting the time and group who is entitled to eat at that particular time.

When this system goes

into effect, everyone must show their meal tickets, and those who fail to do so must go to the rear of the line. Persons who have lost their tickets may obtain new ones at the Council Headquarters in F-7. The purpose of this adjustment is to eliminate chances for a shortage of food in certain kitchens because of unauthorized persons eating in them.

TO HOUSE 10000

of the 5,979 Japanese who will be evacuated from the Reedley, Sanger, and Visalia districts, those from Sanger will be sent to the Gila River Relocation Center, it was reported in the Tulare Daily Times. Reedley and Visalia residents will be evacuated to Parker, Arizona.

Evacuees in the Turlock Assembly Center are already in the process of moving to Gila River, and this Center will follow soon. The removal of those in the as yet unevacuated zones will be completed by August 11, while we here in this Center are not scheduled to leave for several weeks.

AUG. COUPONS

TO BE DISTRIBUTED FROM MONDAY

Issuance of August coupon books totaling approximately \$9500.00 will begin Monday morning, 9 o'clock at the cashier windows was revealed by J. J. Hodel, Center cashier. Centerites are asked to adhere to the following schedule in procuring their books.

Monday, August 3-C and D
Tuesday, August 4-E and F
Wednesday, August 5-G and H
Thursday, August 6-J and K
Friday, August 7-L and M.

The windows will be open from 9 a.m. to 12 noon and from 1 p.m. to 4 p.m. during the week. Saturday, books are obtainable from 9 a.m. to 12 noon.

Any persons living in the above mentioned units not able to come during the scheduled hours or days, may do so on the day following, announced Mr. Hodel.

LET'S HAVE TEAM WORK

"In order to execute this evacuation in an orderly manner, strict discipline and regimentation must be employed." These are the words of Center Manager Nils Aanensen.

The Administrators, Commissioners, Councilmen, and other community leaders, are forming plans for a smooth orderly removal. Certain Administrators have observed the evacuation of other Centers. In view of the above facts, absolute trust must be placed of these leaders to work out the right system.

Our leaders may figure out the system to the minutes detail, but the execution of the plan is up to us. Without the closest cooperation of all concerned, the most well laid plans will end up in confusion.

We here in the Tulare Assembly Center have made an enviable record for teamwork, discipline, and ability to accomplish things.

Are we, who have made such a record in the past, belie all our achievements by moving in a disorderly haphazard way, or are we going to crown our glory with the most efficient movement of all the Centers?

The answer to this question lies with no one but you, and you alone.

History of the State of Arizona

"Throughout the annals of state history, Arizona has witnessed one exciting event after another.

Long before this region was known to the white men, a large and superior race inhabited it. Marco de Nizan explored the rough country in 1539 in search for precious metals, which encouraged Vasquez de Coronado to follow suit. He organized an expedition the following year and visited the Moqui villages and the New Mexican pueblos.

The year 1586 saw the little establishment of a colony, and in 1689 the Spaniards were driven out of the country; by 1695 they had recovered nearly all of it, and by 1720 Jesuit missionaries had established a number of missions, ranches and mining stations. Serious Indian outbreaks occurred in 1802 and 1827, and finally this territory, known today as Arizona, was acquired by the United States in 1848. She was admitted into the Union in 1912."

same...A l s o , the Boy Scouts are holding a salvage drive for scraps of metal, old clothing and rags.

Free shoes are being given to the residents of Santa Anita, but supplies at present are exhausted..... Shucks!!

From Tule Lake comes the report of a "Tolo Dance" where the gals are making corsages from buttons, vegetables, grass, etc. Sounds pretty good, no? The Manzanar Free Press really looks like a regular paper, now that they are more settled. Good luck to them!

Nope, we ain't jealous!

REPLY TO LETTERS TO EDITOR

In our previous article, "Our Dances Discussed," we did not make any personal remarks to the work of Yoichi Nakase or to any other group. True, we are working under restricted conditions in planning our dances, but through additional aid to Mr. Nakase we could produce bigger and better dances which would provide more enjoyment to those now attending as well as to a greater number of young people. Let's work constructively...stronger cooperation for the good of all!

EVACUATION PLANS MOOTED

Preliminary plans for the future evacuation of the Tulare Center residents to Gila, Arizona are being set up the administrative staff with the aid of the Council and Commissioners. A 11 division heads spoke to the Center Council at a meeting Friday, July 31, at 8:30 a.m. explaining the various problems involved in such a move. Further plans will be discussed and definite news will be presented to the people in the near future.

BAGGAGE CHECK CONTINUED HERE

The Engineering Department under E.E. Pixley, Works and Maintenance Coordinator, has nearly completed the baggage survey for the coming exodus tentatively scheduled for the latter part of August.

The survey being conducted on the weight and quantity of baggage, covers approximately 20% of each section.

Those making the survey are Kazuto Taketa, John Hotta, George Hayashi, Bud Fujimoto, Tamio Fujimoto, Gengo Sakamoto, and Tets Makimoto.

GILA RELOCATION AREA EXPLAINED

Items on Arizona
from Here & There
Gila is pronounced (hi-la)

"Arizona is a musical name. The word derived from "Ari," a maiden queen who once ruled the deserts of the Primas, and "Zed," a valley, from the romantic configuration of the state."

"Arizona is the Land of Magic and of Mystery."

Palo Verde Plant, which grows in the Arizona desert, weeping willow trees stripped of its leaves is known as a romantic mistletoe, that is world renowned for its magic influence in love affairs.

The climate is known as "desert climate." It is dry, but also very electrical.

The hot sun blisters the skin and burns the complexion to a rich nut-brown color, but the air always feels soft and balmy, and usually blows only in gentle zephyrs.

The air has a pungent fragrance which is peculiar to the desert, that is a mingled product of a variety of resinous plants.

The weather is uniformly pleasant, and the elements are rarely violently disturbed."

BISHOP TO VISIT

(Cont'd from page 1)
ian people of Episcopal denomination are especially urged, and all other Christians, issei and nisei of any denomination, are cordially invited to receive and partake of the sacrament. Then at the hour of Sunday School the Bishop will give a religious talk at the grandstand to which all young people's classes, adult Bible class, and others are invited.

Chief Campbell's Viewpoint

When asked to give his viewpoint of Arizona, Chief of Police, M.L. Campbell stated, "Well, I may be a bit prejudiced since Phoenix is my home town, but personally, I think it is a very beautiful place... the sun is just like a

ball of fire. (I bet it feels like fire, too!) It is hot for about four months in a year, but the heat is more bearable than it is here, because of the low humidity. In other words, I like it very much!"

Gohachiro Miura says

"Finest place....good for the Japanese" were the views aired by Mr. Gohachiro Miura, head of the Welfare Department, when questioned as to his views on our future relocation spot. Formerly a resident of Phoenix, Arizona, Mr. Miura is considered to be quite an authority on the general environment and climate of the Gila Relocation area.

According to him, it is warm from May until the

first part of October, but the heat is much easier to bear due to the fact that the air is quite dry. The average climate ranges from 110 to 115 degrees, sometimes hitting a peak of 125, and is good for the sick and weak. Many prominent residents make annual treks to Arizona for their health.

Best of all, Tulare Citizens.....no flies or mosquitoes! (But what about the Gila Monster.)

The Government Records

"The Gila River Relocation Area is situated on the Pima Indian Reservation in southern Arizona, about forty miles from Phoenix. The Relocation Center now being constructed there will accommodate 10,000 evacuees--divided into two communities of 5,000 each. There will be plentiful opportunities for agricultural and public work on the area. There is also opportunity for private employment.

At present about 7,000 acres of the land on the

area is in alfalfa and is in excellent condition to be converted immediately to vegetables and other specialty crops. An additional 8,000 acres of raw land can be developed for agricultural production, involving the construction of canals and ditches, and clearing and leaving the land.

The growing season is 270 days, and the climate and soil are generally favorable for a wide variety of agricultural production. (From the Relocation Manual)

CENTER

In the evening, he will be with the youth group worship service at 7:15, giving a short message, and then, he will come to the adult group service and preach the evening sermon in Japanese.

Bishop Reifsneider has been in Japan for over thirty years, serving as Bishop of Tokyo diocese, as President of Rikkyo University, and as Chair-

man of the Directors of St. Luke's Hospital in Tokyo. He has recently been appointed to represent the Episcopal Church in the United States to work for the Japanese elsewhere during the time the war lasts and after. He is a man of learning, administrative ability, and big, warm heart. Mrs. Reifsneider was born in Japan of an American missionary family in Kyoto.

MORE DONATIONS FROM PASADENA

Latest donations for the education department have been sent by Mrs. Fuessle of Pasadena. Toys, games, and reading material as well as two umbrellas for the sand box were generously contributed by Mrs. Fuessle.

Do you want to live an unsettled life with a future that is difficult to foresee? Here's your chance to overcome that fear, not with six lessons from Madame Lazonga, but from our one and only Welfare Department. They heartily launch a "wedding campaign" where prospective brides and bridegrooms are encouraged to tie the matrimonial knot before leaving this Center. Why, you ask?

As stated in the Tulare News Extra, our journey to Arizona might take two and a half days. This is an opportune time to go on that "dreamy" honeymoon and after reaching their destination, the couple can easily obtain an apartment of their own and "live happily ever after."

All those who are interested are asked to see Butch Tamura of the Welfare Department right away. The couple may leave the Center twice; for filing a license and for the marriage.

ADULTS CAN USE SWING

No regulations will be made for the newly constructed swings, according to George Aratani, councilman. Adults can swing as well as the children.

The swings, located be-

tween D and C sections and San Gabriel and Sierra Man- are boulevards, were completed by S. Yamane, foreman; M. Nakano, K. Ito, H. Kondo, and O. Nishimoto, carpenters.

GIGANTIC PROGRAM SET

Tomorrow is the day for the "obon" festival to be held in front of the grandstand from 7 p.m.

Through the efforts of the combined committeemen, Tulare Centerites will witness an event quite different from others sponsored in this Center.

Despite the cancellation of two dance practices, the crowd that turned out the remaining times warrants the day as a success. The entire Tulare populace is cordially invited to participate in tomorrow's program.

FANCY LIGHTS

Shig Eejima and his electricians are responsible for the lighting system for the "Obon" festival tomorrow evening between D and C sections.

They will extend ropes and electric wires from four D barracks to four other C barracks.

Knitters Wanted

Miss Amy Morooka of the Welfare Department sends out a call for Red Cross knitters. Those who are doing Red Cross work are asked to finish their knitting within the next week and to bring the articles to Miss Morooka in the Welfare Department.

LEAVES FOR UTAH

Densuke Takasugi, formerly of Santa Maria, left Thursday afternoon at 2:37 p.m. for Clearfield, Utah, to join his wife and son. He resided in F-5-14.

CEMENT DRAIN

To prevent flooding of the sand by the overflowing water, a two foot wide cement drain was laid around the two wading pools. The work was completed Thursday and was undertaken by Henry Yamagata and his laborers.

RECORDED

Dear Mr. Furutani:
 Mr. Benny received a copy of your July issue and got quite a kick out of it. You are doing a swell job. Keep up the good work.

With all good wishes to you and your entire staff,
 Yours for an Early Allied Victory,
 Harry M. Baldwin
 Secretary

A graduation tea will be held tonight at 8 p.m. in K-6 for the 52 graduates of the Home Nursing Class conducted by Mrs. Ritchie Patterson, Director of Nurses in the Tulare County Hospital.

The evening's program includes the introduction of guests, demonstrations based upon the knowledge gained during the course and given by selected students of the class, a few words extended by Center Manager Nils Aanonsen and Mr. McMillian, and awarding of certificates. Refreshments will be served.

Guests of honor will be Mr. J.G. McMillian, Chairman of Tulare Chapter of the American Red Cross; Dr. James Spencer, Vice-chairman; Miss Maybelle Dyer, Secretary; Miss Ruth Thompson, Assistant Director of Nurses of Tulare County Hospital; and Miss Bonnie Ottis, Evening Supervisor of Tulare County Hospital.

Center personalities who have been extended formal invitations are Mr. and Mrs. Nils Aanonsen, Mr. and Mrs. C.R. Carter, Mr. and Mrs. E.E. Pixley, Mr. and Mrs. A.T. Duerksen, Mr. and Mrs. Lorne Huycke, M.L. Campbell, J. A. Patterson, Mrs. Elizabeth Patterson, Mrs. Kathryn Bergoldt, Miss Helen Osaka, Mr. and Mrs. Taki Asakura, Captain and Mrs. T. Kawai, Mr. and Mrs. Brownie Furutani and G. Muira. Invitations also have been extended to the hospital staff.

STUDENT DANCE

NEXT TWO PICTURES ANNOUNCED

"Rulers of the Sea," starring Douglas Fairbanks Jr. will be presented at the next movie show, according to Harold Leach of the Recreation Department. The week following, "The Great Victor Herbert," featuring Mary Martin, Allyn Jones, and Walter Connolly will be the main feature of the weekly ev-

ent. The attendance at the "Flickers" has been around the capacity mark at all times.

SHOE REPAIR

Shoe repairing will soon be under way at the laundry room according to E.B. Pixley of the Works and Maintenance division. Supplies should be in at the moment with which the workers can nail or make minor sewing repairs.

All repair work will be limited to workers only. Note must be obtained from the Unit Council to summarize the repair.

The first Student Body dance will be held tonight from 8-10:30 in L-4. This dance is strictly for persons enrolled in the Tulare Assembly Center junior and senior high school and also includes the post-graduates who are registered in school. Invitations were given to all students but no person will be admitted without a bid except for the 22 honored guests who were invited for this occasion.

Donations were accepted from the students and faculty to defray the expenses for refreshments. The side entrance will be opened to admit all persons attending the dance. With Bill Yamanaka, president of the Student Body as emcee, the evening's program will consist of recordings for the dance, and also entertainment.

Credit should be given to the Student Council, who is working diligently to make this social a success. Chaperons for the evening will be the junior and senior high school faculty. According to

Miss Helen Osaka, head of the Education Department, about 255 students are expected to attend this gala event.

DOMINGUES TO CHALLENGE TOP LEAGUE TEAM

Tonight, Santa Maria attempts to chalk up its initial win of the second round against the Jr. Firemen on the Aye League menu.

Looking over their respective rosters and records, Santa Maria's potentialities for a win seems greater than that of the Firemen although both teams have yet to win a game. However, Santa Maria has defeated the Firemen in the first round.

FORGOT TO LET GO THE BALL AGAIN!

Tomorrow night, undefeated Oxnard takes on Dominguez attempting to keep a clean slate.

Santa Maria makes another appearance on Monday against Lompoc and the L.L. Bulldogs will toy with the hapless Jr. Firemen on Tuesday.

SM JUDOISTS COPS TITLE

Santa Maria Valley's Judo aggregations copped the first Tulare Assembly Center Aye Judo championship last Wednesday night before a capacity crowd. Moneta resigned as champs of the lower division.

The individual honor of "moon" Kikuchi of Santa Maria, who threw two opponents in succession.

Judoists, who made-up the winning team, were Miyoshi, Mitani, Morishita, Oda, and Kikuchi.

This highly successful tournament will be marked as one of the highlights of this Center's sports. The Judo Club expresses their thanks to each and everyone who made it possible and enjoyable.

MEG TOURNAMENT TOMORROW 8:30 A.M.

Every boy, young and old, is cordially invited to participate tomorrow at 8:30 a. m. at the H-4 basketball court in this Center's Marble Tournament. The contest will be under the supervision of Dick Fukuyama.

Masao Oyaba and Saburo Tabata are the only Junior contestants to sign-up as yet. Some of the men's division entrants are, George Hayakawa, Joe Suzuki, Shig Goto, Yosh Inadomi, Jun Muramoto, Shige Nakano, Roy Oki, Tosh Ichikawa, Paul Sakamoto, and Ben Sugiyama.

POLICEMEN AND SENIOR FIREMEN TANGLE TONIGHT

The big games tonight for the National League between the Policemen and the Sr. Firemen. In the American League, the Freelancers will play the Corporation Yard ten.

Tomorrow, the Tulare News vs. Arroyo Granda and Gardena vs. the Jr. Bulldogs. On Monday, the Freelancers play the "C" Wolves and the Councilmen play Gardena.

The second half has found many teams coming up and others going in a slump. Compton leads the American League and Judy Strikers and Pasadena as co-leaders for the National League.

MAH JONG WON BY 2370 SCORE

Nagata and Harry Yanehiro walked off with the 2nd Mah Jong tournament by piling up 2360 and 2370 points in their "A" and "B" division respectively. A record breaking game "hon yaku mangan" was established when E. Numeno scored 2000 points in one game.

Mrs. Sunahara 2310 and Mrs. Nishimoto 2270 points followed Nagata in the Aye class, while Kawamura and F. Matsumoto followed E. Yonehiro of the Bee with 1740 and 1710 respectively. These tournaments are held every Tuesday morning at K-6, 8:30 a.m.-12 noon.
