ACTIVITIES AT THE INTERIOR SECURITY OFFICE

The office of the Interior Security Police is the scene of many and varied activities. At one time it is the meeting place of the Red Cross classes again the ladies of the Center will be seen sewing within its shelter; again the council may be seen instructing erring individuals into right and proper paths of conduct; again you may see the casket of a departed resident the last tribute to a friend and acquaintance. All of which brings into reality the statement of Chief Wayne W. Wratt that he and his department with its facilities are at the service of the residents of the Center.

The office of the Interior Security reports that the number of officers is comparatively small. Let us cooperate with them--they are our friends.

AZEVEDO LEAVES CENTER ... FAREWELL PARTY GIVEN

Al Azevedo BIOGRAPHY

Back to Oakland goes Mr. Al Azevedo, formerly of Oakland, to be inducted into the United States Army. He is 30 years old, has been married nearly two years to a charming young lady, Margaret. Mr. Azevedo is a graduate of San Jose State College and has done three years of graduate work at U.C. He taught in the Oakland schools, and more recently supervised playgrounds for the Oakland Recreation Department. He resigned the latter job to come to this center to work with Mr. Flewelling in the Service Division.

His favorite sports are football, baseball, basketball, and swimming. Mr. Azevedo is a Phi Delta Kappa member, Graduate Honorary Educational Fraternity.

His favorite hobby is tennis, both court and paddle. He likes to read books on current and world affairs but his wife likes detective stories.

There are four doctors in the Azevedo family and medicine was his favorite until he realized how funny it would be to start laughing in the middle of a major operation. So, instead of tickling his patients to death, he ended up as a recreationalist.

With more than 75 Recreation leaders and attendants present, a farewell and birthday party was given to Mr. A. J. Azevedo, Recreation Director, Sunday evening at Mess #7.

Mr. Azevedo, who had been working with the young leaders of this Center during the past month, was forced to leave the center to join Uncle Sam's army.

After the refreshments were served, the group, led by Haruo Ishimaru and Mrs. Azevedo, joined in singing songs. The climax of the evening was the impromptu, The Fatal Request, directed by Haruo Ishimaru. Excellent performances were given by Mrs. Erickson, Mary Obata, Mr. Azevedo, Dr. Furuta and George Yamamoto, which left the guests rolling on their sides.

The evening ended with everyone singing the Turlock Friendship Song:

"Each day will ring
anew
The flame of friendship
true
The joys we had in knowing
you
Will last the whole year
thru."

Aloha

"I wish to express my appreciation to all of the members of the Turlock Assembly Center for the privilege of working with them. It has been an experience that I shall not soon forget and one from which I have profited.

"We have come a long way since the inception of the Turlock Assembly Center. It has been hard, but purposeful and gratifying work. All of you are fashioning a way of life that transcends all lines. There is a group spirit in word and deed that knows no equal. It is a spirit of the people, by the people, and for the people.

"Out of this Center should come a way of life that should be a model for all peoples and communities. It is up to all of you to make this come true. And I know that it can be done.

"I wish all of you success and happiness in this exciting adventure of group living."

A. Azevedo

Notes From Our Memory Book

A life of his by-laws, a shrug of his shoulders, infectious laughter..... jolly, grand sense of humor..... .....

A remarkable memory for names and face s--a capable co-ordinator, farsighted, a worthy representative of his work--a friend to all, sympathetic and helpful..

With a charming wife -- truly the "other half"....

As he leaves behind his host of friends to enter further service for Uncle Sam--we size in our hearts. "Each day has brought
anew
A flame of friendship true
The joys we've had in
knowing you
Will last our whole life
through.

MR. AZEVEDO----Our friend and advisor

EDITORIAL

Cooperation, unity understanding, courtesy, and sportsmanship, all these can be gained through diversion in sports and other recreational activities. Many of us don't realize the opportunities that are offered here within our own grounds for just these purposes. It's constructive towards creative living--a purpose in life for which we strive. Let us all, young and old, take advantage of the recreational department in what it offers. What is better than to see everyone partake in sports--it's all in the spirit of fun.

Personnel Board

Philip F. Lewis, Chief of Personal Accounts and Personnel, has notices posted as follows:

"Reclassification of workers will only be made when justified by change in duties or responsibilities.

The wage class shall be commensurable with the title requested."

All division heads will note that Mr. Lewis is getting hard-boiled on this matter.

INTRODUCING MRS. T. YAMAMOTO from SAN FRANCISCO

This week it is our pleasure to introduce to the people, Mrs. T. Yamamoto from San Francisco. Mrs. Yamamoto is 58-yrs. old. She is now a member of the Center Council and consultant to our Recreation and Education Dept.

Ruth Ishimino...

NEVER TOO LATE to learn is it? It is good to see our elders attending the English classes but maybe it was we that failed in our mission of teaching them--but who blames them? The "slanguage" we sling is a little too, too.....

WHAT'S IN A NAME? Why is it we don't hear anyone mention SCRIPORIUM, our christened name for the Center Store--twist your tongue a little and you'll get it. Warehouse is decorated with the name PALLADIUM----it jives doesn't it? MISOSHIRU Avenue and WILSHIRE Blvd. clashed--the latter lived up to its name....At a Mon's Dorm in Parker Dam, a sign reads--"INN--FOR DURATION".....

Strip teasing taboo in MESSERIES or is it we want everyone to uphold the "dress for dinner" custom. They dress a chicken before it goes in the oven----any connection?.....

HOW TO WIN FRIENDS AND INFLUENCE PEOPLE.....ask Haruo--he knows all the answers. Speaking of people, you can sell yourself to any normal human being (and most cats and dogs) by expressing your sincere interest in or admiration for something they have or have done.....more formulas..

TURLACTIVITIES could have a little more zest added---Who'll contribute? Don't hesitate to add tidbits to the TAC--it's your paper! GOODBY NOW.....

English Classes for ISSEIS

PEANUT LEAGUE CHAMPION

The Hornets and the K.K. played a three game series for the championship playoff Sunday and Wednesday afternoons. The Hornets easily won the two games to take the championship. They won the first game with a close score of 8-7 and easily won the second game by 15-2.

Harry Imura of the Hornets pitched a beautiful game by allowing only four hits in the second game.

Girls Sports RESULTS

The Goods ran out with 13 runs scored and the Stylets were held down to 11. The Goods are getting back into swing for victory. Their record was erased last week, when they were tripped by the offensive Wildcats. The battle raged on when the Mess #4 Giants clashed with the Wildcats. They are still holding up their spirits, with the "little one", Viola Oyama, who keeps saying, "the victories are yet to come", but really never gets out to fight, herself. The score played favorably, with the Wildcats, 7 and the Mess No. 4 Giants, 6. The Hospital Crew, which usually challenges the pick-up team, for Thursday evening volleyball, was defeated with the Wildcats beating them 3 innings in a row.

Mess #4 Giants Line 'Em up: Captain, S. Yoshida; S. Yoshimi, C. Nakatani, Y. Hara, Y. Mitsuoka, Y. Koya, Y. Mojiro, Helen and Sky, S. Murata, and Y. Hirata, and S. Yasuda.

SUISUN GIRLS form team

Introducing themselves as the ARMIJO Arrows, the Suisun girls have formed a basketball team with George "Freezer" Furuya as their coach.

league to be organized

Basketball, one of the favorite sports among the girls, is already shaping up with a girls' twilight league now being organized.

Helen Imai and Dorothy Yanagi, sport leaders, ask that each team send the name of the team and the name of the manager or coach to the Recreation Building.

As soon as the teams are named, a meeting will be held to draw up a schedule.

EXCHANGE

Fresno Grapevine: Commencement exercise were held at the new stadium for 142 students from 22 schools.

The Boys Scouts sponsored and presented an impressive Flag Day ceremony.

Victory Garden: Center Work Division has started a farm project which will be operated on an experimental basis with the development of new agriculture ideas being encouraged.

*****

Tanforan Totalisor: Tanforan Assembly Center held an election for Center Council. The oldest voter was Matsunosuke Tsukamoto, 86. The youngest was Rosebud Imada, who turned 21 years old the day before election.

Tanforan is going to have a park with a lake, rock gardens, sand pits, promenades and benches, if things go through as planned. A six-hole "pitch and putt" golf course is also in the plans.

*****

Pacific Citizen: The Japanese volunteers from the West Coast are credited with having helped save virtually all of Idaho's 12,000,000 sugar beets. Most of them are men without families. The sugar beet crisis is over and the Japanese will be available for other farm work.

*****

Manzanar Free Press: Manzanar Center citizens are preparing to make a success of the camouflage project as the other contemplated industrial projects depend upon it.

The camouflage production as planned calls for the garnishing of 225,000 nets, with the work being divided between Santa Anita and Manzanar. Manzanar's share will utilize 1000 workers eventually and will take six months to complete.

How does Hank manage to draw the crowd with his quicker-n-the-eye rug cuttin' every Saturday nite?

Maybe you boys can learn how to pitch woo the right way. Catch G. Noda under the Grandstand sometimes, he maybe able to give you a few pointers. Remember, Geo.???

Too bad the Yanks lost ...maybe more sleep could be helpful, or should the Catcher obey the Captain's orders on Saturday nites after good chuck.

Ho-hum: Georgo "Kan" is introducing another girl as his one-n-only.

Seems as if there is someone in this center who does not appreciate the music played or being practiced by the new dance band. (after ten o'clock) .....Precoco makes perfect.....

What's the attraction over there--Sleepy Ida and Natsu--??...Could be those handsome L. A. Wolves..Hoo

The parcel post dept. is located at the 3rd window on the eastside of the P.O. building. This dept. is ably (?) handled by Marcy Egusa and Tom Taniguchi.

All C.O.D's, Registered Mail, and Money Orders will be handled by Miss Helen Bodin, Turlock Post Office representative, between the hours of 9:30 and 11:30.

The post office staff at present consists of foreman, Hiromu Matsumoto; the aforementioned package slingers; and five carriers, George Hoshizaki, Jim Otani, KAZ MUTO, George Uda and Paul Shiozaki.

We forever strive for the best despite the limited resources of so small an office. We know that in many instances our service fall far short of the normal standards, but we do try our best, and we hope you'll bear with us in our shortcomings.

Anything mail, mail! Wotta life. We're all mail happy. Mr. Pi--wood, she smile happy, too. NOTE: WHEN WE PLAY, WE PLAY; WHEN WE WORK, WE ALSO PLAY. P. O. STAFF

TULOCK ASSEMBLY

Fri., June 26, 1942

LETTER from MONTANA

"We, the four suckers, came out to Montana to enjoy fishing and running around, but judging from the moans and groans from stiff backs only adds up to this--a work and no play."

"We are buried out in the sticks, ten miles from town and the nearest neighbor can't be seen. We're all ready to quit, but we can't find a way to get "home". From our cabin we can cast our eyes upon the beautiful snow-capped mountain of the Rockies. It's about the only thing around here that's worth looking on besides sugar beets."

"We sure miss the luxuries of the "camp". If we ever get back we'll never leave again." Good-by,

The four suckers

T.N., T.T., F.I., E.H.

P.S. They even ration sugar to sugar beet growers-can you beat that!

If you've never gazed upon a beet, we're enclosing one.

How about sending out just a few hundred workers to make some easy money.

Tom

NOTICE

Roy Erickson, Manager of the Scriptorium, asks all those who have soda-pop bottles out to kindly return the empty bottles immediately. Approximately 30 cases of bottles are missing and UNLESS these bottles are returned, sale of soda-pops, WILL BE DISCONTINUED.

HELP wanted

With the anticipated hot weather, it becomes necessary to relieve the present Mess Hall cooks and their aides. Claude A. White, Mess and Lodging Supervisor, asks all those who are not working, and who would like to work, to sign up with the timekeeper in the mess hall in which you desire to work.

FUNERAL SERVICES

Our sincere sympathies to Kanzo Kodai upon the death of his uncle, Yoshitaru Kodai, 59, on June 20, in the Center Hospital after a lingering illness.

Funeral services were held on June 23 at the Interior Security Building with Reverends Kimura and Hata of Vacaville officiating.

latest arrivals

On June 22, the Center welcomed four new members: Mmes. George Mayeda and Yasuo Toriumi and their daughters respectively, Janet Carol and Bessie Yoko, from Suisun.

Quote Mrs. Toriumi, "I certainly am glad to join my husband and friends." No doubt Mrs. Mayeda is also happy to join her family.

ATTENTION

Claude A. White, Mess & Lodging Supervisor, asks all those who have been working in the kitchens and who were transferred or quit the job to please return the shirts and aprons to the pantry man. These aprons and shirts must be reissued to the new workers.

SCRIPTORIUM

The Scriptorium now boasts of carrying a wider range of merchandise--toilet articles--which were added during the past week. At the present, only the most necessary articles such as soap, tooth brushes, shampoo, etc. can be obtained. Roy Erickson, manager, expects a still larger stock as soon as the supplies arrive.
