Dear Sir:

The Attorney General of the United States has directed that, effective November 15, 1945, the alien enemy parole system is terminated.

Accordingly, therefore, you are released from parole as of that date, and you are no longer required to report to your civilian sponsor or to the District Parole Officer of the Immigration and Naturalization Service, and are no longer subject to any restrictions on your conduct other than those applicable to alien enemies generally.

Yours very truly,

R. P. BONHAM
District Director
Seattle District
