Dear Mom,

Not much doing now.
We're helping the neighboring
farmers, thresh wheat.

Did Kay write home
yet? He didn't write here
at all.

About Kay's watch
~~let~~ there's a watch,
water proof, dust proof & shock-
proof for about \$110 - kinda
high but you can't
find a good watch for
about \$60 - \$70 -. So if
you send about \$100 - I'll
pay for the rest.

As always,

Herb.
