Dear Sir:

In response to your letter of March 21, 1944, our records indicate that your account was blocked as of March 8, 1943 by authority of the Federal Reserve Bank of San Francisco, in their letter dated March 3, 1943 for the reason that there was reasonable cause to believe that you were a national of a blocked country.

We are permitted through License SF 33894 to pay an amount not to exceed \$180.00 each month upon request from you which, of course, must be accompanied by your Savings passbook.

Yours very truly,
