

BABY CLINIC HERE NOTES FIRST YEAR

The first anniversary of the Jackson Street Community Council's well-baby clinic will be celebrated this week when the clinic is held at 1 p.m. Thursday, May 6, in the Chinese Baptist Church, 10th Ave. and King St. The clinic was established one year ago on May 1, 1947. Eight pre-school children were examined that day.

Since that time, more than 150 youngsters have paid nearly 300 visits to the clinic to have physical and dental check-ups and to receive their protective "shots" against diphtheria and whooping cough, smallpox vaccinations, and advice to their mothers on their care and feeding.

As a part of the anniversary celebration, plans were announced for the Bailey-Gatzert PTA Summer Round-Up examinations of all children entering first grade or kindergarten next fall. This is an annual P-TA project and this year examinations will be given at the Jackson Street Council clinic on May 27.

"We are glad to cooperate with our local PTA in this educational effort," Dr. J. E. Jackson, chairman of the health committee, stated. "We are pleased that we have an established service in this neighborhood that can be used by one of the Council's member organizations. We hope that every parent who has a child entering school or kindergarten next fall will bring him for an examination on May 27."

The professional staff of the clinic has grown from one physician and one dentist a year ago, to four physicians and three dentists who now take turns in assisting at the clinic. Physicians participating include, in addition to Dr. Jackson, Drs. Henry Luke, Paul Shigaya, and W. H. Calhoun, Dr. James Groves, F. S. Kanemori, and J. B. Browning give the dental examinations, and Mrs. Elizabeth Fundus is the Public Health nurse in charge. Clinic aides now actively working with the clinic are Mrs. Joel Boutelle, registrar, Mrs. G. D. Graves, Mrs. Frank Woo, Mrs. Alma Lew, and Mrs. Bennett Wilborn.

The clinic is open to everyone. There is no charge for this Red Feather service.

Negro Ban Held Discriminatory

WASHINGTON, D. C., May 5—Agreements to bar Negroes from residential areas are discriminatory and cannot be enforced by the courts, ruled the United States Supreme Court by a 6 to 0 count last Monday.

The Court's finding was that such agreements are constitutional if compliance is voluntary, but that federal, state and local governments cannot aid their enforcement.

No person, the decision stated, can be barred from occupying property he has purchased.

In writing the majority opinion against restrictive residential covenants, Chief Justice Vinson declared that they violate basic civil rights.

Justice Jackson, Reed and Rutledge disqualified themselves from ruling on race covenants for residential districts as it was understood they live in districts where such covenants are in effect.

Ridiculing the argument that restrictive covenants are not discriminatory against Negroes because they could be enforced also against Indians, Jews, Chinese, Japanese, Mexicans and Filipinos, Justice Vinson declared:

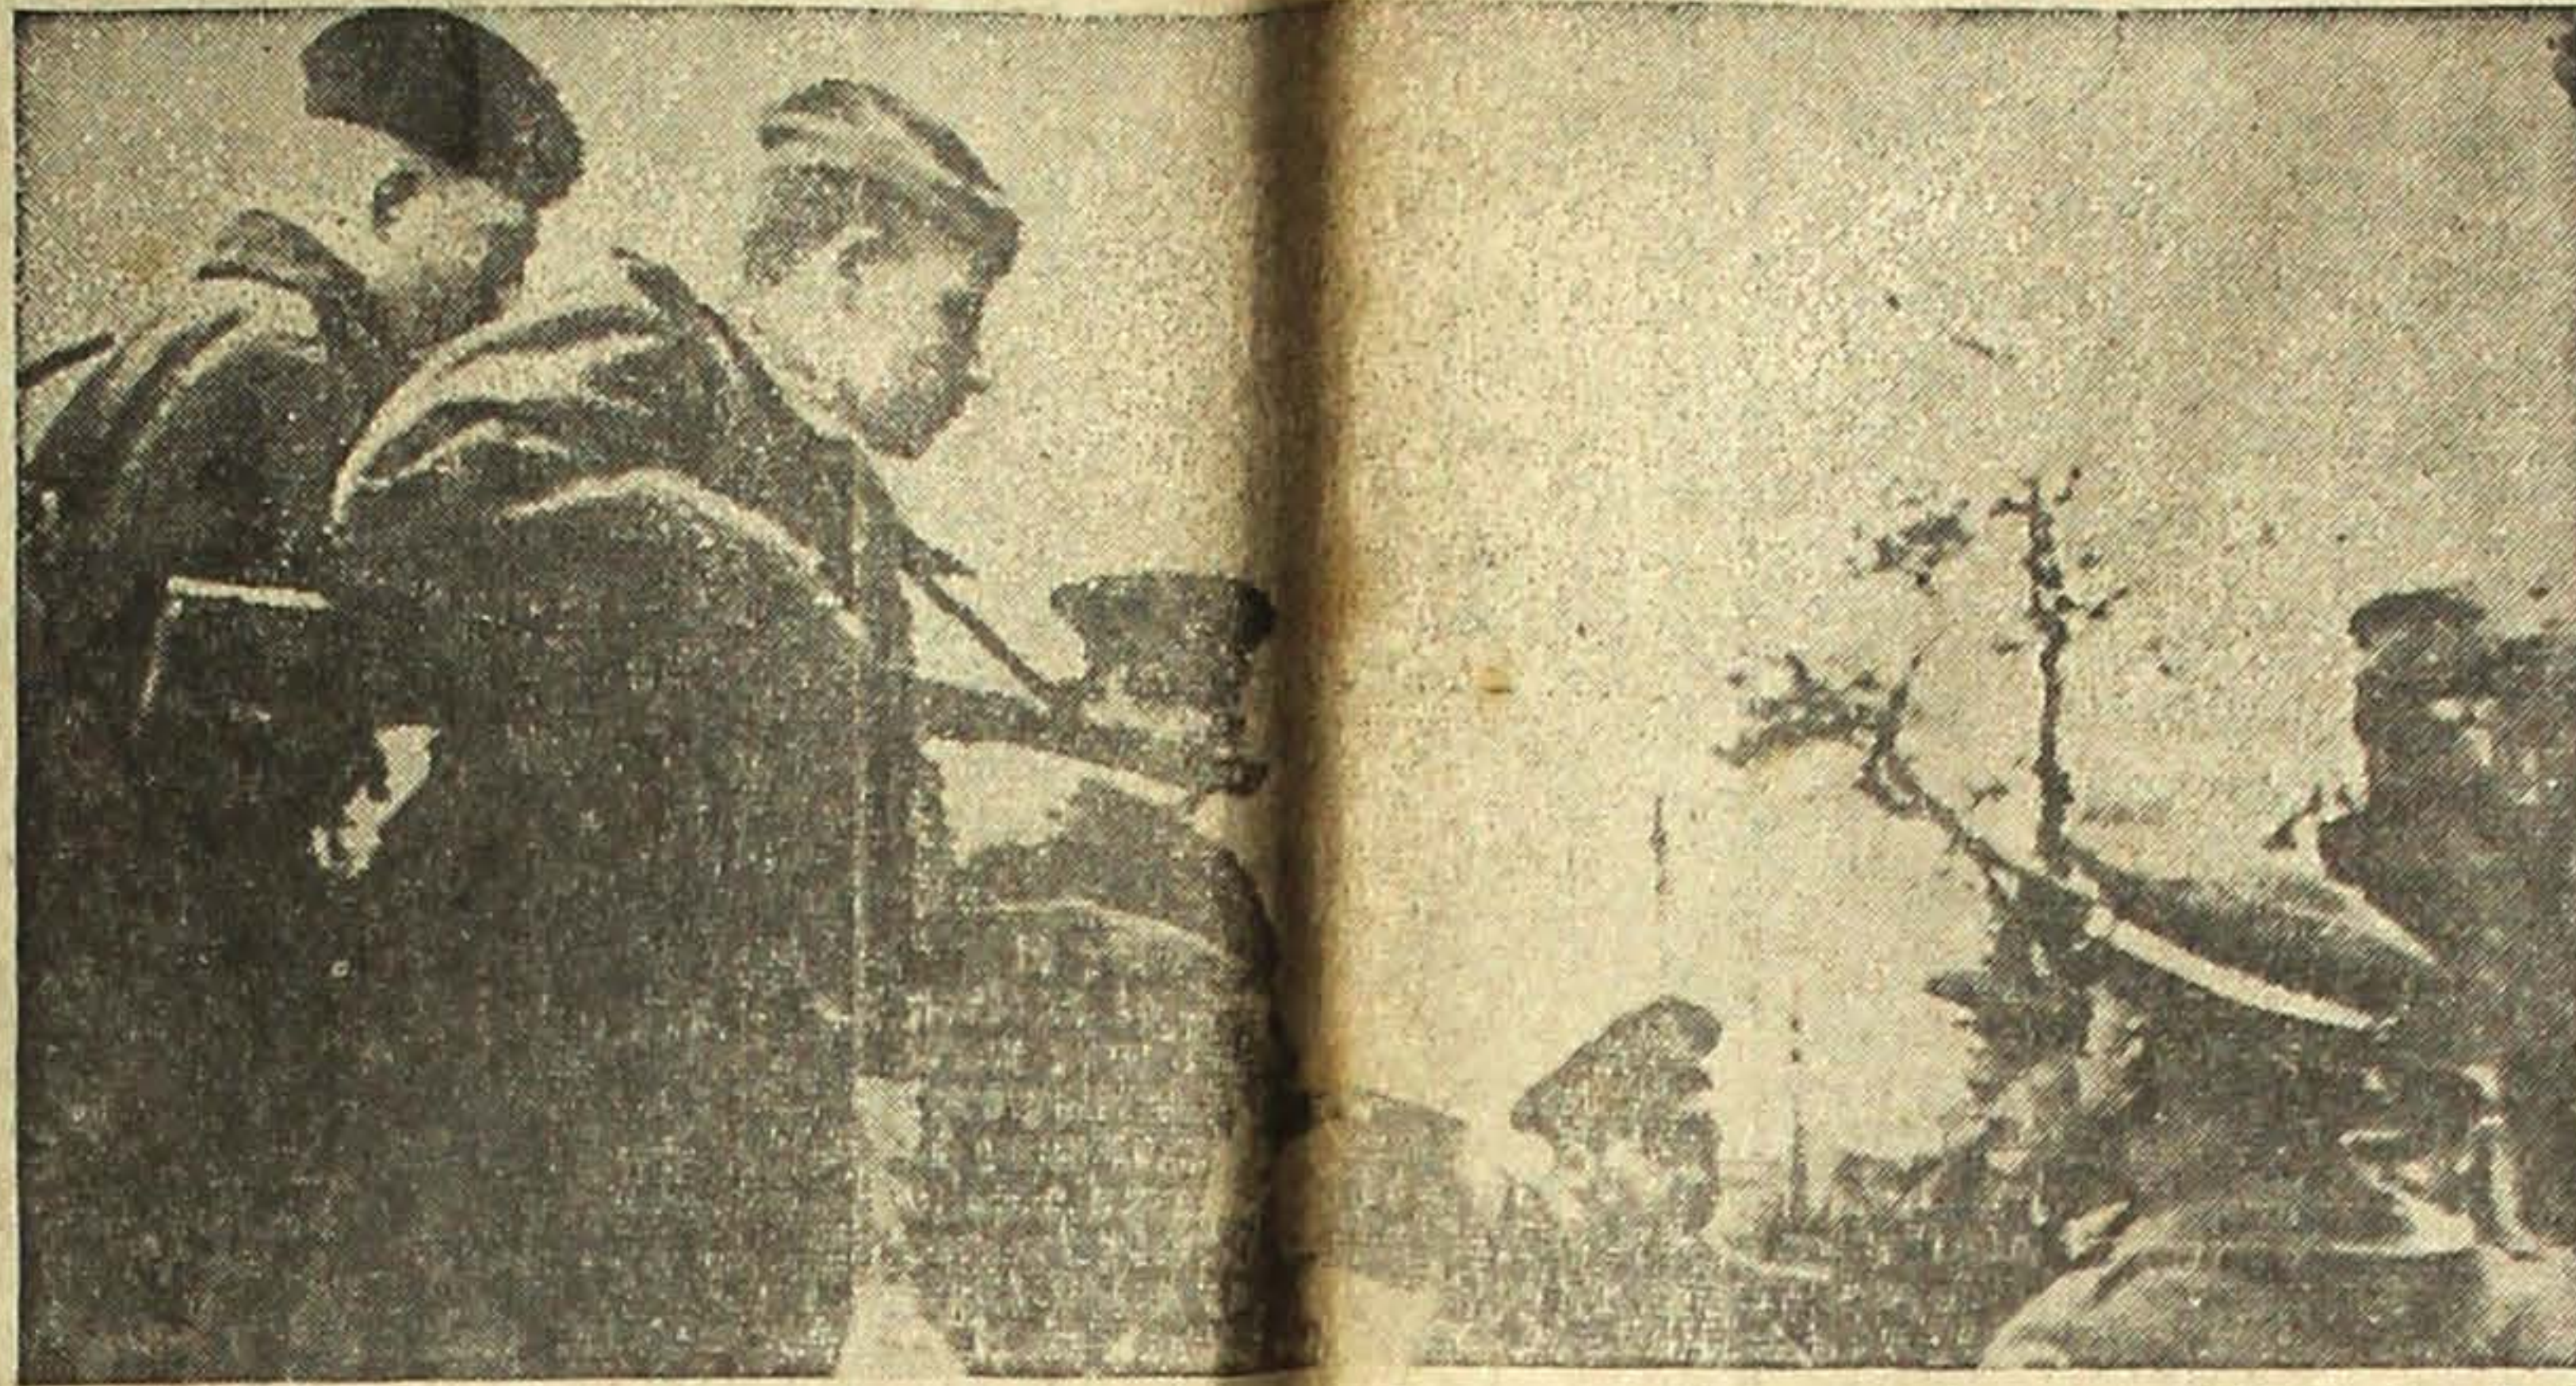

"Equal protection of the laws is not achieved through indiscriminate imposition of inequalities."

The issue was brought before the high court on the appeals of two Negro couples, Mr. and Mrs. J. D. Shelley of St. Louis and Mr. and Mrs. Orsel McGhee of Detroit.

SACRAMENTO, Calif., May 5—The Sacramento Parlor of the Native Sons of the Golden West last Friday announced it would fight all bills before Congress to grant citizenship to foreign-born Japanese. MOTHER

Children, look at those eyes, listen to that dear voice, notice the feeling of even a single touch that is bestowed upon you by that gentle hand! Make much of it while yet you have that most precious of all good gifts, a loving mother. Read the unfathomable love in those eyes; the kind anxiety of that tone and look, however slight your pain. In after life you may have friends, fond, dear friends, but never will you have again the inexpressible love and gentleness which dwell upon your mother's face. —Macaulay.

Army Tests New Survival Rations

LONG ISLAND CITY, N. Y.—Survival rations which will maintain strength, prevent tissue breakdown, and require minimum water are being developed in U. S. Army tests on Welfare Island. Eleven enlisted volunteers lived during a March test on a day's ration averaging 28 of the small biscuits shown (about one-third of a pound) plus three glasses of water. Here one volunteer watches closely as the dietitian measures out his day's allotment.

Such tests are the end stage of research. The Army's formula has been changed many times since January, 1945, with production research in the big bakery here of Sunshine Biscuits. Sunshine has cooperated with the Army by baking free of charge more than 250,000 experimental biscuits for the ration studies.

An unexpected result has been a flood of inquiries from diet-conscious persons which has caused the baking firm to announce that the ration is solely for Army research and is not available for civilian consumption.

Gold Star Buttons To be Out June 1

NEW YORK, May 5—The Army has announced that general distribution of Gold Star lapel buttons to next of kin of all World War II dead will begin June 1.

The buttons will be issued free of charge. Entitled to buttons are widowers, parents, brothers and sisters or children of any man or woman who died while in the armed forces during World War II.

A few token presentations of buttons will be made at Memorial Day services, May 30, it was learned.

Memorial to List Nisei GI Dead

Art Susumi, who is acting in the capacity of a liaison for the Nisei Veterans Committee in matters pertaining to war dead, today told THE NORTHWEST TIMES that the names of approximately forty Nisei GI's who died while in service will be included in the Veterans Memorial Cemetery at Washelli.

The Washelli cemetery, known as the "Arlington of the West," will be a permanent memorial of the dead of all the nation's wars, it was understood.

The memorial, according to Ralph A. Koch, chairman of the cemetery's board of trustees, will be a chimes tower and chapel 75 feet high. Total cost of the structure is expected to reach \$75,000, and the money will be raised through contributions from veterans' organizations and the general public. A separate group, Veterans' Foundation, has been set up to handle the fund drive.

The board, it was learned, is planning to put in the memorial chapel the names of all King County's war dead, regardless of where they are buried.

Four Nisei students were announced on the winter quarter honor roll at the Seattle Pacific College by Lawrence R. Schoenhals, registrar.

They were: Yaeko Sakai, Eira Nagaoka, George Ito and Richard Shinto.

Miss Noji, a junior, also was elected vice president of the school's girls' club for the '48-'49 year.

VARIED PRIZES DONATED FOR SLOGAN TEST

A pair of skis, an oven-glass roaster, five fruit juicers, theater passes, and two free grease jobs are among the prizes that have been donated by local merchants for the contest to select a slogan for the third annual Clean-up, Paint-up, Fix-up campaign sponsored by the Jackson Street Community Council, a Red Feather agency.

The skis were donated by Anderson & Thompson, the roaster by Green's Radio Service, the fruit juicers by Chihara's Jewelry Company, the theater passes by the Atlas Theater, and the grease jobs by McKales No. 31. Additional prizes of sports equipment will also be given by Connor Furniture Company and Hab's Appliances and Sporting Goods.

Deadline May 10

The contest will close at noon on Monday, May 10. The winner will be given his choice of the prizes, second place will have second choice and so on. Rules for the contest are simple: anyone is eligible to participate, and may submit as many entries as he wishes. The suggested slogan should be short and clearly written or printed and signed with the contestant's name, address, and telephone number. Entries may be turned in at any of the following places: THE NORTHWEST TIMES, 304 Main St.; the Jackson St. Council office, 414-5th Ave. So.; Green's Radio Service, 509 King St.; Chick's Ice Creamery, 625 Jackson St.; Connor Furniture Co., 1032 Jackson, and Neighborhood House, 304-18th Ave. South.

The winning slogan from the contest will be entered in the all-city contest sponsored by the Junior Chamber of Commerce, for which a \$100 Savings Bond is offered as first prize.

"A campaign slogan is easy to write," Tolle Green, clean-up chairman, commented. "It should be short and to the point. 'Wake Up and Clean-Up' and 'Let's Clean House' are examples of the kind of thing we want."

Make Use of the Litter Cans

The Jackson St. Community Council has obtained four shiny, new litter cans.

These cans, given by the city engineers, have been placed at bus stops on Jackson St., at Fifth, Sixth, Maynard and 12th Avenues.

They were presented to the council in the hopes the people in the South End may put their rubbish in

them.

Use them.

Proper usage of the litter cans may prompt the city to give us four more, and, perhaps, improve the appearance of somewhat dirty Jackson St.

A clean business district eventually leads to a better business district. And that's good business, too.

Senator Taylor of Idaho was arrested in Birmingham, Ala., last week-end because he went through a door marked "Negroes" in a meeting place there. One of his fiercest complaints was "I didn't get a private cell befitting a United States senator". The honorable senator from the North should know, by now, that the South is still smarting under the defeat of the Civil War.

Millionaire Marshall Field's sale of the controlling interest in the New York tabloid newspaper PM was announced this week. It was "post meridian" and "post mortem" for Field in his journalistic venture.

VFW Benefit Show Booked May 8

A gala, 18-star studded variety-production, created to the big-time standards of New York, will fly here from California Saturday morning, May 8, for an evening benefit appearance at the Civic Auditorium under the sponsorship of the Veterans of Foreign Wars.

Booked on the lavish entertainment bill are three Washington State screen and radio stars—Suquamie's Ella Raines of movie fame, Seattle's national-radio network chief-announcer, Wendell Niles, and Puyallup's Frank Albertson, of radio's Sam Spade detective thrillers.

Other Hollywood celebrities, of the "Parade of Stars" cast, well known to American movie and radio fans who are expected to debark from the big Western Air Lines Arrowliner at the Seattle-Tacoma Airport at 8 o'clock are:

Jack Carson, Eddie Bracken, Wayne Morris, Marion Hutton, Rod Cameron, Leo "Jodie" Sherin, Cathy Downs, Suzie Crandal, Charles Korvin, Jack Lambert, Edgar Buchanan, Ruth Ann Hartman, Jayne Hazzard, and Murray and Billie Jarvis.

At 9 a.m., the stars will hold a press conference in the Olympic Hotel with high-school newspaper-editors from Seattle and vicinity, while at 10 a.m. they will dash to the Marine Hospital here to appear before disabled veterans.

The two-hour, A. Murray Jarvis production, jam packed with drama and fast-moving comedy skits, and vocal renditions, will be followed by a dance to music by Jackie Souders' orchestra—at no additional charge, according to Robert A. Yothers V.F.W.'s Senior-vice Commander and show chairman.

Stressing that all of the Stars will be heard as well as seen, Yothers added:

"With all talent donated to the cause of veterans' rehabilitation, this production offers the theatergoer a paramount entertainment value. Were it created under the regular costs, it would be far too extravagant for the average entertainment potterbock."

"Because the stars have so graciously offered their time and talents gratis, even \$250, \$3, or \$3.75 admission will further V.F.W.'s all-inclusive, hospital-work program," Yothers said. The net proceeds will aid in the purchase of radio and piano for veterans' hospitals, and tobacco, candy and necessities for hospitalized veterans.

The senior-vice commander said that approximately 200 disabled vets from the Army's Madigan General Hospital in Tacoma, and Veterans' Administration Hospital, American Lake, would be brought to the show in ambulances and buses.

Curtain time is 8 p.m., the announcement said. Tickets are on sale at Sherman, Clay & Company 1624 4th Ave.

Boy Meets Girl

At the Cook County School of Nursing, attached to one of the world's largest hospitals, the romantic and recreational side of a busy life is never overlooked. The modern nurses' residence takes care of that; and perhaps its most popular innovation is the "date parlor". There are a dozen of these semi-private alcoves in the main lounge where a beau may be entertained or a student conference held. Anne Collins (Jackson, Michigan) pictured here is typical of the student nurse from the smaller town.

This school has students from all parts of the world. Edna S. Newman, director, has announced that several scholarships are available for the Spring course and for the Fall course opening in September. She states too, that in addition to the regular three-year course there is a five-year course now possible to the girl who wishes to combine a college diploma with a degree in nursing. All inquiries should be addressed to her at 1900 West Polk Street, Chicago.

The directorate welcomes the application of the girl from the smaller town or the farm as her background training and physical fitness make it easy to fulfill the qualifications now required by all first rate schools of nursing.

EXCALIBUR

VETS WIN TWO

The Nisei Vets ball club got off to a winning start in its first two games of the 1948 Puget Sound campaign, taking Des Moines 9-5 on Saturday afternoon and repeating against White River on Sunday by the score of 8-7, after a long uphill struggle.

Edo Sasaki went the route for the Vets against Des Moines and pitched effective ball despite streaks of early season wildness, scattering 9 hits and setting 10 batters down on strikes. The Vets quickly jumped into a 3-0 lead and were never headed, the winning margin being provided by a four-run outburst in the seventh inning. The Vets gathered a total of 12 hits during the game.

In Sunday's battle, White River gave the Vets a terrific wrastle before succumbing, 8-7. After four full innings of play, White River led 5-0, hitting and fielding well behind Pancho Nakashima, while the Vets' George Shimizu was combed for some solid blows and received support which was somewhat less than sensational. The tide started to turn in the last of the fifth, when Nakashima lost the edge of his control and Vet power started to assert itself, four big runs crossing the plate with Kiyohara's triple and Yamaguchi's double the big blows. White River came back with 2 more in the sixth to lead 7-4

but were shut out thereafter, as Shimizu settled down in the late innings. The Vets hopped on George Fujimoto, who succeeded Nakashima on the hill, for two runs in the eighth, and finally won out in the last of the ninth with the necessary two counters. Kiyohara led off with a double to center, scoring the tying run on Matsushita's sharp single over second base. After the Vets had filled the bases and with one out, Jo Ino Kesamaru waded Fujimoto out for the full count and finally drew a walk to break up the ball game.

Rick Tanagi led White River's attack with four straight hits, while Kiyohara of the Vets had a single, double, and a triple. The Vets outthrew their opponents, 13 to 8.

NOTE OF APPRECIATION

While on the subject of baseball, it should be remarked that thanks are due to the following business firms, each of whom donated \$15.00 for those snappy warm-up jackets now being sported by the Nisei Vets baseball team:

Richard's Jewelry, Tsuneishi Optometrist, Nakamura Jewelry, Takano Studio, Sakahara Insurance, Karikomi Insurance, Chick's Ice Creamery, International Realty, Tashiro Hardware, West Coast Printing, Mitch's Cleaners, Rosie's Cafe, Evergreen Tavern, John's Market, N. P. Hotel, Hashidate Baths & Laundry, Gyokko-Ken Cafe, and Crown Furniture.

NVC's hustling Athletic Chairman JOE NAKATSU, who contacted the above firms, wishes to add his personal thanks to each supporter of the ball team. Many other individuals would gladly have

purchased a jacket for the ball team, according to Joe, but were not contacted inasmuch as only 18 jackets were needed and all of Joe's initial contacts were successful. In addition to the above donations, \$5.00 each were contributed for the Nisei Vets team by Mr. Paul Horiochi and the Goshu Drug Store.

HERE AND THERE

A regular monthly meeting of the NVC will be held this Friday (May 7), at the usual time and place. As might have been expected with two top Nisei teams being featured, a large crowd of Japanese was on hand to witness the Nisei White River game. Although a few raindrops fell during the ball game, the weatherman obligingly held off until Kesamaru drew his walk to force in the winning run. Within a minute thereafter, the rain poured down, but nobody cared. Good timing, we'd say!

You will find it less easy to uproot faults, than to choke them by gaining virtues.—Ruskin.

Shewo Kawrye May Think Differently

Our bowling expert, Shewo Kawrye, may think differently but this columnist's all-star lineups in the Nisei Commercial League, the City Merchants League and the SNGBO (Seattle Nisei Girls' Bowling Organization) for the '47-'48 season are as follows:

NISEI COMMERCIAL LEAGUE

Tak Shibuya, average 182—Tak is generally considered the number one Nisei bowler this season. As anchor man for the "loaded" Shanty Inn five, he was a dangerous pin-smasher.

Tommy Namba, average 179—One can't overlook Tommy who was the chief reason in the Kashiwagi drive for the NCL championship. His late spurts gave Kashiwagi's many a breathing spell.

Nobi Takahashi, average 178—Here's the most spectacular trundler in the group. Throwing a smooth-rolling ball into the 1-3 pocket, Nobi comes up with phenomenal scores occasionally. A Shanty Inn star, he is a man to watch in a hot tournament.

Bill Tanaka, average 177—Nothing sensational but cross-firing Bill is consistent—and we do mean consistent. He was the key to Paramount Cafe's successful climb to the upper bracket of the NCL.

Manabu Fujino, average 176—His scores are as tall as he is tall physically. Manabu, Kashiwagi's anchor ace, had a vicious ball which sizzled its way into pocket habitually.

CITY MERCHANT LEAGUE

Biff Ihashi, average 173—No all-star lineup would be complete without veteran Bill who steered Jackson Grocery to a fair place in the CML sun. Bill, a Franklin high school sport letterman in his younger days, carries on well, and perhaps, is the coolest number in the league.

Tuck Tada, average 172—Karikomi Insurance's kegling whiz, Tuck displayed some terrific tenpin-topping exhibitions. Although he is reported to be a first-year man, he has caught on fast to the knack of getting his share of strikes and spares.

Art Segimoto, average 169—Quiet, soft-spoken Art, who led off for International Realty, knocked out a wholesome supply of maples in a recent house handicap tournament, finishing first. Art's success may be laid to his steady spare shots.

Tom Hidaka, average 165—Like his brother, Frank, Tom also is a nifty on the alleys. Trim and accurate-tossing Tom, who rolled for Karikomi's title team, stayed in the "Big Ten" throughout the season.

Fred Takagi, average 165—Main Bowl's manager, Fred is well-liked and popular with the fellows. Not only that, he has the respect of many bowlers as far as his kegling ability is concerned. Right now, he is fast turning into one of the top-notchers in local circles.

SNGBO

Jean Terao, average 160—Jean is a unanimous bowling choice in any man's language. Deadly on her spares, she easily rates as one of the outstanding Nisei girl bowlers in the country. She was Frank's Jewelry's best pin winner.

Jean Numoto, average 154—She's the reason for China Import & Export's strong bid for the SNGBO championship. A fancy flinger, she is an up-and-coming trundler.

Yo Kitayama, average 150—A stylist if there ever was one, Yo is a smooth competitor. She throws naturally, definitely at home with the best of girl bowlers. She also is Frank's Jewelry contribution to the all-star team.

Rose Young, average 148—This Chinese lassie gave Frank's Jewelry much strength with her consistent scores.

Joanne Furuta, average 147—Mrs. Furuta, the only married woman in the all-star group, was an inspiring factor in Tokuda Drug's winning the title. Steadiness was her main asset.

NISEI VETERANS NINE OPENS P. S. SEASON WITH 2 VICTORIES; WHIPS DES MOINES, WHITE RIVER

The Nisei Veterans, blue section champions in the Puget Sound Baseball League, began their '48 campaign last week-end by tripping Des Moines, 9 to 5, on Saturday, and downing White River, 8 to 7, on Sunday, both at Rainier (Columbia).

The Des Moines mission was easily accomplished as Edo Sasaki was in excellent form, but the White River battle turned out to be a "Worry, Worry, Worry" affair. The Vets, in the White River tussle, had to call on Duffy Kiyohara and Ted Matsushita to hit hard in the late phase of the game.

DECISION WHITE RIVER, 8-7 IN ALL-NISEI AFFAIR

Joe Kesamaru, veteran ball flash, worked George Fujimoto for a base on ball with the bases bulging, and that was the move that gave the Nisei Veterans a close 8 to 7 decision over White River A. C. last Sunday at Rainier field.

The Vets were trailing throughout the game until the final half of the ninth.

White River's Rik Tanagi who cracked out four clean singles in his first four jaunts to the plate until he grounded out to second on his fifth trip, was leading batsman of the day. Duffy Kiyohara, Ted Matsushita and Yosh Fujiwara were the Vets' hefty sluggers. Kiyohara came through with a triple, a double and a single in five tries.

DEFEAT DES MOINES, 9-5, IN SEASON OPENER

Let it not be said that the Nisei Veterans are not pointing to another successful year in the blue section of the Puget Sound Baseball League.

In their opener last Saturday at Rainier field, the Veterans, employing their star hurler, Edo Sasaki, dumped Des Moines, 9 to 5. Sasaki whiffed ten in a nine-inning stretch and gave up eight hits to mow down his foes. He struck out Wray, Benjamin and Entrop in that order twice, once in the second and the other time in the fourth.

Determined to start the season right, the Veterans worked on rival pitcher Entrop early, chalking up a run in the first, two runs in the second, another run in the third, four in the fifth, and the final run in the seventh. Yosh Fujiwara, centerfielder, connected for a triple and two singles, and Jimmy Yamaguchi, third sacker, two singles.

The Vets' four-run spurt in the fifth counted on Yamaguchi and Polson Kato's singles.

Sasaki, in the meantime, sailed along fairly well until the upper half of the seventh when Des Moines loaded the bases. Remick popped out to shortstop Tak Yagi but catcher Novak singled to score Case and Bess. The young slab ace, however, put out the threatening rally by striking out Moss and forcing Wray to retire on an infield fly.

The Four Roses had a tasty swig of a 3-1 triumph over the Four Lorns. Hotshots were Hero Nishimoto of Four Roses with a 574, and Biff Ihashi of Four Lorns with a 538.

The two other contests ended in a 2-2 tie between Kutchnicks and That's All, and a 3-1 win for 'I' SOS over the Railroaders.

Spectacular Morrie Yamaguchi contributed a generous 249 in an equally generous 579 series to pace That's All. Bill Tanaka with 553 was Kutchnicks' top man, and Jack Nitta, 'I' SOS' best.

Boyd Passes Out Rishso Awards

Gene Boyd, director at Collins playfield, did the honors in the presentation of awards at a social held last Saturday for participants in the Nichiren Rishso Table Tennis Tournament in the Nichiren church hall.

Award winners were THE NORTHWEST TIMES, men's championship squad; Methodist girls' championship team, and Nobi Suyama and Mary Saito, mixed doubles champions.

THE NORTHWEST TIMES team, consisting of Mas Muramoto, Nobi Suyama and Sab Tsuboi, received two trophies, a permanent cup and a perpetual trophy. The Timesmen must win two more times to gain permanent possession of the perpetual award.

The Methodist girls' title-earning outfit comprised of Kiyu Kanda, Tomo Iwasaki and Amy Chikamura.

MERCHANTS, RISSHO ALSO WIN AS N. W. TIMES LEAGUE STARTS; HORIUCHI'S PULL TRIPLE PLAY

THE NORTHWEST TIMES Baseball League, now in its second year, started out in a typical fashion last Sunday. Some scores indicated spring football is in full swing.

Defending championship Lotus Mercury, behind the stellar flinging of Tinky Terada, gave the Lotus Ashuras a sound, 25 to 4, thumping at Delridge Park.

Leading title seeker, Fife A. C., traveled all over the South End Travelers to win by 26 to 3 at Jefferson Park.

In other NORTHWEST TIMES circuit openers, the South End Merchants drubbed the Savoy's, 9 to 7, and Rishso Athletic Club trimmed Horiuchi's, 6 to 5.

FIFE SPANKS TRAVELERS; WINS EASILY, 25-5

Demonstrating a batting punch resembling that of the American League Boston Red Sox outfit, Fife A. C. pounded out 25 hits for 26 runs to knock over the South End Travelers, 26 to 3 last Sunday in a NORTHWEST TIMES Baseball League opener at Jefferson Park.

While pitcher Joe Asahara was limiting the Travelers to three scattered hits, Fife's power hitters went on a mild rampage. Five Fife men—George Tanabe, Frank Shigeo, Kiyo Okada, John Asahara and Lloyd Shimizu—collected three blows apiece. Two of Shimizu's base hits were home runs. Sam Mitsui of the Travelers leaned on one of Asahara's pitches for a circuit clout.

WEST TIMES Baseball League opener last Sunday at Highland Park. Akada was helped greatly by left fielder Kiyo Sakazaki's double and two singles in four trips to the plate.

In the fourth inning, Nobi Suyama, second baseman turned pitcher, started what is believed to be the only triple play ever recorded in a Nisei diamond league here. Suyama, who at the time was pitching, fielded Jim Akutsu's ground ball, threw the ball home to Hank Obata, catcher. Obata and L. Kozu, third baseman, ran down Sad Ishimitsu on third, not realizing that the bases were full. One out. Yosh Hara.

S. E. MERCHANTS OUTHIT BUT BEAT SAVOYS, 9-7

Taking every advantage of their opponents' miscues, the South End Merchants put in their bid for the NORTHWEST TIMES Baseball League title by setting back the Savoys, 9 to 7, last Sunday at Garfield playground.

The Savoys pilled up three runs with five hits in the fourth but the Merchants retaliated with five runs on two hits in their half of the

inning. Shig Watanabe lashed out with two one-basers for the winners, and the Yoshinaka brothers and Shibata were the Savoy's plate stars with two apiece.

The triumphant Merchants scored their winning run on Raymond Sasaki's single in the fifth.

MERCURY WALLOPS ASHURAS IN TIMES OPENER, 25-4

Lotus Mercury, coached by easy-going Tommy Sakal, opened its '48 defense of the NORTHWEST TIMES Baseball League by slaughtering the Lotus Ashuras, 25 to 4, last Sunday at Delridge Park.

Willie Kawata's homer with the bases drunk in the wild second inning with a hit netted 11 tallies. Blotz Suyama's four for four, and Toki Mizuki's three out of three

headlined the Mercury nine's offensive. Koichi Suto, pre-war Lotus Lancer slugger, sent two skirting the bases for home plate for the Ashuras with his round-tripper in the third.

C. . . the Jackson St. Community Council's softball tournament should provide a lot of fun for those men who are out of the hardball baseball stage. . . from the YWCA comes the report that more Nisei girls are learning to swim, a strange cry from pre-war days when Japanese American lassies shunned the water sport. . . MERCURY WHIPS BLOWERS, 4-0, IN TEEN LOOP

NISEI TEEN-AGE LEAGUE STANDINGS

Team	W	L
Mercury	4	0
Snips	3	1
Cold Spots	1	3
Flopy Blowers	0	4

Results in Brief
Mercury 4, Flopy Blowers 0
Snips 3, Cold Spots 1

A fairly reasonable facsimile of its baseball prowess was demonstrated by the Lotus Mercury outfit as the Nisei Teen-Age bowling league opened last Monday night in Main Bowl.

The Mercury youths, featuring Blotz Suyama's high 205 game in a 461 series, blanked the Flopy Blowers, 4-0. Roy Kawaguchi, the Blowers' leadoff man, was high series roller of the night with steady games of 158, 167 and 166 for a 491.

In the only other match, the Snips froze the Cold Spots to a 3-1 defeat. Jimmy Nakamura of the Snips piled up a 177 in the second game of an otherwise mediocre 413.

The results follow:
MERCURY (4)—Yosh Shiota 432, Osa Edamura 410, Tommy Deguchi 436, Joe Yoshitake 451, Blotz Suyama 461; FLOPY BLOWERS (0)—Roy Kawaguchi 491, Bobby Yasunobu 353, Tinky Terada 333, Sammy Shimizu 418, Shobo Tanaka (one game) 103, Gaylord Iwasaki (two games) 234.

SNIPS (3)—Kenzo Nagamatsu 390, Toru Okada 397, Lloyd Omura 448, Jimmy Nakamura 413, Manabu Jinguji 393; COLD SPOTS (1)—Tommy Koizumi 365, Terry Yoshino 324, Jumbo Osawa 415, Kiyoyoshinaka 391, Hank Shibuya 423.

You cannot be buried in obscurity: you are exposed upon a grand theater to the view of the world. If your actions are upright and benevolent, be assured they will augment your power and happiness.

Old Record Discloses Japanese Ran 100 Yards in 9 2/5 Seconds

SAN FRANCISCO, Calif., May 5 (Nichi Bei Times Dispatch)—This Olympic year serves to call attention to some remarkable man-made speed performances of another generation, Russ Newland, local sports writer, calls attention to an almost-forgotten record set by a Japanese in a Chronicle article.

The A.A.U. official record book lists records recognized by the International Amateur federation, but there is no mention of a 9 2/5 seconds 100-yard dash by Minoru Fujii of Japan in 1902, he said.

The local sports expert disclosed that the late Tom Andrews of Milwaukee, Wis., whose books settled many arguments in the early part of this century lists the feat of the swift Japanese.

Newland writes:
In his 1910 compilation, Andrews refers to it as follows:
"100 yards—9 2/5 seconds. Minoru Fujii at Tokyo University, Japan, November 14, 1902, on the grass. Sworn to by officials of Tokyo University."

Stopwatches are split into tenth-seconds now. The world's record for 100 yard is 9.4 seconds, set by Frank Wykoff in 1930 and equalled by Jesse Owens and Clyde Jeffrey five and 10 years later, and by Mel Patton of USC last year.

According to a record book 38 years old, the Japanese ran it in similar time before any of the listed holders were born. Has this unheard of sprinter been denied his just due all these years?
Fujii reportedly ran it on turf, which is slower surface than our dirt-cinder strips. If the time was accurately clocked, and who can prove it was not, the Oriental flyer

Hair Beauty secrets... by toni

Is your face round? Is it square? Is it heart shaped? It's important to know, because it's an important clue to how you should wear your hair. So take your lipstick and stand in a good light before your mirror. Then close one eye and carefully outline the shape of your face in the glass. Next, take the lipstick impression off the mirror by pressing it off onto a piece of paper. You'll then have a perfect picture of the true shape of your face, and a guide to the right home created hair-do for you! Watch for future appearances of Hair Beauty Secrets and learn just how you should wear your hair.

Japanese Go All-Out to Marry In Mass Matchmaking Outing

TOKYO, May 5—History has changed rapidly. Let us have democracy in marriage.

This was the slogan of 3,000 Japanese men and women as they gathered recently at the banks of sunny Tama river in Tokyo's suburbs in quest of spouses.

They had responded to an invitation by the publisher of the Japanese magazine, Marriage, to attend the mass matchmaking promotion outing.

Owners of the marriage ceremony halls and photographers donated an arch they named "Gateway to Marriage," which was placed conspicuously on the river bank to attract the spouse-seeking visitors.

A private detective agency had a temporary office functioning, with the sign, "Do not stumble after marriage. Get information about your life mate before marriage."

Thousands of "outsiders" who looked on expressed amazement at the spectacle of the open air courtship.

"Snakes Poison Only Their Enemies"

The belief that snakes use their poison to kill only in defense is erroneous. Their poison fangs are used primarily for killing food and secondarily for defense. Snakes are immune to their own poison when it is swallowed.

"A Rusty or Dented Can Means Spoiled Food"

Incorrect! The canning process destroys the spoilage organisms and the hermetic seal protects the contents from contamination. As long as this seal is unbroken, dents or rust on the container have no effect on the contents.

Ishikawa Points out Disabilities Facing 'Ineligible' Peoples

WASHINGTON, D. C., May 5—Legal and other disabilities to which Japanese and others "ineligible to citizenship" are subjected as a result of federal exclusion laws and the effects of these statutes on United States' relations with Far Eastern countries were outlined last April 21 by Sam Ishikawa in an address he gave before the 75th anniversary meeting of the National Conference of Social Work at Atlantic City, New Jersey.

Speaking before a joint luncheon of the National Council on Naturalization and Citizenship, American Federation of International Institutes, and the Common Council for American Unity, held in conjunction with the anniversary conference, Ishikawa urged support of the Judd bill which would eliminate provisions in U. S. immigration laws which form the basis for these disabilities. Passage of the Judd measure, he said, would strengthen

America both at home and abroad, pointing out that this legislation already has the support of responsible Administration quarters.

Ishikawa substituted for Mike Masaoka, national legislative director of the JACL ADC, who was forced to remain here because of his heavy legislative schedule. The eastern JACL director also substituted for Masaoka on a lecture tour of Vermont arranged by the Vermont Forums. Ishikawa spoke in Bennington, Rutland, Burlington, St. Johnsbury, Brattleboro and Randolph. The object of his speaking engagements was to acquaint the people of Vermont with the problems of the Japanese Americans. Bradford Smith, authority on the evacuation, is executive director of Vermont Forums.

This Saturday, May 8, both Masaoka and Ishikawa will attend the inaugural of the New England chapter, which is being formed in Boston. Masaoka will address the group.
