## Nishimura Chosen Buddhist Head

CHICAGO, ILL., July 14—Tosh Nishimura, former Seattle resident, recently was installed as chairman of the Board of Directors of the Midwest Buddhist Church.

Two other ex-Seattlites also were named to the board. Kats Suzuki was chosen vice chairman, and Tak Hirai, men's athletic chairman.

Each mind is pressed, and open every ear, to hear new tidings, though they no way joy us.

## Tanabe Resigns JACL Position

SALT LAKE CITY, Utah, July 14—The resignation of Eiji Tanabe as Pacific Southwest Regional JACL Director was announced this week "with regret" by Acting National JACL Secretary Masao Sato. Tanabe's resignation took effect last June 30, but he consented to serve on a part time basis until July 15th.

Sam Ishikawa of the Eastern office will be shifted to the Los Angeles office and will serve until the 10th Biennial convention when more permanent adjustment will be made.

National President Hito Okada commented that "Eiji has rendered an invaluable service to the organization and to the people in a difficult situation" as he noted that many problems of adjustment had to be dealt with as the evacuees returned to the Southern California area.

President Okada further announced that Tanabe has accepted the chairmanship of the JACL National Committee on Issei Relations. Working with Tanabe on this committee will be Ken Sato and Ed Matsuda of Denver; Edwin Matsura, San Benito County Chapter; George Inagaki, Venice; Jean Otani and Jim Kamei of St. Louis; Rotu Ikeda and Mrs. Josie Ikeda of Seabrook; Manabu Yamada, Boise Valley; John Kubota, Tulare County; Tom Kadamoto, Arizona; Ben Terashima, Salt Lake City; Mrs. Yurino Starr, New York City; Roy Mizukami, Los Angeles; Roy Nakatani, Ogden; and Masuji Fujii of Eastbay Chapter.

Let him that would move the world, first move himself.—Socrates.

## President's Convention

PHILADELPHIA, PA.—(Soundphoto)—This general view of the thronged Convention hall was taken at the official opening of the GOP drive for the presidency. It will soon be duplicated by the Democrats.

## Tried For Treason

LOS ANGELES, CAL.—(Soundphoto)—With lowered head, Tomoya "Meatball" Kawakita enters federal courtroom here, where selection of a jury to try him on treason charges takes place. The California-born Japanese is accused of "giving aid and comfort" to Japan during the war, and of many acts of brutality against American prisoners in a camp at a Jap nickle mine where he was interpreter and foreman. The handcuffed prisoner claimed that he was a Japanese citizen, not American, and therefore cannot be charged with treason. It is believed to be the first treason trial in western history.

## CITY OF ROSES PAYS TRIBUTE TO GI DEAD

PORTLAND, Oreg., July 14—Tribute was paid to 15 local Nisei war-dead by 100 Issei and Nisei at the local JACL's annual Memorial Day services at the Japanese Rose City Cemetery last May 30. Charles Shimomura served as chairman. JACL's floral wreath honoring the war deads was placed by Dr. Nakata, JACL cemetery chairman. Gold Star mothers and the next of kin of the deceased were introduced.

The Rev. Kimura of Henjyoji who gave the invocation was assisted by the Rev. Hirayama, Nonko Kyo; the Rev. Arakawa, Nichiren; the Rev. Okayama, Buddhist; and the Rev. Hayashi, Epworth Methodist Church.

Speakers included Toshi Kuge, president JACL; George Marumoto, president Oregon Nisei Veterans; and Dr. Takeoka, Issei representative.

The Nisei war dead include Paul Hashimoto, Frank Hachiya, Jim Kokubu, Tom Kuge, George Masuoka, Roy Morihoro, Roy Naemura, Stanley Oba, Kasa Saito, Shin Sato, Tom Takemoto, George Yamaguchi, Alfred Nakata, Johnny Kyono and George Maeda.

## Hot Dog!

A beach picnic is always fun, and doubly so when someone like Virginia Mayo, starring in Samuel Goldwyn's "A Song is Born", is around. Of course, there's usually a photographer on hand to take a picture! In this one, Virginia has just unpacked the food and the paper napkins; and wisely holding a paper napkin around a hot dog, she prepares to enjoy it.

## Three Injured In Accident

WEISER, Idaho, July 14—Three Nisei were injured in an automobile collision last Fourth of July near Weiser Junction.

Injured were Dan Hinatsu, broken ribs and internal injuries; Yas Teramura, severe knee bruises, and Kaz Yamaguchi, Victor Hinatsu and George Takao escaped injuries but were treated for shock.

The accident occurred on the morning of the Fourth as Teramura was driving his automobile along a straight highway when an auto suddenly pulled out of the oncoming line of cars to pass another vehicle and collided head on with Teramura's auto.

## NEW MEN URGED TO SIGN UP FOR ALASKA CANNERY WORK; 700 TO 800 STILL NEEDED

With more than 700-800 workers still to be dispatched to Alaska for work in salmon canneries, Prudencio P. Mori, secretary of the Alaska Cannery Workers Union Local 7, urged new men to sign up immediately for clearance so that they will be eligible at the time of dispatching.

Mori emphasized that there are 14 more dispatching dates listed which will give new members a good chance to go up to Alaska this season.

The following dispatching dates were announced today by Local 7:

July 14—Orca, 9 a. m.  
July 16—Wards Cove, 9 a. m.

July 20—Wards Cove, fill in, 9 a. m.  
July 23—Craig, 9 a. m.  
July 26—Tyee, 9 a. m.; Waterfall, 10:30 a. m.; Hawk Inlet, 2 p. m.;  
July 28—Chatham, 9 a. m.; Hidden Inlet, 11 a. m.; Hood Bay, 3 p. m.  
July 29—Ketchikan (New England), 9 a. m.; Wrangell, 1 p. m.

New men are to report to the secretary's window in the top floor of Local 7 union hall, 221 2nd Ave., for clearance cards, Mori explained. The dispatching will be completed at 110 Cherry street.

For those in the Portland area, two dispatching schedules were announced, both on Tuesday, July 27. Those going to Kasaan will be dispatched from 9 a. m., and Ketchikan (Fidalgo) from 1 p. m. The union hall is located at 310 N.W. Everett, Portland.

## Civic Unity Group Moves Offices

Office of the Seattle Civic Unity Committee, a Red Feather service of the Seattle-King County Community Chest, has been moved from the Second and Cherry Building to 417 E. Pine St., Henry Elliott, committee president, announced yesterday (Tuesday). New telephone number is MInor 2727.

Reason for the move, according to Elliott, is to prove a more centralized location and more convenient parking for Seattle and King County residents who visit the office for information and advice.

"Seattle is becoming increasingly important as a world port," Elliott said. "There are a great number of foreign students at the University and they, as well as all other Seattle residents, have found the facilities offered by our organization of vital importance."

Elliott pointed out that the Committee has speakers and films available to organizations who wish to use them.

The Civic Unity Committee was established in 1944 by Mayor William F. Devin to aid in lessening racial tensions in the Seattle area. It became one of the Community Chest's Red Feather agencies last year. Services provided by the organization consist of establishing a central clearing house for all organizations and committees working on problems involving minority groups; maintaining up-to-date files with factual information regarding minority groups in Seattle; studying specific incidents of discriminatory practices, and carrying out a community educational program working closely with Seattle Public Schools, the University of Washington, government agencies and city government and civic organizations.

Mrs. Irene Miller is executive secretary of the committee.

## Sees Large Pack At Bristol Bay

Since this is the cycle year of the famed Bristol Bay red salmon run, George Keloz, supervisor of the United States Fish & Wildlife Service in Alaska, predicted that this year's pack will probably be one of the area's largest.

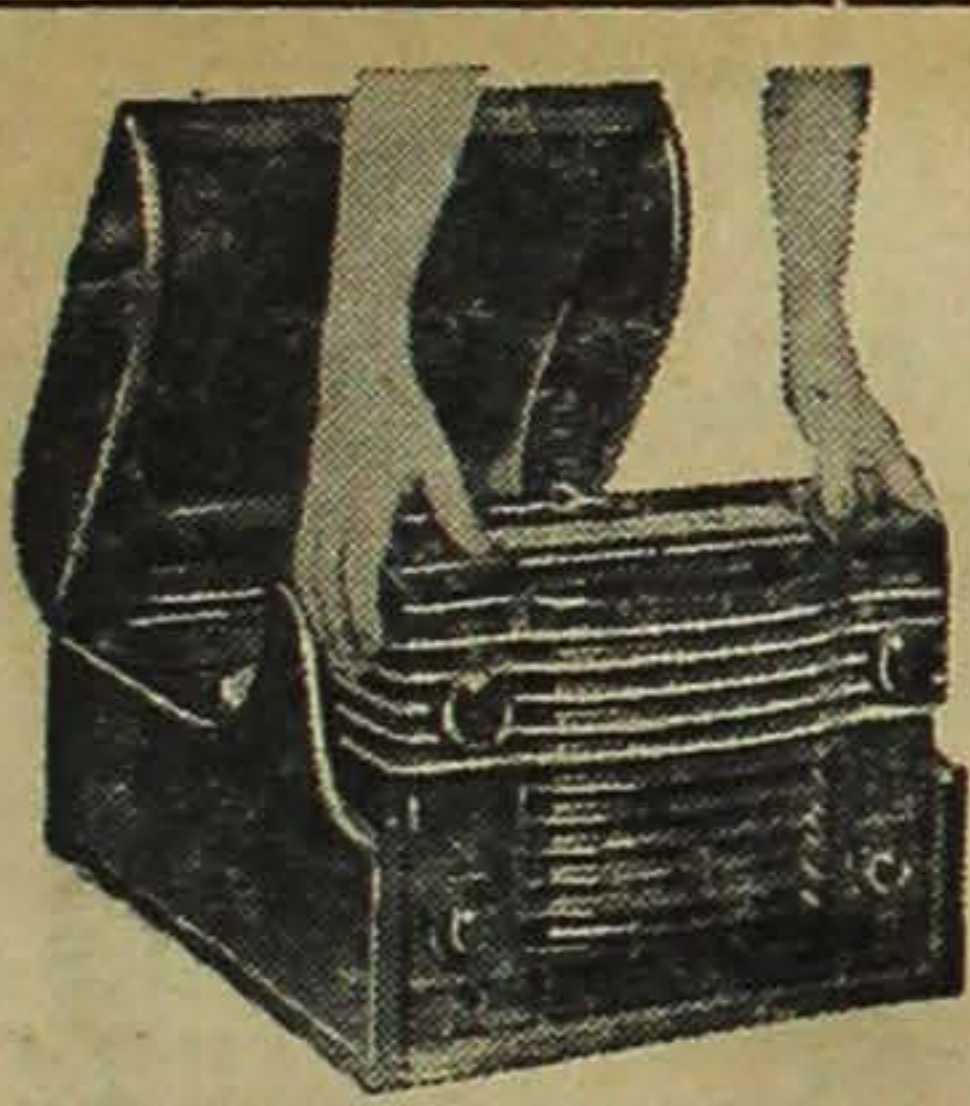

The biggest red salmon pack in history was in 1938, and another big run occurred in 1943. The red salmon run comes in five-year cycles, which will make this year the year of another big run.

"The cannery workers strike threat before the start of the season slowed cannery preparations and may cause the total pack to be slightly lower than the excellent run would indicate," Keloz said.

You will find it less easy to uproot faults, than to choke them by gaining virtues.—Ruskin.
