## Masaoka Will Visit Key Communities To Get Suggestions on Handling of Wartime Japanese Evacuation Claims

WASHINGTON, D. C., July 17—In order to obtain the suggestions of all interested Issei and Nisei on the handling of evacuation claims and to report on the activities of the Washington Office, Mike Masaoka, national JACL ADC legislative director, this week started a flying visit to several key communities.

Masaoka is expected to not only report on some of the problems involved in the recently enacted law but also to consult with all interested parties on the most expeditious manner in which these evacuation claims might be processed. The results of his findings will be presented by Edward J. Ennis, special counsel, and Masaoka to the Attorney General as representing the views of the evacuees themselves, the beneficiaries of this JACL sponsored legislation.

Expressing regret that time would not permit him to visit every community where persons of Japanese ancestry reside, Masaoka declared that he hoped that all interested Issei and Nisei, in the various areas would be able to attend the public meetings and to contribute their ideas.

The meetings would be open to the public and not confined to JACL ADC members and contributors. Masaoka emphasized, pointing out that the JACL organization has always served the entire group without regard to support or membership.

In order that those who are unable to attend the special meetings will be able to participate in the program, Masaoka expressed the hope that JACL ADC regional representatives would be able to visit other localities where chapters are in existence after his meetings.

Masaoka left Washington Wednesday evening, July 14, arriving in Salt Lake City, the following morning. At National Headquarters, Masaoka will discuss his report-consultation tour with Hito Okada, national president, Mas Satow, national secretary, and possibly Saburo Kido JACL legal counsel.

He will leave for San Francisco on this morning, July 17. Meetings are being planned for him on Saturday and Sunday. San Francisco was selected as the first meeting place because the Northern

California area has contributed most to the JACL ADC fund drive during the past three years, the Washington Office of the JACL ADC disclosed.

Masaoka will be in Los Angeles on Monday and Tuesday, July 19 and 20. He will fly to Denver on Wednesday morning, July 21. After spending two days there, he will fly to Chicago, meeting with the Midwest group on Friday and Saturday, July 23 and 24. He will leave by Sunday morning plane for Washington on July 25.

Sam Ishikawa, Eastern Regional Representative, who aided Masaoka in Washington during the final weeks of Congress, is accompanying Masaoka to Salt Lake City, San Francisco, and Los Angeles. He will remain in the Southern California metropolis to supervise temporarily the Pacific Southwest Office of the JACL ADC.

## Satow to Skip Tour of N. W.

Contrary to the reports from the Southland, Masao Satow, acting national Japanese American Citizens League secretary, will skip the Pacific Northwest when he starts on a tour to give his personal report of "What's Behind the News in Washington."

Satow, accompanied by Joe Grant Masaoka, California regional JACL ADC director, was scheduled to speak in Portland, Mid-Columbia-River, Seattle, Puyallup-Tacoma and Spokane the early part of August.

The JACL aide, however, will tour Northern California as he originally planned.

In his letter to Toru Sakahara, local JACL chapter leader, Satow expressed regret that he would be unable to visit the Pacific Northwest due to "heavy convention demands."

## Democrats Name Truman, Barkley For November U. S. Election

PHILADELPHIA, Pa., July 17—The Democratic national convention this week nominated President Harry S. Truman and Sen. Alben W. Barkley of Kentucky as its 1948 presidential and vice presidential candidates.

In doing so, the Demos also adopted "civil rights" platform over angry protests from the Mississippi and Alabama delegation.

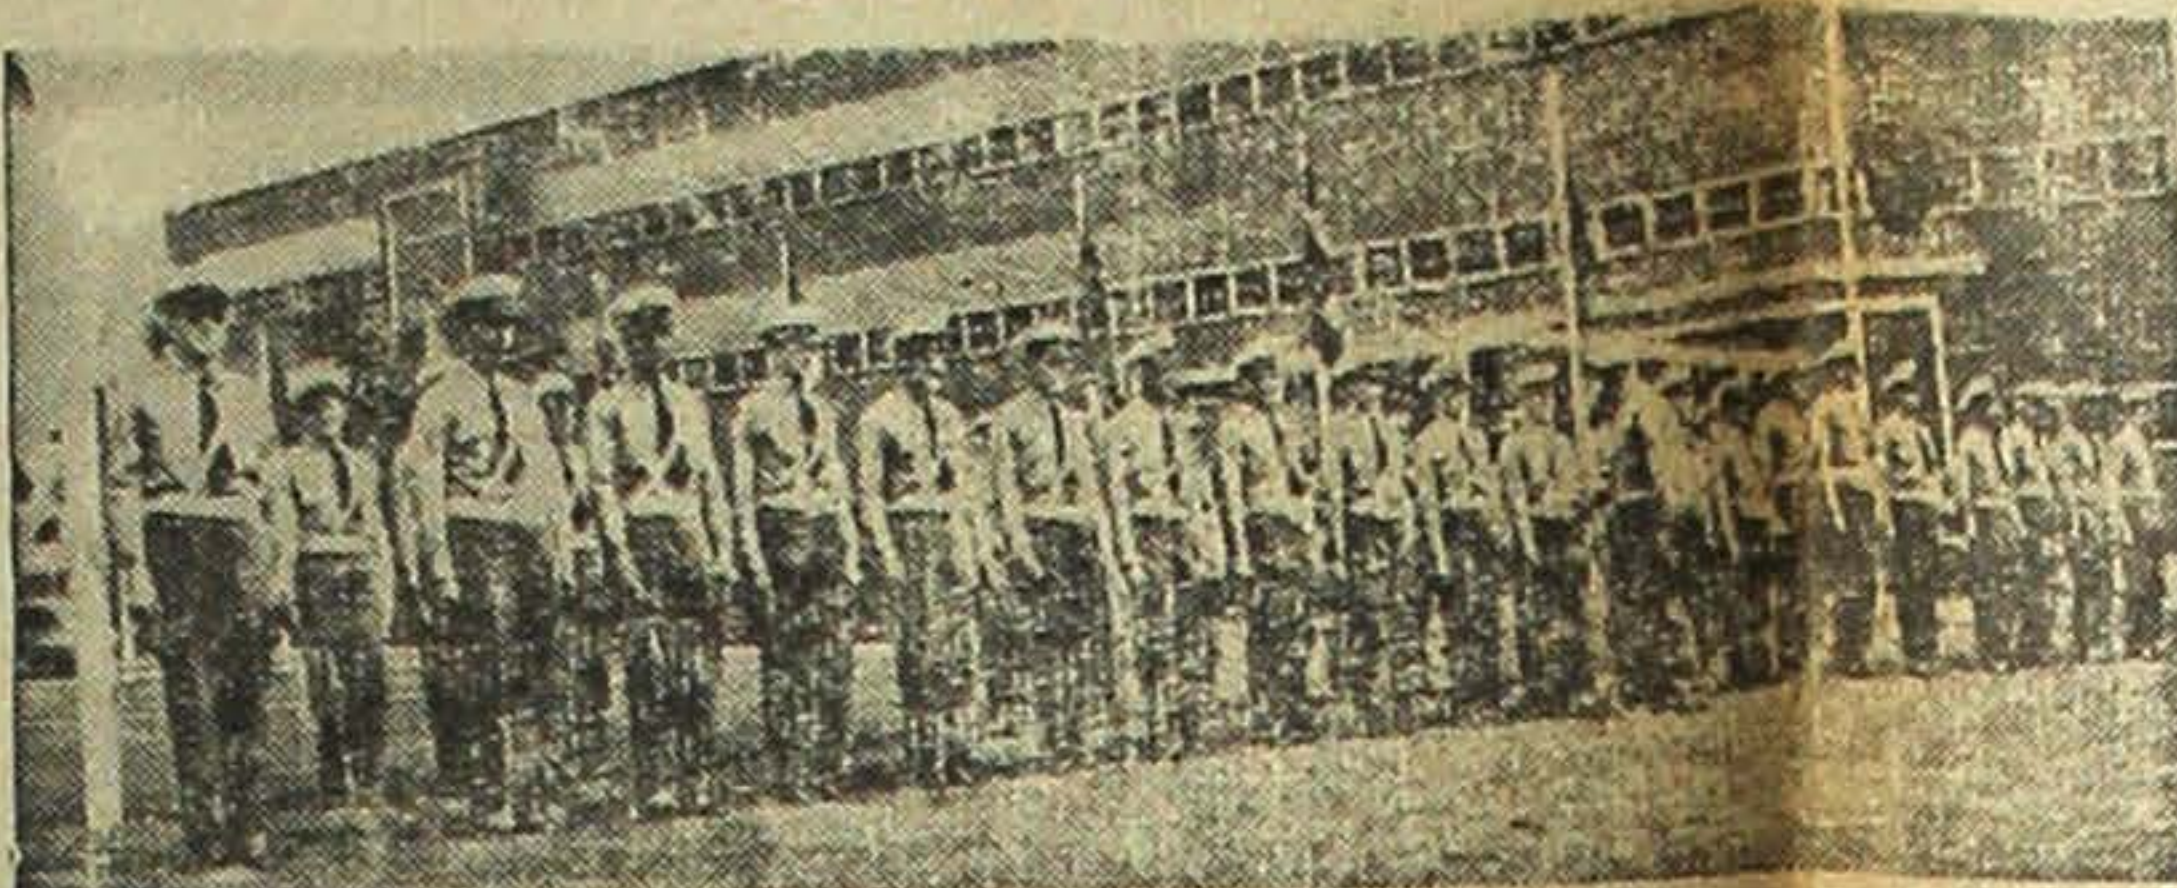

The amended and strengthened civil rights plank, as finally approved by the Democratic convention, states:

"The Democratic Party is responsible for the great civil rights gains made in recent years in eliminating unfair and illegal discrimination based on race, creed or color.

"The Democratic Party commits itself to continue its efforts to eradicate all racial, religious and economic discrimination.

"We again state our belief that racial and religious minorities have the right to live, the right to work, the right to vote, the full

## U.N. Guards

NEW YORK, N. Y. — (Soundphoto)—An advance contingent of the 50 guards who have been assigned by the United Nations to Count Folke Bernadotte, U.N. Mediator in Palestine, left by chartered plane from Laguardia airport here. The guards will be used primarily to supervise application of truce provisions applying to the supply route from Tel Aviv to Jerusalem. In picture, Lt. John J. Casgrove Jr. is inspecting the group before they enplane. The guards have been drawn from the regular roster here and will be replaced by temporary substitutes.

## CARE, Through Allied Chief, Discloses Extension of Parcel Service to Japan

NEW YORK, N. Y., July 17—At the request of General of the Armies Douglas MacArthur, Supreme Commander of Allied Forces in the Pacific, CARE announces the extension of its non-profit gift parcel service to Japan.

The announcement is made today simultaneously from Tokyo by Brigadier General Crawford F. Sams, Chief of SCAP's Public Health and Welfare Section, and from New York by Paul Comly French, executive director of CARE.

A special Japanese food package, containing items most necessary and most acceptable in Japan, has been designed by leading nutritionists, conversant with Japanese food needs today. Ten thousand of these packages are now in Japan, ready for distribution to beneficiaries. Complete cost of the parcel, including guaranteed delivery, is ten dollars.

French explained that CARE is the only registered agency through which individuals in this country can send supplementary food to designated relatives and friends in Japan. All other relief agencies serving the country distribute supplies through LARA (Licensed Agencies for Relief in Asia), which determines the groups and institutions to receive them.

CARE, French said, will not attempt a broad, general relief program in Japan, but will provide a non-profit and guaranteed channel through which individuals and groups here can assist their relatives, friends, and designated groups. He said that CARE has successfully operated on this basis for a little over two years in 15 European countries, and has delivered 15 1/2 million parcels.

"In Japan," French said, "the agency for general relief is LARA. While many of the 26 member agencies of CARE are also members of LARA, the work of the two groups will supplement each other. LARA's member agencies ask contributions from the American people for the support of its work, while CARE accepts orders for its standard gift package to individuals and groups."

The contents of the CARE Japanese package, which weighs 29 pounds gross and contains 23 pounds net of food, are:

Flour	2 lbs.
Rice	5 lbs.
Kidney Beans	1 lb.
Miso	2 lbs.
Shoyu	1 Pint
Vegetable Oil	24 oz.
Beef in Natural Juices	15 oz.
Canned Fish	15 oz.
Apricots	1 lb.
Raisins	1 lb.
Egg Powder	8 oz.
Chocolate	8 oz.
Cocoa	8 oz.
Milk Powder	1 lb.
Sugar	2 lbs.
Salt	1 1/2 lb.
Soup Concentrate	1 1/2 oz.
Soap	6 oz.
Wash Cloth	1

CARE's operation in Japan is made possible by a license from SCAP, it is made clear in General Sams' announcement from Tokyo. This license enables CARE to bring its packages into Japan ration free and duty free.

"Deliveries to individuals will be accomplished through Japan's domestic parcel post service, each package registered and insured by CARE," his announcement continues. CARE buys its food in bulk on the American wholesale market; packages it in heavy-duty cartons at its American warehouses and ships it abroad in quantity. The parcels are stored in warehouses abroad, awaiting orders from American donors, and delivered locally from these warehouses. Bulk deliveries of CARE parcels in Japan, such as deliveries to institutions, orphan-

(Continued on Page Four)

## NLRB REJECTS PETITION BY SEAFOOD UNIT

Opening the way for the Alaska Cannery Workers' Union, Local 7, FTA (Food, Tobacco and Agricultural), to represent the cannery workers in future negotiations, the National Labor Relations Board last Wednesday denied the petition of the Seafood Workers' Union to be designated bargaining agent for 7,000 Northwest and Alaska cannery workers.

The Seafood union, the NLRB ruled, is composed primarily of foremen and supervisors and does not properly represent workers. It was organized early in 1947 by a dissident faction in the FTA.

The Alaska Cannery Workers' Union, Local 7, FTA, has its offices at 221 Second Ave. S.

## Army to Recruit 18-Year-Olds

WASHINGTON, D. C., July 17—The armed forces will start recruiting 18-year-olds next Wednesday, July 21, for one year's duty in the United States, Defense Secretary Forrestal announced this weekend.

The recruiting, according to Forrestal, will start simultaneously on July 21 by the army, navy and air force and marine corps.

Under the selective service law, the armed forces are required to enlist a maximum of 161,000 18-year-old volunteers.

The summary of good-breeding may be reduced to this rule: "Behave to all others as you would they should behave to you."—Fielding.

## DC-4 Flight Notes 1st Year of City As International Air Terminal

With the departure of a DC-4 transport from Seattle-Tacoma Airport at 8 a.m. last July 15, Seattle marked its first year as an international air terminal.

Since July 15, 1947, a steady stream of passengers and cargo have passed through the Seattle-Tacoma Airport enroute to and from the Orient. Seattle, long an ocean gateway to the Far East, became an aerial gateway when Northwest Airlines inaugurated its Orient routes a year ago.

Airlines' officials, reviewing the first year of international operations, expressed satisfaction over development of the new routes. They said that cargo and passengers are being flown to the Orient at a constantly-increasing rate. The route, which arcs through Alaska and the Aleutians, has proved one of the easiest in the world to fly. Excellent weather allowed the airlines to complete 97.79 per cent of its scheduled Orient flights.

Passengers through Seattle-Tacoma Airport have included high-ranking American and foreign diplomats, businessmen, tourists, servicemen, college professors, and Japanese prisoners who were enroute to Los Angeles to testify at treason trials.

## Post Office's Foreign Section Head In Seattle Explains Several Rules Pertaining to Parcels to Japan

Clarification of several postal regulations with reference to gift parcels to Japan was made today by Richard Strong, head of the Post Office Foreign Section.

Under a recent order, evaluation of used clothing must be made on the customs declaration card, as well as the material of the clothing. Strong emphasized that this is not a United States regulation, but a Japanese customs regulation.

Strong refuted the rumor that the sender must pay for sending used shoes and the like in addition to the postage. This probably resulted from the fact that the postal clerk asked the sender to make an evaluation of the article, the official added.

The post office also released the latest regulation governing the sending of food, mailable medicines, clothing, soap and other relief items which may be included in a single gift parcel. They are as follows:

<b>Food</b>	Assorted foodstuffs—Up to 22 pounds.
<b>Medicines</b>	Mailable medicines: Noncommercial quantities not requiring a doctor's prescription. The following specific items are specially limited to the amounts shown: Penicillin—Up to 2,000 units. Santonin—Up to 4 ounces. Phenacetin—Up to 2 ounces. Streptomycin—Up to 50 ampules or 300,000 units. Vitamins and similar products—2 dozen ampules or 1 lb. of tablets. Aspirin—2 ounces. Sulfa drugs—50 tablets.

<b>New Clothing</b>	Suits or dresses, adults—1 of each size. Suits or dresses, children—2 of each size. Underwear—6 pairs. Gloves—3 pairs. Hats, caps and the like—2 items. Socks and stockings—1 dozen pair. Boots and shoes—2 pairs. Handkerchiefs—1 dozen. Towels—1 dozen. Sheets and such coverings—5 items. Textiles for clothing, woolen—Sufficient for 2 suits. Cotton or silk cloth—Sufficient for 2 dresses. Woolen yarn—5 pounds. Cotton thread (yarn)—2 dozen small rolls. Sewing needles—2 small packets.
<b>Used Clothing</b>	Moderate quantities using the above new-goods standard as a basis.
<b>Other Relief Items</b>	Soap—2 dozen bars. Toilet goods or cosmetics—6 items each. Compacts—2 items. Handbags—2 items. Parasols—2 items. Games, balls, bats, gloves, etc.—2 each. Toys and children's picture books—reasonable quantity.

The parcels are examined on receipt in Japan, and excessive quantities of relief items will be removed from the packages and delivered to a recognized relief agency for general distribution to the needy in the area where the addressee resides.

Since, undoubtedly, there are many articles which will be presented for mailing in relief parcels other than those listed the policy of the local post office is that in the event these articles can be reasonably considered relief articles, they shall be accepted for mailing only at the risk of the sender and he or she shall be advised as to the fact.

The post office announced that the next sailing for Japan will be Wednesday, July 21, when USAT Alexander will leave for Yokohama. Gift parcels must be mailed two days prior to the sailing date to be included in that shipment.

Other sailing schedule for Yokohama for this month is as follows:

Thurs., July 22—USAT Ainsworth.  
Mon., July 26—USAT Shanks.  
Tues., July 27—Island Mail.

**JAPAN TO SEND FLOWERS FOR ELECTIONS IN U. S.**

TOKYO, July 17 — Artificial flowers—50,000 of them—are being manufactured by three Japanese makers for use in connection with the United States presidential election this fall, according to a United Press dispatch.

### On Setting up the Machinery

After two years of great effort, Mike Masaoka, national legislative director of the JACL ADC (Japanese American Citizens League, Anti-Discrimination Committee), successfully had the United States government approve the evacuation claims bill, known as H. R. 3999.

Congress passed it, and President Truman signed it.

The measure authorizes reimbursement of up to \$2,500, to each evacuee for damages to his property by vandalism or other causes as a result of his enforced movement and also for losses of personal property.

The claims, it is understood, will be limited to damages or loss of real or personal property with excusion of personal injuries, death, hardship or suffering as a basis for claims.

And in no case would a disloyal Japanese be permitted to benefit under the measure.

Now the problem today is what kind of a claims commission will be set up with U. S. Attorney General Tom Clark.

The JACL ADC, through Masaoka, will confer shortly with Edward J. Ennis, special counsel on evacuation claims problems, to prepare recommendations to the Attorney General on the machinery desired for the processing of evacuation claims. Ennis is well qualified to advise as he was the wartime director of Alien Enemy Control of the Justice Department.

No doubt, the JACL ADC will work towards simplified procedures by which evacuees who file claims can secure payment readily without recourse to extensive legal procedure.

In the meantime, THE NORTHWEST TIMES urges all JACL chapters in the Pacific Northwest to lay the groundwork needed to operate smoothly when the claims commission under Attorney General Clark is officially completed.

The inhuman Gasser "carhop" murder has accomplished at least two things, if nothing else. First, it made disgustingly deplorable reading material for sensation-craving people. Second (this one hurts), it made life quite tough for fellows with "A" references to go out on dates with girls.

A police judge in Newark, N. J., this week was held on a charge of embezzling \$657,000 from a bank. He said he lost the money at the rate of \$5,000 to \$6,000 a week, betting on horses. All in all, he used poor judgment.

## No Iron Curtain

By GEORGE S. BENSON  
President of Harding College  
Searcy, Arkansas

Looking Ahead

THE COMMUNISTIC attitude is getting to be pretty well known to Americans. Even the Iron Curtain has not been able to hold behind its barriers the ideas and thoughts of men. We have come to understand what the Russian Communists think by watching the actions of their American comrades. Everybody knows the Communist party in this country watches Moscow closely. We can believe that Moscow keeps them in line, too.

Everybody knows also that the Communist party in the United States is not very powerful. In terms of what it can do legally as a party, the average American gives it very little attention. However, what the party would do if it thought it could get away with it — that is another thing. In this respect, home-grown Communist opinion is very enlightening.

Outside RECENTLY, William The Law Z. Foster, top man for the Communists in America, told the Senate his party would not support the nation in event of war with Russia. He was testifying before the Judiciary Committee on the Mundt-Nixon bill, which would put strict controls on Communists. Foster defiantly told the committee that if the bill should become law the party would not register with the Department of Justice as required.

Foster shouted that Russia would never attack the United States. His reason: Russia is not an imperialistic nation. At the same time, he said that America has embarked upon an imperialistic program, the greatest in history. (Imperialism means the practice of seeking control or dominion over other lands and peoples). Way the American Communists have, the situation sized up bears no kinship to the plain truth in international affairs.

Any school boy knows that America has no ambitions for the control and domination of other countries. On the other hand, what Russia is doing in eastern Europe looks like the most obvious kind of "taking over."

Recognize IT IS this same Their Tactics William Z. Foster who once wrote that the Communist party would take over the United States government and liquidate the free enterprise system, along with the Republican and Democratic parties and our religious institutions.

The rankest kind of imperialism known today may be seen in the Communist Internationale, to which all world Communists are responsible. This world organization exists for the purpose of satisfying the imperialistic ambitions of Russia's political rulers. It works by boring from within. It uses Communists wherever they are. It plots the overthrow of other governments by force. It incites revolutions wherever Communists stand to gain.

Communists will continue to do everything possible, by whatever methods, to hamper domestic peace and prosperity. They seek to set worker against employer, to create costly strikes and walk-outs that cost the American public and workers billions of dollars.

The Communists did these things during the recent war. No good may be expected from them, either in time of war or peace. As good American citizens we must study their tactics, so that when we see the fruits of Communist skulduggery we can identify the tree from whence it came. As Communist tactics and ideas are made clear, everyone of us will have more appreciation for our own way of life.

## Local Program to Establish Standard For Nursery Schools in Area

Officials of the Council of Social Agencies, a Red Feather service of the Seattle-King County Community Chest, have voted to cooperate with the Puget Sound Association for Nursery Education in a program to establish minimum standards for nursery schools in Seattle and King County. George Fahey, Chairman of the Council, announced this week.

First step in the program, according to Mrs. R. L. Baker, president of the Puget Sound Association for Nursery Education, is to visit the schools at their invitation. During the visit, representatives of the Nursery Association will talk with the personnel and see what physical care, such as food, play equipment and general health regulations, is being provided for the children.

Following the visits, the two groups will present the schools which meet the requirements with letters of approval. Names of the approved schools will be published immediately after the letters have been issued.

Finally, the sponsoring groups, under the supervision of Mrs. L. C.

Gilmour, Chairman of the Council of Social Agencies Day Care Committee, will compile a directory of schools which are meeting the required standards. The directory will serve as a guide to parents and other persons.

## Weekend in Camp

An opportunity for nineteen employed girls to have a weekend holiday at the YWCA Camp on Bainbridge Island on Puget Sound has been arranged and reservations are now being taken in room 6, of the Young Women's Christian Association at Fifth and Seneca. The fee for board and lodging is only \$2.75. Boat fare is extra.

An interesting program has been planned for the weekend and there will also be opportunity to explore the 1,000 feet of waterfront and go boating and swimming. Girls interested in hiking will find 18 acres of native woodland belonging to the camp. For further information call Eliot 4800.

## INSURANCE REINSTATEMENT

Veterans are reminded that July 31, 1948, is the last day on which National Service Life Insurance, lapsed more than three months, may be reinstated without a medical examination. Up to the end of this month, the only requirements for reinstatement (regardless of the time the insurance has lapsed) are the payment of two months' premiums and the execution of a reinstatement application, certifying that the insured is in as good health as he was on the date of lapse.

In other words, execution of the reinstatement certificate takes the place of a medical examination, which will be required after July 31st in all cases where the insurance has lapsed for more than three months. Service-incurred disabilities, less than total in degree, will not be counted against a veteran in regards to the requirements of good health.

With the distribution of accumulated dividends scheduled to be made sometime next year, it's a good idea for veterans to hang on to their government insurance if at all possible. Keep it up on a term basis if the pennies must be watched, but hang on to it! Incidentally, it's also a good idea to revise beneficiary designations from time to time to meet changing family conditions.

## SHORT NOTES

The Nisei Vets will go after their sixth victory in the Puget Sound loop this Sunday, game time being 2 p.m. at Rainier. Maybe he isn't as young as he used to be (who is?) but skipper Joe Kesamaru of the Vets is still putting up a good game in the infield and getting those tantalizing place hits with regularity. Watch Joe in action if you like to watch smart inside baseball, the way it should be played. Vets and their families are invited to attend the Nisei Country Club's splash party and picnic-dance on Sunday, July 18, at Lake Geneva. Tickets will be four-bits at the gate. If you don't know the way, see the map at Chick Uno's fountain.

## TRIBUTE FROM THE AMERICAN LEGION

We think our readers will be interested in the following editorial:

which appeared in the July issue of the Washington Legionnaire, the official publication of the American Legion, Department of Washington:

From the Washington Legionnaire

Saturday, June 13, the City of Seattle paid homage and tribute to eight American heroes of Japanese ancestry who made the Supreme Sacrifice in defense of their country. It was a memorial service to honor the Nisei veterans of the Seattle-Tacoma area who gave their lives for their country.

Many were well known before they answered the call to arms. In school, they played with distinction in many fields of sports. They took their part in many activities and lastly pledged allegiance to the flag of their country when called upon.

Five were with the 442nd Combat Team, the most decorated outfit in the United States Army. Three were non-combatant casualties. They fought and fell during the last great war.

Our government, the United States Army, city officials, members of The American Legion and former comrades-in-arms paid honor to these men who sacrificed their lives that you and I might continue to enjoy the freedom which has been so dearly bought.

As the funeral procession proceeded through the streets of Seattle, men uncovered as the flag draped caskets passed and traffic officers stood at salute. They saw the remains of men who had sacrificed their lives for their country.

At the final interment held at the Veterans Plot, Washelli, volleys were fired over the graves. The echo of Taps resounded. The flag of the country they served was presented to the next of kin. Their caskets were lowered into the final resting place beside their comrades who also served and gave their lives.

Kings or beggars, rich or poor, race, creed or color are the same in the sight of God.

THE AMERICAN LEGION PAYS TRIBUTE TO THESE, OUR FALLEN COMRADES!

# THE Sporting Thing

by bf

## Olympic Games of '48 Not for All

Fifty-eight countries will send representatives to the Olympic Games, which will start July 29 and last until Aug. 14, in London, England.

Four other nations—Russia, Bolivia, Haiti and Monaco—have been extended invitations but they have not accepted them. Their refusal to join this world-wide event lends a sour note to the purpose of the games.

To add salt to the sporting wound, the games officials have excluded two countries—Germany and Japan—entirely.

The exclusion of Germany and Japan is understandable in that neither Germany nor Japan has signed a formal peace treaty and that neither of them, therefore, has been officially welcomed back to the family of nations.

Everyone knows that the Olympic Games of '48 will lack the cosmopolitan color of happier, bygone years but everyone, however, hopes that the future games will overlook political affronts and adopt an all nation participation to further good sportsmanship.

...Bill Beach and Art Louie of Hab's will take over the reigns as directors of the local softball league which will start as soon as THE NORTHWEST TIMES baseball playoffs end. Fred Takagi of Main Bowl has plans for a supper dance party at a local night club for the mixed doubles bowlers...we never knew until now that the PS-GA's "B" flight has more players than the "A" and "C" flights...incidentally, THE NORTHWEST TIMES baseball leagues all-stars are being assembled for print now...up and coming Savoyes were given a charity victory in our circuit the other Sunday all because there was no happiness in the hearts of Fife A. C. men who were disappointed disgusted and discontented over their miserable showing in the Fourth of July tournament...the Democrats' approval of a civil rights plan will win the donkey a lot of minority votes when the donkey races the GOP elephant in the November election...

## MAIN BOWLERS PLAN DINNER, DANCE JULY 29

The New Chinatown Cafe, beautiful and spacious cabaret on the corner of Sixth Ave. and Main St., has been reserved exclusively for all Chinese and Japanese American bowlers for Thursday, July 29. The hours will be from 8:30 p.m. until 12:30 a.m.

Every C-J American bowler, regardless of whether he or she has participated in the summer leagues, and his or her friends are invited to attend this gigantic affair.

A full-course steak or chicken dinner will be served at 8:30 p.m. and dancing to the cabaret orchestra will be immediately after the dinner.

And all this will cost but two dollars per person, announced Fred Takagi of Main Bowl.

Those who bowled in the mixed foursome league this summer may get their tickets now in Main Bowl, 306 Main St.

Tom Gassman, president of the Seattle Bowling Association, will be the guest speaker of the evening. Besides Gassman, Takagi announced he will try to have a representative from the Seattle Women's City Association also on hand for the affair.

Combining pleasure with business, Takagi said an effort will be made at this gathering to form a Seattle Nisei bowlers' organization.

## Portland Vets Down Red Caps

PORTLAND, Oreg., July 17—Nisei Vets won their fourth straight game to take sole possession of first place in the Municipal league by downing the Red Caps, 4 to 3 with Bill Wakayama pitching four-hit ball. Bill Oda was behind the plate for the Vets.

## Comets Clinch Tenpin Crown

MEN'S SUMMER LEAGUE STANDINGS

	W
Calumet Comets	32 1
Hoot Owls	27 1
Gutter Balls	22 2
Alley Cats	19 2
Cherry Pickers	17 2
Bulldogs	15 2

Two distinct things occurred as a result of play in the men's summer league last Wednesday night in Main Bowl.

First, the Calumet Comets bowed to the Hoot Owls, 3-1, but the single game triumph clinched them the league championship.

Second, the Cherry Pickers stretched their win streak to eight by dumping the Bulldogs, 4-0, and finally moved out of the cellar which they occupied up to Wednesday night.

Keating heroes were: Hoot Owls "Ole" Nishimoto (517), Pruney Tsuji (527); Comets—James Kurani (513), Monty Orden (517); Gutter Balls—Shig Okada (519); Alley Cats—Fred Takagi (506), Tak Shibuya (543); Bulldogs—William Tanaka (541); Cherry Pickers — Al Gallup (500).

The results follow:

HOOT OWLS (3)—Tanagi 491, Hirai 457, Nishimoto 517, Yamaguchi 474, Tsuji 527; COMETS (1)—Kurani 513, Shimizu 481, Kawaguchi 353, Orden 517, Tada 469.

GUTTER BALLS (3)—Kiyono 494, Miyazaki 497, Osawa 425, Harada 494, Okada 519; ALLEY CATS (1)—Thashi 486, Yamasaki 428, Asaba 429, F. Takagi 506, Shibuya 543.

CHERRY PICKERS (4)—Fukei 453, Drummond 455, Cox 454, Shio-ta 416, Gallup 500; BULLDOGS (0)—Wong 434, Dummy 390, Tanaka 541, Dummy 390, Segimoto 492.

## NISHIMURA HIT GIVES ASHURAS 8-7 BALL WIN

Iso Nishimura's Texas leaguer into short centerfield broke up the extra-inning playoff game between Lotus Ashuras and Horiuchi's at Washington park to give the Budhist nine an 8-7 win and the right to play Mercury this Sunday at South Park.

With the game scheduled to end in seven innings, Ashuras came back in the last half of the 7th to tie the score at 7-all when Koichi Suto tallied on an infield play.

After Pancho Nakashima, Horiuchi batsman, had struck out two Lotus pitchers in the 8th Shig Akada doubled and scored on Nishimura's blooper for the winning run.

# The Social Wheel

**AFTERNOON RITES...PORTLAND, Ore., July 17**—Miss Katherine Morikawa, daughter of Mrs. Morikawa of Milwaukie, Ore., became the bride of Mr. George Kubo of Seattle last July 11 in the Epworth Methodist church in an afternoon ceremony. The Rev. F. M. Hayashi officiated.

The bride was given in marriage by her brother, Mr. James Morikawa. She wore a white satin gown with seed pearl yoke and fingertip veil with matching pearl crown. She carried a prayer book with three white orchids.

The bride's niece, Miss Sumi Gotanda of Ontario, served as maid of honor. She wore a yellow marquisette gown and carried a colonial bouquet of yellow roses and blue and pink painted daisies tied with a rainbow-colored ribbon.

Best man was Mr. John Asahara of Sumner.

After the wedding, a reception was held in the Oriental.

**MARRIAGE DISCLOSED**...PORTLAND, Ore., July 17—In a surprise announcement recently, Mrs. Satoko Shintani of Boise, Ida-

ho, disclosed the marriage of her daughter, Sumiko, to Mr. George Furusho of Portland on Nov. 28, 1947, in the First Christian church here.

The bride has been employed as secretary of the local JACL chapter and the groom is a student in architecture at the University of Oregon.

The couple will make their home in Portland.

## VFW Day Booked At Longacres

Veterans of Foreign Wars Day at the Longacres Race Track Sunday July 25, will feature the \$5,000 Washington Championship race for three year olds and up, the Washington Jockey Club announced today.

The V.F.W. track day—with the proceeds going to the overseas veterans organization for veterans rehabilitation and service work—is the fifth annual event granted the group by the Jockey Club.

The feature race of the day, the Washington Championship, will be run on a mile and one-sixteenth course. Only Washington-bred horses will start.

Wellington Rupp, Seattle, is in charge of the special day. One hundred per cent of all charity day's "take"—pari-mutuel betting and concessions—will go to the V.F.W. for the rehabilitation work to be used in relief work among disabled and needy veterans and their families.

## CARE Packages For Japan

(Continued from Page One)

ages and hospitals, will be made by rail or truck.

Kensuke Horinouchi, former Japanese ambassador to the United States, and now chairman of the National Advisory Board of LARA, commented on the opening of CARE's service to Japan, saying that it will make "A significant contribution for individual families, whose resources are not sufficient, or whose incomes are too low to permit even the purchase of the rations to which they are entitled."

"Americans with relatives and friends in Japan will now be able to send individual gift parcels, with a guarantee of delivery, through this non-profit channel," his statement continued. "CARE's service to Europe is now in its second successful year, having delivered over five million packages in 15 countries. The Japanese people will, I know, welcome the extension of its service to the Orient, as a tangible evidence of the friendship on which we rely, as we build a free world of the future."

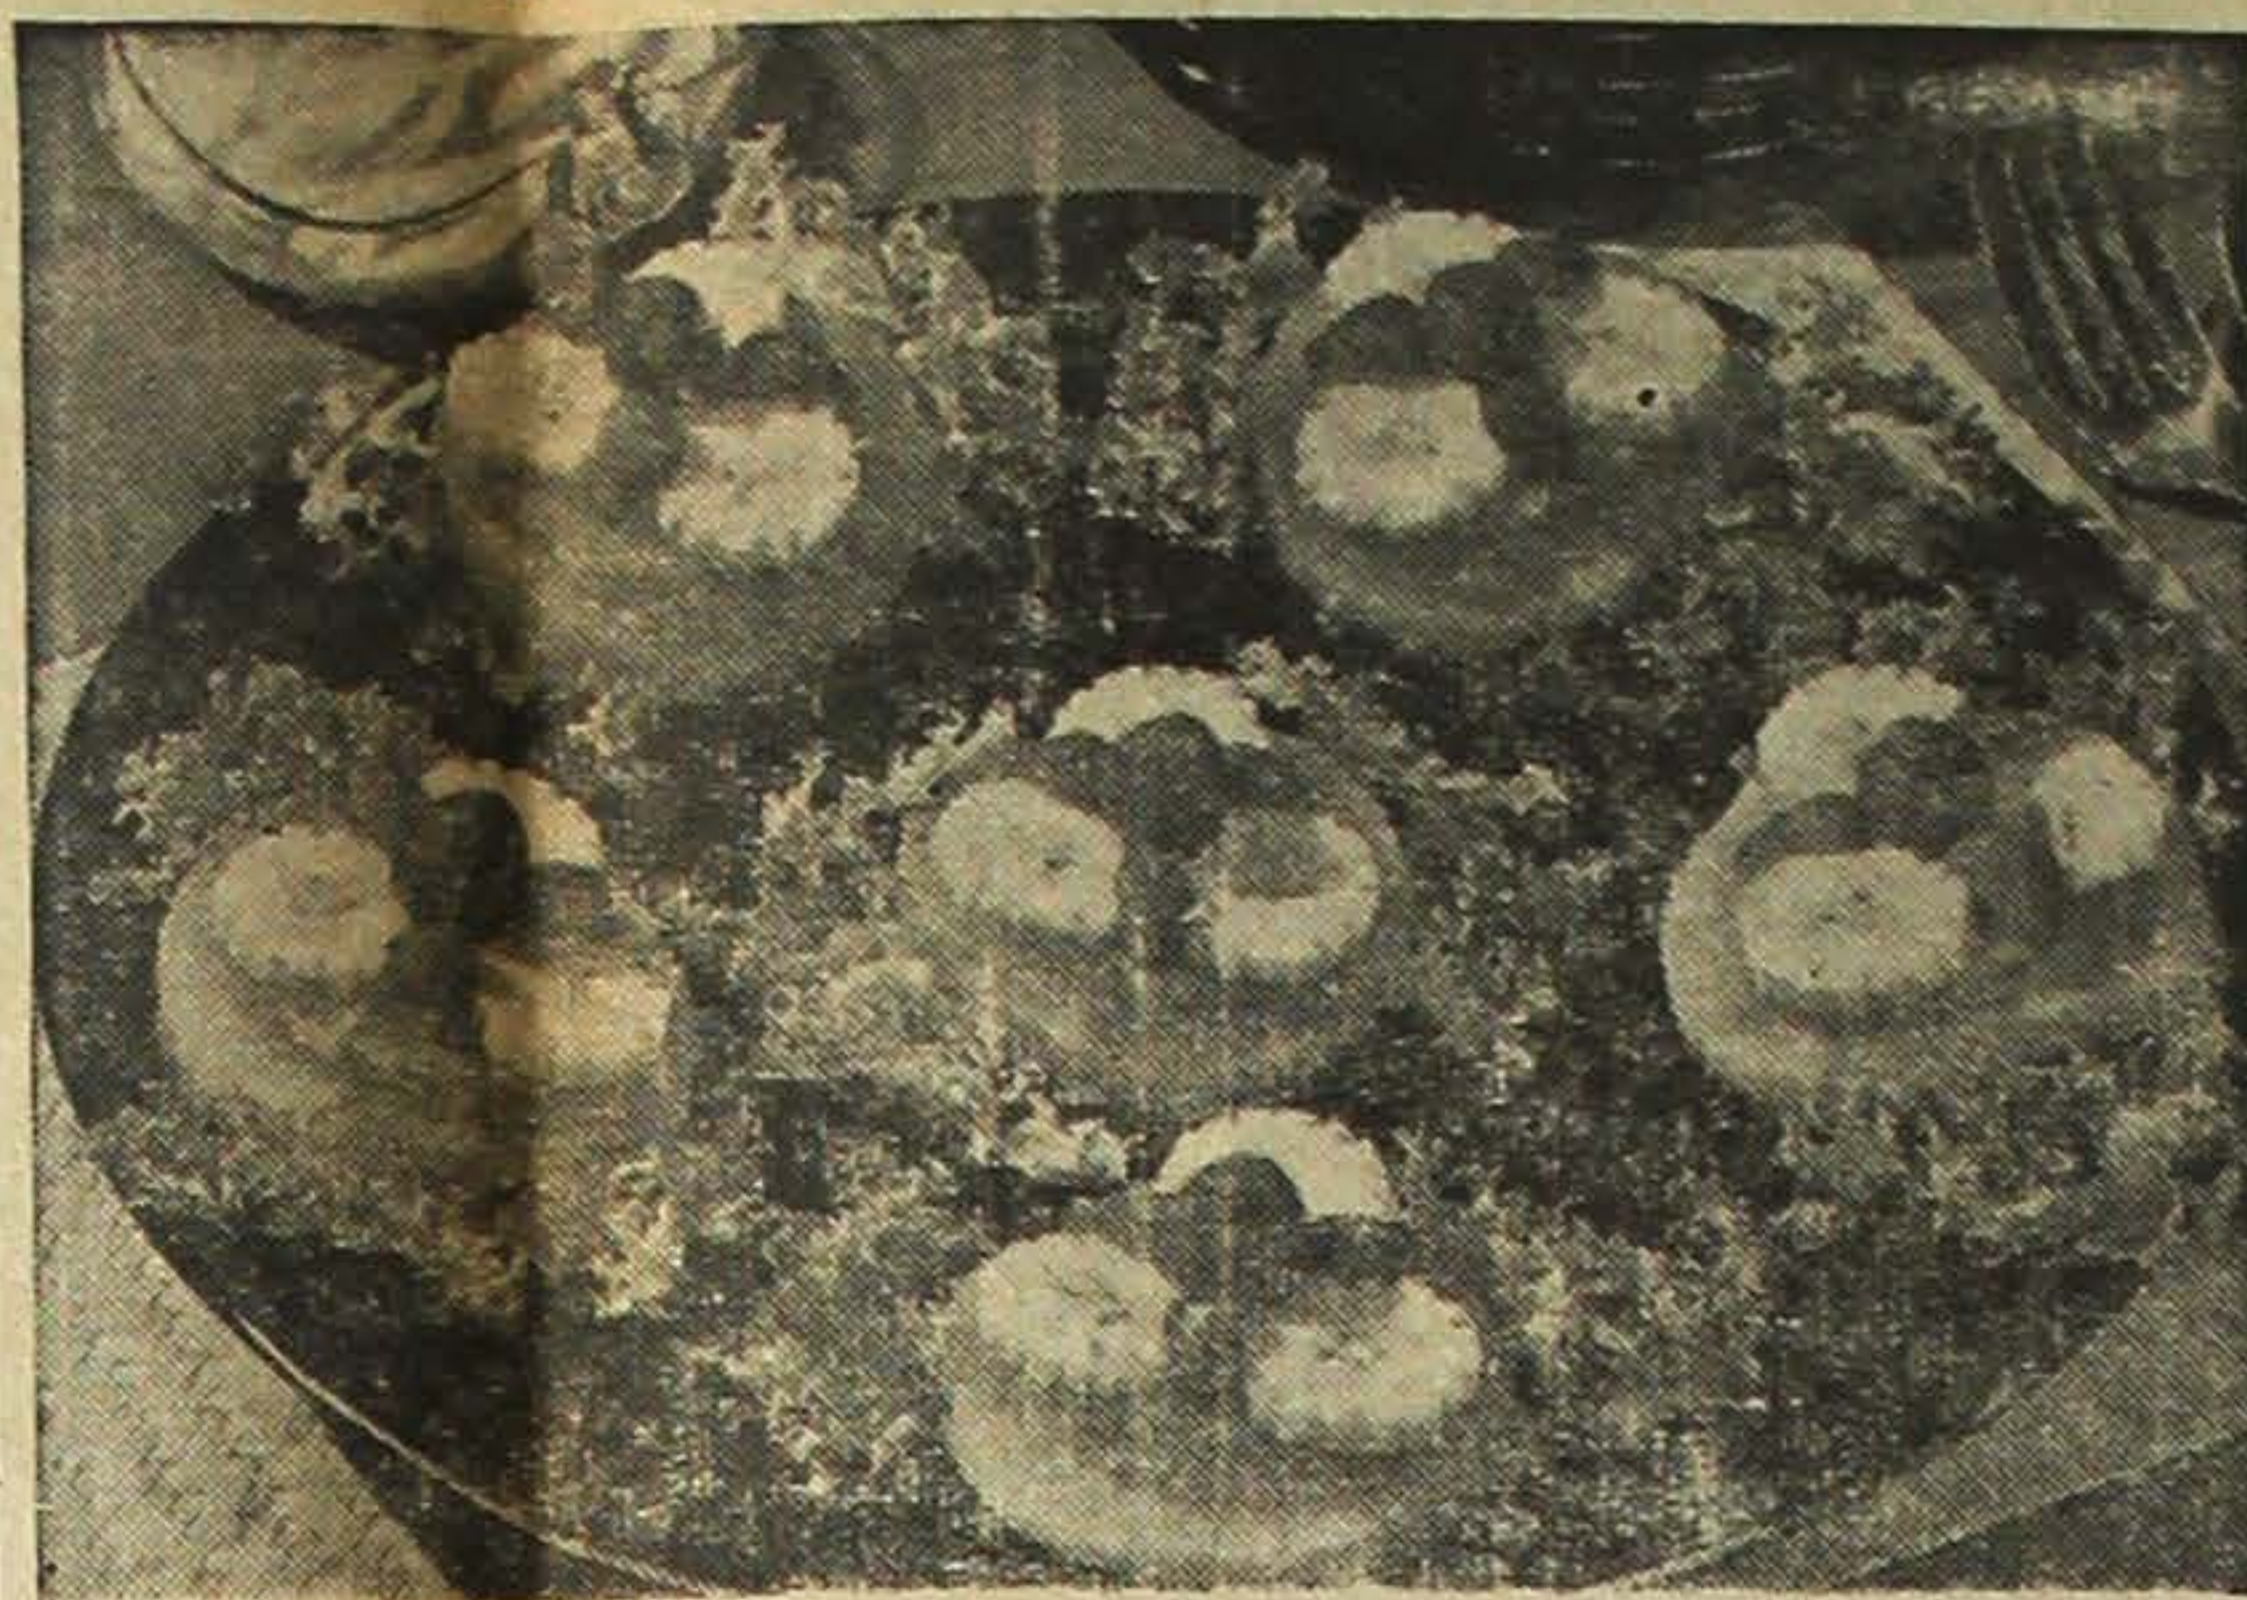

Edward B. Peacock, American Chairman of LARA, said that LARA "is pleased to learn that CARE is now extending its service to Japan. The needs in Japan are great, and we welcome the CARE operation and hope that its program will be fully as successful in Japan as it has been in Europe."

"It is physically impossible for Japan to produce enough food to feed herself," Peacock said, "and this problem has been made even more serious by the return of six million repatriates from China, Manchuria, Korea, Formosa and Southeast Asia. Not until Japanese industries have been sufficiently rebuilt to enable Japan to export manufactured goods in exchange for raw materials and food will this complicated problem approach solution."

Peacock pointed to the aid given the Japanese people by LARA and parcel post packages, saying that such aid is "planting new life and hope in the hearts of many Japanese." The services of CARE, he said, "will make it possible for more Americans to demonstrate a spirit of brotherhood and democratic good will."

He explained that "the vast majority of needy people in Japan will not receive individual packages, and can only be assisted through a general relief program.

## Summer Cluster Salads

Sweet as summer itself—and appealing as a garden party—is a trayful of Summer Cluster Salads, starring perennially popular fruits. Summer Clusters are light and delicate, colorful and tempting. They're easy to prepare—a joy to hostess as to guest. For summer bridge club entertaining—or party luncheons of all sorts—this is one of the best and easiest of selections. Each cluster contains a slice of pineapple, a slice of orange, banana slices and strawberries.

Commercial salad dressing with a special affinity for the flavor of such delicate fruits as these is a happy choice for general salad use. Keeping a jar of it on hand in the refrigerator is good insurance for successful salads of all kinds. Since it partakes of the virtues of both mayonnaise and old-fashioned boiled dressing—yet is different from either with definite character all its own—this salad dressing is a boon to salad-makers.

Summer Cluster Salads, served with finger sandwiches and a cooling beverage, are a happy choice for all manner of easy-to-do summer parties.

#### Summer Clusters

Sliced pineapple  
Curly endive  
Sliced oranges

Sliced fluted bananas  
Strawberries  
Salad Dressing

For each serving place a slice of pineapple on curly endive. Cover it with a slice of peeled orange. Place three slices of fluted banana on the orange. Quarter fresh strawberries and place one quarter between the banana slices around the edge of the orange. Garnish the center with a whole strawberry, and serve with salad dressing.

LARA must continue to do all in its power to handle this general relief job, and it is essential that the support it now receives be continued in full. There are many people who also want to send an individual package to a friend or relative. I sincerely hope they will continue to do so to an ever-increasing extent."

Information on the CARE service to Japan is available at CARE offices in major cities throughout the country, or may be obtained by addressing CARE, New York, or CARE, Los Angeles. Correspondence and orders may be sent in Romanji (English) or in Kanji (Japanese characters).
