PFC. MORIHIRO LAID TO REST AT ARLINGTON

WASHINGTON, D. C., Dec. 11.—Funeral services were held Wednesday at Arlington National Cemetery for Pfc. Roy Tatsuo Morihiro, Portland, Ore., who was killed in action near Milan, Italy, April 14, 1945, in the Po Valley campaign.

Born at Portland, in 1921, he was a son of Fudesuke and Ayako Morihiro.

War interrupted his studies at the University of Washington, and in Aug. 1944, he enlisted in the army, joining the famed 442nd all-Nisei Regimental Combat Team in France in January, 1945.

He was a holder of the Bronze Star, Battle for Germany ribbon, Combat Infantryman's badge, Presidential Unit Citation and Purple heart.

Following formal army rites, private services were held at the graveside with the Rev. Andrew Kuroda, Washington, officiating.

Don Komai, a member of the JAOL National Arlington Cemetery Committee, in a brief address, said: "Pfc. Morihiro found faith in the ideal that gave this nation life—the ideal of freedom. He died that others might live in security and peace."

T. Shizuoka gave a Japanese translation of the address, and Mike Masacka, national legislative director, JAOL ADC, told of Pfc. Morihiro's war record.

Survivors include his widow, Mrs. Alice Misawa Morihiro, Cleveland; his mother; two brothers, Joe and Mike Morihiro, and a sister, Rosie Morihiro, all of Chicago.

Pfc. Morihiro's widow, his mother, a brother, Mike, and his father-in-law, Frank K. Misawa, attended the service.

Polka Dots Scare Tokuda Drug

Sei Adachi and Mote Yasuda, two all-star candidates, were the heroes in the Tokuda Drug 42-40 triumph over dangerous Polka Dots in a Class double-aye basketball game last Thursday night in the Seattle Buddhist auditorium.

Adachi sank a one-hand howitzer from the corner of the floor to assure Tokuda's victory which was earned after a fierce over-time struggle.

Yasuda tossed a one-hand shot on the run in the closing seconds of the regular time to knot the game at 36-36.

George Kozu, ex-Tokuda ace now a Polka Dot mainstay, provided plenty of fireworks during the contest, finding the rings for 14 points. Along with his teammates, S. Hata and Art Louie, they proved a formidable scoring trio.

Besides Adachi and Yasuda, Manabu Fujino and Chuck Kinoshita with 11 and 9 points respectively rescued Tokuda's from a possible defeat.

In the preliminary "A" games, the Filipino Catholic Youth outfit scored its second victory of the season by taking the Tokuda Drug Savoys and the Lotus Lancers dumped the Baptist Comets.

The Tokuda Drug-Polka Dot scoring follows:
TOKUDA DRUG (42)—M. Yasuda 7, Mar. Kinoshita 9, Heyamoto 5, Fujino 11, Y. Takeuchi, S. Adachi 5, S. Fujii 3, Nishimura 1, Otani 1.

POLKA DOTS (40)—G. Kozu 14, K. Yagi 2, D. Fujii 2, H. Kawahara, Louie 8, B. Ohashi 2, S. Hata 12, K. Suguro.

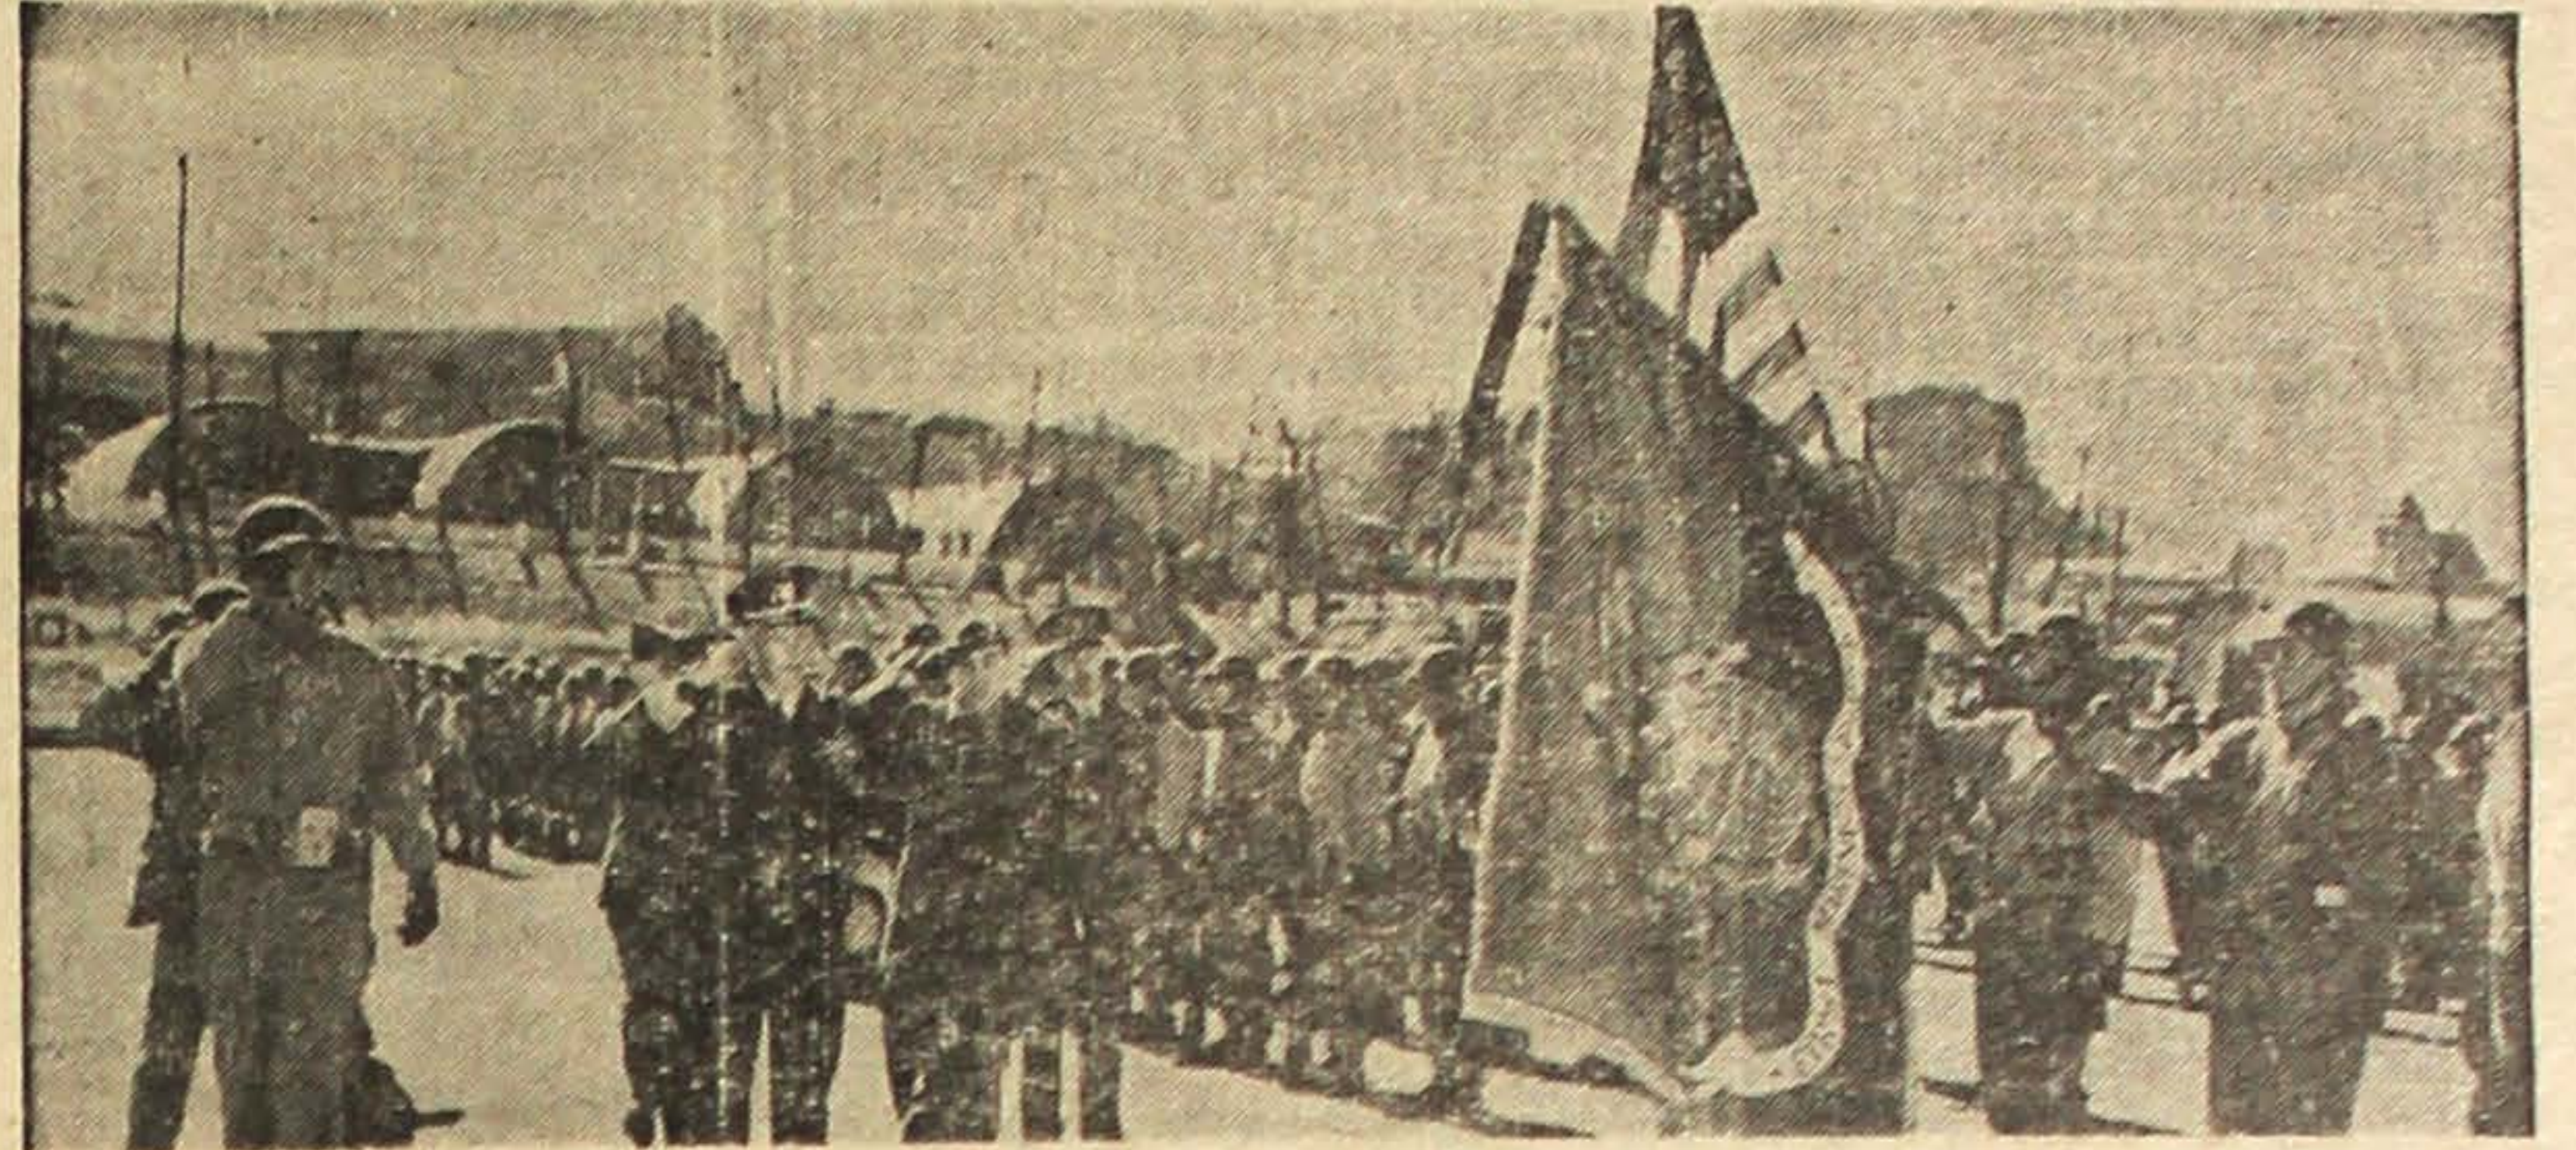

Oliver and Givan PSGA Guests

Ed Porky Oliver and Harry Givan, two nationally-known golfers, will be guests at the Puget Sound Golf Association's bonenkat at 6:30 p.m. next Wednesday, Dec. 15, in Gyokko Ken Cafe. It was announced today by W. Nakamura of the PSGA.

A half hour sound golf movie will be shown to PSGA members attending the affair.

Situation Well in Hand

TSINGTAO, CHINA—With United States Marines on the scene, safe evacuation of U.S. citizens from war-torn China is assured. Shown above, Vice Admiral Oscar C. Badger (center), Commander of U.S. Naval Forces in the Western Pacific, salutes the colors during an inspection of the First Marines. Flanking him are General Gerald C. Thomas (right), head of Fleet Marine Force, and Major Edwin B. Wheeler of Port Chester, N.Y., unit commander. The outfit is being reinforced with 1,250 Leathernecks from Guam to assist in the evacuation.

ISEI SEEKS U. S. RIGHTS, FILES SUIT

Charging that he was forced to vote in the 1947 Japanese general election and that he did not know that he would thus lose his American citizenship, Hichiro Uyeno, who was born in Bellevue, Wash., and had lived in Japan since 1930, filed a suit in the United States District Court here last Wednesday, Dec. 8.

In a complaint filed by William Y. Mimbu, local Nisei attorney, Uyeno said that when he applied to the United States Consul in Japan last July for a passport to return to this country, he said he was told he had forfeited his citizenship by voting in the Japanese election.

Uyeno charged that the leaders of the Japanese village where he lived forced him to vote.

The suit was filed against Secretary of State George C. Marshall.

Says Pacific Going Communist

SONOMA, CALIF. — Admiral Charles M. Cooke, Jr., (above) told the United Press in an exclusive interview that "control in the Western Pacific is now passing to the Communists." Cooke, who spent two years as commander of Naval forces in that area, charged that U.S. action in China has been ineffective.

ADULTS URGED TO REGISTER FOR SCHOOL

Are you planning to be one of the 7,000 Seattle adults who will attend night school this winter and spring? If you are, the registration dates are open until December 16 for the term which begins Monday, Jan. 3, at Edison Technical School in the old Broadway high building.

More than 100 different classes are offered. For some classes the demand is expected to be so great that Vice-Principal Edward Hasselblad is considering offering special day-time courses. These would be in dressmaking and other home economics courses.

A new course in wood carving with Paul Immel as teacher will be taught. Immel is one of the Northwest's leading painters and wood carvers.

Classes in home mechanics have been found to be especially helpful to the housewife who learns to make minor electrical repairs, to mend furniture, to paint property and to do many other things around the house that friend husband takes too long to do after being told.

Several new classes in commercial subjects will be offered. Classes in regular high school subjects can be taken, with or without credit. Registration is open at Broadway daily except Saturday and Sunday from 3 to 6 p.m. Fees average \$2 per course.

JACL WILL DISTRIBUTE CLAIMS FORMS DEC. 17

All persons of Japanese ancestry are reminded that the local chapter of the Japanese American Citizens' league will pass out evacuation claims forms at a mass meeting at 8 p.m. next Friday, Dec. 17, in the Seattle Buddhist auditorium.

The meeting will be open to both Issei and Nisei, and will be called by Toru Sakahara, general chairman.

Caucasians Wed In Bukkyo-kai

NEW YORK, N. Y., Dec. 11.—Something of a "new look" in weddings took place recently in this city.

A Caucasian couple were married by an Issei minister in an Oriental ceremony in the local Buddhist temple.

The principals in the Buddhist nuptial were Sheila Bromley, an actress, who wished to be married in the Japanese temple; John S. Hammes, the bridegroom, and the Rev. Hosen Seki, who officiated.

Doing Things Together

By GEORGE S. BENSON
President of Harding College
Searcy, Arkansas

Looking Ahead

"THE AMERICAN success is the story of large numbers of people doing something together. When an enterprise prospers, everybody connected with it prospers, and the success legend must be divided among them." The statement was made by Mr. Crawford Greenewalt, president of the Du Pont Company, who believes that America's unique position was achieved "not because we have more coal or more gold or more land, but because we have more incentive, more venture, more determination." Now, when the rest of us get out and talk that way, I believe that we will begin to see the greatness of America.

If management thinking at Du Pont is any key to the attitudes generally held in industry, I think we may all be encouraged to expect greater and greater things as America goes ahead year after year.

No Mere Accident
INDEED, "the greatest good to the greatest number of people" is a description that just fits America. But it is no accident. It includes the ways we cooperate, capital with labor and labor with capital—until actually there are no differences.

When you consider that persons willing to deny themselves put up their savings to the tune of \$13,500 for each worker at Du Pont, you see how the stockholders cooperated. That makes a good solid investment behind the average Du Pont worker. It's higher than average. Proper and wise use of tools and human energy enabled this average worker to collect \$10,600 for

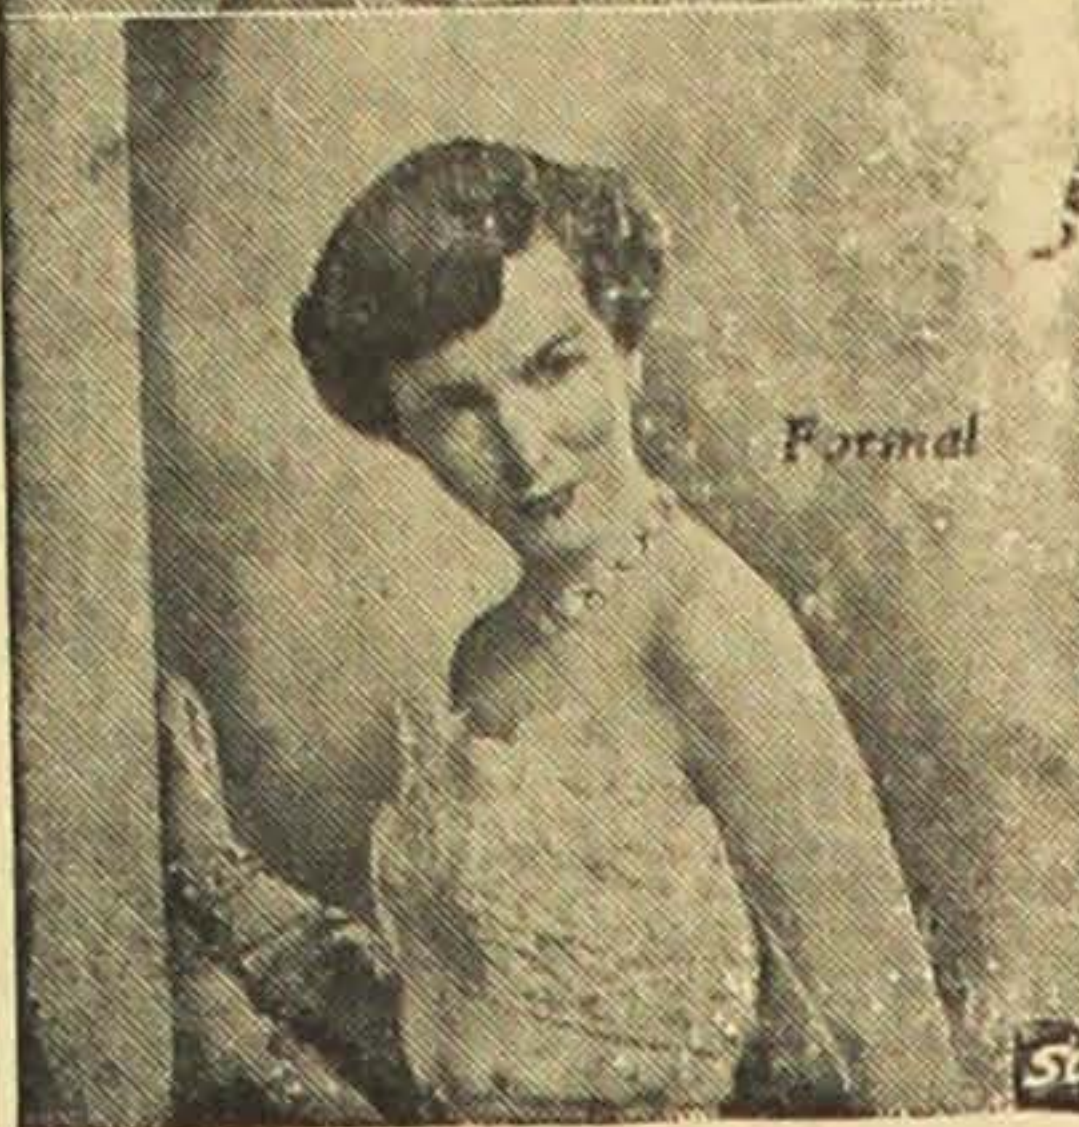

his part of production. That's higher than average. Out of this \$10,600 had to come costs of producing the goods. About 42 per cent, or \$4,410, went for raw materials, power, and other necessary expense.

What Makes America?
THIS AVERAGE worker himself was paid \$3,330. The government tax bill was \$1,030. There was put aside \$730 to replace and modernize tools that wore out. All these costs came to \$9,500, which taken from \$10,600 leaves a profit of \$1,100. On an investment of \$13,500 that's about 8 per cent. That's not bad either.

However, stockholders were asked to leave \$280 of this profit in the business, making \$13,780 for this average worker to use the following year. Stockholders were then paid \$820 in dividends, or about a 6 per cent return on their money. This is the way that Du Pont's annual report reads, in terms of each worker. It represents wonderful coordination of the worker-management team. When you duplicate this many times, with big and little business, you've got what makes America.

The measure of America, then, is how well all of us cooperate. We've done a wonderful job in the past, despite misunderstandings here and there. This system, that permits us to use all our talents and all our resources, is sometimes called "free competitive enterprise." But it is also a wonderful adventure in cooperation. More than any other land today, more than can be found of any nation in history—we have succeeded in bringing "the greatest good to the greatest number of people."

Hair beauty secrets... by Toni

The New York Times Fashion Show has wonderful news! It's the new short hair-do with the soft, short, half bangs that lend such charm to the oval face. The basic is a soft, natural looking home permanent, curled on the hair ends. It is equally attractive for either informal or formal wear, as illustrated.

Nisei Medic Flies with 'Air' Machine To Save Woman Struck by Polio

WASHINGTON, D.C., Dec. 11 (Special to Northwest Times)—A small, box-like 70-lb. machine—rushed by plane from St. Louis to Gallinger hospital—today is feeding precious oxygen through the throat of a 25-year-old Silver Spring mother fighting for her life against deadly bulbar polio, according to George Beveridge of the Washington Evening Star.

The patient is Mrs. Merlyn Stratman who lives at 9620 Sligo Creek Parkway, Silver Spring, Md. She entered Gallinger hospital last week with polio.

The disease attacked the nerves leading from her brain, paralyzing the throat muscles that permit breathing and swallowing.

Gallinger surgeons, Beveridge reported, performed a tracheotomy operation—cutting a small opening directly into the windpipe. Doctors fed Mrs. Stratman intravenously.

But when the chest muscles that control breathing also became paralyzed, Dr. Louis K. Sweet, chief medical officer in pediatrics thought of the machine he had read about in a medical journal. It forces a high concentration of oxygen into the lungs, despite paralysis.

Dr. Sweet called the Washington chapter of the National Foundation for Infantile Paralysis, asking whether one of the machines could be found—quickly. Within hours, headquarters of the foundation in New York located one of the oxygen inhalators in St. Louis.

A short time later, the equipment and a doctor, American-born Dr. Kenneth Sugioka, from Barnes hospital, St. Louis, were on their way to Washington by air.

Dr. Sugioka, a 28-year-old graduate of Washington University Medical School in St. Louis, explained that pioneer work on the machine was done by a group of doctors at Minneapolis General Hospital two years ago. One of them was Dr. James Elam, director of the Laboratory of Applied Thoracic Physiology at Barnes, who developed modifications in the machine now in use at Gallinger.

Purpose of the machine is to feed pure oxygen into the lungs and expel the used gas with each "breath." The oxygen bubbles from a tank through water—to warm and moisten it—and is routed, air tight, through the tracheotomy tube in the patient's throat. Another tube carries off the used gas.

Without such a machine to regulate the exact amount of oxygen taken in, Dr. Sugioka explained, it would not be possible to get such a high concentration of the life-giving gas.

The laboratory at Barnes Hospital, Dr. Sugioka said, has made two modifications in the machine—constructed partly of war surplus equipment. One is a device that keeps the body cavity clear of fluids which drain from the body. The other sounds a whistle when the oxygen supply gets low, warning doctors and nurses.

Dr. Sweet praised the fast action of the polio foundation in getting the machine here. If it hadn't been for such services of the organization, he added, "we couldn't have begun to have the success we have had here at Gallinger with polio."

Whether the equipment will have helped save Mrs. Stratman's life is too early to tell.

How weak a thing is gentility, if it wants virtue!—Fuller.

Lotus, U. W. Coeds Conquer Foes In Girls' Basketball Contests

Etsuko Ichikawa and Betty Kanda made their bid for honor of being the high-scoring queen of the Nisei maple court last Tuesday night when the girls' basketball league opened play in St. Peter's gym.

Miss Ichikawa, credited with 14 points, sent the Lotus girls to a 25-15 victory over the Seattle Chicks by tossing in 12 digits in the final half. The half-time score was Lotus 9, Chicks 9.

Miss Kanda, assisted by Toshi Nakamura, posted 16 points as the U. W. Coeds crushed the Lotus Starlettes, 32 to 14. Miss Nakamura was good for 10, nine of them in the second half Coed drive. Anne Aoyama of the Starlettes tallied 8.

In the only "B" contest, Today's Monarchs decided Risho, 21-14. The two squads were tied, 12-12, at the intermission period.

Seven Teams Lined up for Cage Meet; Eighth Outfit May be San Jose Zebras

CUP OFFERED IN MEMORY OF G. I. DEAD

The Kinoshita-Kawaguchi Inspirational Trophy will be presented to the most inspirational basketball player in the Nisei Community Basketball league commencing with the current season. This trophy, which is to be perpetual, will be in honor of two former Olympiad Cadet members—Francis Kinoshita and Johnny Kawaguchi who sacrificed their lives on the field of battle.

Cadet members are dedicating this trophy to perpetuate their inspiring actions on the field of battle and on the field of play in their memory.

All former Cadet members are cordially invited to participate in this memorial and those who have not been contacted to date are urged to contact Roy Sakamoto for details.

Seven teams are definitely set to play in the second all-Oriental national basketball tournament which will be played Thursday, Dec. 23, Friday, Dec. 24, and Sunday, Dec. 26, in the Seattle University gym, it was learned today by THE NORTHWEST TIMES.

They are defending championship St. Mary's Saints from San Francisco, the Hawaii Nisei All-Stars from Honolulu, Hawaii, the Filipino All-Stars from San Francisco, the Chinese from Portland, Oreg., the Berkeley Niseis from Berkeley, Calif., and Cathay Post 186 and Nisei Veterans Committee from Seattle.

Negotiations are now being made by Cathay Post 186 and the Nisei Veterans Committee, co-sponsors of the tournament, to have the Philippine Olympic squad join the three-day meet.

If the Philippine talk falls flat, the co-sponsors plan to contact the San Jose Zebras, finalist in the recent Drake tournament in San Francisco.

The tournament dance, the biggest social event of the season, will be on Sunday night, Dec. 26, in the Palladium ballroom. Jackie Souders' popular orchestra will furnish the music.

NIGHT'S HIGH

Singles—George Iwasaki, P. S. V.G.A., 258
Series—Kaz Yamasaki, Northwest Times, 615.

Lucky Northwest Times retained its hold on first place in the Nisei Commercial league last Tuesday night by staging a dramatic comeback in the final game to bowl over star-studded Over the Top Beverage, 2-1, in Main Bowl.

Kaz Yamasaki, George Tanagi and Tom Hirai went wild in the third roll. Yamasaki fired a 233 Tanagi, a 201, and Hirai, a 220. Yamasaki, who last week hit the NCL high series of 673, came through with a 615, and Tanagi, the finest young kegling prospect to appear in the NCL circle this season, led off for the Times with a 612 series.

Tommy Namba (588), Tak Shibusawa (570) and Bill Tanaka (516) were Over the Top Beverage's stiffest competitors.

Fast-climbing Sakahara Insur-

ance whitewashed 12th Ave. Service, 3-0, to insure itself of a second-place tie with Puget Sound Vegetable Growers' Association.

Left-handed Roy Tanagi paced Sakahara's with a 591.

Main Drug moved a bit closer to the upper division by blanking Puget Sound Laundry of Tacoma, 3-0.

Puget Sound Vegetable Growers' Association kept its second-place position intact. Its men decided Shanty Inn, 2-1, despite Shig Urakawa's 570 effort for the losers.

In other contests, Higashi's Mobile Service drubbed International Realty, 2-1 and Cathay Post shut out City Produce, 3-0.

Jackson Grocery Steps to Top in CML; C.I.E. Girls Still Lead SNGBO League

All was rather quiet on the bowling front in the City Merchants league and the SNGBO (Seattle Nisei Girls' Bowling Organization) loop last Thursday night.

The only sound-effect man was Shig Sumioka of Tad's Gardening. In the CML, Sumioka's high 363 series included the high 213 game, and Tad's squashed West Coast, 4-0, and

sent the printers out of first place. Jackson Grocery moved into the top spot by smashing Richard's Jewelry, 1-0.

In the SNGBO circuit, league-leading China Import & Export gained another game as its girls blanketed Tokuda Drug, 4-0. C.I.E. is now nine games ahead of second-place Over the Top Beverage.

About Men, Women Christmas, Cigars

The gal who will try to reach her man's heart through a cigar humidor this Christmas can throw away her crystal ball and relax. And the 3 out of 5 men who are cigar smokers and who face the annual disappointment of the wrong cigars for Christmas can relax too.

For the first time she has some authoritative help in picking those Christmas cigars. For the Cigar Institute of America, Inc., has devised a simple set of basic rules to help the little woman pick the right cigars.

The three rules to the right cigar listed by the experts are: what blend, what size and how much. Those three clues in the hands of a good tobacconist will spell success and happiness all around.

As to taste—the experts suggest a medium full blend for the steady cigar smoker; a light mild blend for the occasional indulger; and a rich full bodied blend for the sophisticated after dinner smoker.

Sizes fall generally into three categories. The perfectos, full, shaped on both ends for steady smokers; the panetela shape for the young or fashion conscious smoker; and the corona for after dinner.

The experts also issue a word of warning about cost—"Money isn't everything in a cigar store" they say. Instead they suggest that the little woman buy "him" the cigars he would most likely be able to afford for himself.

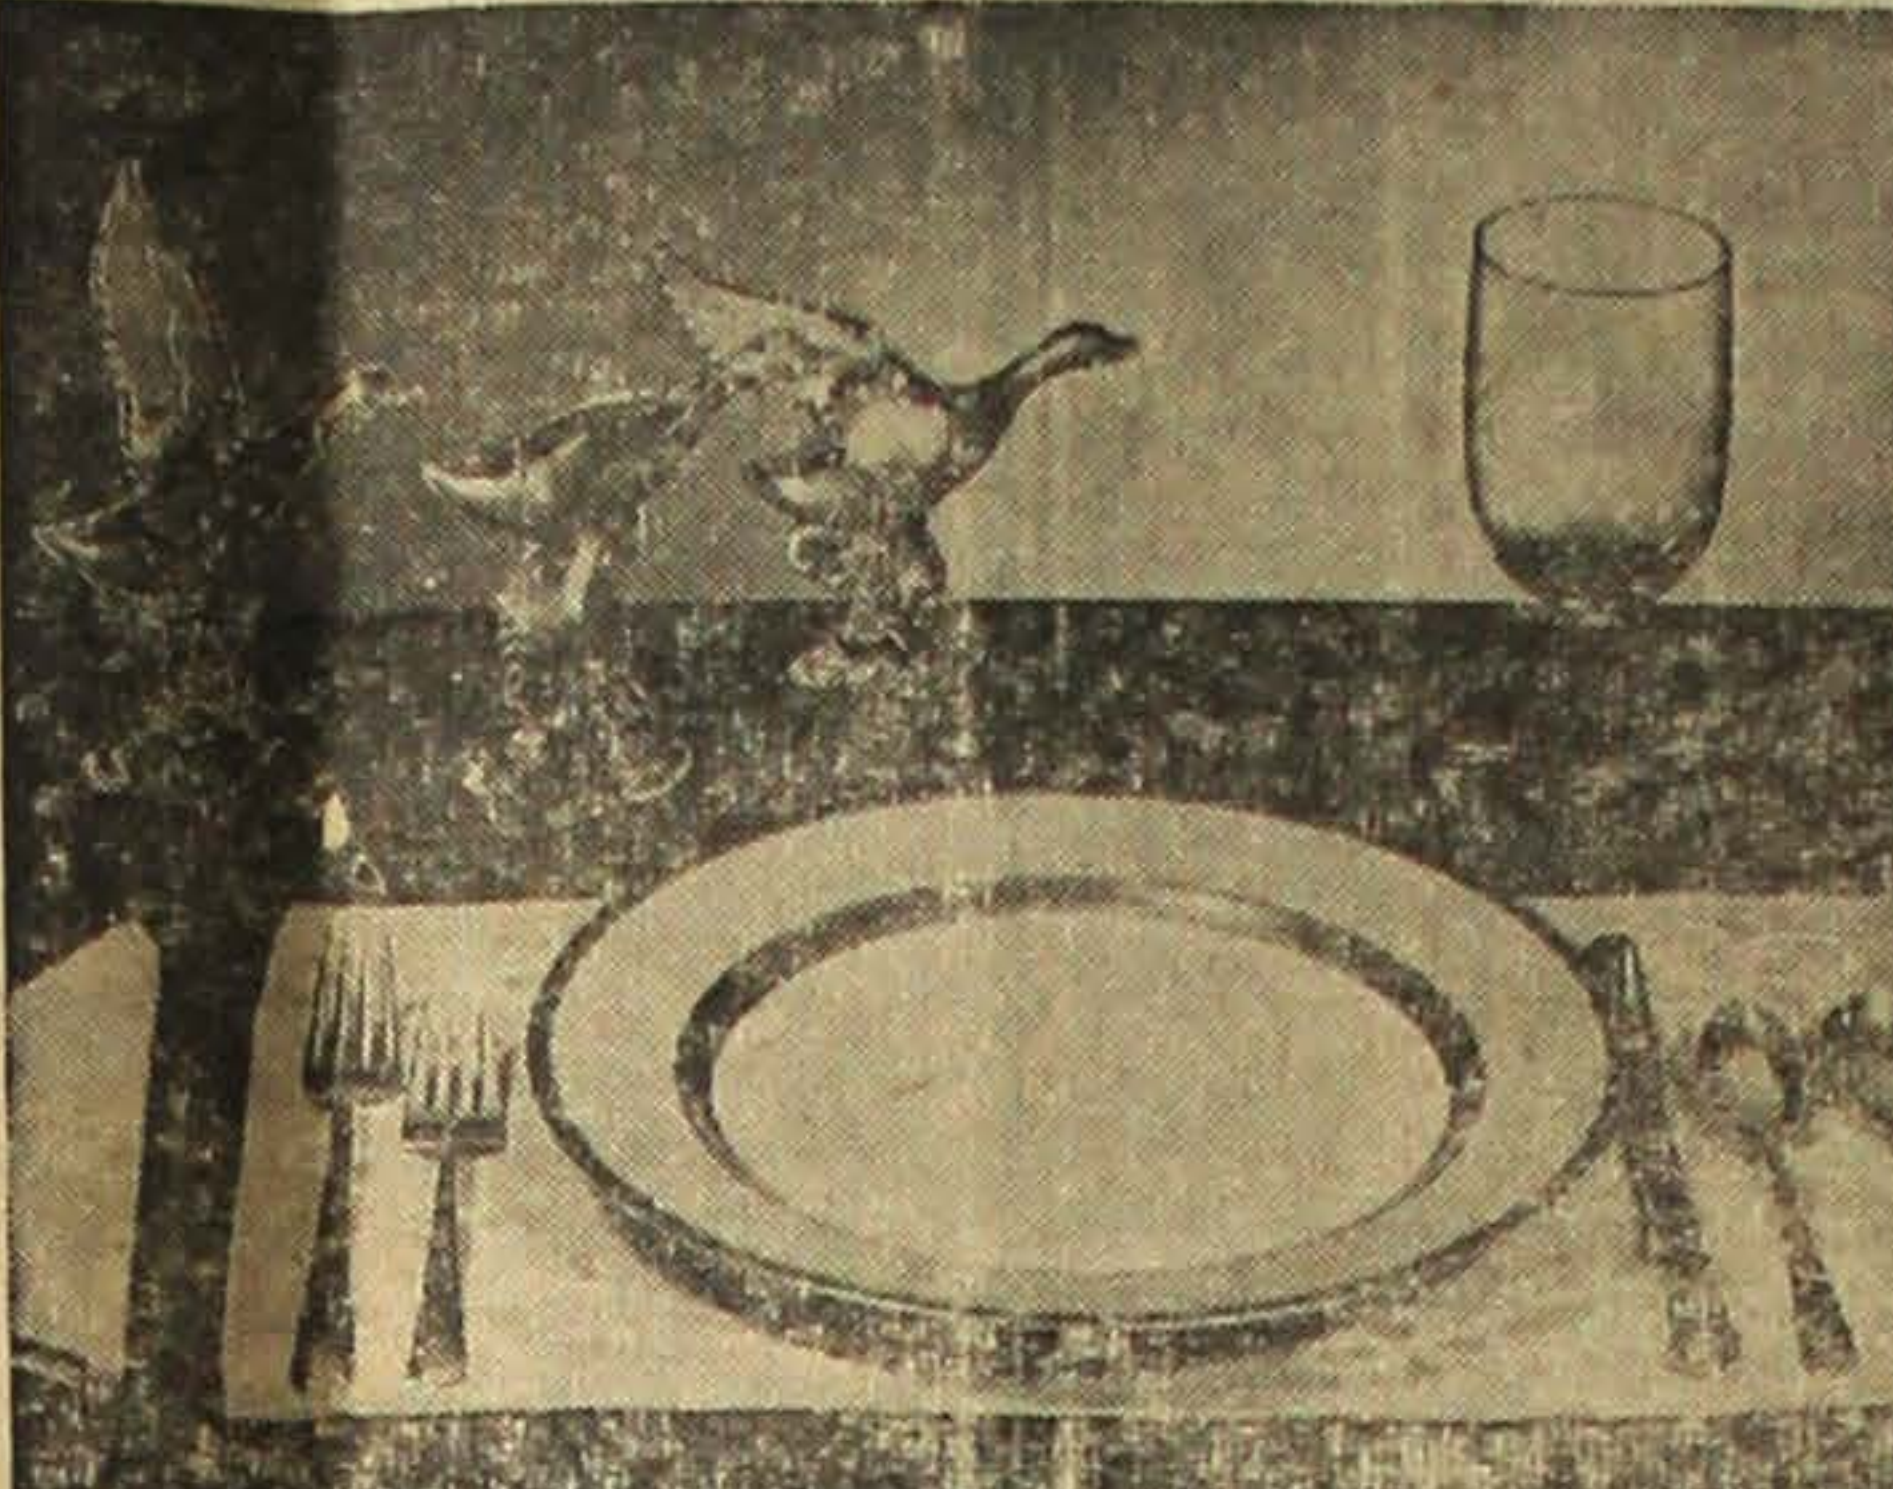

As for women and cigars—the experts have only one thing to say—Women like men. Men like cigars. . . . Sooooo?

American Handmade Glassware Gives Variety To Table Settings

The accomplished homemaker will find beautiful table settings just as important a feature of entertaining as the food she serves for her dinners and luncheons. And for the enterprising individuals who want their tables even more of a credit to their special good taste and imagination, the judicious choice of unusual pieces will provide a pleasing and artistic variety.

The table setting shown in the photograph is modern at its best but will be equally suitable in homes of other periods. The beautiful American glass is simple and unadorned. Its beauty lies entirely in purity of line and quality. The hand-blown glass adds an interesting accent note.

Have Your Chest X-Rayed by Dec. 18, Examination Officials Tell People

With the closing date of the Seattle Area Chest X-Ray Program on Saturday, Dec. 18, slightly more than a week away, Lawrence Bates, general chairman, made a last-minute plea today to be sure everyone has a chest X-ray.

"Seattle area is in a position of being able to do the best job in America of X-raying the population 15 years of age and older in a limited period if we continue at the present rate through the end of the program," Bates said. "We know there are still many who have neglected to take just a minute to have a chest X-ray and we are directing our appeal to those to be sure they stop for an X-ray before Dec. 18."

For the convenience of Christmas shoppers, two additional units have been set up in the downtown area, at the Main Post Office and at Bartell's Drug Store at First and Marion. Other units in the downtown area are stationed at Frederick and Nelson's, Bon Marche, F. W. Woolworth and Company, J. C. Penney Company, Pike Street Public Market, Seattle Gas Company, Sears Roebuck and Company, and the County-City Building. Four units will return to neighborhood areas next Monday in University District, Ballard, West Seattle and Columbia City to place units within close distance of all residents.

Eighteen of the units were provided by the United States Public Health Service, one by the Anti-Tuberculosis League of King County and one by the Washington State Department of Health.

Thirty-eight persons who have found they had tuberculosis after an X-ray taken in the program are already in Firland Sanatorium, Bates stated. The Tuberculosis Clinic of the Seattle and King County Department of Public Health reports that it is now assigning about 15 persons a week to Firland from the program.

Of the first 150,000 persons X-rayed, 1,616 persons had tuberculosis or suspected tuberculosis, 515 were referred to their physicians as suspected cardiac cases and another 596 persons with various forms of cancer or other chest abnormalities.

"X-ray is a simple procedure, requiring only a moment's time. This program can pave the way for the eradication of tuberculosis, if we get a complete picture of the tuberculosis program in the community. Remember next week is your last chance to enroll in this all-out attack on tuberculosis," Bates said. Don't delay, X-ray today.
