CHICAGO, Ill., May 20—Three Chicago Nisei girls, one of whom is from Portland, Ore., are among candidates for "Miss Chicago Area 1947" in a beauty queen contest sponsored by Chicago area council of the American Veterans committee.

The Nisei are Rose Kokubu, Amy Matsumoto and Suzanne Narahara. Miss Kokubu is the "rose" from Portland, the city of roses.

The queen will be crowned at a dance to be held Thursday, May 29, in the grand ballroom of the Stevens Hotel.

Judges for this contest are Prof. S. I. Hayakawa, an authority on jazz music; Ricardo, an artist-restaurantier; Stephen Deutch, photographer, and Eldzier Cortor, artist.

In the only other match, Rusty Four repelled the Kittens and Wolves, 3-1.

JACKSON ST. AREA TAKES TO CLEANUP

Saturday was "D" day for all residents of the Jackson Street area in their annual clean-up campaign. Trash from attics, yards and basements were placed on the curb ready for trucks to haul them away. Vacant property was cleared and rats and vermin killed; houses and building painted and repaired inside and out.

Zero hour was 9:30 a.m. Trucks were off at 5th & Jackson, covering each and every block from Yesler Way south to Dearborn and from 5th Avenue east to 14th.

Bailey Gatzert school children cooperated by having the school's annual clean-up day Friday. In their composition classes they will write letters to their parents telling them about the drive.

The Boy Scouts have distributed posters in the area and are otherwise helping publicize the campaign.

Seven Seattle teen-agers who conferred last week-end in the Young Women's Christian Association, blamed parents, teachers, sororities, fraternities and themselves for the conditions existing today.

The seven are Pauline Yee, Etsuko Ichikawa, and June Head of Garfield high school; Esther Hansen, Ballard; Eleda Hereim, West Seattle; Elizabeth Lovsted, Franklin; and Nola Winter, Lincoln.

These girls will be feminine part of a delegation of eleven Y-Teen and Hi-Y representatives who will attend a national conference, sponsored by the YWCA and YMCA for high school students June 21-26 in Grinnell College, Iowa.

The conferees recommended:

1—Parents and teachers should set good examples and be stricter, but exercise discipline with understanding.

2—The health education course given to seniors should be introduced to freshmen, and home economics courses should be required subjects to prepare students for marriage and living.

3—Students bodies should frown on sororities, fraternities and "cliques." Instead of making them the popular thing.

4—Clean-living teen-agers should not frown on so-called juvenile delinquents. They should invite them to their parties and "show them how much fun we have without getting a case of beer or a bottle from our parents' cellars."

STRESS NEED AND VALUE OF MISLS GRADS

PRESIDIO OF MONTEREY, Cal., May 20—The continued importance and responsibilities of MISLS graduates in Japan as a liaison between the SCAP and its agencies with the Japanese people were stressed in an address by Col. Elliot R. Thrope, School Commandant, to the graduates of the fifth graduating class at the MISLS, Presidio of Monterey, Calif., during the Commencement exercises held May 10.

Forty-three graduates, including 9 Regular Army officers, from Companies A, C, and H received their diplomas, bringing the total number of MISLS graduates to 6860. Presenting diplomas to the graduates was Major General Jens Doe, Commanding General of Fort Ord. It was the 26th commencement exercise held by MISLS since its beginning in 1941.

Capt. Alton L. Brown of Co. A spoke in behalf of the graduates in Japanese, while T. C. William M. Nakatani of Co. C delivered his speech in English.

Winners of the award as "the student who has made the most progress" was Capt. Kenneth E. Buell of Co. A, while the "best all-around student" award went to T. Kiyoshi W. Mido of Co. H. T. Sushumu Morioka of Co. C was selected as the "best soldier of his class."

X-RAY UNIT INVITES ALL: JUST DROP IN

Do it now! Don't wait—if you have not yet had your free chest x-ray on the Christmas Seal X-Ray Unit now stationed at 8th S. and Jackson in the Safeway Parking Lot. The Unit will be there only through Friday, May 23, to offer free chest x-rays to residents of Jackson Street community between the hours of 1 to 6 p.m. and 7 to 9 p.m. each day.

No appointment is necessary—just drop in any time.

The return visit of the mobile unit is sponsored by the Jackson Street Community Council in cooperation with the Anti-Tuberculosis League of King county.

The chest x-rays taken on the Unit are paid for by the sale of Christmas Seals.

"If you had an x-ray during the Unit's visit to this district last year, then by all means, have another this week," Victor Velesco, project chairman, urged, "for a yearly check-up is the best way of finding out whether or not you still have a healthy chest. If you did not have an x-ray last year, then it is even more important that you do it now."

Tuberculosis is a communicable disease, and easily spread by those who may not know they have the germ. X-ray finds TB before symptoms of illness appear, and when it is most easily and quickly arrested.

Last year free chest x-rays were taken of 878 Jackson Street residents. Because the project received such enthusiastic response, it is hoped that even more will take advantage of the offer this year.

The x-rays on the Unit are limited to those 15 years of age and older. Those between the ages of 15 and 18 years must be accompanied by a parent or guardian, or have a written consent from the parent before the x-ray can be taken.

33,330 Served In U.S. Army

WASHINGTON, D.C., May 20—Latest official records of the War Department reveal that a total of 33,330 persons of Japanese ancestry served in the Army of the United States in World War II.

The figures were obtained at the request of the Washington Office of the JACL Anti-Discrimination Committee from the Public Information Division of the War Department.

Of this number, 40 are Japanese aliens.

No breakdowns were available on the number of Nisei receiving Purple Hearts or other decorations of any kind, because the cards in the Machine Records Division are not punched according to those wounded, receiving decorations, and experiencing combat duties.

More than 11,000,000 cards of individual soldiers who served or are serving in the Army were checked before the total number of Nisei and Issei who were inducted into service was determined.

Misaka Voted Utah U Post

SALT LAKE CITY, Utah, May 20—Wataru Misaka, member of Utah's basketball team which won the national invitational tourney in New York City in April, was elected president of the University of Utah student body at its elections last week.

Hirai Awarded Bronze Star

CHICAGO, Ill., May 20—Midwest Buddhist Church chairman Tak Hirai, former Seattleite, was the only Nisei among fourteen ex-GI's from the Chicago area who received the Silver and Bronze Star medals at a special ceremony held during Army Week recently in Medinah Temple. Hirai received a Bronze Star citing him for heroism.

The Nisei, who served with the famed 442nd Combat Infantry Team, was cited upon presentation of the medal as follows: "He went to the aid of one of his men when caught in an enemy barrage while in open terrain during a combat mission across the Arno River on September 15, 1944, and was wounded by a shell burst."

NEW MEASURE FAVORS DEATH OF RACE BIAS

WASHINGTON, D.C., May 20—Race discrimination in our federal deportation laws will be eliminated in a bill now being drafted by the Standing Subcommittee on Immigration and Naturalization of the House Judiciary Committee, the Washington Office of the JACL Anti-Discrimination Committee learned this week.

The House Subcommittee has decided to scrap H. R. 2933, the comprehensive Department of Justice sponsored bill dealing with the deportation laws, following hearings that were completed ten days ago. The new bill, now being drafted by the Subcommittee under the chairmanship of Frank Fellows, Rep. of Maine, embraces every major point advocated by the JACL Anti-Discrimination Committee in the hearings.

It will provide the Attorney General with the discretionary powers to suspend deportation of any alien, regardless of his eligibility to naturalization or admission into the United States in the so-called hardship cases and in cases the alien has resided seven or more consecutive years in the United States prior to the enactment of the Act.

"These provisions," according to Mike Masaoka, national legislative director, "should prevent the deportation of just about every Japanese national concerned and constitute a real victory for our legislative program."

The bill also provides that private bill may be introduced after the Attorney General certifies that no administrative remedies exist and that the bills themselves are meritorious.

The House Subcommittee is expected to complete its draft of the bill and to report it out for the favorable consideration of the House early next week.

JACL LEADER ASKS END OF RIDER DATE

WASHINGTON, D.C., May 20—Speaking informally to members of the Standing Subcommittee on Immigration and Naturalization of the House Judiciary Committee this week Mike Masaoka, national legislative director of the JACL Anti-Discrimination Committee, urged the elimination of the deadline in the proposed amendment to the Soldier Brides Act.

While endorsing H. R. 3149 wholeheartedly as a corrective measure, Masaoka urged that the January 1, 1947 date negated the very spirit of the amendment itself.

H. R. 3149 was introduced by Chairman Frank Fellows of the Subcommittee, following repeated representations by Masaoka that the present Soldier Brides Act discriminated against American soldiers and veterans who married Japanese wives. It provides that "the alien spouses of an American citizen by marriage occurring before January 1, 1947, shall not be considered as inadmissible because of race, if otherwise admissible under the Act."

When told that the measure was specifically drawn up to accommodate those individuals for whom he had had private bills introduced and others in a similar category, Masaoka replied that while the Fellows amendments would permit the entry of every person in whom the JACL ADC has an interest, it nevertheless continued the discrimination against the Japanese spouses and their respective husbands who might have married after the first of the year and also served to prevent other marriages after the deadline.

The ADC official declared that in his opinion the fears of some of the committee members that a considerable number of American soldiers might marry Japanese women and bring them into the United States were unfounded. "And even if they should," Masaoka pointed out, "since every spouse will have been thoroughly investigated by General MacArthur's Headquarters, they should be the type America wants and needs as citizens and permanent residents."

The Immigration and Naturalization Subcommittee is expected to decide on the exact wording of this bill sometime this week and to report it out for the favorable consideration of the House of Representatives in a few weeks.

NVC Schedules Friday Meet

Nisei Veterans Committee will hold a special meeting this Friday, May 23, in the Buddhist temple. The session will start at 8 p.m.

All veterans from Seattle and vicinity are urged to attend.

HEADPIN'S VIEWS

By
SHEWO KAWRYE

Howdy, my friends!

To a foreign observer casually watching the numerous Nisei activities in the art of kegling, he would in all probability wonder how long we've been participating in this art of pin-crashing which finds such a soft spot in the hearts and pocketbooks of so many of us. To be perfectly frank with you, Shewo referred back to the research department to come up with this amazing calculation.

Bowling found its way into the various hobbies of the Nisei public just a few scant years before the recent world conflict; this, coupled with the present trend in the number participating, easily gave this form of recreation the leadership in all indoor sports.

About the gals...

Going into the third week of competition in the girls' league, we find the tension gradually relaxing with experience, resulting in larger scores in the team total series.

The record series of 1998 held for two weeks by the Pin Topplerettes was sent crashing into oblivion by the combined efforts of Crown Furniture's team. Edna Hirabayashi with a four-strike game of 180 and a series of 443 tied for high scoring honors for the evening with her teammate, Tak Yokoyama, who hit an identical series. Rei Imanayagita whose average doesn't warrant her series of 359 was to my estimation a little on the salty side. Pat Hidaka's 418 and Kay Yokoyama's 422 were enough to set a league record of 2085 which awarded Crown's three games from the Haba Duchesses.

For the losers, Chickie Maruhashi was the standout performer. The second high series of 1957 was posted by the Bowlerettes whose three tilts were won due to the efforts of Rose Young's 439 series and Sue Lew's 426. Their high games were 178 and 179 respectively. For the Pin Topplerettes, Miye Ishikawa, the steady leadoff, was outstanding, having the distinction of rolling the highest game of the night—183.

Tied for league leadership, the ever surprising Alley Kittens came through with another three games at the expense of the Lucky Strikers. Yoyo Konishi with a 435 series was the Kittens' star. For the Strikers, Rosie Suzuki looked okay even with a handicap of six splits in three games.

The other team taking victories by the same margin was Anna Kay's. The 425 series knocked over by Jean Terao was partially instrumental in the present perch of the salon girls. For their opponents, K. Miyamoto with a high game of 166 was outstanding.

Thus concludes the report of the third week of play in the girls' summer league. I wonder who will be the first with a 200 game or possibly a 500 sayless?

About the guys...

Due to the strenuous efforts of the leadoff and the anchor, the Gutter Balls made the fur fly right by taking three games from the Alley Cats. For the losers, Shig Sumioka's 511 series was the supreme sacrifice.

Roy Tanagi and Tommy Namba combined their bowling know-hows for the Hot Shots to bowl over the Bowlos. Tomcoo "Specks" Hama-saki's high game of 196 was the Bowlos' outstanding light of this match.

Hitting the team high series of the night was No Names. Their efforts could only retrieve an even split with the 300's, through the careful and masterful coaching of "Off to the Races" Kuranishi. Bill Tanaka has the distinction of being the most improved performer in the summer league as can be judged by his incredible league average so far. Tanaka's 579 series was the top marker for the night.

Another newcomer has come into the limelight. Hitting 543, Nobu Hirayama, leadoff, was best for the 300's.

The Handicapped Five was handicapped more so by the Salty Five with practically everyone dipping into a 500 series. George! Hero Nishimoto, rolling his usual game, was the individual with the high series for the "Kawrye Go's."

About most anything...

Tom Osa's first bowling venture in months since his relocation to Minneapolis came up with a four-game sayless of 150, 256, 181 and 208. Seems as if he just can't shake his saltiness... did you know the odds on acquiring a perfect game are quite expensive? At the current medium of exchange, you would have to spend \$114,000 to get a 300 game. The odds are 380-000 to 1!

Have you noticed the contestant in the boys' summer league whose average languishes tenth from the bottom? It could be Shewo Kawrye but unfortunately it isn't. Every time Shewo casually glances at the name, he sort of "grins" and bears it! Clutch?

About the guys and gals...

With a six-team entry, the Nisei mixed doubles league made its first appearance in the Northwest last Monday (May 12). Harboring some of the most weird team monickers in the annals of the wood-crashing profession, we find the strong Arrividerci quartet topping the league with four wins. For the victors, Nobu Takahashi and Jean Terao were instrumental in bidding the Hi-Lo's Arrividerci Peisan! For the Hi-Lo's, "Let's Have Another" Inashi was outstanding with his "ale" and hearty sayless of 541.

The Kitten Wolves took three games from the Four Aces with "Grins" Yamaguchi starring for the vanquished with his 167 average. It just wasn't in the cards.

The cast duo, the Kaputs and the Rusty Four, put up quite a struggle with the Rusty Four relinquishing three games to the Kaputs.

Hero Nishimoto, rolling his usual game, was the individual with the high series for the Rusty Four with a 513 and William Tanaka starred for the victors with 528. Thus concludes another hectic week of trundling.

Arrividerci... my friends!

YW SCHEDULES SPECIAL FUN FOR SUMMER

YWCA clubs and hobby classes have disbanded for the summer to take part in the varied recreational program sponsored by the YW for young people of this area. Members of the two adult councils at the YWCA got-together with the staff members early in the year and planned the special events for summer fun which begin next week.

Miss Mary Malme, representative of the Health Education Council emphasized that the entire program of sports and social events are open to any young man or woman over 18 years of age. Out of town visitors are welcome, too, as the program provides all types of Puget Sound sports.

There will be three all-day yacht cruises and one boat trip after work when a full moon will rise over the Cascades. Other after-work parties include hay-rack ride, a swimming party at Angle Lake, a horseback ride and two bicycle parties, all followed by a picnic supper.

Three week-end trips have been planned, one takes advantage of long July 4 holiday. Two will be for girls and one, a mountain trip to Snoqualmie Pass lodge, will be for both men and women. The July 4 holiday will provide three days at Beabow Lakes for fifty girls. Sports at the resort include boating, fishing, swimming, dancing, horseback riding, and hiking along the forested foothills of Mt. Rainier. The overnight trip of the summer will take a "beachcomber party" to the YWCA lodge on Bainbridge Island.

In addition to these outdoor sports events, the YWCA will also open its door for dancing to orchestra music the first Saturday in each month. Two of the dances, June 7 and September 6, will be formal. The two mid-summer dances will be "Cotton Hops". Girls will also journey to the Ft. Lewis service club every Friday evening for dancing.

Swimming classes in day and evening sessions begin May 26, July 7 and August 4, and the pool is open 18 periods each week for "fun" swimming. Family swim nights are each Wednesday and Fridays.

All fees of this Red Feather agency are non-profit, providing only for the actual expenses incurred in each event. Registration for all events must be made with the YW Program Registrar at Fifth and Seneca. Folders for both adults and teen age summer programs are available at the Registrar's office.

Diet to Receive Bibles Soon

OAKLAND, Calif., May 20 (Nichi-Bel Times Dispatch)—A shipment of 400 Bibles will be on the liner General Meigs when it leaves San Francisco designed to be presented to the members of the Japanese Diet.

These Bibles have been supplied by the Gideons, the society which has placed the Scripture in all hotel rooms throughout the country.

A token presentation of a Bible was made Sunday at the Tenth Avenue Baptist church by a representative of the society to Japan-born Mrs. Felica Bock, daughter of missionaries, who first suggested the idea.

The Gideons representative declared that Bibles have been given by the society to President Truman, his cabinet and members of Congress and said, "I believe it most fitting that we should present copies to members of the Japanese Diet."

Lands Sought For War Vets

WASHINGTON, D.C. May 20—Legislation to permit Hawaiian war veterans to take over tracts of government-owned lands for agricultural purposes has been introduced by Delegate Joseph R. Farrington, R. Hawaii.

This bill would provide that the government open up new land whenever 25 or more veterans, who lived in the islands at least five years before entering the armed forces, requested farm sites.

"The land would be leased for 99 years at a rental fee of \$1 a year to each individual. The veteran's interest in the lands could be left to his widow or children upon his death."

Toil and pleasure, in their nature opposites, are yet linked together in a kind of necessary connection.

The Social Whirl

PORTLAND, Oreg., May 20—At a delightful luncheon recently given by Miss Frances Moriyasu in her home, the engagement of Miss Himeko Takemoto, Portland, to Mr. Ike Tsugawa, Hillsboro, was announced. Guests present included Mrs. Martha Tanabe, Miss Florence Anazawa, and Miss Mary Furusho. The wedding date has not been set.

SALT LAKE CITY, Utah, May 20—Miss Yaeko Yoneyama, daughter of Mr. and Mrs. M. Yoneyama, formerly of Seattle, became the bride of Mr. Tatsuya Yamamoto on May 5 in the Cathedral of Madeline. Father Hart officiated.

Following the wedding, a reception was held in the Pagoda.

Lotus Nines, Travelers Lead N.W. Times Loop

The Sporting Thing

by bf

We were quite ashamed of our ouija board. It failed us in our prognostications of Northwest Times Baseball League games.

Only one right in three chances!

This is how it happened:

Lotus M's 8, Eastern Fuel 6—M stands for Mercury but it stood for something else last Sunday. Lotus beat Eastern Fuel as the score states and we can't understand it yet.

Lotus Ashuras 12, Merchants 8—This was a surprise shower, as the social lions and lionesses would put it.

Travelers 15, Clippers 5—The Travelers did us right.

Our record feeble as it is—shows:

	Right	Wrong	Pct.
bf	3	3	.500

Our choices for this Sunday:
Clippers-Eastern Fuel—Here's one which Eastern Fuel can't afford to lose.

Valley-Ashuras—Ashuras by an eyelash
Travelers-Merchants—Post number three for Travelers.

Sideline Topics

... hottest thing in pitching in the Northwest Times Baseball League now is Richard Tsuji of Lotus M's... the Nisei Vets in the Puget Sound loop won another one by a whisper—Old Man Victory must have a long beard... Haba Duchesses aren't good bowlers but—haba, haba!... Nisei natators and those who wallow in thought that they are Halo Hirose and Kiyo Nakama are awaiting the opening of public beaches... pre-war sign: American youths with Japanese looks are playing ball on various fields... dog paddling back to swimming, a friend of ours asks: who were the two shapely Nisei gals who were being focused by gawking amateur photogs at Golden Garden several Sundays ago?... PGA members not only golfed (and swam) but (many of them) fed their Sansei children on the picnic grounds last Sunday...

How many Nisei girls know how to swim? By swim, we don't mean just splashing water and causing a lot of commotion.

ASHURAS MAKE DEBUT COUNT; WIN, 12 TO 8

GARFIELD, May 20—The Watanabe brothers, Shig and Mas, did their best but their best was not enough for the Merchants who bowed to the Lotus Ashuras, 12 to 8. The untried Ashuras were making their debut in the Northwest Times Baseball League.

Shig Watanabe, a former Broadway high school man, smashed out a homer and a double. Kay Saito and Tak Yagi of Ashuras also hit for round-trippers.

Although shaky in spots, Nobu Shimizu of Ashuras set the Merchants down handily, striking out seven in as many innings.

The running score follows:

Merchants	302	200 1-8 10
Lotus Ashuras	311	070 x-12 8

Batteries: Kurimura, Watanabe, Yanagimachi, and Fujii; Shimizu and Shinoda.

Portland Vets Win, 25 to 5!

(Special to N.W. Times)

PORTLAND, Ore., May 20—Portland's Nisei Vets annihilated Schmitt Steel by 25 to 5 count in what was called the "worst slaughter" so far in city league competition last Sunday in Westmoreland park. Montville Kiwanis handed the Vets their first defeat of the season Friday night. The game, played under extremely cold weather conditions, wound up in a 2-1 triumph for Kiwanis.

The Vets meet Tony's Market from 7 p.m., Sunday, May 25, in Westmoreland park. They face Chinese Post 147 at 7 p.m. Thursday, May 29, also in Westmoreland.

URGES NEED TO CULTIVATE IMPORT ANT TRADE WITH ORIENT

Homes Sought for 11 Sansei Children Abandoned by Nisei Mothers in Illinois

CHICAGO May 20—Suitable homes for eleven babies who have been placed with the Illinois Children's Home and Aid Society by Nisei mothers who were unable to care for them, are being desperately sought by the welfare agency, it was reported in the Japanese American Weekly, Chicago Shimpō.

These eleven babies, some of whom are of mixed parentage and now in foster homes, although none of them have been adopted. At the present time, the agency pays for the expense for the care of the children.

It was revealed that the agency will accept applications from any Japanese family which may

be interested in adopting any of these children. One couple in Michigan and another in California have already adopted babies through the Illinois Children's Home and Aid Society.

Arrangements for taking the children under a boarding arrangement where the essential needs of the child would be paid by the agency can be made. "It is difficult to estimate how many babies in similar needs are in Chicago which have not been referred to any social agency. Because of the special obstacles in placement of Japanese babies in the Illinois Children's Aid Society has not been able to accept some of them," the newspaper said.

JACL Boasts 7000

SALT LAKE CITY, Utah May 20—A total membership in the JACL for 1947 of over 7,000 was seen as a result of the nation-wide membership drive conducted by the organization this spring according to reports from Masao Satow, acting National secretary at the Salt Lake City headquarters.

Though all the chapters have not reported their final figures, a total of 4,358 members were on the League rolls already. Lists from unreported chapters are expected to boost the figure to close to 6,000 while later additions from all chapters are expected to swell the final total.

Estimate of U.S. Nisei It was estimated here that the mainland nisei eligible to join the JACL number somewhere between 65,000 to 75,000 at the present time and therefore about 10

While the league could and should have a larger membership it was pointed out that very few

minority groups or private interest organizations can maintain that they represent 10 per cent of persons eligible to join their organization.

According to last week's report Northern California district led all other areas with about 1,250 members with the new Midwest district council second with nearly 800 signed up.

Biggest Chapter in Chicago Chicago tops all 48 chapters with a total membership of 305. Oakland was next on the list with 275, but has subsequently reported a total of 303 for the drive.

Other large chapters were Santa Clara County JACL 249, Denver 248, Salt Lake City 239, San Francisco 230, Los Angeles 220, San Mateo County 168, St. Louis 149, New York 142, and Portland 108.

San Francisco, however, is now over the 250 mark, according to Ichiro Sugiyama, local chapter treasurer. Per cent of the nisei are members of the JACL.

The fruit derived from labor is the sweetest of all pleasures. —Vauvenargues.

25 J APANESE ARRIVE in U.S. FROM JAPAN

SAN FRANCISCO, Calif., May 20—Twenty-four nisei and one issei returned to this country on the APL liner General Gordon from Japan Friday morning, including another youth who bore scars of the Hiroshima atom bombing.

He is Tohru Nishikawa, 18, of Los Angeles who was living in the outskirts of the city at the time of the bombing. Mrs. Tsuru Fukuda, 63, became the second issei to return to this country since 1941. She was on the Tatsuta Maru when it turned back after almost reaching Honolulu in December of that year. Her daughter and son-in-law, Mr. and Mrs. Shigemi Mazawa, who were also on the Tatsuta are all headed for Chicago.

The first Mexican-born nisei to receive permission to enter this country en route to his home in Mexico City, Ernest T. Matsumoto, was also a passenger on the Gen. Gordon.

Mrs. Jean Dan whose Japanese husband is a zoology professor at Tokyo Imperial university, returned here with their two children to publish a scientific study which they jointly carried on during the war.

Pointing out that trade with the Orient will take not only harvesting but cultivating, Arthur B. Foye, president of the Far East-American Council of Commerce and Industry, Inc., yesterday (Monday) declared that "such cultivating will require knowledge and alertness to the constantly-shifting conditions which are taking place in the Orient."

"Continuous, vigorous and concerted action on the part of all American business to protect its interest and prevent unfair discrimination in competition with foreign countries is also required," Foye said when he spoke at a luncheon in the New Washington hotel marking the opening of Foreign Trade Week in Seattle.

The first prerequisites for a normal development of trade with the Far East are stable and orderly political conditions, he said.
