

TWO MEASURES GO TO HOUSE; HIT RACE BIAS

Legislations Identical To Judd, Walter Bills

WASHINGTON, D. C., Jan. 27 (ADC)—Del. Joseph R. Farrington (R., Hawaii), has introduced measures to eliminate race in naturalization, and one not only to remove race as a naturalization requirement but also to restore at least token immigration to all Asian countries, according to the JACL ADC.

The first bill is identical to the Walter bill, now before the House Judiciary committee.

The latter is identical to the Judd bill, approved by the House last year but which was never acted upon in the Senate.

As the lone Congressional representative from Hawaii, Del. Farrington has been among the most active supporters of legislation to liberalize immigration and naturalization laws as they affect Asians, Mike Masaoka, national JACL ADC legislative director, said.

He pointed out Del. Farrington already has a measure before the House which would admit Asian spouses and natural born children of American citizens as quota free immigrants.

Del. Farrington represents the largest community of persons of Asian ancestry under the American flag.

More than 40 per cent of Hawaii's half-million residents are of Asian or part-Asian ancestry.

SGTS. MIYAKI, KAMIKIDO OF N.W. SERVE IN U. S. ARMY AIR FORCE

HEADQUARTERS, FAR EAST AIR FORCES, TOKYO, Japan (Special to ADC)—Nisei Air Force personnel are engaged in a wide variety of tasks in Japan, the Far East Air Forces has reported.

In Japan, their knowledge of the language and people has made them especially valuable as interpreters and in intelligence work, FEAF officers said.

Among Nisei on duty with FEAF is S/Sgt. Frank H. Miyaki, of Spokane, Wash., serving with the 2143rd Weather Wing.

In addition to his regular work, S/Sgt. Miyaki is a top athlete in the FEAF. He has won individual championship honors in the base bowling league for three seasons, and has been a star player on football, baseball, basketball and softball teams.

He had an enviable reputation both in high school and later at Washington State as an outstanding, all around athlete, and still holds the Pacific Coast Conference record for pass interception runbacks in a single game, set the first game he played for Washington State.

He entered the Air Force in 1946. Another Nisei airman with

FEAF is Sgt. Tom Kamikido, a native of Ontario, Oreg.

He is a radio operator with the 1808th Military Air Transport Service Wing, and has made a number of flights into the Korean combat zone.

His father, Josphitari Kamikido, lives in Tacoma, Wash.

EVACUEE CLAIM OK'D UNDER ACT

Californian May Get Benefits for Item Not Listed

WASHINGTON, D. C., Jan. 27 (ADC)—Even though a claimant failed to list an allowable item under the Evacuation Claims Act, he may be eligible to collect for it providing the total paid on a claim does not exceed the total amount claimed, the JACL ADC was advised today.

The Justice department reached this decision in adjudicating the claim of a California evacuee for personal property losses resulting from a forced sale, and also for the disappearance of goods placed in government custody.

Among other items for which the claimant asked compensation was one for losses sustained in the sale of an automobile.

Although the claimant spent three dollars advertising the car for sale he did not claim this expense. The Justice department said the expenditure was part of the loss and ruled that to include it was a matter "of correction."

In the same case, the department also allowed \$11.65 for the loss of personal items turned over to the military for transportation between relocation centers.

The claimant was awarded \$156.35 as the fair loss out of claimed losses of \$283.

NATIONALS HATE NISEI IN JAPAN

Citizenship Attitude Resented by People, Scribe Learns

TOKYO, Japan, Jan. 27—The Japanese feeling towards the Canadian Nisei in Japan is one of bitter hatred, according to a news dispatch of Bill Herbert, a correspondent there.

The attitude taken by the Japanese nationals against the 3,000 Canadian Nisei was, that they went to Japan when things were brighter. They became part of the Japanese nation. Now, however, the war is over, but the bitter pill of defeat is still sticking in the Japanese crop.

But the Nisei, having backed a loser, want to regain the citizenship they abandoned before. The Japanese nationals feel that these people, once they came, should have become good Japanese citizens and been content to help reconstruct a better Japan from the ashes of the lost nation of the Rising Sun.

The article also suggested that many of the Nisei are engaged in the black markets of Japan. It was also suggested that Nisei girls are marrying American GIs, not for love, but for a chance to get back to America.

Of some 3,000 Nisei in Japan, more than 1,000 of them have filed for passports back to Canada. Less than 400 have received passports since the mission was established.

The Canadian Nisei are not a happy lot in Japan, according to the dispatch.

Do you wish men to speak well of you? Then never speak well of yourself.—Pascal.

TRUMAN SENDS 'DEEP' THANKS FOR JACL STAND

Responds to Masaoka Letter Confirming Nisei Loyalty

WASHINGTON, D. C., Jan. 27 (ADC)—The White House today expressed the President's "deep appreciation" for a letter from Mike Masaoka, national JACL ADC legislative director, reaffirming the loyalty of the JACL during this critical period.

The White House letter said: "My dear Mr. Masaoka: "The President wants you and the members of your organization to know of his deep appreciation of your letter. The recognition throughout the country that the strength of our national unity depends upon the wholehearted cooperation of each individual is indeed gratifying and for the assurance of loyal support which your communication conveys the President asks me to extend his sincere thanks. "Very sincerely yours."

The letter was signed William D. Hassett, secretary for the President.

The original letter from Masaoka was written shortly after the President declared a state of national emergency, and prompted him to say:

"Again, as in World War II, we of Japanese ancestry are determined to serve in whatever capacity citizens are needed to preserve the freedom and uphold the dignity of man at a time when the ruthless ideologies of Communism threaten liberty everywhere in the world. . . . the Japanese Americans and their immigrant parents stand shoulder to shoulder with their fellow men, prepared to share equally in the hardships and demands imposed by the crisis confronting the nation."

Another piece of property, "Fountain Ranch", owned by a group of Japanese in this district is also undergoing selling negotiations with the Department of Indian Affairs. If the deal goes through, some four families plan to move to the West Coast in the Spring.

Strengthening of education for freedom is a vital security measure in these times of international crisis, Dr. Raymond B. Allen, president of the University of Washington, said yesterday.

Problems facing education are reviewed in his introduction to the University's 31st biennial report to the state legislature, which has been transmitted to Governor Langlie.

"The present situation is characterized by simultaneous search for peace and preparation for war," he declared. "The real challenge to education is that of preserving the truths and values of American civilization. By the nature of their training, our young men and women must learn to cherish the freedom which is the priceless heritage of Western civilization."

In summarizing the mission of the University, Dr. Allen said: "The University is concerned, of course with the traditional concepts of vocational competence and personal achievement. But it must go beyond these admittedly fine objectives. It must prepare its students, as mature human beings, to assume their personal responsibilities for the welfare of their families, their communities and their nation.

"Above all else, the University must seek and develop in youth those qualities of character, idealism and spirit without which learning, however brilliant, is socially sterile and possibly dangerous.

"The noblest end of education is the development of young men and women dedicated to useful lives of self-reliant citizenship and responsible leadership."

Spokane Busse Set Pre-Confab Rally on Feb. 16

SPOKANE, Wash., Jan. 27 — First activity for the Spokane YBA under the leadership of its new president, Massie Horuchi, will be a pre-convention rally on Friday, Feb. 16, in the Women's Club. Highlights of the evening will be the presentation of skits and an oratorical contest, in which the winner will represent the chapter at the Northwest Young Buddhist League convention in Ontario, Oreg., next Feb. 23, 24 and 25.

Russ Andre and his orchestra will be on hand from 8 p.m. to 12 midnight. Satsu Terao and George Oba are the co-chairmen.

SPOKANE, Wash., Jan. 27—President Massie Horuchi of the Spokane YBA has on her cabinet the following to assist her during the year: Kerry Soejima, vice president; Kixie Matsumura, corresponding secretary; Yoshi Sugikawa, recording secretary; Lola Tachida, treasurer; Miki Matsumura, historian; and George Oba, religious chairman.

Another Decision

WASHINGTON, D. C., Jan. 27 (ADC) — A Japanese evacuee may file a claim under the Evacuation Claims Act even though his wife is an alien residing in Japan, the Justice department has advised the JACL ADC.

It reached this decision in the case of an evacuee who sought \$188 damages for loss of personal property as a result of evacuation, and whose wife is a permanent resident of Japan.

The Justice department said the claimant reported his wife had an interest in the property. If this were so, then it would have been necessary to rule on the eligibility of the wife's interest in the claim.

However, the Justice department pointed out that because, by law, the wife is excluded from the United States, and has never lived in the United States, any property or earnings acquired here by the claimant "must be his separate property."

The department awarded \$120 to the claimant, rejecting for payment only money he spent to acquire a mattress after the evacuation.

Due to exigencies beyond local control, Bert Butterworth and Arthur Susumi find it necessary to re-enter military service. We take this opportunity to thank the community for its cooperation and friendship during the past years, and look forward to serving personally when this "police action" is concluded.

During our absence, the regular experienced staff of Butterworth's is always available to serve the community in time of need.

Tomato Growers Sell Property; Receive \$40,000

LILLOET, B. C., Jan. 27 — For a reputed sum of about \$40,000, a group of Japanese tomato growers recently sold "Pugh Ranch", a 426-acre property to the John Hass Hop Company (Canada) Ltd.

The purchase was announced by J. J. Coplan, general manager of the company.

The 426-acre property, with 125 acres of arable land will be used to produce hops, the product used to flavor beer and other similar malted beverages.

Another piece of property, "Fountain Ranch", owned by a group of Japanese in this district is also undergoing selling negotiations with the Department of Indian Affairs. If the deal goes through, some four families plan to move to the West Coast in the Spring.

MITCHELL INTRODUCES MEASURE ALTERING NATURALIZATION LAWS; LAUDS WAR RECORD OF NISEI, ISSEI

Washington Congressman Urges Every Alien To Become Citizens of Our Country If and When His Bill Is Approved

WASHINGTON, D. C., Jan. 19— "Japanese and Far East aliens permanently resident in the United States should be urged to become naturalized citizens if able to meet the individual tests of citizenship. All barriers to naturalization based on race should be removed," Congressman Hugh B. Mitchell (D., Wash.), said when he introduced H.R. 1661 which would alter immigration and naturalization laws to make possible their being granted citizenship.

"This act would correct to some degree the unfortunate misunderstanding of World War II which caused thousands of Japanese American families to be displaced from their homes and forced into relocation centers. Our Japanese Americans have always been good residents and could be good citizens. They assisted in vital war services, serving as translators, interpreters, map drawers and makers, documentarians and even in counter-espionage work.

"Their sons served valiantly in World War II. The record of the Nisei battalions is one of the most heroic of all military units. Their records show that they won at least as many, if not more, decorations for bravery than any other unit of the same size in the entire Army.

In every respect they performed their fullest duty to the country.

"Federal Bureau of Investigation records and the records of the Army and Navy Intelligence show that there was not one single case of espionage or sabotage by a resident alien Japanese American before, during, and since the attack on Pearl Harbor. They are loyal, fine and thrifty people."

Mitchell's bill states nothing new in terms of basic policy, but merely extends to Japan and a part of Asia the same naturalization and immigration privileges as Congress has already granted in laws that are working well, to the peoples of India and the Philippines.

Mitchell, who has been joined by a number of other Congressmen in introducing the proposal, pointed out that an identical bill was passed by the House in the 81st Congress, but was not acted upon by the Senate.

The free x-ray mobile unit will be placed directly in front of the Tacoma hotel, 822 Jackson St., and persons, wishing to have their chest x-rayed, will be registered in the office of the Jackson St. Community Council, it was announced today by the Japanese Anti-Tuberculosis Committee.

The unit will be open to the public this Friday (Jan. 26) and Saturday (Jan. 27), and the hours will be from 10 a.m. to 12:30 p.m., and from 1 to 6 p.m.

Mrs. Toyoko Hayashi will serve as interpreter for the Issei group.

The Sap's Fables

By YOICHI MATSUDA

Come along, boys, and listen to my tale.
'Tis a tale to make any he-man cry and wail,
For, unfold I will a sorrowful Saga of Salty Sam,
Who has a damn good cause old lady luck to damn.

Salty Sam, one night, sat in a poker game.
They swore, the gang, I mean, it's "friendly" and tame.
But, Sam, that night, learned what you and I already know:
In "friendly" game a guy gets sucked in and lose a pile of dough.

"Seven card stud" was what the first dealer said.
Salty Sam smiled as the dealer flipped him an ace of spade,
For two more spades in the hole gave our Sammy this thought,
"Got a chance for a Flush and I'll rake in that fat pot".

Next card was a Spade, too, and Sammy's hopes soared high,
Sammy knew, he did, he'll win the hand as easy as a pie.
After three more cards, Sammy for the fat pot hoped no more,
For diamonds and hearts can never match his first, four.

"Draw" was next and Salty Sam open with a Jack pair.
Three cards he asked for and picked up a deuce pair,
But, the guy next to him took the pot and made Sam feel like
a sucker,
Cause the damn guy kept an Ace kicker and drew a lucky Joker.

Through the night, deal after deal, this way it went on,
Sammy cussed, Sam even prayed, till the break of the dawn.
But, nothing changed this awful fact that Salty Sam was cold,
As cold as your old lady's feet on your bare back, so I'm told.

Then, on the last deal, it did happen, the miracle Sam had
prayed for.
This night and this hand will haunt our Salty Sam forevermore.
He held five hearts — Ten, Jack, Queen, King and Ace . . .
Flush of Royal vintage . . . but, Sam showed no smile on his face.

Salty Sam broke down and like a little baby Sammy cried.
Don't say Sam was a softy; to take this like a man Sammy tried,
But, with a Royal Flush, how in the hell can a guy stay in and call.
When the damn guy that dealt this mess had called for Low ball?

Three Seattle women rate huzzahs for a handsome and most unusual book. "The Japanese Principle of Design in Flower Arrangement"—Senke School combines the talents of Kane Shoji, Violet Johnson, and Emma Hale, publisher of Northwest Gardens and Homes. This book can be read backward and forward, literally, for it is written in English and Japanese and ingeniously arranged so that starting from the front cover it is English from the back, Japanese. Mrs. Shoji is mistress of the century-old Senke School. Mrs. Johnson did the English text and Mrs. Hale compiled the book and planned the layout. Over 85 of the 164 pages are flower arrangements. A limited number of books are available at the Northwest Gardens office in Seattle (\$7.50). Incidentally, the entire book—printing, binding, and engraving—was done in Seattle.

Making quick switch from Oriental flowers to Oregon trains, have you seen Randall V. Mills' "Railroads Down the Valleys"? Published by Pacific Books, this volume tells of early shortline railroads—the little lines built for specific areas and purposes, such as hauling wheat or lumber. In tracing the history of five shortline roads, Mr. Mills brings the era to life with amusing yarns and legends in a very easy style. A number of photographs of these old trains will have nostalgic appeal for train enthusiasts, and for not-so-old-timers who may have worked on some of the roads. There are maps, lists of each route's

equipment, and a bibliography. Sculptor Dr. Avarad Fairbanks announces that the statue of Marcus Whitman, Washington's first representative in Statuary Hall in the nation's capital, will be unveiled in April. The Marcus Whitman Foundation hopes to provide a duplicate statue at the mission site. The Foundation (P. O. Box 357, Walla Walla) has these booklets available: "At Wallatpu", by S.B.L. Penrose (25 cents), "Facts in the History of Dr. Marcus Whitman", by Ronald Sires and Robert Comegys (10 cents), and the "Park Service's Whitman National Monument" (15 cents).

We read in the Saturday Review of Literature that Mrs. M. L. Lickerman of Port Angeles is doing a book on Henry Handel Richardson . . . The 300 millionth copy of pocket books was sold in the United States in November . . . Twenty years ago pocket books were unknown . . . Margaret Lay, who is working on the story of Noah, says her new manuscript is not religious, but presents the human angle of the great flood. She has done months of research, and no one lucky enough to read the manuscript has tripped her accuracy yet . . . Why bother with pen names? An eastern Washington professor wrote a book under a pseudonym, yet the book appeared as a prop in a comic strip with his real name on it.

SKI SCOOPS

by Sitzmark

With our skis waxed for any snow conditions, except water, we're off to the hills at Snoqualmie Pass, only an hour and a half ride from metropolitan Seattle. Let's say "hello" to the Nisei, novices and experts alike, who are enjoying this sport.

There's "Doc" Ken Louie and Jade at the ticket office. At a dollar and thirty cents a throw, they can get unlimited rides. Speaking of unlimited rides, Kay and Mac Kimura have their's down to about a penny a ride. Grab a hold of the rope (but oh! so gently at first) and up we go. Riding up ahead is Agnes Takisaki

and behind us is Janet Otoshi. Here we are at the top to find a good Nisei crowd. The ole master, Nobu Kano, hasn't lost his style. Funny, his eyes look like his camera lens and his eyelids flutter like shutters—wonder why? Listening attentively to his "Bend ze knees, two dollars please!" are Violet Arase and Martha Fukuma. Pumping away to a fast start go our two stalwart hopefuls in competitive skiing, Mas Watanabe and "Juggo" Hata.

"Schussing (that's a hard way to discover that a straight line between two points is not always the shortest) like an expert are Al Hiki-da and Ted Imanishi. We'll try it once ourselves. Emile Allais says, and we quote, "A little counter-rotation and rotation will do the trick". Well, here goes. Oomph! Our rotation came in the wrong sequence.

Taking a break for coffee at the lodge are Turk Suzuki, Mac and Aki Shoji. Ask these persons about skiing. It's a great sport and the best introduction to it is at our ski meetings. You're welcome and bring your friends. The next one is set for Friday, Feb. 2, the time and place to be announced later. We'll be seeing you.

W. C. Printing Loses Ground, Bows 1-2 To Second-Place Iwata's in NCL Match

Second-place Iwata Insurance cut down league-leading West Coast Printing's lead to one game last Tuesday night by beating the leaders, 2 to 1, in an exciting Nisei Commercial league match in Main Bowl.

Going into the third game, the "printers" and the "insurance-men" were tied for the top berth when Fred Takagi of the "printers" began to hit his stride and knocked over 233 pins to save WC from a whitewash and loss of the league leadership which it had held for the last month or so.

Benny Nakata, shooting from the number four position, and Kenny Oyama, in the number two slot, shot 617 and 546 respectively to pace the victorious insurance outfit. Nakata especially was "hot" as he fired his ball into the 1-3 pocket for 188, 225 and 204 games.

For the "printers", Takagi with his 568, Frank Yokoyama with a 205 in a 565 and David Wong with a 532 were rocking the woods hard to force Iwata's to shoot a 2726 series to win.

Riding on the crest of a 13-game winning streak today is fast-climbing Nagamine-Beppu Chevrolet which conquered Puget Sound Vegetable Growers' Association, 3 to 0, and moved into third place to challenge WC and Iwata's. The N-B Chevie men, '49-'50 champions, displayed some mighty pin-knocking force as they scattered 2793 pins for a season high mark. The defending titlists, led by Tak Shibuya (614), hit as follows: Jack Nitta 524, Tom Namba 546, Bill Tanaka 527, and Pruney Tsuji 582. Shibuya, reliable as they come, shot; 225, 169 and 220. PSVGA's Frank Kessner came through with 570.

In other contests, the results were as follows: Jackson Grocery 2, Katayama's Gardening 1; Twentieth Century 2, Royal Amusement 1; Red Front Tavern 3, Twelfth Ave. Service 0; and Sakahara Insurance 2, Coast Wide Supply 1. Good bowling scores were turned in by Nobu Takahashi (559), George Fujimoto (558), Kenny Arita (543), Johnny Chinn (570), Bob Wong (530), Jim Kuramishi (565), Morrie Yamaguchi (540), Shoichi Suyama (550), Hiro Nishimoto (537), Tomio Hamasaki (531), and Jimmy Nakamura (542).

Tall's Fifth Ave. established the high marks for team game (790) and series (2277) last Thursday in a SNGBO (Seattle Nisei Girls' Bowling Organization) match to pelt Martha's Beauty Shop, 3 to 1, in Main Bowl. Leaders in Tall's attack were Yo Nakata (525) and Rose Young (501). Miye Ishikawa (490) and Carol Dady (488) held their own for Martha's.

The 1-3 loss put Martha's two games behind pace-setting North Coast Importing which split, 2-2, with Frank's Jewelry. In this battle, Pat Sakuma (492) and YoYo Ishii (470) marked well for Frank's.

Russo's Enterprises earned a 3-1 decision over N. P. Hotel on the strength of Maida Ikeda's 500-even series. Ruby Nakauchi kept N. P. in the contest with a 475.

Other results were: Takano Studio 4, Gyokko Ken Cafe 0; and Nogaki's Buickettes 3, Tom's Grocery 1. Top kegling scores were posted by Mary Chihara (496) and Mary Ueda (474), both of Nogaki's. Miss

Chihara's 211 was an individual high singles mark.

Despite its 1-2 defeat at the hands of Nisei Grill, 14th Ave. Service last Thursday still protected a four-game lead in the Nisei Merchants league pennant chase in Main Bowl.

Best individual bowling was done by Paul Minato of Hattori Realty which crushed Yesler Appliances, 2-1. Minato bashed the woods for a 573 series which included a 232 game. Jaxon Sonoda of Yesler was sharp with a 551, and his high game was a 202.

The other teams finished as follows: Superior Used 2, Terao's Fords 1; Main Fish 3, Seventh Ave. Service 0; and Rose Brand 2, Toda's 1.

In addition to those mentioned, keglers in the 500-plus circle were Nobu Suyama (546), Jiro Yoshitake (506), Augie Aratani (515), Raymond Sasaki (524), Sam Tsuboi (509), Brownie Nomura (540), Sat Sakuma (552), Shig Urakawa (563), Tad Kono (539).

Nisei Trudlers Get Lion's Share In Tacoma Joust

TACOMA, Wash., Jan. 27 — Nisei bowlers, well known to Seattle kegling fans, were in excellent form as they grabbed top honors in all the events in the Sixth Avenue alley's Hot Stove tournament last weekend.

Puget Sound Laundry, captained by Kaz Yamane, amassed 3097 pins on a 432 spot to win first place in the team event.

Individually, Joe Asahara, a member of the tourney-winning P. S. Laundry, was the most brilliant performer. Asahara paired with Mako Yaguchi to take first place in the doubles with 2171 on a 265 handicap, and then proceeded to walk off with first prize in the singles with a hefty 1163 which included a handicap of 138.

In the singles, Asahara averaged 205 scratch over a five-game stretch.

Brother Johnnie Asahara was right there, too. He paired with Yamane to come in second in the doubles with a 2149 count. Their spot was 310.

King's, New Tokyo Remain in Tie

PORTLAND, Oreg., Jan. 27 — High marks were as scarce as bright prospects for world peace, last Friday when Oregon Nisei Bowling league members took their turn in the Hollywood Alleys.

King's Insurance and New Tokyo continued to be deadlocked at first place.

King's ruled out N. W. Insurance, 2 to 1, and New Tokyo dunked Russellville Market by the identical score. King's men in the 530-plus bracket were Sam Sasaki (530), George Sono (541) and George Hijiji (543), and New Tokyoites in the same pace were Tio Kiyokawa (525) and Vic Nishijima (529). Kaz Fuji of Russellville posted a 553 series.

Top game and series were poked by Francis Wong of the Dragoneers 1-2. Wong worked hard to hit 213 who bowed to Nishimoto Insurance, in a 557 series. Teammate Ed Dong helped with a 549.

In the two other matches, Maleis Bros. spanked Kern Park, 2-1, and J. K. Kida drubbed Motor Clinic, also by a 2-1 decision.

Tsuji, Iwasaki Spark Bukkyo Quintet in 2nd-Half Push

Lotus Mercury edged itself a step closer to the 1951 AA championship by defeating Cavaliers, 47-32, last Wednesday on the Buddhist floor. The Buddhists five now has only three games left on its schedule with a game advantage over second-place Tokuda Drug Savoy's and Cathay Post.

Although Mercury shooting was off, second half spark by Rich Tsuji and Gaylord Iwasaki left no doubt as to the outcome of the game. Tsuji potted 13 and Iwasaki, 10. Bob Murray was high as usual for Cavaliers with 11.

Mid Tanabe, who now leads the girls' division scoring with 116 points, went on a rampage in the second half to give Tacoma a 32-20 win over Lotus Jrs. Miss Tanabe tallied 19 points.

Lotus Jrs. kept the Tacoma attack bottled up in the first period and held the visitors to a 12-12 count at the half. Barons swamped Tacoma YBA, 37-15, in the A class contest to keep their title hopes alive. George Fukuda went wild to tally 14 points on five field goals and four charity tosses for the victors.

NISEI GIRL TELLS OF BETROTHAL

Ex-Dancer Engaged To Daily Mirror Columnist

HONOLULU, T. H., Jan. 27—Reports that a Hawaii Nisei, formerly in the chorus at China Doll, noted New York night club, will become the bride of Lee Mortimer, New York Daily Mirror columnist, were confirmed here by her sister last week-end.

Mrs. Masami Watanabe of Honolulu said her sister, Ann Tomiko Koga, had written that she was engaged to the Hearst writer.

The Nisei dancer now operates a novelty shop, Hawaiian Paradise, in New York City.

She went to New York in 1948 after graduation from the University of Hawaii for further study and took a part-time dancing job at the China Doll. She also was a news correspondent for the Honolulu Star-Bulletin.

Ann, according to her sister, has corresponded with Mortimer since her high school days and the columnist visited Hawaii twice in the last several years.

Her older brother, Masao Koga, served with the 100th battalion, while another brother, Takeo, is now with MacArthur's headquarters.
