

Heads 'Whodunit' Writers

MILTON OZAKI

Milton Ozaki of Chicago was elected president of the Chicago Mystery Writers Club. He is believed to be the only Nisei author who has successfully invaded the difficult field of writing "whodunit" yarns.

'Why Aren't We Permitted to Wed Japanese Girls?' Yanks Ask

TOKYO, June 10.—"Why are we not permitted to marry Japanese girls?"

This question was asked in a letter written recently by thirteen U. S. Army enlisted men to the Army newspaper Pacific Stars and Stripes. They also urged "this democratic army" to drop its pride and "let us go ahead in spite of racial differences."

The men requested their names be withheld from publication. The letter said that during a tour of duty in Japan "many of us have become quite fond of girls over here." Pointing out examples of GI marriages with German, French and British girls, the letter asked:

"Why can't we marry Japanese girls? We are supposed to impress the Japanese with the truth that all men are created equal and so forth. Why don't we practice what we preach?"

The answer by the Pacific Stars and Stripes under the letter said marriages between Americans and Japanese nationals are not favored because an alien marrying an American does not automatically become a U. S. citizen.

"Also present immigration laws restrict Japanese nationals coming to the United States" and there are "no guarantees that Americans discharged in Japan will be authorized to live indefinitely in Japan. Hence any marriage of an American soldier and a Japanese girl may result in permanent separation."

A man who gives his children habits of industry provides for them better than by giving them a fortune.—Whately.

JACL LEADER FILES 'CASE FOR NISEI'

WASHINGTON, D. C. June 10.—Following his testimony urging the favorable enactment of H. R. 2768 last week before the Gwynne Subcommittee, national JACL president Hito Okada of Salt Lake City, Utah, filed 18 resolutions and statements supporting the Evacuation Claims Commission Bill with the House Judiciary Committee Subcommittee conducting the hearings.

At the special request of the chairman, Congressman John W. Gwynne, Rep. of Iowa, president Okada also filed the "Case for the Nisei", the JACL brief amicus curiae before the United States Supreme Court in the evacuation test cases. This document was filed as the JACL reply to General DeWitt's Final Report on Evacuation.

Among the resolutions filed were those adopted by the California Council for Civic Unity, First Annual Conference, Asilomar, California, February 15-16; South Bay Branch of the Pacific Committee for American Principles and Fair Play, Palos Verdes, California; American Federation of International Institutes and Associated Councils, Centers, and League, Fourth Delegates Convention, New York City, March 28; American Veterans Committee, First National Convention, Des Moines, Iowa, June 14, 1946; and the City Council of Chicago, Illinois, April 28.

A letter from Governor Herbert B. Maw of Utah endorsing H. R. 2768 was also filed with the Subcommittee clerk.

Eleven JACL chapters had their resolutions filed by their national president. They were the St. Louis, Missouri; Seattle, Washington; Detroit, Michigan; Denver, Colorado; Salt Lake City, Utah; United Citizens League of Santa Clara County, California; Fresno, California; New York City, New York; Portland, Oregon; Seabrook Farms, New Jersey; and East Bay, California, chapters.

The clerk of the House Judiciary Committee, in an estimate given to the Washington JACL Anti-Discrimination Committee, declared that over two hundred letters, telegrams, and resolutions from JACL chapters and members, as well as from friendly and interested organizations and individuals were received by Chairman Gwynne and the Subcommittee urging a favorable report on H. R. 2768.

It may serve as a comfort to us, in all our calamities and afflictions, that he that loses anything and gets wisdom by it is a gainer by the loss.—L'Estrange.

What shadows we are, and what shadows we pursue!—Burke.

Northwest District Council Of Citizens League Reactivated; Shimomura Elected Chairman

Hits Those Who Feel Mistreatment Of Japanese Was 'Justified'

(Editor's note: The Winnipeg Free Press, and outspoken chronicler published in Winnipeg, Manitoba, once more strikes back at those who feel that the mistreatment (evacuation and all its trials and tribulations) of the Japanese living in Canada is justified. The Free Press does a remarkable job of quoting leaders in the Canadian House of Commons and citing their "triumph of logic," to use a Free Press phraseology.)

(A Winnipeg Free Press Editorial) The reader who enjoys unconscious whimsy of a high order is directed to pages 2428 and 2443 in the current Hansard of the Canadian House of Commons.

The first of these pages records a speech by Mr. Humphrey Mitchell, the Minister of Labor, defending the government's decision to keep Canadian Japanese off the coast of British Columbia in peacetime. With a fine indignation Mitchell denounces those who say that the government's policy towards the Japanese has ever been cruel; and to prove that it is not cruel he cites the greater outrages practiced on various unfortunate peoples in other parts of the world.

What Persecution Is
"I saw," said Mr. Mitchell, "part of the liquidation of the Kulaks in Russia. I was in Germany when Hitler put over his revolution. I was in that part of the world when the Turks drove the Greeks from Asia Minor into Greece. I have been in most of those countries, and I think I know something about what persecution is and what cruelty is."

The logic of Mr. Mitchell's defence, therefore, comes down to this—mistreatment of Japanese in Canada is justified because the Kulaks in Russia, the Germans in Germany and the Greeks in Turkey were treated worse. By such reasoning almost any crime could be excused in Canada since more serious crimes will certainly be discovered elsewhere. By such barbarous standards discrimination against Japanese Canadians is a matter of no importance, but is Canada supposed to accept such standards?

Triumph of Logic
However, as a triumph of logic, the speech of Mr. Blackmore, the Social Credit leader, surpasses even Mr. Mitchell's efforts. On page 2443 we find Mr. Blackmore saying that if the Japanese are allowed to return to the coast this will be "discrimination against the white race in Canada, as well as discrimination against every other race. Social Creditors are opposed to discrimination against the people

of British Columbia, and Social Creditors are opposed to discrimination against white Canadians yet unborn, generations and generations of them."

Then Mr. Blackmore pronounced this doctrine: "There are certain great fundamental principles which go down beneath the question of being Canadians. Bear in mind that the white people in Canada who sought, out this land, who developed it and who fought and bled for it, are Canadians too; they have some rights—a thing which a number of honorable members are completely overlooking. Social Creditors, therefore, propose to stand by British Columbia members and the minister in their courageous effort to safeguard and guard the rights of the white race in British Columbia."

The "fundamental principle which goes down beneath the question of being Canadians" thus is unfurled on the banner of Social Credit for all to see. It is the principle of racial superiority and racial discrimination. This is hardly surprising, considering the racialistic tinge of Social Credit in the past year.

Odd Mathematics
But surely it is a new and magnificent feat of mathematics to prove that it is not the handful of Japanese who are suffering discrimination in Canada but the bulk of other Canadians. Some 20,000 Japanese scattered across the country are tyrannizing over the rest of us. If we discriminate against them it is not really discrimination at all; it is simply an effort to save ourselves from an utterly powerless minority. But then, the mathematics of Social Credit always were a little odd.

Cosamis Elect Mrs. Mambu

Mrs. William Y. Mambu was elected chairman of the Cosami club recently in the YWCA.

Mrs. Clarence C. Schrag is vice chairman and Mrs. John P. Browning, historian. Miss Ruth Wiliz, head of the YWCA Young Adult department, assisted the group in getting started.

Other club members are Mesdames George Abe, S. D. Bennett, Howard Hollenbeck, J. A. John, James Kamihachi, Angus Lehoff, Hana Masuda, G. E. Milbank, Mike Nakata, Ed Pasch, Fred Post, D. V. Redfern, Toru Sakahara, Watson Smith, George Tokuda, Sidney Vollinn, Kenneth Welling, Juro, Yoshio, James Groves, R. B. Pitts, L. G. Watts and C. W. Smith.

EISENHOWER'S BROTHER OK'S CLAIMS ACTION

WASHINGTON, D. C. June 10.—At the request of Mike Masaoka, national legislative director of the JACL Anti-Discrimination Committee, Dr. Milton S. Eisenhower, the first director of the War Relocation Authority, filed a statement with the Gwynne Subcommittee of the House Judiciary Committee urging favorable action on the Evacuation Claims Commission Bill.

Included in the record of the public hearings held last Thursday on H. R. 2768 before the Gwynne Subcommittee, the clerk of the Judiciary Committee made the statement public today.

Now president of the Kansas State College at Manhattan, Kansas, and the United States delegate to the United Nations Economic, Social, and Cultural Organization, Dr. Eisenhower was appointed to administer the WRA by the late President Roosevelt when this agency was created by executive order to supervise the relocation program.

"As one who had the unpleasant duty of organizing the War Relocation Authority, and of administering its program in the early months of 1942, I feel that I should write you in support of H. R. 2768 which your subcommittee is now considering," Dr. Eisenhower wrote Congressman John W. Gwynne, Rep. of Iowa, chairman of the Judiciary Committee Subcommittee that was conducting hearings on the bill.

After briefly summarizing his recollections of the handling of evacuee property, the former WRA director said: "All of us who were connected with the evacuation in its early stages were deeply impressed by the cooperative attitude of the evacuees and by the fact that they were compelled to make enormous sacrifices as they were moved from their home to assembly centers and later to relocation centers."

General Eisenhower's younger brother recalled that: "From the first it seemed to me that the United States government should make some arrangement to compensate evacuees for these extraordinary losses. H. R. 2768," he said, "would establish what seems to me an acceptable procedure for accomplishing this."

The letter concludes: "I... merely wish to say most earnestly that I think simple justice to the evacuees who were loyal to this country during the war calls for the enactment of the bill in question. And I should like to record with you what I have repeatedly said during the past five years—that the vast majority of all persons of Japanese descent in the United States never faltered in their support of this country and its great principles—that, indeed, no other group in American has offered better testimony of loyalty under such cruelly trying conditions."

Masaoka disclosed that he had contacted Dr. Eisenhower by telephone in Manhattan prior to his departure for Mexico City to attend a conference of UNESCO. Dr. Eisenhower dictated his statement for the airport.

His continuing interest in the Japanese Americans is revealed in his requested greetings, extended through the ADC director, "to all my friends among the Japanese

Spokane Nisei Re-Enlists

PRESIDIO of MONTEREY, Cal., June 10.—The only Nisei linguist to be attached to the Chinese 1st Army in the China-Burma-India theater recently re-enlisted into the Army and is currently awaiting shipment to Japan at the MISLS, Presidio of Monterey. He is S/Sgt. Frank T. Tokubo, formerly of Spokane, Washington.

Sgt. Tokubo was graduated from the MISLS in January, 1944, at Camp Savage, Minn., after which he was sent overseas to New Delhi, India. Processed there, he was assigned to linguistic work in Burma under Col. Joseph Stillwell, Jr., Chief of Headquarters, Northern Area Combat Command. However, wanting to get into the thick of action, he volunteered for combat action, and was then attached to the Chinese First Army where he did counter-intelligence work and acted as platoon leader. He fought through three campaigns with the 1st Army, along the battlefield from Myitkya in Northern Burma to Lashio in Central Burma. His meritorious services were recognized by the Chinese who awarded him with a medal equivalent to the Silver Star. He also received a commendation, from both Chinese and American generals.

Twice, while broadcasting to the Japanese soldiers in an airplane, Tokubo was shot down. It was one of his jobs to circle around in a small 150 horse power plane about 300 feet above the enemy lines and induce them to surrender. However, a couple of times he came down too low into machine gun fire and was shot down, but luckily landed in Chinese positions.

U. M. Honoraries Initiate Ten

MINNEAPOLIS, Minn., June 10.—Ten Nisei students at the University of Minnesota were initiated into various honor societies at Camp and Gown Day exercises held recently.

Those elected to the various societies are: Pi Lambda Theta, honorary women's educational sorority, Kiyo Araki; Omicron Kappa Upsilon, honorary dental society, Teruo Nishida and Shig Omura; Omicron Nu, honorary home economics society, Marian Sugiyama; Tau Beta Pi, honorary engineering society, George Iwanaga, Hugh Kasal, Ken Matsumoto, Masao Sakamoto and Harry Shibata; Eta Kappa Nu, honorary electrical engineering society, Victor Mukai and Masao Sakamoto; Pi Tau Sigma, mechanical engineering society, Hugh Kasal.

Akira Asano and Takeshi Asao received scholarships. Asano was awarded the Minnesota State Pharmaceutical Association Graduate

(Special to Northwest Times)
PORTLAND, Oreg., June 10.—The Pacific Northwest District Council of the Japanese American Citizens League was officially reactivated last week-end in the local JACL chapter office. It is the fifth district council to be formed since the war, the other four being Northern California, Pacific Southwest, Intermountain and Midwest. An eastern area council also is being contemplated by the JACL.

Four chapters—Portland, Seattle, Mid-Columbia and Spokane—comprise the new council.

Charles Shimomura of Portland was elected chairman. Other officers are George Minato of Seattle, vice chairman; Mary Minamoto of Portland, recording secretary; Jack Koyama of Spokane, treasurer; and Mits Takasumi of Mid-Columbia, historian. Shimomura will appoint the corresponding secretary.

These officers will stay in office until the next national JACL convention which is tentatively set for either August or September of 1948 in Salt Lake City, Utah.

ry "Mac" Kaneko of Seattle was temporary council chairman.

Delegates attending the formal reactivation of the council were: Seattle—G. Minato, Alice Kawawashi, Takako Yoda; Spokane—J. Koyama; Mid-Columbia—Taro Asai, M. Takasumi; Portland—George Azumano, C. Shimomura, Kiki Tambara, Milton Maeda, Taka Iwasaki, M. Minamoto, Paul Oyama, Fumi Sasaki, Mary Furusho.

The delegates voted to raise \$5,000 to help the national JACL in its work, especially in regard to legislative matters. They also planned to have Seattle be host to a district parley next fall.

Thirty-four Re-enlist in Army

PRESIDIO of MONTEREY, Cal., June 10.—Thirty-four former graduates of the MISLS, including officers and EM, have re-enlisted into the Army during the last few months, according to information released recently by the Personnel Procurement Section, MISLS, Presidio of Monterey. The majority of the re-enlistees have already been shipped overseas to Japan for occupational duty, while the rest are awaiting orders for shipment.

Three EM, TSgt. Toshio Hotta, TSgt. Spady Koyama and TSgt. Harry T. Kubo, all combat veterans, are currently waiting for their recommendations for commissions to be approved. They will be shipped to Japan as language team leaders as soon as their commissions have been approved.

Fellowship and Asoo received Samuel W. Melendy Memorial Scholarship in pharmacy.

Hugh Kasal also was awarded third prize in the Minnesota chapter, American Society of Mechanical Engineers Prizes.

Half Million Canadians Petition For Bill of Rights in Nation

OTTAWA June 10—A petition bearing the signatures of more than half a million Canadian asking that a bill of rights be written into the national law will be presented to the Parliament soon, said John Diefenbaker in the House of Commons recently.

Speaking on the government's motion to set a joint Senate and Commons committee to study an international bill of human rights to be considered by the United Nations, Mr. Diefenbaker urged that this committee consider a declaration of a national bill of rights as well.

In a brilliant speech, the Lake Centre member listed cases in which the fundamental freedoms had been denied under the guise of provincial rights; there had been discrimination against individuals because of race; the freedom of the race was threatened and censorship imposed where it should not have been.

Mr. Diefenbaker made five other suggestions regarding the protection of freedom in Canada:

Rink Opens Door To Nisei Skaters

Rollerland Rink, "the nation's finest skating pavilion" just south of Renton on Rainier avenue, will open its door to all Japanese Americans on Thursday, July 3, from 10 p.m. to 12: a.m., it was announced today by Mary Iwasaki.

Miss Iwasaki plans to distribute tickets to all Nisei organizations throughout the city and hopes a large crowd will be out for this Fourth of July activity.

Tickets, according to her, will go on sale at ten cents apiece. Admission will be fifty cents at the gate.

An added attraction to the affair will be the giving away of door prizes.

Transportation data: Take Seattle Transit System Bus No. 7 Prentice Street, transfer to Rollerland free bus at the end of the line, 57th and Rainier, or take North Coast, East Highway bus, to Ealington Jct. Walk one block north. Rollerland free bus makes a return trip after each session.

Gets 6 Months For Purchases

YOKOHAMA, June 10—Eighth Army headquarters said last week a former American soldier who renounced his citizenship to remain with his Japanese wife had been sentenced to 6 months imprisonment for illegal purchases at the quartermaster sales store here.

Headquarters said William Miller, 28, formerly of San Francisco, was convicted to buying more than \$100 worth of merchandise at the store after he had renounced citizenship because his wife could not accompany him to the United States.

Miller, headquarters said, pleaded innocent, declaring he had used an American ration card because he could not obtain Japanese rations under his uncertain citizenship status.

The announcement said Miller had been an 8th Army soldier and then a civil service worker in Japan. He later was employed by a Japanese firm.

Lotus to Honor 55 Graduates

Fifty-five junior high, high school and college graduates who are affiliated with the Buddhist church will be honored at a banquet at 7 p. m. this Friday in the Buddhist auditorium. Yasuko Ota will be in charge of the invitations.

Those who have not made their reservations are urged to phone Miss Ota, SENECA 9789.

An entertainment and a dance will follow the banquet.

Considers Loan For Japanese

TOKYO, June 10—An offer by a United States banking firm to extend fifty million dollars loan to Japanese industrialists was being considered this week by the Economic and Scientific Section of General Mom Arthur's Headquarters.

The proposal came from the J. Henry Schroder Investment and Banking Company, an affiliate of the Bank of America. Details of the proposed loan were not revealed, but indications were that it would be approved although in a different form than originally presented. Final approval, however, would rest with higher authority.

The money presumably would be used to by raw materials abroad for processing in Japan, chiefly textiles.

Starlets Elect Jane Hino Head

Formerly the Lotus L-Teens, the Lotus Starlets recently elected Jane Hino as their president for the coming year.

Other newly-elected officers are May Namba, vice president; Peggy Nagata, secretary; Miyuki Hasegawa, treasurer; Lily Endo, social chairman, and Anne Aoyama and Terrie Ogata, publicity co-chairmen.

As their first activity, the Starlets will hold a beach party from 4 to 10 p.m. Thursday, June 12, at Aki Point. Members are urged to assemble at 4 p.m. in front of the Buddhist temple.

Mankind are more indebted to industry than ingenuity; the gods set up their favors at a price, and industry is the purchaser.—Addison.

'I Was Psychoanalyzed'

BY PEG

It was a warm, bright afternoon. The streets were filled with shoppers who had shed their heavy coats and the characteristic worried look of shoppers. Instead, people looked pleasant, they looked happy, they had no grudge against the world.

I was on my way to the doctor's but the lazy warmth made me happy, too. I even smiled at the street photographer, a species which I usually consider a scourge to mankind because they always catch me with my mouth open. I stopped to admire a scanty bathing suit, then turned the corner to the Medical Arts building. Even then I did not get butterflies in my stomach.

A young receptionist asked my name, which I spelled out instead of pronouncing. I never give my name, the receiver can't spell it anyhow. After puzzling over the pronunciation she asked me to be seated. While I waited, various types of wrecks, all women, came in and drifted out. I began to feel nervous.

"The doctor will see you now," said the nurse, so I followed her into the inner office. A kindly looking man with thinning hair and thickening middle came in and asked me my trouble in a tone I reserve for young children and dogs, but I'm used to that sort of treatment so I showed him the patch of itchy skin on my neck.

"Hm," he said, and asked for the complete history of the rash. I gave as much as I could remember. He then asked me what I ate and wore. He thought some more. Finally he concluded, "It must be a type of neural dermatitis."

I restrained the impulse to blurt out "Whatzzat?" and nodded my head in a ladylike manner.

"You see, it wouldn't be anything you ate or wore because the rash would behave differently." As far as I could see the rash did not behave.

"We sometimes spend months going through clothes and foods and finally decide that the cause wasn't among those," he continued.

MISLS Slates July Open House

(This is the first of a series of several articles concerning the Open House to be held at the Presidio of Monterey, Calif.)

PRESIDIO OF MONTEREY, CAL., June 10—Colonel Elliot R. Thorpe, Commandant of the MISLS, announced that as the initial phase of the recruiting program for future Japanese linguists the MISLS will hold an open house at the Presidio of Monterey during the first part of July 1947. The primary purpose of this occasion will be to physically present the daily activities of the school; both academic and military. The public will have an excellent opportunity to see how the soldier-students live, study, and enjoy various recreational facilities available to them.

All those interested are cordially invited to participate in this affair and help make it an outstanding success. The event will serve a dual purpose of (1) raising the morale of the students so that they will know that others are interested in their work, and (2) presenting a living drama of the training of future ambassadors of Democracy who will eventually lend a helping hand in moulding a more peaceful world. It has been reported that a wide and diversified program is now being mapped out by a committee in anticipation of a large turnout.

Graduates of this school have ably and efficiently helped General of the Army MacArthur in carrying out the tremendous task of occupying Japan. It is a well known fact that the students trained and sent overseas from this school have played a major role in winning the war, and at present, the same graduates or their successors are working just as hard at the greater task of winning the peace. The United States Army now faces the grave problem of adequately replacing the linguists who have served many months overseas and are now ready to be shipped home for discharge. It is needless to point out how great a need there is for linguists trained to speak and write Japanese fluently for overseas duties. The school cannot meet the demand of overseas commanders with the limited supply of students now being trained at the school nor by the foreseeable small number of prospective students expected to report to the school. The War Department is cognizant of this grave problem and has been carrying out an extended recruiting program aimed at procuring more linguists, but the results have been limited.

It appears as though there are many Nisei who wish to come to this school, but hesitate simply because they do not know enough about it to make a decision of either enlisting in the army or of merely forgetting the whole thing.

There are, to be sure, many contributing factors which may have brought this condition about, i.e., the suspension of all Japanese language schools in the United States; of the end of the Draft Act, and the limited publicity of the school during the war for security reasons.

Therefore one of the main and ultimate objectives of this open house is to inform the public of the purpose of the school, the conditions under which its students live and work and the great opportunities for personal advancement and public service which are open to the student after he graduates and serves in Japan as a member of the American Occupation Forces under General of the Army MacArthur.

Nisei Organize In Twin Cities

ST. PAUL, Minn., June 10—To promote social activities among Nisei of the Twin Cities, a group has been organized with the International Institute of St. Paul.

Its first major activity was in its joining in the annual "Festival of Nations" recently here. The club hopes to assemble once each month.

Helen Kinoshita, formerly of Oregon and a college student here, reigned as queen at a "May Gollup" dance held May 29 in the Institute. An airplane ride was awarded as a special door prize.

Maw to Accept JACL Call

SALT LAKE, Utah, June 10—Governor Herbert B. Maw will accept an honorary membership in the Salt Lake City JACL in a special ceremony at the chapters graduation prom June 21 at the University of Utah's Union Ballroom.

The membership will be given to Gov. Maw in special recognition services to Japanese Americans in asking for liberalized naturalization laws and passage of an evacuation claims bill.

Rains Postpone All Nisei Ball Games in Town

The Sporting Thing

by bf

The rains drowned all scheduled games in The Northwest Times Baseball League last Sunday, and also sank the first-round titular hopes of four teams—Travelers, Valley, Lotus Ashuras and Merchants.

So, it is hereby stated that optimism reigns in the Lotus M camp.

As things stand now, the undefeated M's practically dog-paddled their way into the Northwest Four of July invitational tournament. They, however, must defeat Valley on a valley field this Sunday and the Merchants here the spot in the meet.

Following Sunday to assure themselves a sure Valley and Merchants both are dangerous outfits which are not to be taken lightly by the M's.

If either the Merchants or Valley whips the M's and if the Travelers win their remaining first-round games, then watch out for fireworks from the Travelers who are gunning for a M scalp.

There should be some interesting games the next two weeks before the Giants are exploded during the Fourth of July holidays.

A badly-mauled "bf" goes on the mound today to pitch a few more predictions:

Sunday, June 15

Merchants/Clippers—Unless the Clippers come up with a Chinese Walter Johnson, the Merchants should pull into pay station okay.

Lotus Ashuras-Eastern Fuel—The Ashuras aren't bad but Eastern Fuel has the power. The fuel men by couple of gallons of "running" oil.

Lotus M-Valley—"bf" goes on the limb and picks Valley to upset the M's.

Sideline Topics

... it's a tossup between the Alaska cannery industry and the Northwest Times Baseball league as to which group will have the best physically-able men available for the summer ... Goro Kuroda, formerly of Fife, is playing a bang-up game at the keystone sack for the Nampa Clippers in the Idaho-Oregon league, we hear ... Harry Kataoka, Tad Kunjyuki and Henry Yorozu all are turning to fishing seriously, and they are reeling 'em in fast in the Seattle Times City Salmon Derby; one of 'em ought to be sporting a brand ne wautomobile after the finals in the fall ... worn-out quotation coming from every team, except the Lotus M's and the Clippers, in our diamond loop: "We should have won all our games" ... ex-cage star Kaz Kanda, recently discharged by the Army, is in town ...

Now They Tell Us

"Who in the hell are the defending champions in the Fourth of July baseball tournament?"

The Western Giants, is the answer.

The Giants swept their Independence Day opponents two straight years, 1940 and 1941. There has been no other Fourth of July meets until this one which is coming up this year.

The Fukuda Memorial Day trophy, we are told, was awarded to the Nisei Veterans last year for their Labor Day triumphs over Spokane.

Say no more, but hail the Giants lest they tumble!

7 As Regulars Help Cop Title

SANGER, Calif., June 10 (Nichi Bei Times Dispatch)—Eight Nisei ball players, seven of them regulars, helped the Sanger High Apaches win the entra! valley high school championship from Bakersfield, high last week in Bakersfield.

By this year's 7-2 victory, the Nisei-dominated nine avenged a 2-0 defeat by which the Drillers won the title in 1946.

Lefty Fujoka, regular chucker for the Apaches during the last two seasons, was the main reason for Sanger's win as he kept nine hits well scattered and fanned 12 Kern county players.

Nisei Outpoints Frisco Foe

SAN FRANCISCO, Calif., June 10 (Nichi Bei Times Dispatch)—Displaying the class that carried him to the finals of the National Amateur tourney in Boston several months ago, Mokey Hanagami, flyweight star of the Honolulu 49th State A. A. boxing team, put on the best show of the evening last week at Coliseum Bowl, outpointing Eddie Perry of S. F. in a four-rounder.

Hanagami scored the only real knockdown of the night when he put Perry on the canvas in the fourth for a six-count. The long-armed local colored boy boxed evenly with Mokey for two rounds, but started taking more than he gave in the third. Hanagami stepped up the tempo in the final canto and at the bell had to hold up Perry and take him to his corner.

Of the three bouts out of seven won by the Hawaii team, all victors were Nisei besides Hanagami gawa, bantamweight; Mike Martinez dec. Kiyoshi Nakata, featherweight; Rufus Lewis dec. Henderson Ahlo, Hawaii; Zeke Lucero dec. John Morales, Hawaii.

The Hawaii team won four out of seven matches in Vallejo.

Application is the price to be paid for mental acquisition. To have the harvest we must sow the seed.—Bailey.

Nisei Do Well in "Big 50" Meet

Nobi Takahashi, sponsored by Main Bowl, hit a 2,480 to place thirty-third, and Pruney Tsuji, sponsored by Warshal's, Frye Hotel Garage, Tashiro Fishing Tackle and City Produce, with a 2475 followed right behind Takahashi in the "Big 50" Bowling tournament concluded last week-end here. Takahashi had a 178 average for the meet, and Tsuji, 177.

Fifty-six top keggers in the city rolled for honors.

Giants to Defend Championship at July 4 Tourney

The Western Giants will defend the championship in the Northwest Fourth of July Baseball Tournament come July 4, 5 and 6, it was learned today.

The Giants will meet the challenge of seven other teams when the tourney is officially started at 12 noon at South Park and Georgetown fields on Friday, July 4.

Teams which will attempt to snatch the Independence Day diadem away from the Giants, 1940 and 1941 victors, are Seattle Nisei Vets, last year's Fukuda Memorial Trophy winners, Spokane JACL, Hood River, Portland Vets, Valley All-Stars, Ontario and a representative from the Northwest Times Baseball League.

Ontario is the only team which has not made any written

confirmation on its intention to participate in the three-day meet.

Wapato and Boise Valley were forced to decline the invitations issued by the tournament committee due to labor difficulties.

This year's champions will win the championship banner, which has been in the hands of the Western Giants for 1940 and 1941, the championship cup, and the Fukuda Memorial Trophy. Trophies also will be awarded to the runner-up and the consolation winner.

CORRECTION

T. Kubota, instead of T. Asaba, was one of five Komon members who donated prizes for the Puget Sound Golf Association's Komon tournament.

May Ban Nisei In Scotland

GLASGOW, Scotland, June 10.—Robert Takeshita, Hawaii Nisei boxer, may be barred from appearing in the ring here by British authorities, according to Sam Ichinose, manager for the group of Hawaiian fighters now in this country.

He said he had appealed to the British home office and the labor ministry for reconsideration of the matter.

"Our hands are being tied with red tape," Ichinose said. When I filled in the forms in Hawaii and New York for permission to enter this country, I stated Takeshita planned to engage in this contest. No objection was raised."

Colorful Dado Marino, Ichinose's star boxer is scheduled to meet the world flyweight champion Jackie Peterson at Hampden park here soon. Ichinose planned to have Takeshita, a former U. S. national amateur champion, appear in a preliminary bout.

Reports of a move to freeze out Robert Takeshita, Nisei sparring partner of world flyweight title challenger Dado Marino of Honolulu, from appearing in a Glasgow ring by British authorities led observers to believe that this was another indication that the British boxing board of control was placing a color ban on bouts in that country.

Recently the board was criticized for its stand of barring bouts between Negroes and white fighters by the British press and fans.

Besides Etsuko Ichikawa of Seattle, two other Nisei, Edison Uno and Betty Wakamatsu of Los Angeles, will be among delegates to the national YMCA-YWCA conference for high school youths at Grinnell college, Grinnell, Iowa, this month, it was learned today.

More than 1,300 youths are expected to attend the conference scheduled for June 20 to 26.

Fights Davis

HAL HOSHINO

—Courtesy of Hawaii Times.
HONOLULU, T. H., June 10 (Special to N. W. Times)—Considered one of the hardest Nisei boxers ever to perform in a ring, "Homicide" Hal Hoshino, 125-lb. featherweight knockout artist from Pendleton, Oreg., soon may face Manuel Ortiz, world's bantamweight king, here. Hoshino must beat Henry Davis, a colored boy, at the Honolulu ball park on Sunday, June 22.

Sloth makes all things difficult, but industry all things easy. —Franklin.

SOME TEAMS TRY TO PLAY; FIELDS SOAKED

That song, "June Is Busting All Over," usually applies to sunshine and fair weather.

Sunshine and fair weather, however, were denied to Seattle Japanese diamond fans last Sunday. Instead of a warm force from the skies, the rains came to dampen the spirits of local sports enthusiasts and send them scurrying home with "rain checks."

Four games in all were postponed in town.

The Nisei Vets, league leaders in the blue section of the Puget Sound league, were scheduled to tangle with Sand Point at Columbia playfield. That tilt was postponed as a downpour of rain soaked the field before action started.

Lotus M's, pace setters in The Northwest Times Baseball League, began their battle with the Merchants at Jefferson. Richard Taji of the M's, who was in rare form, whiffed the first two Merchants to face him on six straight pitches, threw a ball to the third batter, and then the rains came.

Several hours later, Jefferson was fit for a short swim around the bases. The Travelers and the Lotus Ashuras took their chances and sparked off hostilities. After one and a half innings of play, the Travelers were ahead 4-2, thanks to a couple of free passes to first base and two infield boots. But then the liquids from the heavens once more dropped heavily. Thirty minutes later, League Director Frank Yama who was umpiring called the game off.

At Washington park, the situation was equally wet. Valley and the winless Clippers were rained out.

That man is but of the lower part of the world who is not brought up to business and affairs. —Feltham.

HEADPIN'S VIEWS
By SHEWO KAWRYE

Formers and bowlerettes, as we approach the half-way mark of the summer session of bowling, there seems to appear in numerous instances the unintentional violation of the code of etiquettes in many of our games. Whether you bowl in the league or just commit yourselves to a relaxing three-game sayless in friendly competition, it would be highly profitable to you and yours if you would follow the set rules of good sportsmanship, thereby gaining the full benefit of the game, so say the directors of the summer league.

URGES BOARD TO SIFT LOSS IN REMOVAL

OTTAWA, June 10 (New Canadian Dispatch)—The appointment of a commission with powers sufficient to make fair and just settlement of all losses suffered by Japanese evacuees as a result of evacuation was urged by the Co-operative Committee on Japanese Canadians before the Commons public accounts committee, on May 27.

The Co-operative Committee's delegation consisted of F. A. Brewin, counsel to the Co-operative Committee, Mrs. Hugh MacMillan, secretary, and George Tanaka, chairman of the Japanese Canadian Committee for Democracy.

Based on American Plea

Mr. Brewin outlined a proposal for a claim commission which was based on the evacuation claims bill presented to Congress by the United States government. He said that the commission's terms in reference should be wide enough to cover "all property losses which were found to be a reasonable or natural consequence of, or fairly arising out of, the evacuation" from the Pacific coast in 1942.

Summary of 200 Claims

Mr. Brewin gave a summary of 200 claims prepared by Toronto evacuees in response to questionnaires circulated by the Japanese Canadian Committee for Democracy. These claims showed that owners received \$351,000 for property valued at \$1,400,000.
