

Hire Disabled Vets Drive Opens Sunday, Oct. 5

Plans for active participation by the 160 Veterans of Foreign Wars Posts of Washington in promoting "National Employ the Physically Handicapped Week" Oct. 5-11 were announced in Seattle by State Commander Charles C. Ralls.

Alerted to the need for placing "our disabled in gainful employment" to complete their rehabilitation, VFW Posts in Washington will join the State Veterans Advisory Committee and the Inter-Agency on "NEPH WEEK" in its efforts to surpass records previously set for hiring of the disabled, Ralls said.

"The need for encouraging employment of the disabled is great," he declared. "About 28,000,000 persons in the United States are disabled to some degree, and many of them are veterans."

"Of two and one-half million unemployed persons now seeking work, an estimated 500,000 are disabled. Included in that group are about 1,650,000 disabled veterans who want jobs."

"These people represent a vast reservoir of capable workers who are going idle at a time when employers cannot fill vacancies," he emphasized.

Many employers, Ralls said still refuse to hire the disabled even though surveys prove the handicapped worker in the right job is as good—if not better—than the handicapped.

"The key to the situation is for employers to consider a person's ability rather than his disability. This is the point we will emphasize and demonstrate during NEPH week," he concluded.

Oregon Law Held Invalid

Act Prohibiting Aliens to Practice Barbering Tested by Filipino

SALEM, Oreg., Oct. 3—The Oregon law which prohibited aliens of Japanese ancestry and other aliens from the practices of barbering in the state was declared invalid in a test decision announced last week by the Oregon supreme court in a case filed by a Filipino national.

The court held that the provision in the Oregon Barbering act restricting certificates to practice barbering in Oregon to citizens of the United States is "in contravention of the 14th Amendment to the U.S. Constitution."

The state's high court opinion affirmed a lower court decision by Judge Charles W. Reading in a case brought by Sammy Quisor against the state board of barber examiners who had refused to grant Quisor a certificate on the ground that he was an alien.

Quisor won his suit and the board of barber examiners appealed.

DRAKE STUDENT WINS MASAOKA SCHOLARSHIP

SALT LAKE CITY, Utah, Oct. 3.—Kazuo Oshiki of Hawthorne, California, a junior in the College of Education at Drake University and a veteran of the South Pacific campaign, was named recipient of the Pvt. Ben Masaoka Memorial Scholarship, it was announced this week by Hito Okada, National President of JAACL which administers the fund.

The scholarship is given annually by Mrs. Haruyi Masaoka of San Francisco in memory of her son who was killed in action during the 442nd's rescue of the "Lost Battalion" in the Vosges Mountain of northeastern France. The award is for \$200 and "for a deserving Nisei veteran or a member of his family."

Oshiki is a graduate of Leuzinger High School (Lawndale, Calif.) where he was awarded the school service cup for his active participation in athletics and as a member of the school newspaper staff. He attended Santa Ana Junior College until the evacuation. His interest in newspaper work resulted in his becoming Managing Editor of the Santa Anita Assembly Center "Pacemaker" and a similar position with the Rohwer Relocation Center "Outpost." Prior to his volunteering for Camp Savage, he was attending the University of Wyoming.

His three years with G-2 include participation in the Leyte, Luzon and Okinawa campaigns and a stretch with the occupation forces in Japan.

The presentation of the Scholarship was made to Oshiki by Mike Masaoka in behalf of his Mother at the installation dinner of the newly activated Omaha JACL chapter, Omaha, Nebraska, last week.

In 1946, the Ben Masaoka Scholarship was supplemented with a \$50 donation from Miss Genevieve Russell of Pasadena, California, and the total sum of \$250 was divided between two ex-combat medics of the 442nd; Toshiaki Mimura attending the University of Chicago, and Harry Abe, a student at the School of Medicine at Marquette University in Milwaukee, Wisconsin.

"Getting ready for a baby means much more than preparing a layette," Dr. Taylor declared. "The modern mother wants to learn how a baby develops from month to month. She wants to understand his real needs emotional as well as physical so that she can help him grow into a happy, sturdy, well-adjusted child."

To enroll, telephone the Family Life Office, ALder 0900, Local 80, or enroll at the first meeting of the class. The class will meet for nine Tuesdays until December 9.

Ruling Favors Japanese in Service Case

SANTA BARBARA, Calif., Oct. 3.—Superior Court Judge Louis Drapeau recently handed down a decision in favor of Mrs. Nao Asakura, former Nao Zaiman of Santa Francisco, widow of Takizume Asakura, Santa Barbara Nisei leader, in a suit filed against her by Carl Rieger.

Rieger claimed \$4,950 for his services in taking care of the Asakura property while the couple were in a war relocation center during the war.

Judge Drapeau held that the evidence did not show that Rieger had rendered any service to Mrs. Asakura.

Takizume Asakura was killed in an automobile crash in 1945 near Los Angeles while working for the War Relocation Authority. Mrs. Asakura was represented by Harrison Ryon and Thomas M. Mullen of Schauer, Ryon and McMahon.

Rojo Elected President in Second Vote; George Minato on Executive Board

An overwhelming victory for candidates of the administrative committee was recorded this week when final results of the general 1947 election of Cannery Workers & Farm Laborers' Union, Local 7, FTA-CIO, were announced.

Trinidad A. Rojo, polling 920 votes, easily defeated Cornelio N. Briones, who had 111, for the presidency.

Roy Cabanilla, Narciso Mariano and Leo Lorenzo were elected vice presidents in a resounding triumph. And Prudencio P. Mori, C. L. (Joe) Camarillo, Ernesto Mangaogang and Gene Navarro were elected secretary, treasurer, business agent and dispatcher respectively by large margins.

In the executive board race, George Minato, only Nisei running for office, was a popular choice among a field of more than forty candidates. Besides Minato, others named to the board are Joe Avila, Ted Bell, Pete Cabansag, Chris Mensalvas, Tom Plas, Ponce Singson, Ponce Torres and Herman Villalobos. Vicente Poz, Matias Lagunilla and Antonio Rodrigo won the three

Siam Princess To Wed Japanese

TOKYO, Oct. 3—Princess Mary Visaka Swati, cousin of the King of Siam, had arrived in Japan to marry a Japanese she met in Bangkok during the war, the newspaper Yomiuri reported this week.

The story, which was not confirmed, said the prospective groom was Nobunaguta Utawaga, 35, a widower with two small children, and that he served as an adviser in Burma and Siam and was repatriated only last summer.

It said the Princess, 23-year-old granddaughter of King Rama IV, had met Utawaga in the home of Miss Genevieve Coalfield, an American missionary, who accompanied her to Japan.

COURT RETURNS GREENHOUSES TO JAPANESE

SAN FRANCISCO, Calif., Oct. 3.—Yamaguchi Nurseries property at Torrance, California, were safely in the hands of Tokiye Yamaguchi today by the signing of the judgment of the Superior Court decreeing the land free and clear of the claims of the State of California. This highly improved property with greenhouses have been appraised at over \$50,000.

Escheat proceedings against Yamaguchi, Kayashima, Suenaga and Meller over this property were filed by the State early in 1944 and were the first major action the Japanese evacuees since Pearl Harbor. This action in its various phases was tried in the Courts of Utah and Arizona, as well as California. In Arizona, the case was taken to the Supreme Court of that state on the rights of Suenaga and Supreme Court of Arizona reversed the Superior Court of Yuma and held in favor of the Japanese. This was a major victory for the defense and a blow to the State's prosecution. This case was featured by the Times as front page news as the charges were made by the then District Attorney during the initial period of the war.

Today after four years' litigation, as the case was called for trial by the Superior Court, the State of California stipulated to a judgment settling the property in the name of Mrs. Tokiye Yamaguchi.

Defendants were throughout this long trial represented by J. Marlon Wright and John Y. Maeno.

Oppose Return Of Japanese

VANCOUVER, B. C., Oct. 3.—Naturalized Canadian citizens of Japanese descent should not be allowed to return to British Columbia, according to 87.6 per cent of those answering the "Public Opinion" questionnaire sponsored by David Spencer Limited and broadcast recently over CKWX.

Last time such a question was asked over the same poll (in May), 83 per cent of the people opposed the return of Canadian-born Japanese to the coast.

Refuses Voting For Orientals

VANCOUVER, B. C. Oct. 3.—The Union of B. C. Municipalities will ask the vote for East Indians in municipal elections but not for the Chinese and Japanese, reported the Vancouver Province.

The recent UBCM convention at Harrison Hot Springs endorsed a resolution submitted through Victoria to remove restrictions against East Indians going on the voters list.

But an amendment by Ald. O. L. Jones of Kelowna, which would have removed restrictions also from Chinese and Japanese now barred by the Municipal Elections Act was defeated after some argument.

Youth Trains In Louisiana

NEW ORLEANS, Oct. 3.—Yoshio Nasu, 17, is now training as an aviation mechanic at the Lake Shore naval air field.

Nasu is believed to be one of the first men of Japanese ancestry to be accepted for training in naval aviation.

POSTSCRIPT TO WORLD WAR II:

Nation's War Dead To Return Oct. 10

First Ship to Dock at San Francisco With 3,000 Yank Heroes; Northwest Will Receive 154 for Reburial

"Under the wide and starry sky,
Dig the grave and let me lie.
Glad did I live and gladly die,
And I laid me down with a will,
This be the verse you grave for me:
Here he lies where he longed to be,
Home is the sailor, home from the sea,
And the hunter, home from the hill."

—Robert Louis Stevenson.

By JOHN F. GORDON
A white ship with a wide purple band painted the length of her sides will steam into San Francisco Harbor October 10 carrying the flag-draped caskets of the first American War Dead to be returned to their home-land for reburial—a grim postscript to World War II.

Aboard the vessel, the Army's S.S. Honda Knot, converted especially for this duty, will be 3,000 Americans who made the supreme sacrifice for their country—1,200 of whom were in Army service and 1,800 veterans of naval duty.

At the pier a delegation headed by President Truman will pay sorrowing tribute to these men who at long last are returning to the cities, towns and villages they left to fight history's greatest war.

The caskets will be loaded onto long mortuary trains and start the journey "home..." The first Washington dead will return about October 15.

Lt. Col. Vernon L. Lewis, chief of the Army's American Graves Registration Division, at the Auburn General Depot, has finished arrangements for handling the return of 154 war dead to this state, western Oregon, and ten counties of northern Idaho. From the ports of New York and San Francisco, fifty-six servicemen will come from the Pacific Theater and ninety-eight from the European Theater. They will travel to Auburn in special cars with military escorts.

At the Auburn depot, the steel caskets, each in a metal-lined plywood shipping case, will be unloaded from railroad cars by carefully chosen crews. They will go to private funeral homes chosen by next-of-kin. Those going long distances will go by train again, this time with a military escort from the branch of service in which the deceased served. Those going to points close to Auburn or not on a railroad line will go in military hearses renovated from wartime ambulances and also will have military escorts, made up of picked troops.

V.F.W. Posts To Help
Colonel Lewis said that when the remains, and the American flags

"First, procurement regulations have been drawn, under the provisions of which local posts of nationally recognized veterans organizations have received and are continuing to receive donations of obsolete rifles.

"The second has to do with ammunition. When remains actually arrive in this country and when the date of the funeral services can be firmly fixed, any local posts which have been asked to furnish honors should notify the Graves Registration Distribution Center from which remains will be finally delivered to the home community. The Commanding Officer will send with the escort accompanying remains enough blank ammunition for your use in rendering honors."

According to present plans, 5,446 war dead will be returned to the State of Washington. Of this number, 3,941 are from army service, 1,505 are from service in the navy, coast guard and marines. Oregon will receive 3,900, comprising 2,887 army and 913 of naval service. The ten counties of Idaho will have returned 1,722—1,419 army and 353 of the naval services.

The greater Washington returnees will go to King County with 1,106 war dead; Pierce County, 417; and Snohomish, 189.

The silent cavalcade of the war dead to their final resting places will embrace every state in the Union, as the caskets are dispersed and routed, and it is just the commencement of an operation which will be months in progress.

S. Takeuchi, Pacific Coast manager for Mitsubishi, Ltd., scored a hole-in-one on the 6th hole, a 135-yarder, at the organization's golf tournament at Lakewood. Takeuchi proved himself not only the head man in the office but also on the greens, going around the 18 holes in 89 strokes to walk off with top honors.

Jack Uchida's lone touchdown was enough of a margin for the University District gridsters to nose out the Marmots, 6-0. The defending championship Grizzlies kept pace with U District, thanks to Sam Kozu's powerful drives. The final score: Grizzlies 7, Tacoma 0.

Frank Nakamura won the Japanese Golf Association's match play tourney.

George Okamura scored three times as Garfield beat Ballard, 30-0, in a local high school loop game. Captain Mike Hirahara, also of Garfield, starred on defense.

Ex-G. I. Notes

By EX-G. I. JOE

THE VETERAN SOUNDING BOARD

This column feels that of all the letters received the following published in this column stands out by itself for its sincerity, honesty and belief. This type of letter isn't the kind to read on the double for it truly represents the genuine feelings of the veterans.

Dear Ex G.I. Joe,

For the first time, to my knowledge, an article touching on the controversial and somewhat delicate subject of what the attitude of the Nisei, particularly veterans, should be toward those small minority of individuals within their ranks whose conduct during the war were in such contrast to their own, was presented in the Northwest Times issue of 23 Sept. 1947 in the column "Ex-G. I. Notes."

"J.K.'s" letter deals primarily with the question of whether the NISEI VETERANS COMMITTEE should allow "graduates from 'The Rock'" as he puts it, to compete in the veteran-sponsored basketball league. But we all know that similar situations occur in business and social relationships as well as in athletics.

Being a veteran and possessing a veteran's normal antagonism toward all persons who chose to evade military service by one means or another, it is difficult for me to look at the question of what attitude should be taken with an unbiased eye. Never-the-less, I tried, and since "J.K.'s" missive broke the ice, I am forced to jump in with my two cents worth.

To begin with, it is undoubtedly true that in most cases of this nature it is up to each individual concerned to make up his own mind on what course of action to follow.

In activities such as the basketball league now under consideration, however, where there is an opportunity and obligation to regulate the eligibility of the competitors, I firmly believe that the NVC should take a definite stand on this matter.

There may be those who will argue that the "forgive-and-forget" attitude should now be maintained, and in sports in particular no player should be barred because of his

previous record. Perhaps they have the right outlook, I don't know, but it's impossible for me to see it that way.

With the start of the war and subsequent evacuation, all adult American Japanese were forced to make important and difficult decisions which tested their character and loyalty to the utmost. Since the future was at stake, the consequences of whatever decisions there were to make were certainly weighed heavily by anyone with a mind of his own. The supreme question to be decided was without a doubt in the matter of military service. The future of all persons of Japanese ancestry in this country depended upon how the Nisei met this test and surely everyone realized it at the time.

It is my opinion that those who, during that time, put their personal grievances or safety above the call to duty and chose to sit out in the penitentiary or at the segregation camp, failed not only the United States but all Japanese Americans at a time when the chips were down.

I, for one, cannot comprehend how it is possible to shrug off their actions now that the war is a thing of the past. There is no way to justify their behavior to the men who died or were crippled on the battlefronts. The end of the shooting doesn't mean that the dead can come to life or that those who lost an arm or a leg or an eye can have them restored. Too many people sacrificed too much at the most critical period in the life of

the country and it is difficult for the Nisei to forgive-and-forget so easily those who were unwilling to do their share.

In order for the NISEI VETERANS COMMITTEE to keep faith with themselves and to their fallen comrades and for the principles for which they fought, I sincerely believe that there should be no question as to who should or should not be eligible to participate in any veteran-sponsored affair.

Yours truly,
Kunio Otani

At the last NISEI VETERANS COMMITTEE's monthly meeting held last week, immediate action was taken by the membership. The NVC has gone on record barring such individuals from participation. This was carried unanimously.

HAUL DOWN THE STORM FLAG OVER CAMANO BEACH FOR THE NVC SALMON DERBY SWINGS INTO ACTION SUNDAY

Okay, you living-room fishermen! Here's your chance to bring home the goods. And by the way have you called in your reservation and registered? If not, you had better get on the ball. None of this last-minute stuff, either. There's the transportation & reservation problem to be solved.

Don't forget to give your wife or girl friend a break. If you think she can make the grade on the prize deal—drag her along. You've got to remember women always did have a way with fish.

Co-chairmen Bell Shimada and Kallio Suguro have stated this is going to be the "berries"... plenty of fun, sunshine, fish smell, slashing of home food budget, and even odds at prize-snatching.

It'll cost you a dollar per individ-

dual this coming Sunday, the 12th. If interested—and by the way, quite a number have called in their reservations along with the women—contact either of the chairmen or Shiro Kashino.

'A Subscriber' Believes Fair Play Should Be Guide in NVC Cage League

(Editor's note: "A Subscriber" puts in his two-bits worth of comment on the controversial issue of whether or not the Nisei Veterans Committee should bar any persons with a "record" from participating in its basketball leagues. Upon request, THE NORTHWEST TIMES withholds the identity of the writer.)

EDITOR
The Northwest Times

In a recent issue of your paper, in regards to the "Ex-G.I. Notes" column, the writer of that column stated that all future anonymous letters will be disregarded. Since the writer of the column himself chooses to remain anonymous, may I exercise the same privilege?

The current discussion with reference to the Nisei Veterans-sponsored Community League and the eligibility of its participants is assuming complicating proportions at the encouragement of "Ex-G.I. Joe," the writer of the column.

The NVC undertook to sponsor the "COMMUNITY" basketball league, the success of which was hitherto made possible by community-minded organizations such as the JA, the Buddhist Church group, the St. Peter's Church group, the Baptist Church group, and other civic-minded persons many of whom were "ex-G.I.'s". There were in the past no bars restricting the participants on any grounds outside of the usual basketball eligibility rules which govern any other league.

Since the NVC, with the approval and encouragement, also with the sponsors of the equipment of the past sponsors of the community has ta-

ken over the directorship of the league which is presumably still a "COMMUNITY" league, should it not take the responsibility as well, of following the precedent that has been established; that of sponsoring a league for the benefit of the community and not for the benefit of a few who wish to exceed the authority entrusted to them?

If the new sponsors wish to continue on the basis proposed by the few who wish to restrict others on the grounds of past personal records (did not a higher and proper authority than the NVC judge that they have paid their penalty to society?), it is their privilege, but the league immediately ceases to be a "COMMUNITY" league and the sponsoring group is going contrary to the principles and the hopes of the original sponsors, who represented the community, and who worked towards not only the development of good sports, but good sportsmanship.

The majority in the community, especially the ex-G.I.'s will not hesitate to champion the cause for fair play.

For the benefit of the ex-G.I.'s, here is a note of observation, that is being commented upon by the community. Look around you and see if it isn't true that the perennial "Griper" or "Knocker" is usually one who is dissatisfied with his lot, life, occupation or business. In defense of his shortcomings, which may possibly exist today, regardless of whether he suffered loss through his service, he tends to blame conditions, and other injustices, but not his own inability to accomplish things. Now, look around you again, and see if it isn't true that those level-headed, really popular, and well-represented ex-G.I.'s are those who don't make an issue of whether they wore the uniform, who take set-backs or misfortunes in stride, and who are likely to make a success of themselves because they are too busy to stop and take part in petty and sometimes malicious sabotaging of community progress.

Good Hunting, Fellows...

While the Ike Waltons, including all-city salmon fishing champion Kaz Kimura, point to the Seattle Milk Fund, Nisei nimrods will be cleaning their rifles, sharpening their sights, and getting set to shoot down wild game in this area.

Ducks, geese, deer, bears, and elks are plentiful within a radius of 40 miles from the city limits, reports Enos Bradner of the Times.

And we know for a fact that just over the hump in Eastern Washington, there is a good ringneck shooting. And for the Oregonians, there is a rich pheasant hunting ground near Vale in Malheur County.

Good hunting, fellows.

Sideline Topics

...if the Chinese Community team joins the NVC-sponsored "A" basketball league—and our understanding is that it shall be so—then the cage stars from the King St. area must be rated a surefire favorite for titular honors... it has dawned on us that we had completely forgotten Shig Watanabe, crack S. E. Merchant second sacker, in our recent all-star diamond selection... Jackie Robinson, flashy Negro who sparked the Brooklyn Dodgers into the World Series, was a brilliant shortstop for UCLA; he once stole second, third and home on consecutive pitches in a college game, a UCLA Nisei friend recalls... the Question, Marks of "A" casaba circuit are all doubtful players, except for George Kozi, the ex-Tokuda Drug long-rang bomber... Nisei in gridiron limelight: Wally Yonamine of Frisco 49ers reels of hunks of quick yardage in second half drive against Buffalo Bisons; Johnny Naumu, USC's part-Japanese Hawaiian halfback, scores twice in the Trojan 21-0 victory over Washington State College, and Jun Hirota of University of Hawaii takes pass and romps over right end for lone Hawaii touchdown against Wedemeyer's St. Mary's team which wins 27-7...

"bf" Is Still on the Stand...

Here are more replies to questions posed to us by our column readers:

What kind of attack does Stan Karikomi plan to use for his Tokuda Drug Blue Devils in the City "B" league this season?

ANSWER—Our spies tell us that Tokuda's will rely mainly on speed and fast-breaking plays. Mote Yasuda and Iso Nishimura haven't lost their shooting eye yet, we are advised.

Who are the best Nisei bowlers in town?

ANSWER—It's a matter of opinion, but we like Shig Urakawa of Shanty Inn among the boys and Jean Terao of Frank's Jewelry among the girls. Then again, at the end of the season the topnotchers could be Jean Numoto of China Import & Export and Tak Shibuya or George Kimura of Shanty Inn.

How do you rate the Class A teams in the NVC loop?

ANSWER—We don't rate them at all. Our correspondents have not turned in with all their reports. Perhaps, a little later, son.

Down Tenpin Alley

...it's a downright shame that Russia's Gromyko hasn't any say-so in the Nisei bowling leagues; he'd probably shout "No!" to any new additions to teams which already have a full roster... Shanty Inn keglers all are hoping smooth-rolling Monroe Beppu will snap out of his slump soon... the most sisterly trundling girls are the Nagasawas and the Ishikawas of Martha's Beauty Shop... Shig Sumioka and Biff Inashi, both of Tad's Cafe in the Commercial league, are also pounding the tenpins in the City Merchants loop... don't let the "salty" scores fool you; Ed "Duffy" Kiyohara of Puget Sound Vegetable Growers Association is a fairly strong man on the alleys... Heat Heyamoto of baseball and basketball fame tried his hand at bowling for a few straight nights "before school starts"; a natural athlete, Heat showed great promise with his smooth delivery... the best pellet-tosser in the Tanagi family, is Roy, a southpaw, although Rik, a righthander, checks in consistently with his "x" marks...

Paramount Cafe, its five men all trundling better-than-500 series, set a new team total mark of 2706 pins in a Nisei Commercial Bowling League match to trip Sakahara Insurance, 4-0, last Tuesday night in Main Bowl. The cafe men won a 850-tie roll-off in the first set of the three-game series to hit the "V" trail.

Parading up to the alley in the following order—Pruney Tsuji, Tak Asaba, Jim Kurashiki, Bill Tanaka and Jack Nitta—Paramount Cafe was "too good" for the capable insurance squad. Tsuji cracked the pins for 538, Asaba for 563, Kurashiki for 564, Tanaka for 520 and Nitta for 521.

Ken Oyama and Shoichi Suyama were the only Sakahara men to hit above the 500 mark.

Shanty Inn was held to a 2-2 draw by unpredictable Puget Sound Vegetable Growers Association. Shig Urakawa and Tak Shibuya exploded violently for Shanty Inn, scattering the tenpin for 592 and 543 respectively. Urakawa's 592 series high for the night, also covered a singles high game of 227. P.S.V.G.A.'s big gun was Willie Maebori who socked the 1-3 pocket for a 533 series.

League-leading Kashiwagi's Tailors suffered a 3-1 setback at the hands of 12th Ave. Service. Grant Beppu saved the tailors from a complete whitewash by pitching a nice 214 game to lead his team to a triumph in the initial tilt. The second and third games went to the service station men, paced by Tommy Encarnacion and Jack Koga. Encarnacion matched Beppu's 214 in the final struggle.

Tad's Cafe climbed into third place in the loop standings by taking a 3-1 decision from Oriental Cab. Responsible for the triumphs was Shig Sumioka, in the number three spot, who threw the pellet for 184, 182 and 215 games, a 581 series. Besides Sumioka, Biff Inashi, Yukio Kuniyuki, Ted Sakura and Tom Hirai also turned in commendable scores to help Tad's cause. The cabbies' Jack Pang fired a 223 game in his 543 series. Ed Yapple and Wally Poy also fared well for the losers.

Seventh Ave. Service maintained its hold on the top rung of the City Merchants League standings by spilling the N. W. Times Rookies, 3-1, last night (Thursday) in Main Bowl. The service boys, all averaging 150 or better, proved themselves the superior force. Their Shobu Ideta hit a 492. The Times Rookies' anchor man, Suda Nakagawa, was "hot as he pounded the pins for 170-192-177 to fashion out a 539 series.

International Realty, paced by Ossie Tsuchikawa and Frank Yokoyama, joined Seventh Ave. Service for number one honors by shutting out Tad's Gardening, 4-0. Tsuchikawa had 524 and Yokoyama 519. Mas Shibuya was okay for Tad's with 472.

Hard-tossing Pete Okubo and Joe Tamura helped Nisei Recreation stay in the upper bracket of the loop. Okubo rolled 533 and Tamura 503 as the Rec's wrecked Karikomi's Insurance, 3-1. Pancho Nakashima of Karikomi's left-handed 541 series which had the night's high singles game of 219 included in it. Tom Hidaka, also of Karikomi's, banged away at the tenpins for a 502.

Kashiwagi's Kubs dropped their first match but came back strong in the final two to dump Main Drug, 3-1. Joe Hirabayashi with a 552 and Joe Hayashi with a 504 formed a powerful twosome for the winners. Nobu Suyama appeared best on the drug store kegling lineup with a 510.

George Fujimoto of Jackson Grocery showed some of his baseball pitching control when he threw the pellet for the night's high series of 571 to enable his team to throttle Main St. Service, 3-1. Fujimoto's series featured a 213 game. Hajime Hirata hit 503 for the losers.

Holy Mackerel! They Caught So Many Fish Their Boat Sank

LOS ANGELES, Calif., Oct. 3 (Nichi Bei Times Dispatch)—This is one story that is not a fish story and there must be a moral to it, somewhere.
At any rate, it had two Nisei boys yelling "Holy Mackerel!" after they discovered their misfortune. But they lived to tell the tale.
Like many a fisherman, Woodrow Wakatsuki and Katsumi Nishikawa had dreamed of catching enough fish to fill their boat up to the gunwales.
Last Wednesday night, the boys did pretty well fishing for mackerel on their 3-ton capacity 36-foot boat. So well that they kept on and on—even after the mackerals were brimming over the sides.
But Thursday morning the over-laden craft sank quietly under the blue waters of the Pacific, leaving the two surprised fishermen swimming in distress amid their catch of some five ton of mackerel.
Luckily another fishing selder sighted the Japanese Americans and took them ashore on their own craft. The 36-foot boat was towed into Santa Monica harbor where it will be refloated.

Blood Specimens of Oriental Young May Reveal Reason for Increase in Polio Cases among Yanks in Asia

BERKELEY, Calif., Oct. 3—With blood specimens of several hundred children of three Oriental countries, a group of University of California scientists may answer one critical question about poliomyelitis.
The blood specimens may show why polio increased among American troops in Japan during the past polio season, and why there is generally an increase wherever western European adults go into poorly sanitized countries such as Japan, India and North Africa, without a parallel increase among the natives.
The specimens were collected by a scientific mission for the Army epidemiological board headed by Dr. W. McD. Hammon, University of California Medical School epidemiologist, and including Dr. J. Casals, Rockefeller Institute of Medical Research; Dr. Don M. Rees, University of Utah entomologist, and Dr. Gordon Meiklejohn, University of California.
Dr. Hammon feels the specimens may prove a medical theory that in countries with poor sanitation polio is common before the age of two, but the paralytic form is rare up to that age. With immunity presumably acquired by age of 2, there is a limited number of susceptibles to polio in the age group where the disease is apt to take the paralytic form.

Yonamine Starts Ripping off Yardage To Help Frisco 49ers Beat Bisons

BUFFALO, N. Y., Oct. 3—Scoring 34 points in the last 29 minutes, the San Francisco 49ers led by their star quarterback, Frankie Albert, whipped the Buffalo Bills, 41-24, Sunday.
It looked bad for the Western visitors as speedy Chet Mitrzyn ran back the second half kickoff 87 yards to make the score 24-7 in favor of Buffalo.
Then Wally Yonamine rushed from the secondary to drop a Buffalo back on their 4-yard line for a four-yard loss. On the next

lay he ran back a punt 25 yards from the 49er 47-yard line to Buffalo's 28 and then added five more on a reverse inside left end.
A Frietas to Beals pass and a buck by Norm Standlee made it first down. Then Frietas' pass was over Wally's head in the end zone, but the next toss to Beals was good for a score and the 49ers were on their way.
Wally started the game, returned the kickoff to the 27, and also made several tackles in his brief fourth-quarter play.
