Under the ruling of Judge Cavanaugh, each evacuee at Tule Lake Center who claims that his citizenship was cancelled through misunderstanding, mistake, or coercion may have the cancellation set aside through an individual suit against the Attorney General.

Miss Ichikawa and Mr. Inouye are represented by Attorneys A. L. Wirin, Fred Okrand and Frank Chuman.

Japanese Held As Stowaway

Yoshio Kosugi, 23, a Japanese stowaway who speaks no English, is being held in Seattle by the United States Immigration Service.

The young stowaway was discovered hiding in a washroom aboard the Liberty ship Edward A. Filene about 24 hours after the vessel sailed from Yokohama Sept. 21. It was reported. The vessel, operated by Olympic Steamship Company, arrived in Seattle last Tuesday.

First Japanese stowaway apprehended here since before the war, Kosugi will be turned over to the Federal Bureau of Investigation, it was learned.

CANADA FAVORS EARLY JAPAN PEACE TREATY

OTTAWA, Oct. 14 (New Canadian Dispatch)—The Canadian government hopes that the Japanese peace settlement can be achieved as soon as possible to permit Japan to resume trade with other countries, including Canada, Defense Minister Claxton said at a press conference here recently.

Mr. Claxton, who returned recently from the Commonwealth conference in Canberra on the Japanese peace treaty, said that conditions already laid down for Japan under the Potsdam agreement would make the situation "very tight" in Japan.

He said that discussion in Canberra indicated that Japan had been completely disarmed and demilitarized and demilitarization was being carried out under "the inviolable direction" of Gen. MacArthur.

However, the main fear of a good many nations concerned with the Japanese problem, Mr. Claxton continued, was that as a consequence of the war and the peace conditions already laid down by the Potsdam agreement, the Japanese economy might be so severely affected that it might be difficult for her to survive.

"A day's pay is the fair way," this is the suggested yardstick for support of your Community Chest.

B. C. OFFICIAL PROTEST RACE RESTRICTIONS

GRAND FORKS, B. C., Oct. 14.—The executive of the local Board of Trade last week strongly protested a resolution submitted by the Grand Forks City Council to the Union of B. C. Municipalities Convention held at Harrison Hot Springs, B. C., stating that the resolution sought to "bar from full citizenship rights and privileges certain minorities of religious and racial groups."

The Executive stated it was "completely and fully opposed" to the resolution which asked consideration that the B. C. Legislature be urged to amend the Municipal Elections Act along lines similar to the manner in which the Provincial Elections Act was amended in 1947, and disqualify certain categories of people from voting "at any municipal election for the election of Mayor, Reeve, Aldermen or Councilors."

The resolution urged that every Japanese be disqualified "provided that the provisions of this clause shall not disqualify or render incompetent to vote, any person who has served in any war in the Naval, Military or Air Force of Canada and who produces a discharge from such Naval, Military or Air Force to the Municipal Clerk upon applying for registration under this Act, and who is otherwise qualified to vote."

The resolution made similar provisions for Indians, Doukhobors, Hutterites and Mennonites.

"The Executive," read the Board of Trade protest, "believes Citizenship with all its privileges and responsibilities should be extended all desiring it, and feel that equality of Canadian citizenship can only be obtained by rescinding orders in council and other laws extending to any individuals or groups."

"We believe that Canadian unity and development is not served by resolutions such as this which would put a label on groups for generation after generation."

Nisei Attorney Defends Indian

LOS ANGELES, Calif., Oct. 14.—A Chippewa Indian owes his freedom to a Nisei attorney whose diligent investigation and earnest plea convinced the district attorney's office of the defendant's innocence.

The Indian, Wilson C. Burns, 28, was born in the Great Lakes Indian Reservation of the Chippewa Tribes. When the gasoline service station for which he had worked months ago was robbed, Wilson happened to drop by earlier in the evening and later after the robbery. He was suspected of the crime and arrested.

At the preliminary hearing, he was bound over to the Superior Court for trial. In the meanwhile, man, president of the LA JAEL, the Nisei attorney, Frank P. Chuchapter, busied himself with the task of verifying the statements of his client as to his whereabouts during the evening.

Prior to the trial, he conferred with the district attorney's office and convinced them that the evidence did not warrant the trial of the defendant. Consequently, when the matter was brought before Judge Ambrose, a motion for dismissal was made and granted.

This was the third Indian case that Chuman has handled for the American Indian Citizens League of this city.

Community Chest Drive Workers To Spotlight

Seattle and the other communities of King County this week will honor thousands of its Good Neighbors—the volunteer campaign workers of the Community Chest who are giving up much of their personal time and effort to campaign from door to door on behalf of the 37 local Red Feather welfare and health services.

High point of the tribute will come Wednesday, Oct. 15, when the Community Chest designates its Report Luncheon as Ladies' Day, and turns the spotlight on the neighborhood volunteers.

The ranks of Community Chest campaign volunteers in neighborhoods, plants and offices throughout the county had grown to 12,000 as compared to the 8,500 workers who began the drive, as the county-wide appeal rounded out its first week of solicitation.

Throughout the city and county citizens from every walk of life were proudly wearing their Red Feathers, either as volunteers or contributors to the great community undertaking.

Labor unions swung their full support behind the drive, and in plants and offices representatives of labor joined the representatives of management as co-chairmen of their individual firm campaigns.

The theme of the Ladies' Day meeting will be "Talking Through Your Hats," and all of the 350 women at the meeting will wear Red Feathers in their hats, symbolizing the service of the local welfare and health services and serving as a tribute to community leadership and achievement.

The meeting will be highlighted by a hat style show which will be judged by Mayor Devin, Nat Rogers, Chest president, and Irving S. Smith, campaign chairman.

Chairman of the meeting will be Mrs. W. Walter Williams, past general of the Neighborhood Division. Seated at the head table will be former past generals Mrs. W. T. Thompson, Miss Olive Kerry, Mrs. Floris Nagelvoort, Mrs. Robert M. Jones, Mrs. Forrest Goodfellow, Mrs. Frederick Burnett, Mrs. Henry B. Owen, and Mrs. Joseph Mulder.

When a progress report on the first week of solicitation is called for, the spotlight will be shifted to the leaders of the different areas of the city in order to honor their volunteer solicitors. The leaders thus honored will be:

Mrs. Ethel Allen Peyser, 2655 Magnolia Blvd., general, Northwest section; Mrs. Arthur B. Langlie, 5203-17 N.W., general, Northeast section; Mrs. Edward F. Community Spirit Is Remarkable, Gratifying, Says Tony Allasina

In a fine example of community spirit and cooperation, the business district of the Jackson Street area reported 156% of its quota in the Community Chest campaign at the first report luncheon held at the Olympic Hotel yesterday, five days after the campaign started.

The area, which includes the businesses and residences located approximately between 5th and 12th Avenues and Yesler and Dearborn Streets and which is officially known as Section 10 of the downtown division in the Chest drive, was one of the first divisions to report a high percentage of its quota.

"The record of this district is remarkable and gratifying," said Tony Allasina, lieutenant general for the section. "It shows that we have a group of people down here who are second to none when it comes to community pride and an interest in things which are worthwhile. The campaign has only just started and we know that our solicitors have many people to see. We hope to exceed this amount by a great deal before the drive ends October 27."

Newspaper Pays Tribute to Issei Railroad Worker

LEWISTON, Mont., Oct. 14.—A tribute to a Japanese railroad worker was published recently in the Lewiston Democrat News—the city's morning daily.

The editorial paid tribute to one Seitaro Akiyama of this city who was retiring from the Great Northern Railroad Co. after 47 years of service.

Reported the Democratic News: "Forty-seven years ago a young Japanese came to Montana from Japan...and he lost no time becoming a good American.

"This week, after 47 years with the company, he is retiring and will spend the rest of his days here.

"During Akiyama's 47 years with the Great Northern, he has done much to see that the company's freight and passenger trains move over smooth and safe tracks.

"In fact, for the last 17 years he has served as section foreman for the line, working out of Key City.

"Akiyama—good American—has earned his retirement and has proven his right to citizenship in the United States," concluded the editorial.

The Issei started by working for \$1.05 for a 10-hour day—but today gets about ten times that pay per day.

Western Union Adds Business Wire Service

Telegraph messages of business, financial and commercial nature may now be sent to Japan, the Western Union Telegraph Company officials here announced this week. Previously only social, personal and limited business messages could be sent.

Codes and cipher messages, as well as the use of registered code addresses, are also permitted. Messages may be filed at any Western Union office. All wires, however, are subject to censorship in Japan.

The rate for a fast-day wire from Seattle to Tokyo will be straight thirty cents a word, for a night letter, ten cents a word or \$2.50 for twenty-five words. Code cipher messages will cost twenty cents a word, and deferred wire, fifteen cents a word.

Rates from such cities as Spokane, Tacoma and Portland to Japan will vary according to the distance.

Collected wire, it was added, will not be permitted.

Money may not be sent to Japan since Western Union has no money order service there.

Couple Protests Racial Curb Code on Pasadena Property

LOS ANGELES, Calif., Oct. 14.—A suit was filed this week in the Los Angeles Superior Court by Ernest R. Chamberlain and his wife Ethel against the City of South Pasadena and a number of South Pasadena city officials, charging that the City of South Pasadena acted unconstitutionally in inserting racial restrictive covenants in deed executed by the city officials pertaining to property which the City had acquired through non-payment of taxes.

The suit was filed by attorneys, Wirin, Kido and Okrand and Frank Chuman, attorneys for the Civil Liberties Union and the Japanese American Citizens League. Additional counsel include Loren Miller for the National Association for the Advancement of the Colored People and William Strong for the Commission on Social Action No. Broadway; Mrs. Malcolm McLaren, 209-36th No., Madison; Mrs. Chas. H. Badgley, 503 McGillivray Blvd., Macra; Mrs. A. J. McFarlane, 508 Lakoside Drive, Bridgeview; Mrs. Frank Knowles, 2021 Alaska, Beacon Hill; Mrs. Henry Schmidt, 2109-31 So., Mount Baker; Mrs. Albert Wisen, 7958 Seward Park, Rainier Beach; Mrs. R. C. Schank, 2414 Belvidere, Alki.

The Chamberlains had purchased property in the City of South Pasadena which the City had acquired in the delinquent payments of taxes. The restrictive covenant inserted by the City prohibited the use or occupation of the property by any person whose blood is not entirely of the White or Caucasian race excepting that persons not of the White or Caucasian race may be kept thereon by such White or Caucasian occupant strictly in the capacity of servants or employees of such occupant.

The suit asks for declaratory judgment that the restrictions are unconstitutional.

JACL TO BACK HUMAN RIGHTS BILL IN DENVER

DENVER, Colo., Oct. 14.—Kindred interest in the passage of the Human Rights Bill in the Denver charter Convention was expressed by the JACL-ADC legislative representative from Washington, D. C., last Thursday night in his address before the Denver Unity Council's policy board meeting in the Trinity Methodist Church.

"Our minority problems are problems affecting all Americans," he said, "whether they are on municipal, state or national levels. On the other hand, if your racial groups fail to vote on the charter, and if it fails to pass, then you will have no cause to complain, for the failure was yours." He expressed the hope that the D.U.G. sponsored provisions will be included in the new charter.

Members of the Spanish American Service Club heard Mike Masooka at their meeting earlier in the evening. Among those present was Mrs. Helen Peterson, sponsor of this club as well as other S.A.-S.C. organizations in their tri-state area covering Colorado, New Mexico and Arizona.

Ex-Gov. Ralph L. Carr of Colorado conferred Friday morning with Mr. Masooka, who thanked the former governor for his interest and support of the Citizens League's federal legislative program. Through introduction from Bill Hosokawa, Sunday feature writer for the Denver Post, the visitor also conferred with Ed Hoyt, editorial writer and son of the publisher, Palmer Hoyt.

Showing avid interest in the director's report of the legislative progress being made by the JACL-ADC, the writer requested Mr. Masooka to write a guest editorial.

The legislative director spoke before the combined Issei-Nisei meeting in the Japanese Hall Saturday night. He flew to Minneapolis Sunday morning for a series of meetings with members of the United Citizens League and Caucasian leaders in that city. Milwaukee and Chicago in that order, are next on his itinerary.

Japanese Woman Bears Child In Coffin, Kyoto Reports

KYOTO, Oct. 14.—Newspapers here reported a case of a dead woman "giving birth" in a coffin and said that according to scientists of Kyoto Medical college this is the first incident of this kind reported since German doctors found a similar case 55 years ago.

When school attendants removed the lid for an autopsy 52 hours after the death of Mrs. Akio Fukuda, they found not only her body but that of a stillborn child.

Scientists explained that gastric gasses had posthumously expelled the four-month old embryo.

Mrs. M. Miyamoto Will Appear in Aberdeen Concert

Mrs. Michiko Morita Miyamoto, Nisei piano teacher, and Miss Ruth Krieger, a cellist in the Seattle Symphony Orchestra, will give a concert at 8:30 p.m. Wednesday, Oct. 15, in the First Methodist church in Aberdeen, it was learned today. The concert will be sponsored by the Aberdeen Soroptimists, a business women's organization.

Mrs. Miyamoto and Miss Krieger last fall gave a benefit concert under the sponsorship of Mu Phi Epsilon, national women's music honorary, to raise a scholarship fund for a deserving music student at the University of Washington.

The two musicians also are scheduled to appear in one of the regular artists series of Washington State Teachers College in the school concert hall in Bellingham on Nov. 7.

A 37 U. W. graduate, Mrs. Miyamoto is a member of the Mu Phi Epsilon and Phi Beta Kappa. She studied under Marcel Maas, head of the Brussels Conservatory of Music, when he was a visiting professor at the University of Washington last summer.

Mrs. Miyamoto is the wife of Frank Miyamoto, assistant professor in the Sociology department at the University.

Ship Line Seeks Offices in Japan

SAN FRANCISCO, Calif., Oct. 14.—The American President Line has made application to Allied headquarters in Tokyo for the reopening of the company's three offices in Japan which were closed at the start of the war, it was announced this week.

Passenger and freight bookings in Japan since the end of the war have been handled by a government agency. The company hopes to re-open its offices in Tokyo, Yokohama and Kobe.

California Japanese Fined \$500, Gets Six Months on Gaming Count

LODI, Calif., Oct. 14.—Tairo Saiki was sentenced to pay a fine of \$500 and serve six months in jail following a plea of guilty to violating the city gambling ordinance.

The sentence was passed by Police Judge J. C. Ferguson. Police Chief Millard Fore said he and two officers made a routine check Saturday night of closed places where gambling games had operated. Everything was found to be in order until they dropped in at No. 4 North Main Street.

There, the officers reported, they found stud poker, dice and other gambling games in full operation. Unprepared for a full scale raid, they added, they were unable to cope fully with the situation and 20 to 30 visitors escaped. However, they seized Saika and the equipment.

Soy Sauce Poisoning Averted In Canada by Quick Move

WINNIPEG, Canada, Oct. 14.—Winnipeg citizens who fancy soy beans with their chow were saved from arsenic poisoning by prompt action in mid-August which resulted in almost four tons of the sauce being condemned, reported the Winnipeg Tribune recently.

A shipment of 7,871 pounds of the sauce was received early in August by a Winnipeg brokerage house from the United States. Shortly afterwards the Winnipeg firm received advice from the shippers that the shipment was contaminated.

The firm immediately rounded up all the sauce it had distributed to its outlets—chiefly Chinese restaurants—and then asked the city medical health department to condemn the entire shipment.

An official of the city's health department said today it was fortunate that the entire shipment had been called in and condemned before it was allowed to get into the hands of consumers.

The Social Whirl

Babe Nomura and Art Kakuuchi of San Jose State College football fame visited friends here after their gridiron tilt against College of Puget Sound last week-end in Teconia.

The cat was let out of the bag, so to speak, when Miss Amy Okabe, of this city, announced her engagement to Mr. Earle Namba of San Francisco, Calif., in her home.

The announcement was told to her friends who opened bags which contained cut-out cats with the names "Earle" and "Amy" printed in them.

Mias Okabe, who relocated to Ann Arbor, Mich., during the war, attended the University of Washington. Mr. Namba, a war veteran, is attending San Francisco Junior College.

Attending the announcement affair were Mrs. Dorothy Franklin, Mrs. Aki Higashi, and the Misses June Kumakura, Marie and Grace Ozawa, Alice Yoshioka, Kimi Masuhara, Grace Uehimura, Masako Kishida, Sachio Kodama, Tatsuko Kozu, Yaeko Asaba, and Michiko and Sachii Yasui.

Miss Mary Kanazawa, who motored into Seattle with her brother, Eud, and Nobi Tosaya from Madison, Wis., last week-end, has left for San Francisco from where she will fly to Tokyo to accept a Civil Service job. It was learned today, Miss Kanazawa is the daughter of Mr. and Mrs. K. Kanazawa, now of Madison but formerly of Seattle.

Miss Sadako Makishima, daughter of Mr. and Mrs. Shuichi Makishima of Penryn, Calif., and Mr. Hisashi Nishimura, son of Mr. K. Nishimura, will be married at 8 p.m. Friday, Oct. 24, in the Seattle Buddhist temple.

A reception will be held in the church hall after the wedding. The Community Chest campaign is not ordered, it is not compelled—it is voluntary. It appeals neither to pride nor to fear, but solely and exclusively to good will.

All-Stars Thump Tokuda's, 38-35, in Exhibition Game

The Sporting Thing

by bf

bf Comments on Games...

SEVENTH AVE. SERVICE 3, SNGBO "BIG FIVE" 1—It's a good thing Seventh Ave. Service emerged victorious last Sunday in Main Bowl. We men would have never heard the end of it if the gals had dumped the boys.

ALL-STARS 38, TOKUDA DRUG 35—Al Mar, the former U.W. cage star, will be asked to plead guilty to casaba larceny.

HIGH SCHOOL 31, ALL-STARS 18—Did you know that the All-Stars battled High School on an even keel in the second half? Both teams rang up fourteen points.

Sideline Topics

...latest fashion notes: Kiki Yamamoto, the sparkling trundler, and her bangs, and Yuk Takeuchi, Tokuda Drug hoop star, and his long side burns... which rumor do you believe in? One says Ray Saito, the Ontario JACL smoothie, has been signed up by Greenhouse for Class A basketball competition. The other says Saito will return to Ontario... after watching the zip-ping brand of basketball played here, a Minneapolis, Minn., Nisei decided against bringing a young squad for exhibition games... as soon as the NVC cage leagues start, we'll second-guess for our readers; 'tis our confident bet that we'll predict a cool 700 at the end of season... our Nampa, Idaho, sleuth reports belatedly that Ben Yoshida of George Ishihara's championship Boise Valley A. C. was a faster pitcher this season than when he was with the Class AA Fife Nippons in this area seven years ago... Spokane is quite enthused over its new maple court quintet which is rated in the Inland Empire as THE team to watch come this season...

H. S. SEXTET TRIPS STARS IN 31-18 TILT

Kelko Kitayama and Tomo Iwasaki of last season's girls championship High School team have lost none of their knack to score points. These two tossed in 7 and 6 points respectively in the first few minutes to start High School rolling to victory over an all-star team last Sunday afternoon in an exhibition game in the Buddhist gym. The tilt, a preliminary to the Tokuda Drug-All-Star affair, ended; High School 31, All-Stars 18.

When the Misses Kitayama and T. Iwasaki cooled off in the second half, Coach Johnny Kawaguchi's Deeko Iwasaki caught fire. Miss D. Iwasaki poured 8 points to match the firing of the All-Stars' Kimi Fujimoto of Tacoma Busses.

Chiz Iwasaki, the third member of the Iwasaki clan on the High School sextet, more than held her own at guard. Naoka Hasegawa faced her former teammates and performed commendably for the All-Stars as did Sue Tainaka of Lotus.

Etsuko Ichikawa, Lotus' promising first-string All-Star forward managed to tally three field goals.

Hiro Nishimura coached the All-Stars who were without the services of Betty Jean Andrews, Kay Shigehara, Anna Nagai and Tosh Iwasaki of Anna Kay's. Miss Andrews was the greatest scoring threat last season and Miss Iwasaki was considered the top-notch guard in the loop.

The running score by quarters follows:

High School 8 17 23 31
All-Stars 2 4 6 18

The box score follows:

Table with 3 columns: Player Name, FG, FT, PTS. Rows include K. Kitayama, D. Iwasaki, T. Iwasaki, D. Thompson, C. Iwasaki, A. Chikamura, R. Tanaka, J. Ishida, S. Sekai.

Boys Almost 'Lose Face' in Bowling Match

For accepting a challenge from the SNGBO's (Seattle Nisei Girls Bowling Organization) "Big Five", Seventh Ave. Service of the City Merchants league almost "lost face" last Sunday night in Main Bowl.

Seventh Ave. Service won, 3-1, but it took a king-sized triple-x by King Tamura in the final game to save the day for the boys.

The service team annexed the first game by nine pins. The girls rallied to win the second by six pins. In the final game, Tamura threw his Sunday strikes to enable the boys to down the girls by fifty-seven pins.

The "Big Five" lined up with Joanne Furuta of Tokuda Drug, Rose Young and Yo Kitayama of Frank's Jewelry, Jean Numoto of China Import & Export, and Jean Terao, also of Frank's Jewelry.

Seventh Ave. Service had Toki Mizuki, King Tamura, Jack Shioia, Shobo Ideta and Fred Hirai.

Tsuchikawa Tops Local Pin Loop

Ossie Tsuchikawa, International Realty's ace kegger, is number one in the City Merchants league's "Big Ten," according to statistics released today by loop secretary Tak Asaba. Tsuchikawa is two pins ahead of Bill W. Inashi of Jackson Grocery who boasts a 171 average.

Tied for third place are Tomio Hamasaki of Main St. Service and Joe Tamura of Nisei Recreation.

Others in the "Big Ten" are Shig Sumioka, Tad's Gardening, 165; Nobu Suyama and Sab Tsu-boi of Main Drug, 163 and 160 respectively; and Tom Hidaka and Kerry Yasunobu, both of Karikomi Insurance, with 160.

Nisei See Action, In Grid Tilt

TACOMA, Oct. 14—Babe Nomura, shifty Nisei backfield star last Saturday scored one of four touchdowns collected by San Jose State Spartans who defeated College of Puget Sound, 28 to 0, here. Art Kakuchi, a Nisei guard, also saw action for the Spartans.

Sono's Topple Motor Clinic

O.N.B.L. STANDINGS table with 3 columns: Team Name, Wins, Losses.

Results in Brief: Sono Team 3, Motor Clinic 1; Azumano's 4, Lombard Food Center 0; Cascade Produce 4, Kern Park 0; Tsuboi's 3, Russellville 1.

(Special to Northwest Times)

PORTLAND, Ore., Oct. 14—Collar-dwelling Sono Team climbed out of its embarrassing position to oust Motor Clinic from the top post in the Oregon Nisei Bowling League last Friday night here. The Sono's, paced by Kay Fujishin's 139-223-144 for a 506 series, dumped Motor Clinic, 3 to 1. The defeat, coupled with Azumano Insurance's 4-0 whitewash of Lombard Food Center, dropped the motor-men to third place in the standings.

Motor Clinic's best bet was Kay Niguma who rolled a steady 507. Azumano Insurance was led by Vic Nishijima who had 221-146-159 games for a 526 series. Ever dependable Kaz Yamasaki supplied the hardest punch for the losing Lombard food men with a 235 game in a respectable 525.

In other league games, Cascade Produce slipped into second by blanking Kern Park, 4-0, and Tsuboi's Jewelers bounced Russellville, 3-1. Emo Salto of Cascade batted out a 512 series.

Al Mar Snatches Ball Away from Foe To Set Up Victory for Winning Team; Class A Champs Lead 17-11 at Half

Skinny, loose-jointed Al Mar stole the ball away from Shobo Fujii, dribbled straight down the center of the court, and plunked in a left-handed lay-in shot. Simultaneously, Fujii deliberately pushed Mar.

The referees gave Mar two shots instead of the usual one. Mar was good; he swished a pair without batting an eye. Two more points.

All this took place within a minute and fifteen seconds before the final gun and it was enough for the all-star aggregation to defeat Tokuda Drug, 38-35, last Sunday afternoon in a pre-season basketball exhibition game before a capacity crowd in the Buddhist auditorium.

Up to the time of Mar's spectacular play, Stan Karikomi's Tokuda Drug charges were ahead 35-34 on Shobo Fujii's two push shots, one from the side and the other from the center.

Tokuda Drug started out fast by running up a 17-11 lead at the end of the first half. Chuck Kinoshita sent the spheroid sailing between the twines for three field goals, followed by Yuk Takeuchi who connected twice.

In the meantime, the all-stars, coached by Harold Horuchi, had a bit of difficulty adjusting themselves to each other's playing style. Horuchi, in his effort to find a winning combination, sent in a stream of all-stars from the various teams into the fray.

All told, Phil Mar Hing and Al Mar, the two Chinese cage superiors, were the boys who sparked the All-Stars to their pleasant triumph.

Mar, who was held to a single goal in the first half, came four field goals and three foul shots to set afire the All-Stars' spirited second half drive. Mar Hing, sturdy center, kept Manabu Fujino, Tokuda's number one center, bottled to six points, and also snatched many rebounds off the backboard. George Tanagi of Main Drug and Daibo Fujii of Question Marks also gave a good account of themselves.

Iso Nishimura, formerly of Lotus Troys, performed up to par during the brief time he played for Tokuda's Nishimura had to leave the game early, dissipating Tokuda's scoring punch.

The exhibition game was sponsored by the NVC to raise funds which will be needed to operate a smooth basketball season. The all-star team was selected by the Northwest Times.

YW Announces Film Forum

With the announcement that the Young Women's Christian Association will present the first in a series of "Film Forums" in room 13 of the Central YW, at 7 p. m. Monday, Oct. 13, has come the question, "What is a Film Forum?"

Mrs. Fred A. Lind, chairman of the public affairs committee, explains that, "It is a combination of an interesting problem, a documentary film on the subject, with a leader to present and lead the discussion, plus good lively audience participation." This last ingredient is the most important, according to Mrs. Lind who asks that men and women come prepared with ideas to present and questions to be answered.

The titles of the two movies to be shown Monday are "Boundary Lines" and "The Brotherhood of Man" and the subject is "One World Out of Many." Miss Judith Greguson who for many years taught "Current Events" in the Seattle Public Schools will be the moderator.

The Public Affairs Film Forum meets in the YW the second Monday of each month at 6:15 p. m. for a three-course \$1.00 dinner. The forum starting at 7 p. m. is free and will consist each time of a movie on a current topic of public interest followed by open discussion. Phone the YW at EL 4800, extension 3, for reservations.

Assisting Mrs. Lind on the public affairs committee are Mrs. Ludwig Lobe, Mrs. Aram Bellan, Miss Judith Greguson, Miss Mary Lytle, Mrs. Geneva Miller, Mrs. Fred W. Ring, Mrs. Marcus Rohlf, Miss Jane Scott, Miss Marie G. Shafer and Mrs. Grace Stevenson.

Ten thousand volunteers, in all parts of Seattle and King County, are giving time and energy, as well as money, to the Community Chest. They know: "Everybody benefits—Everybody gives."

The final measure of a city's stature is its ability to take care of its own. It is every citizen's responsibility to contribute as generously as possible to the support of the Community Chest.

Throughout the nation, Americans are rallying to the cause of their own neighbors by supporting their local Community Chest. Let's make sure that Seattle and King County rank high on the nation's honor roll by demonstrating once more that we know how to take care of our own.

Your fair share of the Community Chest goal is up to you and your conscience. Give generously, because everybody benefits.

Your neighborhood Community Chest volunteer worker is helping to make the Good Neighbor Policy a reality at home. She gives twice—of time and energy as well as money. Give the Chest volunteer your courteous attention when she calls on you.

A series of free dances for teen-agers has been made possible through the generosity of the Musicians Protective Union, Local 493, A.P. of M., it was announced this week by the Jackson St. Community Council, which is acting as coordinator for the affairs.

The dances, approximately ten of them, will be held between October 31 and December 31, 1947, and will be sponsored by agencies and organizations carrying on teen-age programs.

Utilizing money from the Transcription Fund of the national union, the American Federation of Musicians, of which James Petrillo is president, the local will provide an orchestra for any teen-age dance, properly sponsored, for which no admission is charged.

"This money is made available by the national union in order to promote the educational, social and cultural life of the community," Mr. Gerald Wells, president of Local 493, explained. "I know of no finer way to spend this fund than by providing wholesome, well-conducted recreation for young people of all racial groups. We are particularly anxious that dances be sponsored for youth that would not otherwise have the opportunity of enjoying good, live music."

Six organizations have already scheduled dances or other affairs under this arrangement. The first will be a carnival for teen-agers to be held in Yesler Terrace on Halloween, Oct. 31. The East Madison YMCA is planning a dance on Nov. 7. The night before Armistice Day, Nov. 10 has been reserved by Educational Center, and on Nov. 14, a dance expected to reach most of the Japanese youth will be held in the Buddhist Church, sponsored by the Lotus Starlets. The Phyllis Wheatley YWCA is planning a pre-holiday dance on Dec. 19. The Duwamish Bend Community has reserved Dec. 5 for a community sponsored teen-age dance.

The Jackson St. Community Council is taking care of the scheduling of these activities. Four dates are still open, according to Mrs. Ruth Manca, Executive Secretary. Any group wishing to secure an orchestra for a part of its program or desiring information should get in touch with the Jackson St. Council at SEneca 3073.
