END RACE BAN NOW -- TRUMAN COMMITTEE

WASHINGTON, D. C., Oct. 31—President Truman's fifteen-member committee on civil rights, headed by Charles E. Wilson, president of the General Electric Company, last Wednesday made 35 recommendations to strengthen "the American way" of life and delved into explosive subjects in the whole civil-rights field.

The committee, in its 178-page report, urged the enactment of federal anti-lynching, anti-poll tax and fair employment practices laws—three issues which have torn Congress with bitter struggles.

It also recommended that Congress and the state legislatures outlaw segregation and discrimination based on race, color, creed or national origin in such places as trains, busses, schools, hospitals, theatres, hotels, restaurants, the armed services and private employment.

The report proposed that the states outlaw "restrictive covenants" by which property owners bind themselves not to sell or lease to "undesirables".

President Truman hailed the report with a statement he hopes the committee has given the country "as broad a document" as the Declaration of Independence. "An American charter of human freedom in our time." He said he will study the report "with great care" and recommended that everyone else do the same.

"We need to guarantee the same rights to every person regardless of who he is, where he lives, or what his racial, religious or national origins are," the report stated.

The committee declared "the time is now" for three reasons: moral, economic and international.

The committee's view of the international aspects was that "the United States is not so

strong, the final triumph of the democratic ideal is not so inevitable that we can ignore what the world thinks of us or our record."

Concerning segregation—the separation of a minority from other people—the committee said the "separate but equal" ideas, as Negroes, "is one of the outstanding myths of American history" because "it is almost always true that while indeed separate, these facilities are far from equal."

Without naming names, the committee criticized what it called "irresponsible opportunists who make it a practice to attack every person, or group with whom they disagree as 'Communists'."

It said, "we cannot let these abuses deter us from the legitimate exposing of real Communists and real Fascists," and added that "the same zeal" must be shown in defending our democracy against one group as against the other.

Urges Review of Mass Evacuation Of Nisei to Curb Loss of Rights Of Citizens on Racial Grounds

WASHINGTON, D. C., Oct. 31—In a sweeping review of the whole U. S. civil rights field, President Truman's committee on civil rights last Wednesday recommended that federal and state laws be revamped to guarantee four "essential rights."

Four "Essential" Rights Would Hit Reds

In a speech in Chicago, Ill., on May 28, 1941, the late President Franklin D. Roosevelt championed the fight for four freedoms: 1. Freedom of speech and expression; 2. Freedom of every person to worship God in his own way; 3. Freedom from want, and 4. Freedom from fear.

Directed at the belligerent world at large, the four freedoms later were included in the historical Atlantic Charter which was agreed upon by President Roosevelt and then Prime Minister Winston Churchill of Great Britain on a ship early in August, 1941, somewhere in the Atlantic.

Since the Atlantic Charter, a lot of water—and World War II, too—has passed under the bridge.

And since World War II, our country seemingly forgot the four freedoms.

Last Wednesday, however, President Harry S. Truman heard an explosive report from his committee on civil rights, which in a precedent marking review of the civil rights field in our country, proposed the death of racial segregation.

The committee strongly urged the revision of laws to assure four "essential" rights to Americans: 1. The right to safety and security of the person; 2. The right to citizenship and its privileges; 3. The right to freedom of conscience and expression, and 4. The right to equality of opportunity.

President Truman said he plans to study the recommendations "with great care"—and well he might—as the committee warned that "the time is now" for three reasons: moral, economic and international.

The committee's view of the international aspect especially rings true as it is no secret that our country today is embroiled in a non-military struggle with Russia. Investigation of un-American activities, pointed accurately at Communists and Fascists, is a bald declaration that we are in an under-cover war with Stalin's Reds.

Too, the committee minced no words when it added:

"The United States is not so strong, the final triumph of the democratic ideal is not so inevitable that we can ignore what the world thinks of us or our records."

The four "essential" rights to all Americans, regardless of who he is, where he lives, or what racial, religious or national origins are, would serve as a deadlier weapon than the much-feared atom bomb in the fight against communism in our country.

The four "essential" rights would strike the heart of the Soviet program, crush the forces which strive to split our people, and restore our peoples' faith in the America way of life.

IF YOU WERE PRESENT AT THE NVC MEETING ON WEDNESDAY NIGHT

You can skip this section, which is an informal report on what occurred at the meeting of the 29th. However, if you weren't present, this will bring you up to date.

The meeting was opened with the usual reading of the minutes of the previous meeting, after which the treasurer gave the financial report. Chairman Kashino then turned the floor over to Mr. Ned Morfield, who spoke for 15 minutes on the National Guard program and answered questions from the floor.

Morfield a battery commander in the Field Artillery, 41st Division, explained the advantages of belonging to the Guard, and extended an invitation to all Nisei Vets to join up. He stated that since the Guard was not yet at full strength, any soldier with a useful "MOS" would stand a good chance of getting an immediate NCO rating, and also would have a chance for a commission.

I have my own quarters, and everywhere I go, I'm supposed to get the proper respect and attention. Now, have you got anything to say?"

NVC CANCELS DANCE

The action of the NVC in canceling its November dance was a gesture in order to avoid conflict with the Mercury affair. The Mercury boys should understand that scheduling of the NVC dance in the first place, was not done with any idea of embarrassing their organization, but was unintentional. The NVC had intended since early summer, to hold a Thanksgiving dance. As matters now stand, the NVC will not have a single dance for the last three months of this year, unless perhaps something is cooked up for New Year's. Mercury now has the green light for its November affair, as far as the NVC is concerned.

KEEPING UP WITH THE TIMES by hideo hoshide

FAR EASTERN COMMISSION AND THE OCCUPATION OF JAPAN

WHEN GENERAL

Douglas MacArthur was designated the Supreme Commander for the Allied Powers on August 13, 1945 and formally accepted the surrender of Japan on board the United States battleship Missouri, the occupation of Japan began. General MacArthur's first task was to put into effect the United States Initial Post-Surrender Policy for Japan.

On October 30, 1945 a Far Eastern Advisory Commission was convened in Washington with representatives of Australia, Canada, China, France, the Netherlands, New Zealand, the Philippines, the United Kingdom, and the United States for the purpose of making recommendations on the "formulation of policies, principles and standards by which the fulfillment by Japan of its obligations under the instrument of surrender may be determined."

RUSSIA

declined to join this Commission because of its purely advisory character. At the Moscow Meeting of Foreign Secretaries in December 1945, further negotiations between the United States, the Soviet Union and the United Kingdom were conducted on the subject of greater Allied participation in the control of Japan during the occupation, and with the concurrence of China the three Foreign Ministers on December 27, 1945, issued a communique establishing Terms of Reference for a Far Eastern Commission to replace the Far Eastern Advisory Commission.

THE FAR EASTERN

Commission has two principal functions: first, "to formulate the policies, principles, and standards in conformity with which the fulfillment by Japan of its obligations

under the Terms of Surrender may be accomplished"; and second, "to review, on the request of any member, any directive issued to the Supreme Commander for the Allied Powers or any action taken by the Supreme Commander involving policy decisions within the jurisdiction of the Commission." The FEC, however, cannot make recommendations with regard to either the conduct of military operations or territorial adjustments.

THE COMMISSION

is required to respect existing control machinery in Japan, including the chain of command from the United States Government to General MacArthur, and the Supreme Commander's command of occupation forces. Thus, policy decisions of the Commission are transmitted to the United States Government, which in turn assumes the responsibility of preparing directives in accordance with these decisions and transmitting the directives to General MacArthur for his guidance.

The Commission may take action by a majority vote, provided the representatives of the United States, the United Kingdom, the Soviet Union, and China all concur in the action taken.

NO TIME LIMIT

is placed upon the functioning of the Commission by the Terms of Reference. Hope of an early peace treaty was raised in July of this year, led by the United States. However, the United States proposal for a veto-free pact was turned down by the Soviet Union. If and when the machinery for peace treaty writing has been set up, and Japan has again assumed her responsibilities in the family of nations, the Far Eastern Commission "shall cease to function when a decision to that effect is taken".

The Sporting Thing

Preferably, "Opened Its Eligibility"...

Firland Sanatorium
Richmond Highlands, Wash.
Oct. 26, 1947

Dear bf:

The Northwest Times has been a constant source of news for Nisei activities and thought in the Pacific Northwest. You are to be commended for your fine work.

Perhaps you can make clear "The Sporting Thing" column of October 21, 1947, wherein you state that the NVC has "lowered its eligibility bars to Filipino and Negro youngsters". Barriers are lowered or removed, it is true, but in this case would you not prefer to say, "opened its eligibility" if previously they did not participate?

The Nisei are not any better than the Filipino or Negro youths to merit such wording as in your column.

The NVC is to be congratulated for its sponsorship of a fine community project, and I hope you will continue the proper emphasis on such spirit.

Very truly yours,
Tak Okamoto

Our comments:

ONE—"Opened" is a better word, if you say so.

TWO—That the Nisei are not any better than Filipino or Negro youngsters, is a correct statement.

THREE—Yes, the NVC should be congratulated. Further verbal gifts should be extended to that group after the cage season finishes. Running three basketball leagues is a lot of headaches, Tak.

FUJINO BREAKS IHASHI'S MARK WITH 666 PINS

Results in Brief

Shanty Inn 3, Kashiwagi's 1
Oriental Cab 3, P.S.V.G.A. 1
Paramount Cafe 3, Tad's Cafe 1
Sakahara Insurance 3, 12th Ave. Service 1

Manabu Fujino, Kashiwagi Tailors' powerful anchor man in the Nisei Commercial League, flirted laboriously for a date with a hot "700" number last Tuesday night in the haberdashers' match against Shanty Inn. Fujino lost out to a couple of ungrateful splits in the third game, but finished with a beautiful three of a kind, 666, breaking Biff Inashi's year-old series mark of 650.

Fujino whacked the pins for 256, 200 and 210 games, but his teammates bowed to Shanty Inn, 3-1. Late starting Nobu Takahashi of the victors ripped the 1-3 pocket for 225 and 200 after a mediocre 161. George Kimura and Shig Ura-kawa of Shanty Inn, and Tommy Namba of Kashiwagi's rolled 568, 565 and 541 respectively.

The 3-1 triumph gave Shanty Inn undisputed hold of third place. Kashiwagi's retained first spot.

Paramount Cafe, pinched in second place, filled a side order of a 3-1 defeat to Tad's Cafe. Tad's had to take it despite Biff Inashi's protesting 581 series which included a 211 and a 213. Jack Nitta's 545 was most distasteful to Tad's men.

Fred Takagi of International Realty in the City Merchants League led Sakahara Insurance to a 3-1 victory over 12th Ave. Service. Takagi proved to the NCL-ers that he is no slouch on the alleys as he assaulted the wood for a 550 series.

Puget Sound Vegetable Growers Association went for a ride—a rough ride—with Oriental Cab, the cabbies winning three out of four. Clift Goon was in the driver's seat for Oriental Cab with a 537.

The results follow:
SHANTY INN (3)—Takahashi 586, M. Beppu 437, Ura-kawa 535, T. Shibuya 499, Kimura 569; KASHI-WAGI'S (1)—Fujiwara 461, Namba 521, Nishimoto 492, G. Beppu 508, Fujino 666.

NISEI REC, 3-1; NOMURA STARS

Results in Brief

Tad's Gardening 3, Karikomi Insurance 1
Jackson Grocery 3, N. W. Times 1
7th Ave Service 3, Main Drug 1
Main St. Service 3, Kashiwagi's 1
International Realty 3, Nisei Rec 1

International Realty, featuring a 544 attack by "Brownie" Nomura, threw a 3-1 loss at Nisei Recreation in a City Merchant League game last night (Thursday) in Main Bowl. Nomura's efforts, however, were overshadowed by teammate Ryo Mihara's 231 game.

The Recreation's most potent trouble instigator was Joe Tamura who hammered out a 525, wrapping a 215 in the series.

The three-ply triumphs kept the realty men still at the head in the league standings.

Kashiwagi's Kubs played cubs to Main St. Service, dropping a 3-1 decision. Hajime Hirata's 486 boosted the service squad considerably. Woody Nishitani was the Kubs' big threat with a 50L.

Y. Tamura rolled a 525 and that series was sufficient for 7th Ave. Service to engineer a 3-1 victory over Main Drug.

Powerhoused by Biff Inashi's 605, Jackson Grocery delivered the groceries in fine fashion to dump the N.W. Times Rookies, 3 to 1. Suda Nakagawa was top man for the Rookies, beating the headpins consistently for a 507 series.

Slowly-improving Tad's Gardening upset Karikomi's Insurance, 3-1. Substitute Herbie Furuta and Mas Shibusya had sound series for the gardeners.

Records established last night (Thursday) were Inashi's 605 singles series, Inashi's 233 singles game, and International Realty's 930 team game and 2523 team series.

IMPORT GIRLS DOWN FRANK'S IN SNGBO TILT

Results in Brief

Takano Studio 3, Tokuda Drug 1
China Import & Export 3, Mobile Service 1
Martha's Beauty Shop 4, Hab's 0

China Import & Export, aided by some scintillating kegling by Rosemary Beppu, gained three games on league-leading Tokuda Drug by crushing Frank's Jewelry four times last night (Thursday) in a SNGBO (Seattle Nisei Girls' Bowling Organization) struggle in Main Bowl.

Mrs. Beppu, in the number four position, marked up 155, 182 and 171 for a 518 series. Jean Terao, gem of Frank's Jewelry, knocked off a 496, including the night's high 137, followed by teammate Sue Lew with a 471. Yo Kitayama's pickup of a six, seven and nine split gave Frank's trundling girls a moment of joy.

Takano Studio experienced little trouble snatching three out of four games from topnotch Tokuda Drug. Much credit goes to Kiki Yamamoto, who, besides downing a two and ten split, chalked up a 489 series. In the same battle, Rei Imayama-gita and Joanne Furuta of Tokuda's and YoYo Konishi of Takano's also spilled difficult splits.

Hab's Sporting Goods was spanked, 4-0, by Martha's Beauty Shop. The beauticians, except for Miye Ishikawa's 171 second game, displayed no superb pin-crushing power.

Toda's Optometrists got a good look at a 3-1 victory over Mobile Service, mainly because Mitzi Sanico hit a 174 in the third and final game.

The results follow:
